SF WIOA MOU 2022-2025 2023 w sig forms.docx.pdf;

Greetings, WISF Executive Committee,

Thank you so much for your service to San Francisco through your seats on the WISF and its Executive Committee.

At the pleasure of the Chair and the body, the SF WIOA MOU 2022-2025 will be agendized at our WISF Executive Committee on 5/19. Your approval will be requested to allow Chair Cotter to sign the this document on behalf of the WISF.

For background, WISF approved this MOU last year. OEWD and WISF are required to revise the MOU whenever a new organization in our local area secures special titles of WIOA funding. This year, Native American Health Center secured WIOA 166 Indian and Native American Program funding from the U.S. Department of Labor. Therefore, we have revised the MOU to include Native American Health Center. There are no additional changes to the MOU from the version WISF approved last year.

Kindly find attached the SFWIOA MOU 2022-2025 for your consideration.

Best,
Jen
