## RENT STABILIZATION GRANT

The Rent Stabilization Grant has been an effective strategy in stabilizing longstanding businesses of all sizes in San Francisco. The grant was initially issued in February 2017. Since it was issued, there have been 42 first-year grant applications helping stabilize 36 Legacy Businesses. In several instances, Legacy Businesses rented two storefronts, and Rent Stabilization Grants were awarded for both storefronts.

From July 1, 2020, through March 31, 2021, the Legacy Business Program paid 2 first-year Rent Stabilization Grants totaling \$48,065 and numerous second-year, third-year, fourth-year, and fifth-year grants to landlords of Legacy Businesses totaling \$1,334,667.

Rent Stabilization Grant (Fiscal Year 2020-21 through March 31, 2021)	Grants Paid (Fiscal Year 2020-21 through March 31, 2021)
Total First-Year Grants since 2017	\$639,869
Count (First-Year Grants since 2017)	42
Average (First-Year Grants since 2017)	\$15,235
Total Second-, Third-, Fourth-, and Fifth-Year Grants	\$1,334,667
Total All Grants	\$1,974,535 <sup>1</sup>

## PROGRAM BUDGET

Following is the estimated Legacy Business Program budget for fiscal years 2020-21 and 2021-22. The budget includes staffing, program expenses, application fees paid by Legacy Businesses, and grants. For detailed information, please see [pages 31 and 32](#).

Budget Year	Estimated Revenue	Estimated Expenses
Fiscal Year 2020-21	\$1,475,087	\$979,362
Fiscal Year 2021-22	\$2,337,238	\$1,868,984

## MAJOR UPCOMING ACTIVITIES

- Manufacturing and installing bronze plaques recognizing Legacy Businesses.
- Designing virtual plaques and etched plaques as alternatives to bronze plaques.
- Conducting surveys and interviews of Legacy Businesses to inform the strategic marketing plan.
- Finalizing and implementing the strategic marketing plan.
- Working closely with the new Neighborhood Anchor Business program manager, who will be hired in the San Francisco Office of Small Business.
- Creating an internal database for the Rent Stabilization Grant to more efficiently manage the grant applications and payments.
- Exploring the development of a property ownership program for Legacy Businesses.
- Exploring the concept of a business interruption insurance program that would provide coverage for Legacy Businesses.
- Publicizing the Controller's Office's first quinquennial assessment and review of the Legacy Business Historic Preservation Fund.

*“Our strength is rooted in our team and customers. We spent the last year moving PPE and supplies into the city for the pandemic, much like we did for the 1989 earthquake, so being designated as an official Legacy Business is an honor Center Hardware won't take lightly.” – Jamie Gentner, Chief Operating Officer of Center Hardware & Supply Co., Inc.*

# BACKGROUND

---

The Legacy Business Program is a groundbreaking initiative to recognize longstanding, community-serving establishments that have contributed to San Francisco's history and identity. The businesses range in industry, size, tradition, history, products, and services. They are restaurants, retail stores, bars, service providers, manufacturers, artists, and much more. Legacy Businesses are the bedrock of our communities and a draw for tourists from around the world. Preserving Legacy Businesses, the "soul of the city," is critical to maintaining what makes San Francisco a unique and special place.

## BACKGROUND OF LEGACY BUSINESS PROGRAM

A 2014 report by the City's Budget and Legislative Analyst's Office showed the closure of small businesses had reached record numbers in San Francisco. Commercial rents in most neighborhoods had risen significantly. The report drew connections between the city's high level of commercial evictions and skyrocketing rents. While rent control laws shield many residents from exorbitant rent hikes, no such laws exist for businesses. State law does not allow restrictions on commercial leases. An alternative effort to assist the city's legacy businesses was needed. Inspired by programs in cities such as Buenos Aires, Barcelona, and London, Supervisor David Campos proposed legislation and a ballot proposition that would become the Legacy Business Program. It was introduced in two phases.

Phase one, which unanimously passed the Board of Supervisors in March 2015 and was signed by Mayor Edwin M. Lee on March 19, 2015, created the San Francisco Legacy Business Registry. To be listed on the Registry, businesses must be nominated by the mayor or a member of the Board of Supervisors and determined by the Small Business Commission, after a noticed hearing, as having met the following criteria:

1. The business has operated in San Francisco for 30 or more years with no break in San Francisco operations exceeding two years.
2. The business has contributed to the neighborhood's history and/or the identity of a particular neighborhood or community.
3. The business is committed to maintaining the physical features or traditions that define the business, including craft, culinary, or art forms.

Phase two asked voters to create the Legacy Business Historic Preservation Fund, first-of-its-kind legislation that provides grants to both Legacy Business owners and property owners who agree to lease extensions with Legacy Business tenants.

Proposition J, establishing the Legacy Business Historic Preservation Fund, was approved by voters in November 2015, with 56.97 percent in favor and 43.03 percent opposed.

## THE LEGACY BUSINESS PROGRAM IN THE SAN FRANCISCO ADMINISTRATION CODE

In the San Francisco Administrative Code, the Legacy Business Registry and the Legacy Business Historic Preservation Fund are addressed in sections [2A.242](#) and [2A.243](#), respectively.

# MAJOR ACCOMPLISHMENTS

# LEGACY BUSINESS REGISTRY

The purpose of the Legacy Business Registry is to recognize and preserve longstanding, community-serving businesses that are valuable cultural assets to the city. The Registry is a tool for providing educational and promotional assistance to Legacy Businesses to encourage their continued viability and success.

Nominations for the Registry are made by the mayor or a member of the Board of Supervisors on an ongoing basis. Nominations are limited to a total of 300 businesses per fiscal year (July 1 through June 30). Businesses that are nominated for inclusion on the Registry and wish to be included on the Registry must pay a one-time non-refundable administrative fee of \$50 to offset the costs of administering the Legacy Business Program.

## NOMINATIONS, APPLICATIONS, AND BUSINESSES LISTED ON THE REGISTRY

The following table shows the number of nominations received, the number of applications received, and the number of businesses listed on the Legacy Business Registry for fiscal years 2015-16 through 2019-20 and the first three quarters of fiscal year 2020-21.

# MARKETING, BRANDING, AND PROMOTION

A continued, major goal of the Legacy Business Program is to illustrate the importance of Legacy Businesses to San Francisco, its communities, and visitors as a way to draw customers to patronize Legacy Businesses. The marketing and branding strategy is being rolled out in phases over several fiscal years.

## MARKETING AND BRANDING STRATEGY

### PHASE 1

Phase 1 of the marketing and branding strategy began in 2018-19. After a comprehensive research and development process, the design firm Osaki Creative Group created a logo, branding, and a wide variety of print and digital materials for Legacy Businesses and the Legacy Business Program:

- Designed a logo and branding for the Legacy Business Program, and translated the logo into seven different languages.
- Designed and distributed a brand book, style guide, marketing toolkit, and social media guide to enable Legacy Businesses to utilize branding to promote their businesses. The Office of Small Business encourages Legacy Businesses to consider Legacy-branded marketing strategies to engage new and potential customers.
- Designed certificates, bronze plaques, point of sale stickers, postcards, window clings, a production shop list, business cards, envelopes, letterhead, mailing labels, and a brochure, for implementation in future phases of the marketing and branding strategy.
- Conceptualized a new website for the Legacy Business Registry.

## MARKETING SPOTLIGHT

## PHASE 2

Phase 2 of the marketing and branding strategy occurred in fiscal year 2019-20 and involved the printing and distribution of several promotional items and selecting a contractor in preparation for Phase 3:

- Printed and distributed certificates, point of sale stickers, window clings, and roll labels (logo stickers) to all existing Legacy Businesses and new businesses added to the Registry.
- Printed branded office supplies for the Legacy Businesses Program that were designed by Osaki Creative Group, including business cards and letterhead.
- Issued a Request for Proposals to select a contractor for manufacturing bronze plaques for installation on the exterior or interior of buildings to acknowledge the presence of Legacy Businesses. Selected Priority Architectural Graphics – a local, small, woman-owned business.
- Issued Bronze Plaque Questionnaires to Legacy Businesses and received 65 completed questionnaires from those businesses interested in receiving bronze plaques for the exterior or interior of their buildings.

## PHASE 3

Phase 3 of the marketing and branding strategy began in fiscal year 2020-21 and will be implemented over several fiscal years. The following were completed prior to March 31, 2021:

- Issued a Request For Proposals to select a contractor to map out and implement Phase 3 marketing and branding efforts for Legacy Businesses and the Legacy Business Program. Selected Design Media – a local, small, woman-owned business.
- Worked with Design Media to design and develop a new website for the Legacy Business Registry: [www.legacybusiness.org](http://www.legacybusiness.org).
- Worked with the firm Priority Architectural Graphics to finalize the bronze plaque design and select Legacy Businesses to receive the first round of bronze plaques for the exterior of their businesses.

Additional tasks of Phase 3 of the marketing and branding strategy will occur in future fiscal years and will include the following:

- Work with Design Media to conduct an online survey of all Legacy Businesses.
- Work with Design Media to conduct one-on-one interviews of several Legacy Businesses that participated in the online survey.
- Work with Design Media to develop and implement a strategic marketing plan for Legacy Businesses and the Legacy Business Program, including adding webpages to [www.legacybusiness.org](http://www.legacybusiness.org), as needed.

- Work with Priority Architectural Graphics to manufacture and install bronze plaques.
- Complete and print the Legacy Business Program brochure.
- Work with organizations such as San Francisco Travel and San Francisco Heritage to develop promotions for Legacy Businesses.
- Assist Legacy Businesses with marketing and promotions, including boosting social media posts and developing a system for the Office of Small Business doing social media posts for Legacy Businesses.
- Assist with the development of a program to increase patronage of Legacy Businesses by the City and County of San Francisco.
- Trademark the Legacy Business Program logo.
- Print Legacy Business Program letterhead, envelopes, mailing labels, postcards, and pins.

## LEGACY BUSINESS REGISTRY WEBSITE

The new Legacy Business Registry website at [www.legacybusiness.org](http://www.legacybusiness.org) went live on March 12, 2021. The website was conceptualized by Osaki Creative Group and designed and implemented by Design Media.

The website currently has four webpages: [Home](#), [Registry](#), [About](#), and [Contact](#).

The homepage features a “Daily Spotlight” business and a link to the Legacy Business directory.

The Registry webpage features the business map and directory. Businesses are categorized by business type, and website users can search by business type, neighborhood, and business name, or any combination of the three.

The About webpage features information about Legacy Businesses, the Legacy Business Program, and the Office of Small Business. It also includes links on how to become a Legacy Business.

Following development of the marketing and promotional strategy for the Legacy Business Program, additional features and web pages will be added to the website.

*“We are honored to be approved for the San Francisco Legacy Business Registry. Providing entertainment and so much more for the city of San Francisco and its visitors over the last 90 years is something we are so very proud of.” – Gino Cerchiai, Owner of Bimbo’s 365 Club*

Small business preservation is an important step in maintaining a city's cultural identity, which helps provide local residents with employment, a sense of place, and community involvement. Our goal is to provide assistance to businesses that have been long-standing pillars of our community through marketing, business assistance, and specialized grants for our local small businesses that are a part of the Legacy Business Program.

# BRONZE PLAQUES

As part of the ongoing marketing and branding effort for Legacy Businesses, the Office of Small Business created a preliminary design for plaques to be installed on the exterior of buildings to acknowledge the presence of Legacy Businesses. The design was conceptualized by contractor Osaki Created Group in fiscal year 2018-19, with two preliminary designs created for either a larger plaque or a smaller plaque.

## Plaque Design Finalized

Based on the conceptual designs, contractor Priority Architectural Graphics presented the Office of Small Business with numerous different plaque options, including three potential sizes – 12, 15, and 18 inches in diameter – and several different materials to consider. The Office of Small Business selected a 15-inch diameter plaque of precision tooled bronze as the final size and material. Priority Architectural Graphics then finalized the design.

Final Bronze Plaque Design for Legacy Businesses

## Streamlined Review Process Established

The Office of Small Business worked with the Department of Building Inspection and San Francisco Planning to develop a streamlined review process for Legacy Business Program bronze plaques. Instead, design proofs showing proposed plaques and their placement on buildings will be sent to San Francisco Planning for review. Planning staff will analyze the proposals and provide approvals, approvals with conditions, suggestions for changes, or denials based on the specifics of each building. The plaques will not require a building permit, and there is no fee required, resulting in a significant savings of time and money for the Office of Small Business. Additional plaques were budgeted as a result of the cost savings.

## Potential Bronze Plaque Locations Analyzed

The Office of Small Business and Priority Architectural Graphics worked in partnership to analyze the 78 questionnaires completed by Legacy Businesses wanting bronze plaques. Based on storefront configurations and landlord support, 28 potential plaque locations were identified for Round 1.

Later in fiscal year 2020-21, Priority Architectural Graphics will create proofs for the 28 proposed plaques, which the Office of Small Business will present to San Francisco Planning for review. Approved proofs will be sent to Legacy Businesses and their landlords for approval, and Round 1 plaques will be manufactured and installed in fiscal year 2021-22.

## PROMOTION BY THE OFFICE OF SMALL BUSINESS

The Office of Small Business continued efforts to promote Legacy Businesses by posting on social media, issuing press releases, writing newsletters, and encouraging the City and County of San Francisco to patronize Legacy Businesses.

### SOCIAL MEDIA PROMOTION

Building a strong social media presence is an easy and cost-effective way to increase visibility of the Legacy Business Program and, more importantly, draw customers to Legacy Businesses. The Office of Small Business continued social media efforts for the Legacy Business Program on its Facebook (<https://www.facebook.com/SFOSB/>) and Twitter (@SFOSB) pages. This includes announcement posts when new Legacy Businesses are added to the Registry. Social media is used for better engagement of the program with the public. Supporters are encouraged to post photos and share stories of their favorite Legacy Businesses, making sure to tag the business and Office of Small Business and use the hashtag “#SFLegacyBiz.”

In fiscal year 2020-21 through March 31, 2021, the Office of Small Business posted 11 posts on Facebook and tweeted or retweeted 23 tweets on Twitter promoting Legacy Businesses and the Legacy Business Program.

## CLIENT NEEDS

### TECHNICAL ASSISTANCE AND ONE-ON-ONE CONSULTING

During this reporting period, a majority of the small businesses were seriously impacted by an unprecedented COVID-19 pandemic, which led to an almost total shutdown of the economy. Fortunately, technology has been instrumental in allowing SFSBDC advisors to continue working with businesses during the Shelter-In-Place Order. The SFSBDC have been offering webinars, virtual group discussions, and remote sessions to help businesses stay informed and respond to economic challenges. They provided technical assistance to Legacy Businesses and helped owners apply for various COVID-19 economic disaster financial relief programs to keep them afloat during these tough times. Among the 261.50 hours of counseling, over 65% of the time was dedicated to assisting businesses in applying for these grants and loans. In addition to financial assistance,

SFSBDC advisors also provide counseling on strategies for short-term survival along with long-term resilience and growth.

In order for businesses to protect their workplace, employees, and customers, business owners need to rely on local, state, and federal directives. Having the most up-to-date information regarding health and safety threats will allow businesses to take proactive measures to ensure safety. The SFSBDC has always kept itself updated on government directives so they can provide Legacy Business owners with most recent information regarding health and safety threats.

A majority of Legacy Businesses do not own their commercial property and, given the bargaining power of property owners, they encounter challenges when their leases are about to expire. It is extremely helpful for business owners to work with someone who understands the negotiating process, market rates, and real estate trends, as this helps negotiate more favorable terms. In cases where business owners had intentions to move to new locations, SFSBDC was able to pair the clients with real estate professionals for their relocation plans, which includes real estate searches, preparing Letters of Intent, and lease negotiations.

## **TRAINING**

Legacy Businesses are eligible for all training workshops offered via the SFSBDC at no cost. Topics include, but are not limited to, access to capital, bookkeeping, business laws, government contracting, financial management, marketing, and social media. By attending such workshops, Legacy Business owners and their managers have the opportunity to learn new knowledge or techniques to bring their businesses to the next level. In view of the pandemic, the SFSBDC has been able to quickly pivot in-person workshops to webinars. Together with their Norcal Regional Center, the SFSBDC had provided weekly updates on COVID-19 relief programs during critical months to help businesses understand all the financial relief programs and answer their questions in the webinars.

## **ASSISTANCE WITH GRANT APPLICATIONS**

For the Rent Stabilization Grant, an SFSBDC Case Manager helped the Legacy Business Program Manager review all applications to ensure they were correct and complied with the grant Rules and Regulations.

## **ASSISTANCE WITH LEGACY BUSINESS REGISTRY APPLICATIONS**

Business owners continue to require assistance with the Legacy Business Registry applications. Those needing help are paired with a business advisor who helps guide the client through the application process. The most common assistance sought by business owners is the writing of the narrative section, but assistance is also provided with online research of historical information about the business, compiling back-up documentation, and ensuring the application is complete before submission. In cases where business owners did not understand English well, an interpreter/advisor was assigned to provide language assistance for more effective communication.

# RENT STABILIZATION GRANT

---

The Rent Stabilization Grant helps maintain San Francisco's cultural identity and fosters civic engagement and pride by assisting Legacy Businesses to remain in the city.

In San Francisco's current economic climate, many otherwise successful, long-operating businesses are at risk of displacement despite continued value to the community and a record of success. In recent years, San Francisco has witnessed the loss of many long-operating businesses because of increased rents or lease terminations. This problem has been exacerbated by the coronavirus pandemic that began affecting San Francisco businesses in February 2020.

To the extent that property owners have little incentive to retain longstanding tenants, a long-operating business that does not own its commercial space or have a long-term lease is particularly vulnerable to displacement. A viable strategy for securing the future stability of San Francisco's long-operating businesses is to provide incentives for landlords to enter into long-term leases with such businesses.

The purpose of the Rent Stabilization Grant (<http://sfosb.org/legacy-business/rentgrant>) is to provide an incentive for landlords to enter into long-term leases with Legacy Businesses. Through the grant, landlords who extend the leases of Legacy Businesses for at least 10 years may receive grants of up to \$4.50 per square foot of space leased per year. Rent Stabilization Grants are capped at 5,000 square feet (\$22,500 annually). A biennial Consumer Price Index (CPI) adjustment has been added to the grants starting in fiscal year 2017-18.

The Rent Stabilization Grant is included in the Legacy Business Historic Preservation Fund in San Francisco Administrative Code section 2A.243. Per the Admin Code, "Subject to the budgetary and fiscal provisions of the City Charter, the Office of Small Business shall award an annual grant to a landlord that, on or after January 1, 2016, enters into an agreement with a Legacy Business that leases real property in San Francisco to the Legacy Business for a term of at least 10 years or extends the term of the Legacy Business's existing lease to at least 10 years, for each year of a lease entered into on or after January 1, 2016, or each year that was added to an existing lease on or after January 1, 2016 (e.g., an existing five-year lease that is extended to 20 years on January 1, 2016 would entitle the landlord to 15 years of grants) ..."

The grant was initially issued in February 2017 and has been an effective strategy in stabilizing longstanding businesses of all sizes in San Francisco. Since fiscal year 2016-17, the annual budget allocation for the Legacy Business Historic Preservation Fund has been \$1 million in the City's budget, which includes both the Rent Stabilization Grant and the former Business Assistance Grant. The Business Assistance Grant was active from fiscal years 2016-17 through 2019-20.

Since it was issued, there have been 42 first-year grant applications helping stabilize 36 Legacy Businesses through March 2021. Initially, the Office of Small Business received an average of one new Rent Stabilization Grant application per month, but OSB has received fewer applications during the coronavirus pandemic. The resulting grant carryforwards each fiscal year will prolong the number of years the Rent Stabilization Grant will be fully funded considering its expected \$1 million annual budget allocation, thus providing greater stability for San Francisco's Legacy Businesses.

The following table indicates Rent Stabilization Grant applications paid as of March 31, 2021.

# PROGRAM CHALLENGES

---

The Office of Small Business has been busy since spring 2020 assisting businesses with the disastrous effects of the coronavirus pandemic. Helping business recover from the pandemic and better preparing businesses for similar events in the future are challenges the Office of Small Business has undertaken this fiscal year. The Office of Small Business has also been challenged with escalating staff obligations for the Legacy Business Program and escalating budget obligations for the Legacy grants.

## **Recovering from the Coronavirus Pandemic**

Starting February 2020, local and state leaders prudently issued health emergency declarations and orders to stay at home and shelter in place to slow the spread of coronavirus infections. While these extremely important declarations and orders have significantly reduced the spread of COVID-19, it has meant that most if not all of the Legacy Businesses in San Francisco, and the workers they employ, have experienced irrecoverable losses. Some of these losses have been so immediate and severe that some small businesses have been forced into permanent closure.

Responsive to evident economic disruption, local and state officials acted swiftly to implement emergency programs, policies, and orders to support small businesses and those they employ. The Office of Small Business and the Small Business Commission have been working together and expeditiously with the Mayor's Office, the Board of Supervisors, City agencies, merchant groups, business organizations, and technical assistance providers to develop and administer economic mitigation measures in support of San Francisco small businesses who have been, and continue to be, impacted by COVID-19.

One such measure administered by the Office of Small Business is the San Francisco Music and Entertainment Venue Recovery Fund ("Venue Fund"), which was established in March 2021. The Venue Fund provides financial support to San Francisco-based live music and entertainment venues in order to prevent their permanent closure due to the pressures of the COVID-19 pandemic.

The Office of Small Business will continue helping Legacy Businesses improve their operations and adapt their business models as needed in an effort to help them recover from the effects of the coronavirus pandemic. The new Legacy Business Registry website at [www.legacybusiness.org](http://www.legacybusiness.org) and enhanced marketing, branding, and promotion occurring this fiscal year and in fiscal year 2021-22 will be beneficial for Legacy Businesses.

## **Escalating Staff Obligations**

The Office of Small Business has experienced escalating staff obligations every year since the Legacy Business Program was established in 2015.

An average of 5 businesses have been added to the Legacy Business Registry every month, averaging 60 businesses per fiscal year, since the first 19 businesses were added to the Registry in August 2016. Each application requires significant staff time to review and process, resulting in a consistent queue of new applications despite the Office of Small Business conducting minimal outreach to potential applicants.

As more Legacy Businesses are added to the Registry, the overall need for business assistance services through the San Francisco Small Business Development Center has increased. The number of Legacy Business clients has more than tripled in just four years, from 25 in fiscal year 2016-17 to 81 in fiscal year 2019-20, with 77 clients projected for fiscal year 2020-21. The number of hours of technical assistance provided to Legacy Business clients increased 64% between 2016-17 and 2019-20.

Due to limited staff at the Office of Small Business, administration of the Venue Fund was assigned to the Legacy Business Program Manager in March 2021. This assignment is expected to temporarily shift hundreds of hours of staff time from the Legacy Business Program to the Venue Fund in fiscal years 2020-21 and 2021-22.

The Office of Small Business will continue to seek funding and opportunities to increase staff who can assist with the Legacy Business Program.

## Escalating Budget Obligations

There has been a steady demand from landlords for the Rent Stabilization Grant. Because the grant is paid over multiple years through annual applications, each new application compounds the number of applications received in successive years. Requested grants are expected to exceed the \$1 million annual grant allocation by fiscal year 2023-24. The Rent Stabilization Grant also adds to the escalating staff obligations.

We are appreciative of the recognition and will continue to play our part in building a stronger community through fostering empathy and connection through our artistic work." - Jennifer Bielstein, Executive Director of the American Conservatory Theatre Foundation*

# MAJOR UPCOMING ACTIVITIES

---

Following are major upcoming activities for the Legacy Business Program for the fourth quarter of fiscal year 2020-21 and for fiscal year 2021-22:

- Work with the contractor Priority Architectural Graphics to manufacture and install bronze plaques recognizing Legacy Businesses.
- Work with Priority Architectural Graphics to design virtual plaques, as well as etched plaques that are similar in design to the bronze plaques but are thinner and can be mounted to glass surfaces.
- Work with the contractor Design Media to conduct an online survey of all Legacy Businesses and one-on-one interviews of several Legacy Businesses that participated in the online survey.
- Work with Design Media to finalize the strategic marketing plan for Legacy Businesses and the Legacy Business Program. Implement short-term goals identified in the strategic marketing plan, and begin working on long-term goals.
- Work closely with the new Neighborhood Anchor Business program manager, who will be hired in the San Francisco Office of Small Business, to ensure that program is well-integrated with the Legacy Business Program.
- Continue working with the San Francisco Small Business Development Center to help Legacy Businesses in need of various types of assistance.
- Continue working with the Planning Department and other City departments to provide additional benefits to Legacy Businesses.
- Continue processing Rent Stabilization Grant applications for landlords that provide long-term leases to Legacy Businesses.
- Create an internal database for the Rent Stabilization Grant to more efficiently manage the grant applications and payments.
- Explore the development of a property ownership program that would enable Legacy Businesses to purchase buildings or spaces to house their businesses or organizations.
- Explore the concept of a business interruption insurance program that would provide coverage for Legacy Businesses during local emergencies in instances that are not covered by their regular business interruption insurance policies.
- Publicize the Controller's Office's first quinquennial assessment and review of the effect of the Legacy Business Historic Preservation Fund on the stability of Legacy Businesses for the prior five fiscal years.
