ARTICLE I - REPRESENTATION

- 1. **THIS COLLECTIVE BARGAINING AGREEMENT** (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") through its designated representatives and the San Francisco District Attorney Investigators' Association (hereinafter "Association").

I.A. RECOGNITION

- 2. The City acknowledges that the Association has been properly certified as the recognized employee representative, pursuant to the provisions set forth in the City's Employee Relations Ordinance, for the following classifications:

Class OT Symbol Title

8146	L	District Attorney's Investigator
8147	L	Senior District Attorney's Investigator
8149	Z	Assistant Chief District Attorney's Investigator
8550	L	District Attorney's Investigator (SFERS)
8552	L	Senior District Attorney's Investigator (SFERS)
8554	Z	Assistant Chief District Attorney's Investigator (SFERS)

- 3. Recognition shall be extended to individual classes appropriately accreted to existing bargaining units covered by this Agreement, and this Agreement shall apply prospectively to such classes.

I.B. INTENT

- 4. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adoption or acceptance by the Board of Supervisors by appropriate action in accord with City Charter §A8.409 and ratification by the Association.
- 5. Upon adoption, the provisions of this Agreement shall supersede and control over contrary or contradictory Charter provisions, ordinances, resolutions, rules or regulations of the City to the extent permissible by Charter §A8.409.

I.C. OBJECTIVE OF THE CITY

- 6. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
- 7. The Association recognizes the City's right to establish and/or revise performance levels, standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the

performance of each employee or group of employees.

8. Employees who work at less than acceptable levels of performance as determined by the District Attorney may be subject to disciplinary measures in accordance with any rights they may have under Government Code 3300 et seq. Nothing in this Agreement shall be construed to alter, modify, or restrict in any manner the exercise of the rights, authority or discretion conferred on the District Attorney by Charter Section 10.104(13) which states that District Attorney's Investigators "serve at the pleasure of the appointing authority."

I.D. MANAGEMENT RIGHTS

9. The City shall have authority for the policies and administration of the Department and the power to organize, reorganize and manage the District Attorney's Office and its employees. Nothing in this document shall be interpreted as abrogating the Charter in any of its parts. Said authority shall include, but not be limited to, work rules and regulations. This Paragraph is not to be interpreted as a limitation on the rights of the Association under the Meyers-Milias-Brown Act.

I.E. NO STRIKE PROVISION

10. During the period of time this Agreement is in effect, the Association and members of the bargaining unit agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, slowdown, mass absenteeism, sympathy strike, or any other disruptive activities which are detrimental to the conduct of City and County business and services.

I.F. NEGOTIATION RESPONSIBILITY

11. 1. Except in cases of emergency, the City/Department shall give reasonable written notice to the Association of any proposed change in matters within the scope of representation as specified in Government Code §3504.5. The Association shall be provided with the opportunity to meet and confer with regard to any such proposed change should it desire to do so.
12. In cases of emergency when the City/Department determines that a proposed change as described herein must be adopted immediately without prior notice or meetings with the Association, the City/Department shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such change.
13. 2. If the Association does not respond within fifteen (15) calendar days from the date of receipt or written notification of a proposed change as described above in subsection 1, the Association shall be deemed to have waived its opportunity to meet and confer on the proposed change.
14. 3. If the Association timely requests the opportunity to meet and confer as provided herein, the City/Department, with the direct assistance and participation of the Employee Relations Division, agrees to meet and confer with the Association over such proposed change or changes within fifteen (15) calendar days of such timely request, unless a longer period of time is mutually agreed upon, in order to freely exchange information, opinions and proposals and to endeavor to reach agreement on the proposed change or changes.

- 15. 4. Except as provided in subsection 3, above, the Association agrees that it will make no proposals for change in the terms and conditions of employment of bargaining unit members for the duration of this Agreement.
- 16. 5. This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any and all prior and existing Memoranda of Understanding, Understandings, or Agreements, whether formal or informal, are hereby superseded or terminated in their entirety. This Agreement may be modified, but only in writing, upon the mutual consent of the parties and ratification by the Board of Supervisors.

I.G. GRIEVANCE PROCEDURE

- 17. A grievance is any dispute, which involves the interpretation or application of any provisions of the Collective Bargaining Agreement relating to working conditions arising out of this Agreement, including the denial of a step increase under paragraph 153 (Satisfactory Performance). Grievances may be initiated by either an employee or the Association; provided, however, only the Association may submit a grievance to arbitration. Disciplinary matters are excluded from the provisions of this Section. Grievances must be in writing and include:
 - a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employee or employees;
 - b. The section(s) of the Agreement which the Grievant believes has been violated; and
 - c. The remedy or solution being sought by the Grievant.
- 18. The City shall return any grievance that does not include the information specified above. The Grievant may resubmit a grievance adding missing information, and all dates and other provisions shall be triggered off the new submission date. If the Grievant submits the amended grievance within fourteen (14) calendar days from the date the City returned the grievance, the City will not deny the grievance based on timeliness, unless the City asserts the original grievance was not timely. Failure of the Grievant to follow the time limits, unless mutually extended, shall cause the grievance to be withdrawn. Failure of the City to follow the time limits shall serve to move the grievance to the next step. Grievances shall be processed in the following manner:
 - 1. Step I
 - 19. a. The grievance shall be presented either by the employee or by an authorized Association representative to the designated supervisor of the employee within fifteen (15) calendar days after the cause of such grievance occurs.
 - 20. b. The designated supervisor shall have fifteen (15) calendar days from date of receipt of grievance in which to respond. If the grievance is not satisfactorily

adjusted within this period, within fifteen (15) calendar days of receipt of the supervisor's response, the grievance shall be presented in writing either by the employee or by an authorized Association representative to the department head or to such representative as the department head may designate.

2. Step II

- 21. a. The Step II grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step.
- 22. b. The department head or a designee shall have fifteen (15) calendar days from date of receipt of grievance in which to respond. If the grievance is not satisfactorily adjusted within this period, within fifteen (15) calendar days of receipt of the department head's decision, the grievance shall be presented in writing either by the employee or by an authorized Association representative to the Employee Relations Division or designee.

3. Step III

- 23. a. The Step III grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step.
- 24. b. The Employee Relations Division (ERD) shall have thirty (30) calendar days from date of receipt of the grievance in which to respond. If the grievance is not satisfactorily adjusted by ERD, within fifteen (15) calendar days of receipt of the ERD response, the Association has the right to advance the grievance to final and binding arbitration before an impartial arbitrator by submitting a request for arbitration to the ERD Director. The ERD Director shall issue a letter referring the Association to the City Attorney's Office. The Association shall contact the City Attorney's Office by letter, copied to the ERD Director, via US mail, within thirty (30) calendar days of the date of the ERD Director's letter referring the Association to the City Attorney's Office. If the Association fails to contact the City Attorney's Office within thirty (30) calendar days of that letter, the grievance is deemed withdrawn. The City Attorney's Office and the Association shall pick an impartial arbitrator by mutual agreement. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Association and the City. Each party, however, shall bear the cost of its own presentation including preparation and post hearing briefs, if any. The parties shall bear their own legal expenses and costs for grievances. Each party expressly waives any right to an award of attorney's fees or costs in any grievance proceeding.

25. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the City and County of San Francisco. It is the intent of this provision that Arbitrator Awards be implemented.

26. No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Association and

unless such dispute falls within the definition of a grievance.

27. Proposals to add to or change this Agreement or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate Agreement, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator shall have the power to amend or modify this Agreement or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.
28. All complaints involving or concerning the payment of compensation shall be initially filed in writing with the District Attorney or the authorized representative. Only such complaints which allege that employees are not being compensated in accordance with the provisions of this Agreement shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Agreement which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.
29. In no event shall a grievance include a claim for monetary relief for more than a thirty (30) calendar day period prior to the initiation of the grievance, nor shall an arbitrator award such monetary relief.
30. Time Off for Grievances. If an employee desires the assistance of a representative of the Association in the processing of a grievance, the City agrees to permit one (1) Association representative reasonable time off during regular work hours, without loss of compensation or other benefits for this purpose. The grievant and/or authorized representative shall obtain the approval of their immediate supervisor before leaving their duty or work station or assignment for the purpose of processing a grievance.

I.H. EMPLOYEE REPRESENTATIVES

31. Employee representatives shall be allowed to distribute Association material and contact members on City property, provided the contact will be made during the employees' rest periods or before or after their work.
32. Up to two (2) official Association representatives shall be allowed time off without loss of pay to meet and confer with representatives of the City and County of San Francisco on matters within the scope of representation as provided in Administrative Code §16.219, which is appended for informational purposes only.
33. A DAIA representative shall not represent an employee in a disciplinary matter if the representative is a witness or otherwise personally involved in the matter.

I.I. ASSOCIATION SECURITY

1. AUTHORIZATION FOR PAYROLL DEDUCTIONS

34. a. The Association shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Association Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Association. "Contributions" as used in this Section I.I. means Association membership dues, initiation fees, premiums for Association sponsored insurance programs, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Association.
35. b. The City shall deduct Contributions from a represented employee's pay upon submission by the Association of a request, in accordance with the Procedure. The Procedure shall include, and the Association must provide with each request, a certification by an authorized representative of the Association, confirming that for each employee for whom the Association has requested deduction of Contributions, the Association has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Association, and make the requested deduction changes only upon receipt of a proper certification.
36. c. The Procedure is the exclusive method for the Association to request the City to initiate, change or cancel deductions for Contributions.
37. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Association, but only if the Association submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
38. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Association to obtain the Association authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Association form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Association a copy of any authorization form that it receives directly from a represented employee.
39. f. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Association, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Association a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.

40. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Association in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
41. h. With the exception of subsection (e) above, the Association is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Association on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Association. The City shall not resolve disputes between the Association and represented employees about Association membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Association. The Association shall respond to such employee inquiries within no less than 10 business days.

2. INDEMNIFICATION

42. The Association shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgements, arising from or related to the City's compliance with this Section I.I. The Association shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Association; (ii) the City shall provide any assistance that the Association may reasonably request for the defense of the claim; and (iii) the Association has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Association may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.I. brought by the Association against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

I.J. ASSOCIATION ACCESS

43. The City shall provide the Association reasonable access to all work locations to verify

ARTICLE I - REPRESENTATION

compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below, as well as any rules and regulations agreed to by a City agency or department and the Association.

44. The Association agrees that its access to work locations will not disrupt or interfere with a City agency or department's mission and services or the work of employees, or involve any political activities.
45. The Association representatives may use City meeting space with a reasonable amount of advance notice and approval from the City agency or department, subject to availability.
46. The City may require an agency or department representative to escort Association representatives (other than active DA Investigators) when the Association representative seeks access to a work area where confidential or secure work is taking place, when the department would require an escort for other non-employees.
47. Nothing in this Section is intended to disturb existing City agency or departmental Association access policies. Further, City agencies or departments may implement additional rules and regulations after meeting and conferring with the Association.

ARTICLE II – EMPLOYMENT CONDITIONS

ARTICLE II – EMPLOYMENT CONDITIONS

II.A. NON DISCRIMINATION CLAUSE

48. The City and the Association agree that discriminating against or harassing employees, applicants, or persons providing services to the City by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
49. Neither the City nor the Association shall interfere with, intimidate, restrain, or coerce or discriminate against any employee because of the exercise of rights granted pursuant to the Meyers-Milias-Brown Act.

II.B. FAIR LABOR STANDARDS ACT

50. The City agrees that it will, at a minimum, compensate in a manner and consistent with the Fair Labor Standards Act. No employee covered by this Agreement shall suffer any reduction in benefits as the result of the application of this language.

II.-C. INJURY RELATED LEAVES

51. The City will make a good faith effort to return employees who have sustained an occupational or non-occupational injury or illness to temporary modified duty within the employee’s medical restriction. Duties of the modified assignment may differ from the employee’s regular job duties and/or from job duties regularly assigned to employees in the injured employee’s class. Where appropriate modified duty is not available within the employee’s classification, on the employee’s regular shift, and in the employee’s department, the employee may be temporarily assigned pursuant to this section to work in another classification, on a different shift, and/or in another department, provided the assignment must be approved by the District Attorney and does not violate Section 3303(j) of the Government Code. The decision to provide modified duty and/or the impact of such decisions shall not be subject to grievance or arbitration, except that alleged violations of Government Code Section 3303(j) shall be subject to grievance and/or arbitration. Modified duty assignments may not exceed three (3) months.
52. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee’s accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee’s Appointing Officer’s approval.
53. An employee who wishes to not supplement, or wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee’s normal salary unless the employee makes an alternative election as provided in this section.
54. Salary may be paid on regular time-rolls and charged against the employee’s sick leave with pay, vacation or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
55. Sick leave with pay, vacation or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
56. Nothing in this Agreement is intended to affect any rights an employee covered by this Agreement may have under Labor Code Section 4850.

II.D. LAYOFFS

57. Advance Notice. Any employee whose position is eliminated shall be given at least thirty (30) calendar days’ advance written notice. The Association shall receive a copy of any layoff notice.
58. Displacements. The City will provide ten (10) business days’ notice to employees who are

subject to displacement due to layoffs. To the extent this notice period extends beyond the date the displacing employee is to start in the position, the employee who is to be displaced will be placed in a temporary exempt position in the employee’s classification and department for the remainder of the notice period.

59. Request to Meet & Confer. Prior to any layoff, the Association shall have ten (10) calendar days from the date of the layoff notice, as specified in subsection 1 above, to make a written request to meet and confer with the City. If such request is provided, the City shall meet and confer to consider any proposal(s) advanced as an alternative to layoff and/or on the impact of such layoff.
60. The Association’s rights under this provision shall not alter the effective date of the layoffs without the written agreement of the City.

II.E. LABOR MANAGEMENT COMMITTEE

61. The parties have established a Joint Labor Management Committee with equal representation from both the City and the Association.
- Scope:
62. a. to give advice and make recommendations regarding the meaning, interpretation, or application of this Agreement;
63. b. to give advice and make recommendations regarding issues which both the City and the Association agree to submit to the Joint Labor Management Committee;
64. The Joint Labor Management Committee shall meet at a minimum on a quarterly basis, and otherwise as needed. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
65. The Committee will begin with a review of workload. The parties recognize that though workload fluctuates for various reasons, an employee’s normal workload should conform to a regular 40-hour workweek to the extent possible.
66. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.

ARTICLE III - PAY, HOURS AND BENEFITS

III.A. SCHEDULES OF COMPENSATION

67. Compensation for the respective classifications of employment shall be paid for services under a normal work schedule as defined in Section III hereof. Compensations listed are gross amounts and are paid on a biweekly basis unless otherwise specified. The salary grade plan of seniority increments is contained herein. Wage rates are set forth in Attachment A.
68. Base wages shall be increased as follows:

Effective July 1, 2022, represented employees shall receive a base wage increase of 5.25%.

Effective July 1, 2023, represented employees shall receive a base wage increase of 2.50%, except that if the March 2023 Joint Report, prepared by the Controller, the Mayor's Budget Director, and the Board of Supervisors' Budget Analyst, projects a budget deficit for fiscal year 2023-2024 that exceeds \$300 million, then the base wage adjustment due on July 1, 2023, will be delayed by approximately six (6) months, to be effective January 6, 2024.

Effective January 6, 2024, represented employees shall receive a base wage increase of 2.25%, except that if the March 2023 Joint Report, prepared by the Controller, the Mayor's Budget Director, and the Board of Supervisors' Budget Analyst, projects a budget deficit for fiscal year 2023-2024 that exceeds \$300 million, then the base wage adjustment due on January 6, 2024, will be delayed by approximately six (6) months, to be effective close of business June 30, 2024.

69. All base wage increases shall be rounded to the nearest whole dollar, bi-weekly salary.

III.B. WORK SCHEDULES

1. NORMAL WORK SCHEDULES

70. a. Unless otherwise provided in this agreement, a normal work day is a tour of duty of eight (8) hours completed within not more than nine (9) hours.
71. Upon request of the appointing officer, the Department of Human Resources may authorize work schedules for executive, administrative or professional employees which are comprised of eight (8) hours within twelve (12) or a forty (40) hour work week in four, five or six consecutive days. Such change in the number of work days shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as provided all five-day, forty hour-a-week employees.
72. All classifications of employees having a normal work day of eight (8) hours within nine (9) hours may voluntarily work in flex-time programs authorized by appointing officers and may voluntarily work more than or less than eight (8) hours within twelve (12) hours, provided, that the employee must work five (5) days a week, eighty (80) hours per payroll period, and must execute a document

stating that the employee is voluntarily participating in a flex-time program and waiving any rights the employee may have on the same subject.

73. The Employee Relations Division of the Department of Human Resources may authorize any department head, board or commission to meet and confer with an employee, group of employees, or their representatives on proposals offered by the employee, group of employees, or their representatives or the department relating to alternate scheduling of working hours for all or part of a department. Such proposals may include but are not limited to core-hour flex time, full time work weeks of less than five (5) days, work days of less than eight (8) hours or a combination of plans which are mutually agreeable to the employee, group of employees, and their representatives and the department concerned. Any such agreement shall be submitted to the Mayor's Budget Office for its approval or rejection.
74. b. A normal work week is a tour of duty on each of five consecutive days.
- c. City-Wide Voluntary Reduced Work Week
75. Employees in any classification, upon the recommendation of the appointing officer and subject to the approval of the Human Resources Director, may voluntarily elect to work a reduced work week for a specified period of time. Such reduced work week shall not be less than twenty (20) hours per week nor less than three (3) continuous months during the fiscal year. Pay, Vacation, Holidays and Sick Pay shall be reduced in accordance with such reduced work week.
- d. Exceptions
76. Covered employees unable to work due to inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances shall be compensated as follows:
77. (i.) Employees who receive at least 2-hours advance notice that work is not available shall receive no compensation.
78. (ii.) Employees who are not given at least 2-hours advance notice and who report to work and are informed no work is available shall be paid for a minimum of two (2) hours.
79. (iii.) Employees who begin their shift and are subsequently relieved of duty due to the above reasons shall be paid a minimum of four (4) hours, and for hours actually worked beyond four (4) hours, computed to the nearest one-quarter (1/4) hour.

2. PART-TIME WORK SCHEDULE

80. A part-time work schedule is a tour of duty of less than forty hours per week.

3. SCHEDULING OF LUNCH AND REST BREAKS

81. Due to the unpredictable requirements, demands and nature of the investigative work performed by DA Investigators, members shall be afforded flexibility to schedule their unpaid lunch and rest breaks to efficiently perform their duties and accommodate the workflow of the Office of the District Attorney. Such scheduling requests shall be subject to approval of the Chief Investigator or the Captain in their absence. The Chief Investigator, or the Captain in their absence, shall take into consideration the needs, requirements and mission of the Department. This flexibility in scheduling is not intended to create a routine schedule of members taking their first or last hour of their shift for lunch and rest breaks. The Association and Chief Investigator will meet on a regular basis to ensure that the interests of the Department and Investigators are being met. This provision is intended to create a pilot program which will expire at the end of the term of this agreement and any disputes between the parties regarding this provision will not be subject to the grievance process set forth herein.

Any employee designated non-Z or L who has a compensatory time balance in excess of three hundred (300) hours on July 1, 2019 may maintain their compensatory balances, but may not accrue any additional compensatory time until their balance drops below three hundred (300) hours. Employees who accrue CTO when their CTO balances are 300 hours or more will be paid cash overtime pay. The City may, in its discretion, pay off CTO balances in excess of 300 hours back down to 300 hours. Subject to availability of funds, a non-“Z” classified employee, upon the employee’s request, shall be able to cash out earned but unused compensatory time; approval of the cash out is at the discretion of the Appointing Officer. The proper step shall be determined by the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.

132. (3) If the appointment deemed promotive described above is a temporary appointment, and the employee, following a period of continuous service at least equal to the prescribed probationary period is subsequently given another appointment either permanent or temporary, deemed promotive from the prior temporary appointment class, the salary step in the subsequent promotive appointment shall be deemed promotive in accordance with subsections 1 & 2, above.

d. Exempt Appointive Position

139. The Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from which the promotional.

2. PER DIEM OR HOURLY

142. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. III.P. SENIORITY INCREMENTS

1. ENTRY AT THE FIRST STEP

143. Employees who, at the time of hire, have one (1) year or less of law enforcement experience, shall be placed at the first step of the salary range. Permanent employees shall advance to the second step and to each successive step upon completion of the one year required service.

2. ENTRY AT OTHER THAN THE FIRST STEP

144. Employees who, at the time of hire, have two (2) or more years of law enforcement experience, shall be placed at the step of the salary range corresponding with their years of law enforcement experience (e.g., an employee with four (4) years of prior law enforcement experience shall be placed at Step 4 or higher); provided, however, the District Attorney may place the employee at a lower step if this action is accompanied by a written explanation to the Association setting forth the lawful basis relied upon by the District Attorney for assigning the employee to a lower step. For example, a lower step may be justified by a significant break in service. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required service. Further increments shall accrue following completion of the required service at this step and at each successive step.

3. DATE INCREMENT DUE

145. Increments shall accrue and become due and payable on the next day following completion of required service as a permanent employee in the class, unless otherwise provided herein.

4. EXCEPTIONS

146. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of

leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since the employee's previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee's new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

147. Satisfactory Performance. An employee's scheduled step increase may be denied if the employee's performance has been unsatisfactory to the City. The Appointing Officer shall notify an affected employee at least sixty (60) calendar days prior to the employee's salary anniversary date of intent to withhold a step increase. However, if unsatisfactory performance occurs within the sixty days before the employee's salary anniversary date, the Appointing Officer shall provide notice of intent to withhold a step increase within a reasonable time. The notice shall be in writing and shall provide reason(s) and/or explanation for the denial.
148. The denial of a step increase is subject to the grievance procedure, including final and binding grievance arbitration. An employee's performance evaluation(s) may be used as evidence by either party in a grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
149. If an employee's step advancement is withheld, that employee shall next be eligible for a step advancement on the employee's salary anniversary date the following fiscal year. However, at any time before that date, the Appointing Officer, in the Appointing Officer's sole discretion, may grant the employee the withheld step increase, to be effective on or after the first pay period following the Appointing Officer's decision, with no retroactive payment allowed.
150. An employee's salary anniversary date shall be unaffected by this provision.
151. In administering this subsection (a), the City affirms its commitment to a meaningful employee performance evaluation and notice process.

III.Q. ADDITIONAL BENEFITS

152. The following contributions shall not be considered as a part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
1. HEALTH AND WELFARE AND DENTAL INSURANCE
153. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

- 154. a. Benefits that are made available by the City to the domestic partners of other City employees shall simultaneously be made available to the domestic partners of these bargaining unit members.
- 155. b. Hepatitis B Vaccine. The City shall provide at its expense Hepatitis B vaccine immunization for all bargaining unit members.
- 156. c. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

2. HEALTH COVERAGE EFFECTIVE JANUARY 1, 2015

157. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

a. Employee Only:

158. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

b. Employee Plus One:

159. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

c. Employee Plus Two or More:

160. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

d. Contribution Cap

161. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

e. Average Contribution Amount

162. For purposes of this agreement, and to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

3. MEDICALLY SINGLE EMPLOYEES OUTSIDE OF HEALTH COVERAGE AREAS

163. Notwithstanding any other provision of this Agreement, for “medically single employees” (Employee Only) who are permanently assigned by the City to work in areas outside of the health coverage areas of Kaiser and Blue Shield for the term of this Agreement, the City shall continue to contribute one hundred percent (100%) of the premium for the employees’ own health care benefit coverage.

III.R. RETIREMENT

164. Employees in CalPERS shall pay their own employee retirement contribution in the amount of nine percent (9%) of covered gross salary. Employees in SFERS shall pay their own retirement contribution in the amount required by the San Francisco Charter.

1. Proposition C Employee Cost-Sharing:

165. The parties recognize the requirement under Charter Section A8.409-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter’s SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.

166. The parties agree that, when the applicable SFERS annual employer contribution rate is more

than 12.00%, bargaining unit members in CalPERS shall make the mandatory statutory employee contribution described in paragraph 177, plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.409-9 (the “Prop C Contribution”). The Prop C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C Contribution will be 2.5% of covered compensation for miscellaneous safety bargaining unit members in CalPERS earning at the annual rate of less than \$100,000, and 3% of covered compensation for such bargaining unit members earning at the annual rate of \$100,000 or more.

Employer Contribution Rate for Comparable SFERS Employees	Misc Safety <\$100k	Misc Safety >\$100k
0%	(4.0%)	(5.0%)
0.01% - 1.0%	(4.0%)	(4.5%)
1.01% - 2.5%	(3.75%)	(4.25%)

167. The Prop. C Contribution:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for

certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;

- (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
- (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid by the City to CalPERS; and
- (vi) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary.

168. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, Section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 177 to the extent of the Prop. C Contribution.

169. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.

170. Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4.

2. Employee payment of employee contribution to CalPERS

171. For the duration of this agreement, members of the bargaining unit in CalPERS shall pay the employee share of mandatory retirement contributions effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
 - (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
 - (iii) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and
 - (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.
172. Pursuant to San Francisco Administrative Code Section 16.61-1(4)(a), the Association has elected to place all employees covered by this agreement into a full retirement status. The parties recognize that the implementation of full contribution rather than reduced contribution is irrevocable.
173. Although not a mandatory subject of bargaining, if requested in writing by the Association, the City agrees to meet and confer with the Association over a mutually satisfactory amendment to the City's contract with PERS to effect safety retirement improvements for represented employees. As set forth in Charter Section A8.506-2, any contract amendment shall be cost neutral. As set forth in Charter Sections A8.409-5 and A8.506-2, the parties acknowledge that any disputes remaining after meet and confer on a PERS contract amendment are not subject to the impasse resolution procedures in Charter Section A8.409.
174. Retirement Seminar Release Time. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this agreement to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
175. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
176. All such seminars must be located within the Bay Area.
177. This section shall not be subject to the grievance procedure.

IIIS. POST AND/OR EDUCATION PREMIUM PAY

178. Employees in classifications 8146 District Attorney Investigator, 8147 Senior District Attorney Investigator and 8149 Assistant Chief District Attorney Investigator, and any other District Attorney Investigator classification with peace officer status subsequently accreted to this bargaining unit, who successfully maintain the State required minimum of completing twenty-

four (24) hours of POST training within a twenty-four (24) month period, shall receive a premium equal to Four (4%) Percent of their base rate of pay.

179. Any employee who (1) was hired as a 8146 District Attorney Investigator, 8147 Senior District Attorney Investigator or 8149 Assistant Chief District Attorney Investigator (or any other District Attorney Investigator classification with peace officer status subsequently accreted to this bargaining unit) before July 1, 1990, or (2) possesses a valid Advanced POST Certificate, shall receive a premium equal to Six and One-Half Percent (6.5%) of the employee’s base rate of pay. Any employee who receives the (6.5%) premium shall not receive the 4% premium described in paragraph 184.

180. Subject to the Department of Human Resources’ approval, employees who are certified as bilingual and assigned to positions designated as bilingual by the department shall receive a bilingual premium of sixty dollars (\$60) per pay period. For purposes of this section, “bilingual” means the ability to interpret and/or translate non-English languages, including sign language for the hearing impaired and Braille for the visually impaired, and “certified” means the employee has successfully passed a language proficiency test approved by the Director of Human Resources. Given the small size of this bargaining unit, and the fact that the Investigators’ work throughout the City, the Appointing Officer is authorized to designate as bilingual as many positions as the Appointing Officer believes is appropriate.
181. Effective January 1, 2020, at the City’s discretion, the City may require an employee to recertify not more than once annually to continue receiving a bilingual premium.

III.U. SEVERANCE PAY

182. The City agrees that when removing or releasing a represented employee from employment, the appointing officer will endeavor to inform the employee at least thirty (30) calendar days before the employee’s final day of work. In the event that the appointing officer fails or declines to inform an employee a full thirty (30) days in advance, the employee shall receive pay in lieu of the number of days less than thirty (30) upon which the employee was informed.
183. Due to the status of the represented employees as exempt from the City's civil service selection, appointment and removal procedures (as provided by the Charter), the City and the Association agree that in addition to the notice or pay in lieu thereof provided above, a represented employee who is removed or released from City service shall receive the following severance benefit in exchange for a release, in a form acceptable to the City, signed by the represented employee, and signed by the Association in its representative capacity for the employee, of any and all claims arising out of the employee's employment, removal or release from City service that the employee or the Association may have against the City, including any officer or employee thereof, and shall include a waiver of any right the employee may have to return to City employment, a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act, 29 U.S.C. 29 § 621 through U.S.C §

188. c. A represented employee in job code 8149 who is reassigned to job code 8146 or 8147, or a represented employee in job code 8147 who is reassigned to job code 8146, shall not be entitled to severance pay regardless of whether or not the employee chooses the reassignment.

APPENDIX A: ASSOCIATION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Association in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Association Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A.** The City shall provide the Association written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Association NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B.** Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. **Single Point of Contact:** The Association agrees to provide the City with a single point of contact (hereinafter, Association NEO Coordinator) and the City agrees to provide the Association with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Association on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Association. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Association NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Association scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Association can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Association NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs:** New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Association with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation:** At all NEOs, the Association shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Association's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Association to meet with newly-hired employees is limited to only those employees whose classifications fall within the Association's bargaining unit. The City shall ensure privacy for the Association's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Association presentations on the agenda. The Association's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Association's representatives may be an Association member designated by the Association. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Association may request release of a Association designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Association agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures:** In the event the Association identifies one or more new employees who did not attend the Association's presentation as described in Section E., above, the Association may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15)

minute time slot for the Association to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Association NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Association's representatives may be a Association member designated by the Association, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Association may request release of a Association designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Association NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Association representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Association agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Association NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Association's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Association in lieu of attending a Citywide or Departmental NEO, a private meeting with the Association as provided for in Section F., above, or a Periodic Association Orientation as provided for in Section G., below.

G. Process for Periodic Association Orientations: By mutual agreement, the Association NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Association orientations. Periodic Association orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Association orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Association access to 311 Customer Service Agent Training.

H. Association Orientation Presentations: The Association agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Association agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Association membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Association with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Association with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Association agrees to hold the City harmless for any disputes that arise between the Association and any new employee over application of this Agreement.
