San Francisco’s DJJ Realignment Plan

Key Recommendations

• **Community-Based Services:**
  • Leverage what’s already in community for young people on probation; use funding to address specific gaps

• **Out-of-home Placement:**
  • Identify additional placement options

• **Secure Youth Treatment Facility:**
  • Use Juvenile Hall as SF’s interim SYTF and to revise SYTF plan once City leadership makes decisions re: SF’s place of detention;
  • Recommend to City leadership to consider co-locating SF’s SYTF and SF’s future place of detention;
  • Regardless, SYTF should be healing-centered, family-centered, community-connected, and culturally responsive;
  • Enable youth to be placed in out-of-county SYTFs as appropriate.
