ARTICLE I – REPRESENTATION

ARTICLE I. REPRESENTATION

I.A. RECOGNITION

1. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions of the City's Employee Relations Ordinance for the following classifications included in the non-supervisory registered nurse unit:

2320	Registered Nurse - Unit 42
2323	Clinical Nurse Specialist - Unit 42
2325	Nurse Midwife – Unit 42
2330	Anesthetist - Unit 42
2830	Public Health Nurse - Unit 42
2328	Nurse Practitioner - Unit 42
P103	<i>Per Diem Registered Nurses, Unit 42</i>

2. The terms and provisions of this MOU shall also be automatically applicable to any classifications designated for inclusion in this unit for which the Union has become appropriately recognized during the term of this agreement.
3. It is the intent of the parties signatory hereto that the provisions of this MOU shall not become binding until adopted or accepted by the Board of Supervisors and the City and County of San Francisco by appropriate action and ratified by the Registered Nurse membership of the Union. Moreover, it is the intent of the Board of Supervisors acting on behalf of the City to agree to wages, hours and other terms and conditions of employment as are within the Board's jurisdiction, powers and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Board does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Board has no jurisdiction.

I.B. INTENT

4. Each existing ordinance, resolution, rule or regulation over which the Board of Supervisors has jurisdiction pursuant to provisions of the San Francisco Charter, and which is specifically changed or modified by the terms of this MOU, shall be deemed incorporated in this MOU in its changed or modified form from the effective date of this MOU to and including the date of expiration thereof.
5. The Employee Relations Director and the Union negotiating team shall present one full tentative agreement, signed by the Employee Relations Director and representatives of the Union negotiating team, to the Board of Supervisors and the Union Registered Nurse membership for ratification within sixty (60) days of signing of such full tentative agreement.
6. The City agrees to notify the Union in advance of any intended changes in working conditions within the scope of representation which fall within the authority of the City and shall meet and confer and endeavor to reach an agreement with the Union prior to implementation of any intended action provided, however, that in cases of emergency, action may be taken on working conditions within the

ARTICLE I – REPRESENTATION

authority of the City without meeting the above requirements. In such instances the City agrees to meet and confer as soon as possible after taking emergency action.

I.C. NO WORK STOPPAGES

7. It is mutually agreed and understood that during the period this MOU is in force and effect the Union will not authorize or engage in any strike, sympathy strike, slowdown or work stoppage. As required by the Charter, represented employees are also bound by the above, as are all other city and county employees. The City agrees not to conduct a lockout against any of the employees covered by this MOU during the term of this agreement.

I.D. OBJECTIVE OF THE CITY

8. It is agreed that the delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this MOU within their respective roles and responsibilities.
9. The Union recognizes the City's right to establish and/or review performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. To the extent required by Government Code Section 3504 and the Employee Relations Ordinance the City shall meet and confer with the Union on the establishment or revision of performance standards or norms.
10. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission and the provisions of this Agreement.

I.E. OFFICIAL REPRESENTATIVES AND STEWARDS

Official Representatives

11. The Union may select as many as one (1) employee member of such organization from the appropriate unit represented by such organization, and one (1) additional such employee member for each two hundred fifty (250) employees or fraction thereof, in excess of two hundred (200) employees in such unit, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Director of Employee Relations, the appointing officer or a board or commission when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefore, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
12. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.

ARTICLE I – REPRESENTATION

13. No selected employee member shall leave the duty or work station, or assignment without specific approval of the employee's department head or other authorized executive management official.
14. In scheduling meetings due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.
15. Nurses who are assigned to work-related committees such as, but not limited to, PICS, Health and Safety, and Emergency Department Leadership, and attend during work hours will be given release time subject to staffing requirements. Attendance during non-work hours will be compensated as work time.

ARTICLE I – REPRESENTATION

24. The Union recognizes that it is the responsibility of the Union steward to assist in the resolution of grievances at the lowest possible level. Reasonable time off will be granted by the City for the Union Steward to present grievances subject to the following conditions:
25. (1) The Union Steward has been recognized in accordance with paragraph 32 herein.
26. (2) The employee represented by the Union Steward is covered by this MOU.
27. (3) The Union Steward is representing an employee assigned to the Steward's area of jurisdiction as described herein, provided that, in the event the designated steward is absent, a substitute steward may be used within the same clinical area at San Francisco General Hospital. In other Department of Public Health facilities, the nearest substitute steward may be used. The Union agrees to equally distribute substitute steward assignments so that such assignments do not fall disproportionately on the same stewards.
28. (4) In no event shall more than one (1) steward and one shop steward trainee observer be released from duty at any time to represent an employee.
29. The Union Steward shall not interfere with the work of any employee. The steward shall not have the right to interview patients or visitors.
30. If, in the judgment of the supervisor, because of the necessity of maintaining adequate patient care, permission cannot be granted immediately to the Union steward in order to present a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the Union steward has been denied permission.
31. In emergency situations where immediate disciplinary action must be taken because of a violation of law or a City or departmental rule (intoxication, theft, etc.) the Union steward shall, if possible, be granted immediate permission to leave the steward's post of duty to assist in the grievance procedure.
32. The City and the Union agree that the Union steward can be effectively used to perform a beneficial service to employees,[including probationary employees (*does not apply to P103 Per Diem Nurses*)] by providing counseling regarding poor performance, attendance, abuse of sick leave and other leave provisions, conduct violations, abuse of alcohol or drugs in informing employees of available treatment centers for these problems, etc., and thereby assist management in correcting the situation and minimizing the necessity of disciplinary or adverse action. Employees shall be advised of this provision and, with their written consent, the supervisor concerned will fully inform the appropriate Union steward and request assistance in counseling the employees whether jointly or separately. Additionally, the Union agrees to apply its resources to assist in resolving such problems. This assistance may be provided through Union-sponsored classes during off-duty hours.
33. It will be the Union's responsibility to furnish the City with an accurate list of Union stewards in each facility within one (1) month of the signing of this Agreement or upon written request of the

ARTICLE I – REPRESENTATION

Department. The Union may submit amendments at any time because of the permanent absence of a designated Union Steward. If a Union steward is not officially designated by the Union, none will be recognized for that area or shift.

34. Except in case of extreme emergency, management will give at least two (2) calendar weeks' notice if it is proposed that a Union steward is to be transferred to another work shift, site or location.
35. Any meeting of Union steward and supervisor shall be held in private surroundings and shall be held in a quiet, dignified manner. Any communications between staff shall occur in a quiet, dignified manner, and in private surroundings where appropriate, including but not limited to discussions regarding corrective action.

Union Steward and Representative Training

36. Each newly-elected Union Steward shall be allowed four (4) hours of paid release time for Union Steward training on a one-time basis. The training for newly-elected Union Stewards will be scheduled by the Union. The Union will notify the City and the Department which employees are newly-elected Stewards. Such training will be provided by the Union.
37. In addition to the four (4) hours of paid release time for Union Steward training described above, during the first nine (9) months that this MOU is in effect, the City shall allow up to four (4) hours of paid release time for up to a total of forty (40) Stewards or Official Representatives to attend training provided by the Union regarding the provisions of this MOU.
38. The Union will provide the Department with a minimum advance notice of thirty (30) calendar days prior to any Steward/Representative training described above, along with a list of the employees who will attend. The City will use best efforts to ensure that such employees are released for the training provided, however, that the release does not compromise patient care or departmental operations.

I.F. RELEASE TIME FOR SFGH CHAPTER PRESIDENT AND DESIGNEES

39. The Department of Public Health will make good faith efforts to pre-schedule one shift per pay period for the San Francisco General Hospital Union Chapter President to handle matters of employer-employee relations covered by existing release time language (Official Representative and Stewards provision of the MOU) and meetings of the San Francisco General Hospital Monitoring Committee.
40. In addition, the Union shall designate one member from SFGH, LHH, Jail Health Services and CPH to be released one (1) shift every two (2) pay periods to handle matters of employer-employee relations covered by existing release time language.

I.G. DISSEMINATION OF UNION INFORMATION

Bulletin Boards

41. Reasonable space will be allowed on bulletin boards for use by the Union to communicate with employees. Material shall be posted upon the bulletin boards space as designated, and not upon walls, doors, windows or any other place. The City may give notice to the Union of its intent to withdraw the Union's ability under this section to use bulletin board space if the Union posts material other than on authorized bulletin boards or if material posted on bulletin boards is not in compliance with this section. The Union shall not post literature that is discriminatory against any person based on the categories listed in Article II.A (Non Discrimination) of this Agreement or that otherwise violates Article II.A or applicable law. 50. The employee distributes such literature outside the employee's regular working hours.
51. The distribution of literature to employees on duty will be accomplished before or after their work shift.

ARTICLE I – REPRESENTATION

I.I. UNION ACCESS

62. The City shall provide the Union reasonable access to all work locations to verify compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below.
63. Union agrees that its access to work locations will not disrupt or interfere with a City department's mission and services or the work of employees or interfere with patient care.
64. Union representatives must identify themselves upon arrival at a City department. Union representatives may use City meeting space with a reasonable amount of advance notice and approval from the City agency or department, subject to availability.
65. Union representatives will comply with applicable City policies related to patient confidentiality and applicable laws when the Union seeks access to a work area where confidential or secure work is taking place or patient care is being provided.
66. Nothing in this Section is intended to disturb existing City departmental Union access policies. Further, City departments may implement additional rules and regulations after meeting and conferring with the Union.
67. The City will provide Union with up to three (3) identification badges to be worn by Union staff. Union staff must wear these badges for identification purposes while on-site, and these badges do not provide access to locked patient areas. Upon a change in Union staffing, the Union must return the badge to Department of Public Health (DPH) Human Resources.

I.J. MANAGEMENT RIGHTS & RESPONSIBILITIES

68. The City and Union agree that both have obligations and responsibilities to see that the objectives of the City and County of San Francisco are attained, and the public receives efficient delivery of service.
69. Management has the duty to execute the traditional responsibilities of Management to attain this goal pursuant to applicable state and local law, and the Union recognizes the Management responsibilities.
70. Management, in turn, recognizes its responsibility to treat employees fairly and equitably.
71. Except to the extent that there is contained in this Agreement express and specific provision to the contrary, all of the authority, power, rights, jurisdiction and responsibility of the City are retained by and reserved exclusively to the City. These rights include, but are not limited to the right to direct employees, to hire, promote, transfer, assign and retain employees within the bargaining unit, to suspend, demote and discharge employees for just cause, to relieve employees from duties because of lack of work or funds, to maintain the efficiency of the operations and to determine the methods, means, processes and personnel by which such operations are to be conducted, including subcontracting if deemed necessary. The City has the right to promulgate reasonable rules and

ARTICLE I – REPRESENTATION

regulations pertaining to the employees covered by this Agreement, so long as these rules and regulations or any of the other rights in this Article do not conflict with any term or condition of this Agreement.

Employee Grievance Procedure

91. An employee having a grievance may first discuss it with the employee's immediate supervisor, or the next level in management, to try to work out a satisfactory solution in an informal manner. The employee may have a representative(s) at this discussion.

In cases alleging sexual harassment, the time limit during which to file a grievance shall be four (4) months.
94. The immediate supervisor will make every effort to arrive at a prompt resolution by investigating the issue. The supervisor shall respond in writing within five (5) calendar days.
95. Grievances related to a suspension or the termination of an employee may be submitted initially at Step IV of this procedure within fifteen (15) calendar days of the date of the final notice of disciplinary action (certified mailing date). On behalf of the City, the City Attorney may decline the Union's election to send the grievance to expedited arbitration by notifying the Union in writing within the fifteen (15) days of the receipt of the grievance at Step IV. At least one day each month will be used for these grievances. The expedited arbitration shall be before an arbitrator to be mutually selected by the parties who shall serve until the parties mutually agree to remove the arbitrator or for twelve (12) months, whichever comes first. Alternatively, at the time of the selection of the arbitrator, either party may request a list of seven (7) appropriately experienced arbitrators from the American Arbitration Association from which the arbitrator will be selected by the method of striking names. The parties shall not use briefs. Every effort shall be made to have bench decisions followed up by written decisions. These decisions will be final and binding, and shall not be used in any other cases except those of the grievant involved. Transcription by a certified court reporter shall be taken but shall be transcribed only at the direction of the arbitrator.

III.B. WORK SCHEDULE

(SECTION III.B. Work Schedule does not apply to P103 Per Diem Nurses except for paragraph 296 and 297 regarding compensation for missed meal periods and rest breaks.)

Normal Work Schedules

291. Unless otherwise provided in this MOU, a normal work day is a tour of duty of eight (8) hours completed within not more than nine (9) hours.

ARTICLE III – PAY, HOURS AND BENEFITS

292. Upon request of the appointing officer, the Department of Human Resources may authorize work schedules for registered nurse classifications which are comprised of eight (8) hours within twelve (12) or a forty (40) hour work week in four (4), five (5) or six (6) consecutive days. Such change in the number of work days shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as provided all five-(5) day, forty-(40) hour-a-week employees.
293. All classifications of employees having a normal work day of eight (8) hours may voluntarily work in flex-time programs authorized by appointing officers and may voluntarily work more than or less than eight (8) hours within twelve (12) hours, provided that the employee must work five (5) days a week, eighty (80) hours per payroll period, and must execute a document stating that the employee is voluntarily participating in a flex-time program and waiving any rights the employee may have on the same subject contained in a memorandum of understanding.

295. Management will not require employees to work more than three (3) consecutive twelve hour shifts. The parties recognize that employees who opt not to work more than three (3) consecutive twelve hour shifts may be scheduled split days off as a result, and that this scheduling policy may reduce the opportunity for other nurses to be scheduled for more than four (4) consecutive twelve hour shifts. Nothing in this provision prevents nurses from voluntarily working more than three (3) consecutive twelve hour shifts.

Meal and Rest Breaks

296. Each nurse shall be granted a paid rest period of fifteen (15) minutes during each work period of four (4) hours duration, when operationally feasible; provided, however, that rest periods are not scheduled during the first or last hour of such periods of work. No wage deductions shall be made nor time off charged against employees taking authorized rest periods, nor shall any right to overtime be accrued for rest periods not taken. Nurses who do not take their rest period shall not be entitled to arrive late or leave work early. Every effort will be made to ensure that the nurse has the opportunity to take rest periods. Current practices may continue by agreement of the parties. Effective July 1, 2022, nurses who are mandated to work through their fifteen (15) minute rest break shall receive a fifteen (15) minute fifty percent (50%) non-pensionable premium of their base hourly rate for each missed rest break.
297. Additionally, each nurse shall be provided an opportunity to take a thirty (30) minute meal break per eight (8) or twelve (12) hour shift. The time shall be unpaid and free of duty. In the event the employee is required to work through the meal period and is not provided a meal period free of duty at a later time, the employee shall be paid for the time at the one-and-one-half-time overtime rate. (Example: employees working through a meal period plus an eight (8) hour shift shall be paid eight

298. PES: An exception to this paragraph may be made for designated eight (8) hour shifts when employees are not permitted to leave the facility and are paid for eight (8) hours.
299. When providing employees with meal and rest breaks, SFGH will maintain Title 22 ratios consistent with Title 22 standards. The Department will designate break relief RNs for each zone/unit where break coverage is required under Title 22. Designated break relief RNs are used to supplement base staffing to insure that ratios are maintained.
300. Upon request of the Union to any City department, the Board of Supervisors authorizes any department head, board or commission to meet and confer with the Union on proposals offered by the Union or the department relating to alternate scheduling of working hours for all or part of a department. Such proposals may include but are not limited to core-hour flex-time, fulltime work weeks of less than five (5) days or a combination of plans which are mutually agreeable to the Union and the department concerned. It is the intent of the Board that the work year shall continue to be two thousand eighty (2080) hours (two thousand eight-eight (2088) in leap years) and that overtime shall be earned on a daily and weekly basis provided, however, the Union and the affected department may mutually agree on cost equivalent alternative scheduling practices. Any such agreement shall be submitted in ordinance form to the Board of Supervisors for its approval or rejection.

304. • Employees shall receive no compensation when properly notified (two (2) hour notice) that work applicable to the classification is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances. Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two (2) hours.
305. • Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of four (4) hours, and for hours actually worked beyond four (4) hours, computed to the nearest one-quarter (1/4) hour.

ARTICLE III – PAY, HOURS AND BENEFITS

Determination of Pay for Position Formerly Exempt

416. When a position in the municipal service has been exempt from the salary standardization provisions of the Charter and becomes subject thereto, or when a position becomes subject to the salary standardization provisions of the Charter through acquisition of a public utility, the salary of the employee holding such position shall be calculated by including credit for continuous paid or nonpaid service in the position immediately prior to its becoming subject to salary standardization.

Appointive Position

417. A nurse who holds an appointive position whose services are terminated, through lack of funds or reduction in force, and is thereupon appointed to another appointive position with the same or lesser salary range, shall receive a salary in the second position based upon the relationship of the duties and responsibilities and length of prior continuous service as determined by the Civil Service Commission.

Reappointment with Six (6) Months

418. A permanent employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

Compensation Adjustments

419. When an employee promoted to a higher classification during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same salary step during the prior fiscal year, the employee's salary shall be adjusted on July 1st of the new fiscal year to the rate the employee would have received had the employee been promoted in the prior fiscal year.
420. The Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from which the promotional examination was held.
421. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives through salary standardization a salary range higher than the salary range of the classification to which it was formerly promotive, the Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary the employee would have received had the employee remained in such lower class, provided that such employee must file with the Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Department of Human Resources rule governing reinstatements to the first vacancy in the employee's former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer of promotion from the employee's current classification or refused an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.

ARTICLE III – PAY, HOURS AND BENEFITS

422. The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which the employee is otherwise qualified, and which has a compensation schedule higher than the protected salary of the employee.
423. When an employee is promoted under temporary appointment to a higher classification during a prior fiscal year and is continued in the same classification without a break in service in the current fiscal year, or is appointed to a permanent position in the same classification, such appointment shall be in accordance with the provisions of this ordinance, provided that the salary shall not be less than the same step in the salary range the employee received in the immediately prior temporary appointment.
424. A temporary employee certified from a regular civil service entrance list who has completed six (6) months or more of temporary employment within the immediately preceding one (1) year period before appointment to a permanent position in the same class shall be appointed at the next higher step in the salary schedule and to successive steps upon completion of the six (6) months or one (1) year required service from the date of permanent appointment. These provisions shall not apply to temporary employees who are terminated for unsatisfactory services or resign their temporary position.

426. An employee transferred in accordance with Civil Service Commission rules from one department to another, but in the same classification, shall transfer at the employee's current salary, and if the employee is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former department.
427. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid a salary which included credit for actual time served, either permanent or temporary, in the class prior to the layoff.
428. When an employee (1) has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted, and (2) is subsequently laid off and returned to a position in an intermediate classification, the employee shall be placed at a salary step based upon actual permanent service in the higher classification, unless that salary step is lower than the step the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.
429. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based

ARTICLE III – PAY, HOURS AND BENEFITS

upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formally held on a permanent basis shall enter the new classification at the salary step which is the same as that received in the prior appointment, or if the salary steps do not match, then the employee will enter at the salary step which is immediately in excess of that received in the prior appointment, provided that such salary shall not exceed the maximum of the salary range of the new position.

430. Notwithstanding any of the other provisions of this ordinance, no employee working in a federally funded position shall be paid at a rate less than the established federal minimum wage if that is a condition upon receipt of the federal funds.

III.H. CHANGE IN STATUS

431. When a permanent nurse changes status from regular staff nurse (Class 2320) to Per Diem Nurse (Class P103), the nurse shall be appointed to the corresponding P-103 salary step.

433. A P103 *Per Diem* Nurse who is appointed to a Permanent Civil Service nurse position shall be placed at the same salary step the individual occupied as a P103 *Per Diem* Nurse and shall retain their most recent salary step advancement date as a P103 *Per Diem* Nurse for purposes of salary step advancement in the Permanent Civil Service nurse position.

III.K. SENIORITY AND SHIFT ASSIGNMENT/STAFF NURSES

(SECTION III. L. Seniority and Shift Assignment/Staff Nurses does not apply to P103 Per Diem Nurses)

Seniority Defined

446. Seniority shall be defined as the length of continuous service in the same classification for the City.

Seniority for Purposes of Layoff

447. Seniority for purposes of layoff shall be governed by Civil Service Commission Rules.

Seniority for Purposes of Shift Assignment

448. A nurse at the Department of Public Health shall have no access to seniority for purposes of shift assignment for the first six (6) months of a voluntary new assignment to any unit. For purposes of this section, a new assignment does not begin until specialty training has been completed. A nurse shall have immediate access to seniority in cases of involuntary reassignment to any unit. Seniority shall be exercised only against vacancies when bidding for shift preference.

Guidelines for Shift Changes for Worksites with Multiple Shifts

449. First, by agreement among the nurses on the unit. If one nurse wants to change the nurse's shift, and the others agree, they shall be able to implement the change with the agreement of their immediate supervisor.

ARTICLE III – PAY, HOURS AND BENEFITS

- 450. Second, by seniority on the unit. The nurses with least seniority provided they have adequate experience and ability, will change their shift if none of the others want to make such a change.
- 451. Shift assignments for a particular nurse may be changed without regard to seniority in accordance with the Developmental Plans provision of this Agreement.
- 452. Any deviation from these guidelines shall be a grievable matter.

Same-Day Use of Approved Time

- 453. Prior to any Inside or Outside Per Diem Nurse being cancelled for a full or partial shift, the Nurse Manager or Charge Nurse on the unit shall offer regular staff the opportunity to use accrued vacation, floating holiday or compensatory time off for the shift. The Nurse Manager will make best efforts to offer these opportunities on a rotational basis in order of seniority. The nurse must be available to confirm acceptance of the opportunity and that there is accrued leave or the opportunity will be offered to the next person.

Twelve (12) Hour Shifts (S.F. General Hospital)

- 454. Registered Nurses who work a twelve (12) hour shift, hold a 1.0 FTE position, and who are listed in Appendix B attached hereto shall be paid at the rate of time-and one-half (1-1/2) or if the employee so chooses accumulate compensatory time at the rate of time and one-half (1-1/2) only for the time worked in excess of eighty (80) and up to eighty-four (84) hours in a biweekly pay period. However, such agreement shall be effective only in those units where the Senior Hospital Associate Administrator, Nurse Manager and the Unit (i.e., a majority of RN's employed in the unit) agreed.
- 455. Should the Union find that the list in Appendix B is incomplete, it may submit additional name(s) to the Employee Relations Division of the Department of Human Resources. Should there be a dispute over whether one or more names should be added, such a dispute will be resolved through the grievance procedure.

(S.F. General Hospital Inpatient Nursing Department Only)

- 456. Before implementing new twelve (12) hour shift staffing patterns on units where regular eight (8) hours are in effect as of July 1, 2016, SFGH and the Union will follow the following procedures:
- 457. 1. Nursing Administration and the Union will agree upon a date for a meeting of all regular full - and part-time nurses on the affected nursing unit to discuss the implementation of a twelve (12) hour shift staffing pattern for that unit. A representative of the Union shall attend and participate in the discussion.
- 458. 2. Within seven (7) calendar days of the discussion meeting, Nursing Administration and the Union will agree upon a time for a secret ballot vote by all regular full- and part-time nurses on the affected unit. In no event will the vote be scheduled more than 14 calendar days after the meeting referenced in #1 above. The wording of the ballot will be subject to a mutual agreement between the Union and Nursing Administration. A representative of the Union will be present to assist in the vote tally. A 2/3 majority of the eligible staff voting in favor

ARTICLE III – PAY, HOURS AND BENEFITS

of the twelve (12) hour shift staffing pattern and agreement by the Nurse Manager of the unit and the Senior Hospital Associate Administrator will constitute approval of twelve (12) hour shift staffing for the unit.

459. 3. Provision for some nurses to work less than a twelve (12) hour shift on a unit voting in favor of the twelve (12) hour plan will be made if nursing administration, in its discretion, determines that the scheduling patterns can accommodate.
460. 4. If #3 in this section is not possible the Department shall reassign the nurse who is unwilling or unable to participate in a twelve (12) hour shift staffing pattern, to an available eight (8) hour shift vacancy for which the nurse is qualified within the Department, without regard to the provisions of Requests for Reassignments. In the event there are no eight (8) hour shift vacancies available, the nurse shall work the twelve (12) hour shift until an eight (8) hour position becomes available. If eight (8) hour shift staffing patterns are resumed in the original unit, any nurse so displaced shall be given the option to return to the unit the nurse left.
461. 5. For the purposes of a twelve (12) hour shift, day shift is from 7:00 A.M. until 7:30 P.M. and night shift is from 7:00 P.M. until 7:30 A.M. unless a different starting time is established based on the needs of a particular unit. Shift assignment will be based on seniority.
462. 6. A new vote will be held, upon request of 33% of eligible Registered Nurses at any time to rescind the twelve (12) hour staffing pattern. A 2/3 majority of eligible voters shall rescind the staffing pattern.
463. The election procedure in #2 shall apply. Rescission petitions may not be filed within nine (9) months of the previous election.
464. The Union recognizes that it is management's right to assign personnel in order to provide proper patient care. The Department shall not exercise this right in an arbitrary manner. This section shall apply only to shift changes within each facility.

Shift Selection and Notice

465. Effective February 1, 2017, the Department of Public Health agrees to the following process for shift scheduling in 24/7 Units with alternating work schedules:
466. 1. Scheduling will be for a minimum of a two (2) pay period block of time.
467. 2. Employees shall submit requests for schedules in accordance with unit practices at least twenty-one (21) calendar days before the schedule is posted.
468. 3. Schedules will be posted/made available to staff no later than fourteen (14) days prior to the start of the next scheduling period.
469. 4. Vacation requests will continue to be scheduled in accordance with Unit practices.

ARTICLE III – PAY, HOURS AND BENEFITS

470. *A Per Diem Nurse is a Registered Nurse employed by the City and County on an intermittent, temporary basis in order to augment staffing needs caused by, but not limited to, increased census, leaves of absence, vacant positions, sick leave and increased acuity. Per Diem Nurses do not receive fringe benefits, including but not limited to paid sick leave pursuant to Section 12W of the Administrative Code of the City and County of San Francisco, but receive an amount in lieu of said benefits. Per Diem Nurses shall abide by the Per Diem policy of the Department of Public Health. The Department of Public Health agrees to notify the Union, and to meet and confer, when appropriate, regarding proposed changes in Per Diem policies.*

Definitions

471. *1. Inside Per Diem: P103 Per Diem Nurses who are also employed in another Registered Nurse classification covered by the Staff Nurse MOU (2320, 2323, 2328, 2330, 2830). This category of Per Diem has also been known as “Rule 29” Per Diem. Newly-hired Permanent Civil Service (PCS) Registered Nurses may elect a P103 appointment upon successful completion of probation. An external P103 Per Diem Nurse who is hired into a PCS Registered Nurse position in that same unit where the P103 is already working will retain the P103 Per Diem Nurse’s existing P103 appointment and will not be required to wait until completion of probation in order to work as a P103.*
472. *2. Outside Per Diem: A Per Diem Nurse who holds no other appointment as a Registered Nurse in the Department of Public Health.*
473. *3. Prescheduled Shifts: Pre-scheduled shift is defined as confirmation of a specific shift assignment, for a specific day and nursing unit in accordance with established scheduling practices.*
474. *4. Short Call Shifts: Short call assignment is defined as confirmation of a specific shift assignment in a time frame proximal (e.g., up to 48 hours before the shift) to the shift.*
475. *5. Unit: A work unit which hires and maintains its own pools of Per Diems and maintains its own Per Diem seniority roster.*

Utilization of Outside Per Diems versus Inside Per Diems

476. *Prescheduling of P103 Per Diems in a unit will occur in the following order of preference:*
- 1. Inside Per Diems whose regular RN appointment is in that unit.*
 - 2. Inside Per Diems who have a regular RN appointment anywhere in DPH and who are qualified and oriented.*
 - 3. Outside Per Diems who are qualified and oriented.*
477. *Units: The work units which hire and maintain their own separate pool of Per Diems and maintain their own Per Diem seniority roster are as follows, but not limited to:*

ARTICLE III – PAY, HOURS AND BENEFITS

 2. *SFGH Department of Psychiatry: subject to different minimum qualifications.*

 5. *Primary Care (Hospital-based): each clinic is a separate unit.*
 6. *Primary Care (Community-Based) Health Centers: All health centers together constitute one unit provided that inside per diems have preference for prescheduled per diem shifts at the health center where they are regularly employed. Outside P103's will only be assigned to a health center to which they have been oriented, except in a critical staffing situation.*
 7. *Special Programs for Youth*
 8. *Tom Waddell Clinic*
 9. *Ward 93 Opiate Treatment Outpatient Program (OTOP), SFGH*
478. *Seniority: Seniority is defined as follows:*
1. *Inside Per Diems: First date of hire in the City in a Staff Nurse classification covered by the MOU (not date of hire as P103).*
 2. *Outside Per Diems: First date of hire in current appointment anywhere in the CHN.*
- When changing work areas from one where a per diem nurse has been deemed competent to a new area, a nurse shall have no access to seniority for the first six months.*
- Scheduling Procedures*
479. *Preassignment will be made in rank order of seniority in each area. The most senior nurse may use seniority to schedule a maximum of three preassigned twelve-hour shifts, or forty hours of preassigned shifts in a pay period. In order of seniority, each nurse then exercises seniority using the same formula, until all available shifts are preassigned.*
480. *Each calendar year, the Department will track the shifts filled by External P103s through the pre-assignment scheduling procedures. At the end of each calendar year the Department will make the information available to the Union. The parties will discuss the usage of External P103s in the Joint Labor Management Committee meetings.*
481. *Sign-up dates for each scheduling period will be posted on the planning sheets. Using the order of preference rule as outlined here, all shift availability must meet the posted date. Once the schedule*

ARTICLE III – PAY, HOURS AND BENEFITS

is posted, nurses regardless of their seniority, cannot unilaterally cancel a nurse with a lower seniority status and take the shift. After this date, there will be no changes in the Per Diem's shifts except through the cancellation/self-cancellation procedures, or except by mutual agreement between the parties.

482. *A Per Diem Nurse scheduling system shall be made available by LHH Nursing Administration to the Union for review each fiscal year, upon request.*

Short Call Assignment

483. *Short call assignment is defined as confirmation of a specific shift assignment in a time frame proximal (e.g., two hours before the shift) to the shift. The Per Diem Nurse will provide a written list of times the Per Diem Nurse is available to work shifts which are not preassigned, but short call. A list of available nurses, or 'short call' list, will be kept by staffing personnel and seniority will prevail for such 'short call' assignment. The Per Diem Nurse must be immediately available to confirm the assignment or the Per Diem Nurse will be bypassed for that assignment.*

Cancellation

484. 1. *Except as set forth below, cancellation of assignments in each area will be done in inverse order of seniority within the units to which the nurse is oriented.*
485. 2. *Selected areas at SFGH have high census fluctuations, and frequent cancellations (e.g., Critical Care, NICU, Family Birth Center and ED). In these areas, cancellations will be done on a rotational basis in inverse order of seniority. Records of cancellations will be kept for review by the Monitoring Committee.*

Per Diem Shift Cancellation

486. *A Per Diem nurse whose shift is cancelled less than one and three-quarters hours prior to the start of the scheduled shift will be paid two (2) hours at the nurse's base rate. Each nurse will maintain one current phone number at which the nurse may be reached to confirm/cancel shifts, or if not accessible at the current number the nurse must call the correct staffer for shift confirmation two hours to one and three-quarters hours prior to the scheduled shift.*
487. *A prescheduled per diem nurse who has not been cancelled and reports to work to find that the nurse is no longer needed for the original assignment, will be reassigned to an area within the nurses competence and given no less than four hours' work.*

In the event of conflicting requests from nurses, the matter shall be resolved in favor of the nurse having the greatest seniority as that term is defined herein. A nurse shall have no access to seniority for purposes of vacation bidding for the first six (6) months of a voluntary new assignment to any unit. A new assignment does not begin until specialty training is completed, but loss of access to seniority shall not be for more than one (1) year. In cases of involuntary reassignments, the department shall attempt to reasonably accommodate previously approved vacations.

ARTICLE III – PAY, HOURS AND BENEFITS

505. In the event that vacation scheduling by mutual agreement is impractical due to the size of the facility or the size of the scheduling unit or other reasons, the following procedure shall apply. In a month(s) established by the Appointing Officer or designee, any nurse may submit up to three choices of preferred vacation for the subsequent twelve (12) month period. The Appointing Officer or designee shall approve such choices based on the nurse's seniority as provided herein. Regardless of seniority, a nurse will be guaranteed the nurse's first choice at least once every three (3) years. The Appointing Officer or designee shall make available a list of approved vacations no later than six (6) weeks following the end of the designated month in which vacation requests were due. Any nurse who fails to submit a choice or choices or any newly hired nurse who misses the signup period shall schedule vacation by mutual agreement with the Department, provided that such mutually agreed vacation schedules shall not supersede vacation scheduled by submission.
506. Employees shall have the primary responsibility to schedule and take sufficient vacation leave to reduce their accrued vacation leave balances. Nurse managers shall make a reasonable effort to accommodate written vacation leave requests submitted by employees which state that the purpose of such requests is to reduce accrued vacation leave so that the employee will not lose such time due to the vacation accrual cap.

III.U. CHILDCARE

Dependent Care Assistance Program (DCAP)

507. The City agrees to maintain the Dependent Care Assistance Program (DCAP).
508. The Mayor and the Department of Public Health will provide technical assistance in seeking funds, developing proposals, cost estimates and developing affordable, quality child care options. Those options include: affordable on-site child care, family day care, joint legislative proposals, potential joint public and private funding sources.
509. In order to ensure enhanced recruitment and retention of hospital staff and to make child care more accessible and affordable to all hospital and City employees, the City will set aside \$100,000 on July 1, 1989 and \$100,000 on subsequent anniversary dates for the term of this MOU (such funds to be cumulative) to be spent on a permanent child care project for DPH employees to be developed in coordination with the City-wide Joint Child Care Committee and the Mayor's Office on Child Care, including management and Union members for the hospitals and the Department of Public Health. Effective July 1, 2003, the monies that have been set aside for childcare from July 1, 1989 through June 30, 2003 shall be returned to the general fund and used to fund wage improvements agreed to by the parties from July 1, 2003 through June 30, 2005. Commencing July 1, 2003, subsequent monies set aside for childcare and not spent shall immediately be placed in an interest bearing account. The principal and interest shall be available to be spent for the permanent childcare project.
510. Notwithstanding the above, the parties have agreed in May, 2009 that all monies that have been and will be set aside for childcare from July 1, 2003 through June 30, 2012 shall be returned to the general fund. Thereafter, subsequent monies set aside for child care and not spent shall be handled as provided in the foregoing paragraph.

ARTICLE III – PAY, HOURS AND BENEFITS

511. The parties agree to begin meeting within ninety (90) days of ratification of the MOU to discuss the details of opening a childcare center and will issue the RFP no later than July 1, 2018. The parties understand the City will have to comply with relevant legal, regulatory and administrative requirements prior to opening the childcare center.
512. The City and the Department of Public Health shall designate space on the SFGH campus for the operation of a child care center, and this will be included in future SFGH Space Planning. Subject to the City's contracting approval procedures and after consultation with the Union, the City will put out a Request for Proposal for an operator for this childcare center. However, nothing in this section (III.V.) shall make the RFP, any resulting contract, or any aspect of the City's bidding and contracting process subject to the grievance process.
513. The City shall begin implementation of the mutually recommended project as soon as practical in accordance with a timeline set by the Committee. The Director of the Mayor's Office of Child Care will continue to work diligently with the child care committee to locate all possible sources of funding to enhance child care opportunities for City employees.
514. The City also agrees to discuss with the Union increasing the contribution level to the childcare project as well as the provision of services, such as security, food, laundry, housekeeping and utilities.
515. The Director of the Department of Public Health shall by July 1, 1989 appoint one management representative and one alternate to the Joint City-wide Child Care Committee who will regularly attend all meetings.

Child Care Referral Fair and Enhanced Referral Package

516. On or before September 30, 1989, the City shall coordinate, present and make available to departmental employees a two week child care referral fair. The Department of Public Health will appoint one person from San Francisco General Hospital and one person from Laguna Honda Hospital to work with the Joint Child Care Committee and the Mayor's Office to plan the full scope of the referral fair. The purpose of the fair shall be to inform departmental employees of child care services available near their work site or home. After the fair, an enhanced child care referral package shall be provided to departmental employees who used the referral service. An appropriate follow-up report will be issued.
517. The City agrees that two of the union members of the Childcare Study Committee established in the SEIU 1021 MOU (formerly known as the "tri-local", 1021/250/535) for 1985-87 may be SEIU 1021 Registered Nurse bargaining unit members and that the total number of union members may be expanded from five to six. One nurse may be appointed from SFGH and one from LHH. Release time to attend committee meetings during regular work hours shall require approval of the Department and shall be based upon reasonable staffing requirements.

Volunteer/Parental Release Time

ARTICLE III – PAY, HOURS AND BENEFITS

518. Represented employees shall be granted paid release time to attend parent teacher conferences of two (2) hours per semester.
519. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.V. MATERNITY/CHILD CARE LEAVE

(SECTION III.W. Maternity/Child Care Leave does not apply to P103 Per Diem Nurses)

520. Maternity leave is the right of every Registered Nurse in accordance with Civil Service Commission Rules. Attached for informational purposes is the Civil Service Commission Leaves of Absence Rule dealing with leaves of absence (general requirements) and sick leave.
521. The starting date for maternity leave is a decision of the Registered Nurse and the doctor.
522. The return date from maternity leave is a decision of the Registered Nurse and the doctor.
523. The Registered Nurse has the right to include vacation time in maternity leave (sick leave) and/or childcare leave.
524. In accordance with current Civil Service Commission Rules, permanent nurses who have completed the probationary period and who have one (1) or more years of continuous service in any status may be granted up to one (1) year of Child Care Leave when becoming a parent of a newly born child or legally adopted child up to the age of five (5) years. Such leave may be in addition to sick leave. Requests for Child Care Leave are subject to the approval of the Appointing Officer or designee. Denial of Child Care Leave is appealable as provided in Commission Rules.
525. When the Registered Nurse returns to work from maternity/child care leave, the Nurse will be reinstated in the Nurse's original job (same location and shift) if the Nurse returns within twelve (12) months of the start date of the Nurse's maternity/child care leave. If the Nurse returns past this period and loses the Nurse's original location and shift, the Nurse shall have first option when an opening occurs at the original location and shift. This paragraph does not create a new category of leave, nor guarantee the Nurse any specific leave period.

Adoption

526. The City will reimburse nurses for qualified expenses for the adoption of a foster child from San Francisco County. Qualified expense shall include extraordinary expenses required to be incurred by the nurse during the first year after the adoption, subject to mutually agreed upon procedures. Reimbursement for qualified expenses shall not exceed eight thousand (8,000) dollars per adopted child. This program shall be a two-year pilot program subject to renewal by mutual agreement

following evaluation of the costs of the program, the savings realized from the placement of foster children in adoptive homes, degree of participation by nurse, and other relevant factors. The parties shall develop mutually agreeable procedures to administer the pilot program. Monies to reimburse nurses for qualified expenses shall be drawn from the interest income in the child care fund.

III.W. REQUESTS FOR VOLUNTARY REASSIGNMENTS

(SECTION III.X. Requests for Reassignments does not apply to P103 Per Diem Nurses)

527. Registered Nurse vacancies in covered classifications shall be posted online in order to provide information on current vacancies approved to be filled for which the Department is recruiting. The posting will note whether the position is available for a full-time or part-time employee. Full-time and part-time Permanent Civil Service employees may request reassignment to any available position. Part-time employees may request reassignment for positions up to 1.0 FTE. 528. Permanent Registered Nurses may at any time request reassignment to another vacant position in their job classification. The City agrees to retrain permanent Registered Nurses who request and who are accepted for reassignment. All employees seeking an internal reassignment who meet the minimum qualifications of the applied-for specialty will be interviewed and considered for reassignment prior to hiring from an eligible list. The Department will select RNs for reassignment based on interview scores (top scores are selected), except that the Department shall pass over a Registered Nurse who has received a final disciplinary action of suspension-level or higher within the prior three (3) years or is currently on a developmental plan.
529. Temporary reassignments may be made pending permanent assignments in order to provide proper care.
530. This provision does not supersede the provisions of Seniority and Shift Assignment/Staff Nurses in Article III.

Selection Criteria

531. Registered Nurses requesting reassignment to another position must meet the qualifications for the position and the criteria for selection. Subject to the preceding sentence, nurses shall be deemed qualified to apply for re-assignment to any position open to a new graduate nurse. In cases where applicants possess equal qualifications, based on selection criteria, seniority shall apply. In determining reassignment within a unit, seniority shall be a primary factor.

Order of Selection

532. When filling vacant nursing positions, the City agrees to give first priority to permanent Registered Nurses requesting reassignment within the unit, second priority to permanent Registered Nurses requesting reassignment within the facility, and third priority to permanent Registered Nurses who apply for positions in another facility or division within Department of Public Health.

ARTICLE III – PAY, HOURS AND BENEFITS

536. In the event there is an opportunity for a 0.5 FTE or greater Non-Direct Patient Care Assignment available for employees within the facility, the assignment will be posted for all employees in an eligible classification at that facility.
537. The intent of this section is to allow all employees represented through this Agreement to be considered for the assignment opportunity and for such employees to be able to try different work. Examples of these assignment opportunities are: project work to update computer records or to work on quality assurance projects in order to compile reports.

Community Clinics and Public Health

538. Employees in classifications represented through this Agreement assigned to Community Clinics and Public Health will be notified of all 0.5 FTE or greater assignments in such locations that are temporary in nature and that last longer than two weeks, and thus not covered by the Reassignment Process in IIIV Requests for Voluntary Reassignment. Permanent employees will be considered for such positions ahead of P103s.

Position Elimination Due to Reorganization or Other Operational Causes

539. This provision does not supersede the provisions of Seniority and Shift Assignment/Staff Nurses.

Reassignments Due to Position Elimination/Consolidation of Services

540. If the Department of Public Health eliminates bargaining unit positions, the Department shall provide the Union thirty (30) days advance knowledge of implementation provided the Department has thirty (30) days knowledge of the proposal to eliminate positions. In cases where the Department is not given thirty (30) days' notice, the Union will be notified as soon as feasible. Upon the request of the Union, the parties will meet and confer over the impacts of the decision to eliminate positions.

ARTICLE III – PAY, HOURS AND BENEFITS

Any resulting involuntary reassignment will take place not less than thirty (30) days after the Department has notified the Union of the proposal to eliminate positions. 544. During the first four (4) months of the first reassignment, if the Nurse determines that the placement is unsuccessful, the Nurse will have the one-time option to submit a request for another reassignment from the available vacancy list. This provision is not intended to limit the Department's right to reassign.
545. Subject to operational needs, the Department agrees to make reasonable efforts to accommodate nurses who work part-time schedules.
546. Any nurse who is designated for layoff or reassignment may request to maintain a P103 or as-needed position in the nurse's original work location, and shall be considered for P103 or as-needed work as available, per Section III.K (1) of the MOU.
547. For informational purposes only, the Civil Service Commission Rules provide that a permanent employee in a promotive classification, who is subject to layoff and has no reinstatement rights to an underlying classification, may request "a deemed promotive" appointment to a classification for which the employee is qualified and in which there are vacancies. Upon recommendation of the Director of the Department of Human Resources, the request will be forwarded to the Civil Service Commission for action. This procedure is within the exclusive jurisdiction of the Civil Service Commission.
548. The provisions of the Reassignment due to Position Elimination section are subject to the Grievance Procedure only to the extent that there is an allegation that the City has failed to comply with the procedures contained herein.

Adequate proof indicating successful completion of the course shall be submitted to the designated supervisor, if requested, within a reasonable period (but not to exceed three months) following the end of the course. If attendance at such functions, including reasonable travel time, occurs on a normal workday and the nurse can report for at least four (4) hours of the nurse's regularly scheduled shift, the nurse shall report to duty if so directed by the nurse's supervisor. If the nurse is unable to report for at least four (4) hours of the nurse's regularly scheduled shift or the nurse's supervisor directs that the nurse not report to work, the entire shift shall be charged against educational leave. 569. The Department of Public Health will make every effort to schedule mandatory classes, unit-based educational classes, CPR, and other recommended classes during the nurses' work hours. Nurses will be released from their regular work duties during work hours to complete such employer mandated classes. With prior approval, nurses who are not released from their regular work duties during scheduled work hours to complete employer mandated classes will be assigned to complete such classes outside of their regularly scheduled work hours.
570. The City shall pay for all mandatory classes. This shall not be considered part of the nurses annual tuition reimbursement allowance. Additionally, DPH will make every effort to schedule flu shots, mandatory safety testing for TB and mask fitting during the nurses' regular work hours. Nurses' work hours may be changed for the specific purpose of attending such classes when classes cannot be scheduled within a normal work shift without extended interruption of patient care.
571. Nurses are required to maintain current licenses and certifications (e.g., CPR/BLS reeducation). Nurses who do not attend Department offered courses may request tuition reimbursement, use of paid Educational Leave, or other paid time off to attend outside classes.
572. Nursing Administration may assign a Registered Nurse to attend an educational course or training that is relevant to the nurse's job responsibilities inside or outside the facilities during the nurse's normal working hours. The nurse shall be paid at the nurse's regular rate while so assigned. Courses which the employee is required to attend by the Department shall be free of charge to the nurse. Nurses may elect to utilize up to eight (8) hours of educational leave for a Pre-Retirement seminar offered by the SFERS, or to attend a union sponsored training class on matters pertaining to this collective bargaining agreement. All expenses must be relevant to the nurse's current classification or a classification to which the nurse might reasonably expect to be promoted. No reimbursement shall be made for expenses that are eligible for reimbursement under a Federal or State Veterans benefit program or from other public funds. The City will not require nurses to use these Tuition Funds for Department-mandated training. For clarity, the license reimbursement authorized separately under Section IV.E. of this Agreement shall not reduce the amounts payable under the Tuition Reimbursement Program.
578. Travel. In addition, subject to approval by the Appointing Officer or designee, and as permissible under applicable law, including Administrative Code Chapter 12X, and to the extent funds are available, employees may utilize up to *Five Hundred Dollars (\$500)* of the maximum Tuition Reimbursement Funds available to them for that fiscal year under this article to pay for up to one-half of the cost of reasonable and necessary travel and lodging outside the nine Bay Area Counties for approved training. Travel reimbursement rates shall be as specified in the Controller's Office Accounting Policies & Procedures, including guidance provided in Chapter 12X regarding those items. However, Tuition Reimbursement Funds may not be used for food.
579. Approval and Timing. Nurses must obtain pre-approval to qualify for reimbursement. A nurse may submit a pre-approval request for an expense incurred in the current fiscal year or prior fiscal year. A nurse cannot submit a request for an expense in a future fiscal year. Reimbursements will not be paid until the nurse provides proof of payment and proof of satisfactory completion. If a nurse provides notice of resignation, the nurse must submit the expense report and receive all online approvals before separating from the City.
580. Should a nurse not have access to the technology necessary for an on-line reimbursement submission process, DPH Human Resources staff will make available upon request the required form(s) and will facilitate the reimbursement process. DPH Human Resources staff will work with SF Department of Human Resources staff to continue to review the reimbursement process to determine if it can be streamlined.
581. If the participant chooses to take a mandatory class outside the Department, the participant will bear the burden of the cost and may apply to tuition reimbursement.
582. Reporting. An annual audit of the Tuition Reimbursement Fund for each fiscal year for the nurses covered by this MOU shall be submitted to the Joint Labor Monitoring Committee by November 1st of each fiscal year showing fund activity for the prior fiscal year, including names, job class, department, expense description, paid amount, and denials by the Department of Human Resources

584. In addition, if staff nurses in any facility, unit or specialty area determine that there is a need for specialized training, in-service, or skills development classes, they shall submit a written request to the Senior Hospital Associate Administrator or appropriate designee, who shall respond with thirty (30) calendar days.
585. The Orientation Program will include but not be limited to:
586. a. objectives, policies, goals and procedures of each facility.
587. b. job descriptions and responsibilities; and
588. c. information to provide adequate care to categories of patients who may be assigned to the nurse's unit and whose care requires either skills which are new to the nurse or skills so infrequently called for that periodic update/review is needed.
589. The in-service education program shall be directed towards updating knowledge and skills related to job responsibilities, and development of knowledge and skills required for new or expanded departmental programs and specialty units.
590. In-service training for computerized charting shall take place in specialized classes for all affected staff. The training's content will include legal charting requirements and applicable Departmental and institutional policies.
591. Each nurse must complete the orientation program before being permanently assigned to a shift and a unit. Until completion of the formal orientation, the nurse will be considered in a structured learning experience, and not part of the unit's regular nursing staff for at least two (2) weeks, except at Laguna Honda Hospital where this period may be extended upon the request of the Nurse Educator. A nurse shall not be assigned total responsibility for a particular patient until the standards of competency specific to care of that patient have been validated by successful completion of a unit specific skills check list.
592. The Department shall schedule in-service training so as to ensure that all nurses, including float nurses, may attend.

6. Out of Specialty Assignments

593. Nursing administration will take the skills and training of a Registered Nurse and Per Diem into consideration in making an assignment to an out-of-specialty Unit.

7. Continuing Education

ARTICLE IV – TRAINING AND CAREER DEVELOPMENT

594. The Department shall make reasonable effort to secure approval from the Board of Registered Nursing for courses that would meet the requirements for continuing education. Those courses approved will be charged against educational leave time.
595. The Department shall make a reasonable effort to negotiate with outside agencies, such as the San Francisco Community College District, U.C. Medical Center, and other likely providers of Continuing Education for the educational needs of the Registered Nurse.

8. Registered Nurse Crosstraining Program

596. a. Purpose
Crosstraining programs are designed to enhance the nurse's ability to temporarily float and/or permanently reassign to another unit within a hospital or another program/division within the DPH. These programs will establish flexibility to reallocate nursing resources, enhance job opportunities for nurses and improve the Department's ability to meet the demands of rapidly changing service requirements.
597. b. Crosstraining:
Crosstraining provides the nurse with the necessary skills and competencies to float to designated units at times when the nurse's home unit is overstaffed and additional staffing is needed in the designated unit.
598. The purpose of crosstraining is to provide a method whereby nurses covered by this agreement may obtain appropriate preparation for work assignments in units other than the nurse's "home unit". "Home unit" shall be defined as the unit to which the nurse is regularly assigned. Crosstraining shall be defined as the method of instruction and orientation provided to a nurse. The purpose and intent of this provision is to ensure that when the DPH floats a nurse to a unit other than the nurse's home unit, the skills and competencies of the nurse are appropriate for the assignment.
599. c. Identification of Units
The Department shall identify appropriate designated units in the various divisions, based on staffing needs, as potential areas for crosstraining of permanent staff for floating. The Department may develop appropriate crosstraining programs to meet the staffing needs of those units.
600. d. Enrollment in the Program
Any permanent staff nurse covered by this MOU is eligible to apply for crosstraining. Selection of candidates for the program shall be based on their level of previous experience and basic skills and abilities specific to the receiving unit. Wherever permissible and practicable, CE units will be offered for participation in the program or portions thereof. Nurses accepted for crosstraining must agree to use their paid educational leave for fifty percent (50%) of the total hours spent in crosstraining and the Department will pay the nurse at the nurse's regular rate for the remaining fifty (50%) of the hours. Scheduling and release time for a crosstraining program shall be

ARTICLE IV – TRAINING AND CAREER DEVELOPMENT

based on the home unit's ability to safely staff the home unit for the duration of the program, and such determination of scheduling and release time shall be made within ninety (90) days of the nurse's request at the sole discretion of the Director of Nursing or appropriate management representative. Each division shall keep a database of nurses with corresponding competencies and crosstraining for the purpose of floating.

- e. Floating
601. A nurse who has been crosstrained to another unit will be the first to float to that area in which the nurse has been crosstrained for a period of six (6) months from the completion of the program. Thereafter, the nurse will float based on inverse seniority on a rotational basis of nurses crosstrained to the receiving unit.

IV.B. TRAINING CLASSES FOR P103 PER DIEM NURSES

602. *DPH agrees to waive any fees for classes and training offered by the Department to RNs for Per Diem Nurses who are at Step 3 or above provided they have worked 1,040 hours in the 12-month period of time prior to the training. DPH agrees to pay Per Diem RNs who are at Step 3 or above for attendance at yearly mandatory classes including CPR equal to the hours paid to 2320 RNs, provided they worked 1,040 hours in the 12-month period of time prior to the training.*

IV.C. CHARGE NURSE TRAINING

603. Employees who are newly appointed to be a Charge Nurse (primary assignment) or designated Charge Nurse Reliever shall be given a minimum of four (4) hours of initial training covering responsibilities of the role, including legal and ethical duties. The Department also agrees to provide a minimum of two (2) hours of annual refresher training for all Charge Nurses.

IV.D. NURSING SPECIALTY AREA TRAINING

1. STAFF NURSES

604. The Department and Union recognize the need to provide specialty training programs at San Francisco General Hospital in areas including, but not limited to: Critical Care, Emergency, Labor and Delivery, and Operating Room Nursing. Further, the Department supports criterion-based selection of program applicants. The Professional Performance Committee will recommend to Nursing Administration the selection criteria. Selection criteria will measure prerequisite skills and abilities necessary for successful completion of the specialty training program.
605. A nurse desiring placement in a specialty training program must apply through Job Apps online. The nurse will be granted an interview.
606. When evaluating applicants for specialty training programs at SFGH, the Department agrees to give first priority to RN's currently working for the City and County of San Francisco, provided applicant meets qualifications and passes the test. Priority will be based first on seniority at SFGH and then on seniority elsewhere within DPH.

ARTICLE IV – TRAINING AND CAREER DEVELOPMENT

607. In the event that the nurse does not meet acceptance criteria, the nurse will be referred to available educational courses or resource materials which would assist the nurse to upgrade skills. Recommended time frames for application to future specialty training programs will be discussed.
608. During the course of any training program at SFGH, a nurse shall have return rights to the first available vacancy on the nurse's former unit, shift, and position.
609. A nurse on any special assignment in the Public Health Division may return to the nurse's previous position consistent with the PHN Reassignment Policy.

2. PER DIEM NURSES

610. *A per diem nurse desiring placement in any training program will submit a request in writing to the facilitator of the training program, as designated by Nursing Administration. The per diem nurse shall also apply for the exam specific to the training program using the City's online job application process. The nurse will be granted an informational interview to discuss such placement within a reasonable period of time. The interview will serve to provide the nurse with readily definable standards and criteria required in order to be accepted into the training program.*
611. *When evaluating applicants for a specialty training program at SFGH, the Department agrees to give due consideration upon request to per diem nurses currently working for the City and County of San Francisco, who are on the current active eligible lists specific to the training program. If accepted into the program, the nurse will be appointed to a permanent civil service position in the training specialty area, prior to the start of the training program.*
612. *Where practical, a time frame for reevaluation for acceptance into the program will also be developed.*

IV.E. REIMBURSEMENT FOR MANDATORY STATE OF CALIFORNIA LICENSES

613. Nursing Licenses. On an annual basis, the City will provide permanent civil service nurses who are regularly scheduled 0.4 FTE and above, an annual payment equivalent to half of the cost of the California license and furnishing number renewals fees where the license is listed as a minimum qualification for the Nurse's permanent civil service position. The licensing payment shall be made at the end of the first quarter of the fiscal year and shall be less all applicable federal, state and local withholdings. These payments are not deducted from the Tuition Reimbursement Program.
614. The annual licensing payments in effect for the duration of this agreement shall be equivalent to half the California Board of Registered Nursing fee schedule in effect as of July 1, 2022, as described in the table below. If the fee schedule below is increased during the term of this Agreement, the reimbursement will be increased proportionately no later than forty-five (45) days after written notification from the Union of such increase. No retroactive payments shall apply.

Classification	Licensing Payment
2320 Registered Nurse	\$95
2323 Clinical Nurse Specialist	\$170

ARTICLE IV – TRAINING AND CAREER DEVELOPMENT

2325 Nurse Midwife	\$256
2328 Nurse Practitioner	\$256
2330 Anesthetist	\$170
2830 Public Health Nurse	\$158

615. The licensing payment is considered covered gross pay but is not pensionable.

ARTICLE V – WORKING CONDITIONS

ARTICLE V. WORKING CONDITIONS

V.A. STAFFING

(SECTION V.A. Staffing does not apply to P103 Per Diem Nurses)

1. Commitment to Staffing Levels

616. Annual "salary savings" for nursing positions directly involved in patient care shall not exceed five percent (5%) in each of the fiscal years covered by this MOU. Such commitment is in recognition of the mutual desire of the parties to maintain the nursing complement at the highest possible level in order to provide the best possible patient care, as well as relieve the additional burdens placed on staff by understaffing.

2. Staffing

617. The City and the Union agree that the maintenance of adequate nursing staff is an essential element of quality patient care. The Union and the City also agree that registered nurses are better able to perform effectively with the assistance of an adequate number of other direct care providers (Licensed Vocational Nurses (LVNs), Licensed Psychiatric Technicians (LPTs) and Certified Nurse Assistant (CNAs)/Patient Care Assistants (PCAs) as well as with ancillary services provided by support and maintenance staff.
618. ADO's are an appropriate subject for discussion in the Monitoring Committee.
619. The Union may nominate one member per service line for the committee that will implement any new PCS, acuity tool, or other staffing or workload model in EPIC. The Department shall provide quarterly updates on patient volume or caseloads and acuity data for all non-acute care areas at the Joint Labor-Management Committee meetings for those areas.

Standards of Care

620. The City commits to maintaining the community standard of care in its Hospital operations.

a. S.F. General Hospital

621. San Francisco General Hospital Medical Center will comply with Title 22 Staffing regulations as amended.
622. As of May 1, 2016, Title 22 California Code of Regulations, Division 5, Chapter 1, Article 3, Section 70217(r) states: The hospital shall plan for routine fluctuations in patient census. If a healthcare emergency causes a change in the number of patients on any unit, the hospital must demonstrate that prompt efforts were made to maintain required staffing levels. A healthcare emergency is defined for this purpose as an unpredictable or unavoidable

ARTICLE V – WORKING CONDITIONS

occurrence at unscheduled or unpredictable intervals relating to healthcare delivery requiring immediate medical intervention and care.

623. Health care providers include staff nurses predominantly; also per diem nurses, LVNs, LPTs and PCAs/CNAs. The amount and type of care provided is based on discussion among nurses, physicians, and nurse managers, taking into account the nature of the care required and average patient acuity (severity of illness).
624. Registered Nurse to patient ratios, as well as ancillary staffing, will be recorded on a daily basis and reviewed bi-weekly. This information will be given to the monitoring committee.
625. Admitted patients with unassigned beds held in the Emergency Department or PACU will be counted in the hospital inpatient census. As such, their acuity will be determined and staffing requirements computed. Data concerning the patient's acuity will be reported to the quarterly PCS committee meeting.

Medical-Surgical

626. Medical-Surgical: Registered Nurses constitute 100% of the care providers in the medical surgical zones for the purposes of determining RN to patient ratios. The RN to patient ratios will be maintained at 1:4 with further decreases to ratios made based on acuity to 1:3 as required under Title 22.

Based on acuity ratings, and until such time as critically ill patients are transferred to Critical Care, such patients shall be assigned 1:1 or 1:2 RN to patient ratios.

Charge Nurses will not be given patient assignments except in unavoidable circumstances.

The Registered Nurse assigned to the care of a chemotherapy patient shall not be assigned more than two (2) additional patients when the acuity level of the chemotherapy patient is classified as above average or almost constant care.

Nurses assigned to administer specialized treatments such as chemotherapy and peritoneal dialysis to patients outside their home units shall be relieved of patient duties and assignments in their home unit until they return back to their home units.

Staffing will be regularly adjusted based on census, acuity and regulatory requirements.

As of July 1, 2016, SFGH has the following Medical-Surgical Zones:

ARTICLE V – WORKING CONDITIONS

Floor	Zones
4th	H42/H44
5th	H54/H56; H58
6th	H62/H64; H66/H68
7th	H76/H78

627. There will be six (6) Certified Nursing Assistant positions to assist and support patient care activities in Medical-Surgical Zones on all shifts. There will be six (6) Unit Clerk positions in Medical-Surgical Zones on the day and evening shifts. There will be an additional three (3) Certified Nursing Assistant positions to assist and support patient care activities in Medical-Surgical Zones on all shifts.
628. Due to the high acuity and changing status of complex patients at SFGH, the City and the Union recognize the value of a Medical Emergency Response Team (“MERT”). A Medical Emergency Response Team (composed of at least one RN and one Respiratory Therapist) will be available 24 hours per day, seven days per week as a resource to assist staff with patient rescue activities (e.g., patient assessments, immediate interventions, communication of patient status with providers, transfer to different level of care).
629. SFGH will conduct an assessment of MERT needs on the SFGH campus that will be completed by October 1, 2016. SFGH will provide the Joint Labor Management Committee no later than November 1, 2016, a summary of data collected inclusive of but not limited to daily call volume, response location, average case time and staffing. SFGH will develop staffing recommendations based on these findings. Should these recommendations call for the need for an increase in MERT RN staffing per shift or during peak call times, DPH will increase RN staff accordingly.

Critical Care

630. Critical Care: The RN to patient ratios are 1:1 or 1:2 based on the acuity of the patient. SFGH will increase RN staff to maintain the RN to patient ratios above if census requires that additional beds be opened in Critical Care Zones. Charge Nurses will not be given patient assignments except in unavoidable circumstances.
631. Staffing will be regularly adjusted based on census, acuity and regulatory requirements.
632. There will be two (2) Certified Nursing Assistant positions to assist and support patient care activities in Critical Care zones on all shifts. Additionally, there will be two (2) Unit Clerk positions for Critical Care Zones 32/38, Zones 34/36 and 46/48

ARTICLE V – WORKING CONDITIONS

(if open) on the day and evening shifts. There will be one (1) Unit Clerk position on the night shift for Critical Care Zones.

Post Anesthesia Care Unit (PACU)

633. PACU: PACU Standards recommend that two (2) registered nurses who are competent in Phase I Post Anesthesia Nursing be present whenever a patient is recovering in Phase I or is at an ICU level of care. To the extent possible, SFGH will maintain no less than two (2) such nurses in PACU. This may require the floating of cross-trained ICU staff particularly on weekends, nights and holidays. Two (2) registered nurses, competent in Phase I Post Anesthesia Nursing or ICU level of care, will be present whenever a patient is recovering in Phase I. Staffing will be based on criteria that addresses the number of patients and the acuity/intensity of patients in the PACU. PACU staffing levels are established to accommodate the numbers/types of surgeries occurring. Patient/Nurse ratio in the PACU shall be a maximum of 2:1. The Department will make its best efforts to eliminate the practice of non-surgical placement in the PACU. The Department will make its best efforts to ensure that no patient remains in the PACU for more than twenty-three hours. Basic levels are:
- | | | |
|-------------------|-----------|-----------------------------------|
| Monday – Friday: | 7A – 7P: | Two (2) twelve-hour RNs |
| | 9A – 9P: | One (1) twelve-hour RN |
| | 11A – 7P: | One (1) eight-hour RN |
| | 12N – 8P: | One/two (1 or 2) eight-hour RN(s) |
| | 7P – 7A: | Two (2) twelve-hour RNs. |
| Weekend/Holidays: | 7A – 7P: | Two (2) twelve-hour RNs |
| | 7P – 7A: | Two (2) twelve-hour RNs |
634. Effective July 1, 2016, Monday through Friday from 7A to 10P, the base staffing levels will be increased from eight (8) to nine (9) RNs, including the Charge Nurse and excluding break relief RNs.
635. Staffing will be regularly adjusted based on census, acuity and regulatory requirements.

ARTICLE V – WORKING CONDITIONS

Maternal Child Health

636. Staffing will be regularly adjusted based on census, acuity and regulatory requirements.
637. Pediatric: RN to patient ratio is 1:4 and is adjusted by acuity.
638. Infant Care Center: Charge Nurses will not be given patient assignments except in unavoidable circumstances.

Nursery staff will determine patient acuity based on clinical needs. Each patient will be assigned to a Care Level based on these needs. The RN to patient ratio is 1:1 to 1:4 based on acuity. The patient to care provider ratio for these Care Levels will be:

Level 1	1:4 (four patients per care provider)
Level 2	1:3 (three patients per care provider)
Level 3	1:2 (two patients per care provider)
Level 4	1:1 (one patient per care provider)

639. Birth Center - The Birth Center has a base standard of a minimum of nine (9) RNs per shift (inclusive of Charge Nurse and Triage Nurse and exclusive of break relief RNs).
640. Two hours before the end of each shift, nurses will determine patient acuity. If the acuity tool calls for less than the established baseline(s), scheduled RNs may be offered standby. Standby will be assigned to per diems first. Based on the acuity and census, as calculated through the acuity system, staffing baselines will be increased to acuity needs when warranted.

Floating

641. The Perinatal Division is comprised of the Birth Center (2nd Floor Zones 2 and 4) and the Infant Care Center (2nd Floor Zones 4 and 5). A Birth Center nurse who is floated outside the Perinatal Division will be given full nursing responsibility for patients on the Gynecological (GYN) service only. In the absence of an available GYN assignment on the receiving unit, the Birth Center nurse will not be expected to take an assignment for categories of patients for whom the nurse does not have documented competencies. In the absence of a GYN assignment, the Birth Center nurse will assist the unit to which the nurse is floated by performing care tasks such as vital signs, point of care testing, hygiene, ambulation, routine postoperative care, and answering lights. In addition, the Birth Center nurse may volunteer to take a

ARTICLE V – WORKING CONDITIONS

patient assignment other than GYN if the nurse determines that the nurse has the documented competencies and skills to do so.

642. The nursing supervisor arranging the float will inform the charge nurse of the receiving unit of the above parameters of the floated nurse's assignment. Unless the Birth Center nurse is receiving a GYN assignment of four (4) patients on the receiving unit, the nurse will be counted as less than one nurse in the staffing of the receiving unit.
643. Changes in the Birth Center's care delivery model will require re-examination of staffing standards/levels.

Psychiatric as of July 1, 2016

644. Inpatient Psychiatry: The Department has adopted state mandated ratios, further adjusted by the patients' acuity. Staff to patient ratios will be maintained at 1:6 in Unit 7C with adjustments made for patients requiring continuous observation. Staff to patient ratios will be maintained at 1:4 in Unit 7B on days and evenings and 1:6 at nights. 7B ratios will be adjusted further based on acuity. Between the hours of 11:00 p.m. and 7:30 a.m., minimum scheduled staffing will be four (4) licensed staff, including two RNs, on the twenty-two bed inpatient units.
645. The City will continue to maintain a ratio of sixty percent (60%) RN staffing to forty percent (40%) LPT/LVN staffing.
646. Staffing will be regularly adjusted based on census, acuity and regulatory requirements.
647. The Department will maintain a day shift Charge Nurse. The Day Shift Charge Nurses will not be given patient assignments except when called upon in unavoidable circumstances.
648. When open, the Forensics Unit will maintain staffing of at least two (2) licensed staff, with a minimum of one (1) RN, on all shifts and management shall assign relief staff to cover breaks and lunch relief on each shift, maintaining a minimum of two (2) staff at all times.
649. The Department will make its best efforts to maintain one (1) Certified Nursing Assistant position to float in Units 7A, 7B, 7C, 7L and PES on all the evening and

ARTICLE V – WORKING CONDITIONS

night shifts. There will be one (1) additional Certified Nursing Assistant position to float in Units 7A, 7B, 7C, 7L and PES on the day shift.

650. Actual Nurse/staff to patient staffing ratios will be recorded on a daily basis and reviewed bi-weekly. This information will be given to the Monitoring Committee by the RN Staffing Evaluator.

Psychiatric Emergency Service Staffing (PES) as of July 1, 2016

651. In order to ensure quality nursing care and a safe environment for patients and staff, the following guidelines apply to PES:
652. The staffing standard shall be: Day and Evening shifts: Eight (8) licensed staff members, of which six (6) will be RNs and excludes break relief RNs. Night Shift: Six (6) licensed staff members, of which four (4) will be RNs and excludes break relief RNs. One additional RN FTE, assigned to Acute Psychiatry, will be available to float as needed.
653. At any time a patient needs continuous observation or restraint, a Medical Evaluation Assistant (MEA) or a Certified Nursing Assistant (CNA) or a Patient Care Assistant (PCA) or other staff as clinically indicated shall be provided.
654. Charge Nurses will not be given patient assignments except in unavoidable circumstances.
655. Staffing will be maintained at a ratio of sixty percent (60%) RN's to forty percent (40%) LPT's/LVN's. Staffing will be regularly adjusted based on census, acuity and regulatory requirements.
656. It is acknowledged that PES has a limited unit capacity to manage and seclude patients. The PES Charge Nurse will consult with Psychiatric Nursing Administration/AOD to request additional staff when patient acuity or census requires staffing increases.
657. The patient management team will be staffed with at least two licensed caregivers each shift to assess patients and give medications, and to assist RN clinicians in overall behavioral assessment and management.
658. The PES Charge Nurse will initiate patient flow crisis management ("Red Alert") when the clinic immediately requires either additional space or additional staff for safe patient management.

ARTICLE V – WORKING CONDITIONS

SFGH Emergency Department (ED)

659. The Department and the Union recognize that SFGH serves as the major Trauma Center for the City and County of San Francisco.
660. Staffing will be in accordance with the budgeted Emergency Department Staffing Model set forth in paragraph 604 below, with the recognition that specific start times and assignments within the grid will vary according to Department needs.
661. Changes in the staffing model will be subject to discussion in Monitoring Committee, prior to implementation.
662. ED staffing and patient load documentation will be presented and reviewed by the SFGH Monitoring Committee. The Department and Union will meet to discuss data collection for the purpose of monitoring compliance with Title 22 RN to patient ratio staffing requirements.
663. The Department will not assign Emergency Department Charge Nurses to patient assignments except when the Emergency Department reaches saturation, as defined in paragraph 606 below.
664. As of May 1, 2016, Title 22 California Code of Regulations, Division 5, Chapter 1, Article 3, Section 70217(s) states: For Emergency Departments only, if an unforeseeable increase in the number or acuity of patients in the emergency department occurs such that the patient activity in number or acuity exceeds the historically established trends for the emergency department and the emergency department reaches saturation, the hospital must demonstrate that prompt efforts were made to maintain required staffing levels. “Saturation” is defined for this purpose as an unforeseeable influx of patients who require immediate medical intervention and care and who, in their numbers or intensity of need for care, could not reasonably have been predicted by the hospital.

Determination of Acuity

666. The Hospital will continue to involve nurses, on a daily basis, in the determination of the number of staff required. Daily staffing levels are based upon the level of patient acuity prevailing on the unit. During each shift, nurses assess the severity of each patient's illness. The supervising nurse condenses this information for all patients on the nursing unit and uses it to determine the number of health care providers assigned for the next shift.
667. The Department shall provide quarterly updates on the Patient Classification System (PCS) at the Joint Labor Management Committee meetings.
668. The SFGH Patient Classification System (PCS) Committee is responsible for reviewing the reliability of the PCS for validating staffing requirements. The Labor Co-Chair of the SFGH Labor-Management Monitoring Committee is designated as a standing member of that committee. The Union may nominate one member per service line: Emergency Department, Medical Surgical Unit, Psychiatry, Critical Care, SNF units under Title 22, and Maternal Child Health, on the Committee required to validate the patient classification system as required by Title 22 CCR Division 5 §70217(g).

ARTICLE V – WORKING CONDITIONS

669. One month prior to the quarterly PCS Committee meeting, a roster of direct delegates and supporting data will be presented to the Monitoring Committee. Release time for these provider delegates to attend a Monitoring Committee meeting and the PCS meeting will be provided.
670. A copy of the quarterly meeting minutes and annual report and supporting data, after completion, will be presented at the next, scheduled meeting of the Monitoring Committee. Daily acuity and staffing reports will be available to the Labor Co-Chair or Union's designee, for inspection and copying. A bi-weekly summary of the staffing and acuity data will be presented to the Monitoring Committee.
671. The City and the Union recognize that staffing needs also vary over the course of a 24-hour period, and that, in addition to the Registered Nurses, Orderlies, LPTs and LVNs provide essential patient care services. An RN Staffing Evaluator position will be maintained for ongoing evaluation of the PCS system for the life of this contract or until there is a consensus. The RN in this position will be granted one day per week for the purpose of reviewing/preparing bi-weekly and quarterly Acuity and Staffing Compliance Reports and training nurses on the acuity system. The RN Staffing Evaluator shall be selected jointly by the Union and the Chief Nursing Officer and will have access to the staffing data in Nursing Administration.
672. On a six (6) month pilot basis, beginning on October 1, 2019 and ending March 31, 2020, the Chief Nursing Officer and the Union shall designate a second RN to serve as a Staffing Evaluator for the ED, to collect and analyze patient acuity data in tandem with the ED Director. The designated RN and the ED Director shall present the data monthly to the Chief Nursing Officer and the Labor-Management Monitoring Committee. The Chief Nursing Officer shall assign the designated RN for eight (8) hours per pay period for this purpose. Prior to expiration of the pilot period, the Union and Department shall meet to discuss possible extension of the program. The program may be extended by written agreement between the Union and Department.

Evaluation of Staffing Methodology

673. The Hospital is committed to continuing vigorous recruitment efforts to fill all available health care provider positions. The SFGH Monitoring Committee will continue to review recruitment results.

ARTICLE V – WORKING CONDITIONS

Medical Forensics Unit

674. When open, the Department shall staff the medical forensics unit with two (2) personnel, one of whom must be a Registered Nurse, every shift.

b. Laguna Honda Hospital (LHH)

675. The Nurse Manager, designated Charge Nurses and fixed support staff are not included in the HPPD standards for Laguna Honda neighborhoods.

676. Staffing for Laguna Honda Hospital will be based on HPPD per State regulations. The City agrees to provide both the HPPD/Staffing formula, the HPPD ranges per neighborhood and the Core Staffing Grid. Daily staffing levels will be averaged on a pay period basis, broken down by each neighborhood, and reported to the LHH Monitoring Committee, which shall meet on a monthly basis. These discussions of staffing levels by neighborhood will provide a basis for setting minimum staffing and adjusting for changes in acuity.

677. As new units/programs are opened, HPPD ranges will be calculated as a basis for staffing by acuity, and will be presented in the Monitoring Committee.

678. HPPD Formula:

HPPD x Number of patients = total hours worked in 24 hours

$$\frac{\text{Total hours worked in 24 hours}}{\text{Length of shift (in hours)}} = \text{staff per 24 hours}$$

$$\frac{\text{Staff per 24 hours}}{\text{Number of shifts (2 or 3)}} = \text{number of staff per shift}$$

c. Jail Health Services (JHS)

679. The community standard of care will be maintained at JHS, and where applicable, legal mandates will be met.

680. The City and the Union recognize that staffing needs also vary over the course of a 24-hour period, and that, in addition to Registered Nurses, Licensed Vocational Nurses, Nurse Practitioners and Physicians provide essential patient care services.

681. These levels of direct care, by RN's and LVN's, will be budgeted for each 24-hour period:

ARTICLE V – WORKING CONDITIONS

<u>Monday-Friday</u>	<u>Weekends-Holidays</u>
County Jail #1 64 Hours (64 hr. RN)	64 Hours (64 hr. RN)
County Jail #2 100 Hours (60 hr. RN)	96 Hours (48 hr. RN)
County Jail #4 56 Hours (32 hr. RN)	48 Hours (32 hr. RN)
County Jail #5 104 Hours (64 hr. RN)	80 Hours (48 hr. RN)

These numbers reflect the current staffing at City Jails as of July 1, 2016. Staffing is the subject of continuing discussions and is regularly adjusted based on census and regulatory requirements. The Department will meet and confer regarding the impacts of any such changes upon the request of the Union.

682. In the event Jail facilities open or close, the Union and the City will meet and confer regarding nursing staffing levels for that facility.
683. Census-driven staffing levels shall be subject to adjustment. JHS shall provide SEIU with the census data for each facility upon the Union's request. 695. It is the parties intent to begin meeting and conferring on proposed changes to workload and/or impacts that fall within the scope of bargaining regarding such acuity-based and geographically-based model starting no later than November 1, 2019. If for any reason the City is unable to begin meeting by that date, the City will notify the Union to identify a mutually agreeable start date. The parties shall conclude the meet and confer no later than June 30, 2020. Should the parties fail to reach agreement during the meet and confer process, upon request of either party, the matter will be submitted to a mutually agreed mediator. Until a new model is implemented, productivity standards outlined below shall continue.

ARTICLE V – WORKING CONDITIONS

702. The parties agree to meet and confer over IT/IS issues and productivity standards at Health at Home, with the intent of agreeing on a side letter addressing these issues.

h. Filling of Positions

i. Overtime

704. Staffing of nursing units will be done so as to ensure that nurses are not required to work excessive amounts of overtime. The Labor Monitoring Committee will monitor the use of overtime.

j. Dispute Resolution

705. The Staffing provisions, its appendices, and Article V.B shall not be subject to the grievance procedure.

706. Allegations of substantial and continuing violations of Articles V.A. and V.B. (staffing) listed in this section or appendices and staffing related standards of care, which is defined as staffing obligations that are mandated by the State under Title 22 will be resolved as follows:

Step I:

707. The Union shall initiate the dispute resolution procedure by submitting such allegations to the administrator of the facility (i.e.; the SFGH Executive Director, LHH Executive Administrator, Deputy Director for Community Health Programs, Deputy Director for Mental Health Programs). Such allegations shall specify the exact nature of the claimed violation, including work units involved, dates, shifts, and other circumstances surrounding the alleged violation. The administrator of the facility shall review and investigate the allegations and, if deemed necessary, submit a plan of correction to the monitoring committee for evaluation and recommendation prior to the administrator's formal submission of such plan of correction. Within thirty (30) days of the Union submission of said allegations, the Administrator of the facility shall issue a formal response which may include a plan of correction if deemed necessary.

Step II:

708. If, after monitoring committee evaluation, and no later than fifteen (15) calendar days after receipt of the administrator's formal response, the Union believes the alleged violation is unresolved, it may submit its specific objections to the Director of Health to review and investigate the allegations. ARTICLE V – WORKING CONDITIONS

the Director of Health its own proposed plan of correction. The Director of Health shall have thirty (30) days to submit a response.

Step III:

709. If the Union believes the Director of Health’s response is still not satisfactory, and/or the alleged violation is unresolved, either party may request mediation. In such event, the parties shall arrange for mediation with a mediator from the State Mediation and Conciliation Service, within thirty (30) days of such request, in an attempt to resolve the dispute. Any recommendation issued by the mediator shall not be binding on the parties, except by agreement of the City and the Union. In the event the dispute is not resolved, stipulations, admissions, settlement proposals and concessions agreed to or offered during mediation shall not be admissible at a subsequent hearing. The parties further agree to submit any pending disputes as of the effective date of this agreement to mediation.

Step IV:

710. If, following mediation, the Union believes the alleged violation remains unresolved, the Union may submit the allegation within fifteen (15) calendar days to a mutually agreed upon third-party neutral. The third-party neutral may only be brought in three (3) times per fiscal year, for all disputes arising in DPH. At the start of the each fiscal year, the parties will pre-schedule three (3) dates for hearing such disputes. The third-party neutral shall make a binding determination to resolve the dispute. Parties will request the third-party neutral to provide determination within thirty (30) days of the hearing.

Notwithstanding any prior arbitration award regarding the definition of “one (1) specific staffing issue,” the third-party neutral’s authority is limited to one (1) specific staffing issue only and shall not include other matters such as job assignments, work schedules or other matters covered by this MOU. The determination of the third-party neutral must take into account: area standards regarding staffing, state and federal laws, experts’ recommendations regarding quality of care, business needs, the City’s financial ability to comply with the proposed resolution, and any other relevant information presented by the parties. In determining a staffing issue, the third-party neutral’s determination must fall within allocated DPH resources.

Unless the parties agree otherwise, the third-party neutral shall be selected by alternately striking names (first strike determined by lot) from a list of five (5) names to be determined by mutual agreement. The parties will meet within thirty (30) days of the execution of this agreement to establish the list of neutrals. In the event no agreement is reached, the panel

Ongoing compliance data concerning safe patient handling specialists will be reported to the SFGH and Citywide Monitoring Committee. The Department and Union will maintain an SFGH Safe Patient Handling Committee to monitor the progress of the program.

Purpose

773. The purpose of the committee is to develop and maintain a comprehensive program that reduces the risk of injuries due to patient handling for employees and affiliated staff working in Department of Public Health (DPH)) facilities. The program will integrate the evaluation and selection of the best available safety devices and the evaluation and recommendation of related user-training and work practices.

Composition

774. (A) The committee will contain six members selected by DPH management and six selected by and from labor. Labor and management may also select additional alternative representatives that may attend in the place of their designated representatives. The committee will employ these established criteria to oversee and guide device evaluation processes in representative groups of frontline users and determine the preferred device for purchasing. The committee will select the best patient handling or moving solution for the patient's dependency level. The committee will communicate its recommendations directly to the purchasing department in a method consistent with purchasing protocols. Recommendations made regarding resource allocation will follow the standard process for resource allocation in the DPH.
- 780. (G) The committee will identify unsafe device patient handling practices that contribute to handling-related injuries and work with stakeholders, supervisors, and trainers to develop and promulgate alternative and safer work practices.
- 781. (H) The committee will identify training needs, including training frequency, content, and evaluation, required for optimum safe patient handling and movement with stakeholders, supervisors and trainers to ensure their needs are met.

ARTICLE V – WORKING CONDITIONS

790. The Union may designate one (1) SFGHMC nurse to participate in each of the following committees: the SFGH Joint Nursing Pharmacy Committee; the SFGH Rebuild Committee; the Recycling Task Force; and the SFGH Product Evaluation Committee.

Joint Labor-Management Occupational Safety and Health Committee

791. There is hereby created a Joint Labor-Management Occupational Safety and Health Committee consisting of ten (10) persons appointed by the Unions representing City employees and ten (10) persons appointed by the Mayor. Appointees of the Union shall serve on released time subject to departmental approval which shall not be unreasonably denied.
792. The goals and objectives of this committee are set forth in the "Work Plan" for the Labor-Management Occupational Safety and Health Committee attached in APPENDIX A of this MOU.

Assault Prevention

The Department will make good faith efforts to conduct three (3) rounds per eight (8) hour shift by security personnel on units 7.A., 7.B. 7.C., and Psychiatric Emergency Services at San Francisco General Hospital. The Department will, in addition, make a good faith effort to conduct two (2) security rounds per evening and night shift by security personnel at San Francisco Behavioral Health Center.
794. DPH staff may request to attend any SMART training pending space availability. By January 1, 2015, the Department will develop a SMART training or comparable training on safety specific to the non-acute care worksites. Additional safety specific training will be developed for non-hospital worksites.

Mandatory HIV Testing

795. Based on current scientific evidence that rigorous adherence to universal precautions and infection control procedures is the most appropriate practice to prevent infection or disease as a result of the occupational transmission of blood borne pathogens, the City shall not require mandatory testing of nurses for HIV disease. The City continues to support voluntary anonymous and confidential testing and voluntary disclosure of HIV status.
796. A nurse who has possible blood borne pathogen exposure will have access to a twenty-four hour hotline which provides counseling, referral to immediate prophylaxis (i.e. post-exposure prophylaxis available according to established scientific standards), connection to source patient evaluation systems, and access to free confidential baseline testing. Any nurse requiring immediate medical care will be treated either by Employee Health Services (EHS) or, when EHS is closed, the SFGHMC Emergency Department. Free follow-up testing for post-exposure seroconversion will be offered at the interval(s) and duration which are uniformly clinically recommended.
797. A potentially exposed nurse will have immediate phone access to (Critical Incident Stress Debriefing) CISD services post incident. Staff will be referred to Employee Health Services for consultation following exposure.
798. Nurses with possible blood borne pathogen exposure will be informed about and given the Employee's Claim for Worker's Compensation Benefits to complete and return; the nurse's

ARTICLE V – WORKING CONDITIONS

supervisor will complete/file the Employer's Report of Injury or Illness for each potential exposure reported by staff.

Reassignment Following Assault

799. The personnel division shall seek to accommodate the reassignment of the Nurse, when the Nurse and the nurse's physician agree that the Nurse should not return to the original work site. Upon receipt of the request for reassignment, the Personnel Officer will coordinate potential interviews for reassignment to facilitate the placement of the Nurse into a vacant Registered Nurse position (or Public Health Nurse position, if the employee is a Public Health Nurse) that is mutually agreeable to the Nurse and the unit's supervisor.
800. The Department will make good faith efforts to implement procedures to notify appropriate staff, including, but not limited to, staff located at Health at Home, the SFGH Emergency Department and ICU, as well as Public Health Nurses and Case Managers in the High Utilization Program, in a timely manner, of potential or actual violent situations in the community.

V.F. JAIL HEALTH SERVICES DIVISION

(SECTION V.F. does not apply to P103 Per Diem Nurses)

801. A non-probationary permanent registered nurse who is assigned to Jail Health Services and who suffers the loss of a jail security clearance shall be reassigned to another position in the same class subject to the following conditions:
- a. the basis for revocation of the jail security clearance would not otherwise be grounds for discharge,
 - b. there are available vacant positions approved for filling, and
 - c. the nurse possesses the skills and abilities required of the position.

V.G. THE IMPAIRED NURSE

802. The Department and the Union recognize that alcoholism and chemical dependency are treatable diseases which may impair nurse performance on the job and affect patient care.
803. When the Department is made aware of an impaired nurse, they will be referred to DPH Human Resources who will provide a list of resources to the nurse including referral information to Leave of Absence and ADA programs, Employee Assistance Program (EAP), and the California Board of Registered Nursing Intervention Program for Registered Nurses.
804. The Union and the Department will both approach the Health Service System Board to discuss *(if applicable for Per Diem)* and suggest changes in Health Care Plans, including possible treatment programs for the impaired nurse.

V.H. SFGH BUILDING 25

805. The Union shall be allowed to designate one attendee from the ranks of direct care providers in covered classifications from work units that are undergoing Department initiated continuous

ARTICLE V – WORKING CONDITIONS

improvement activities. The Union will designate attendees to participate in the Department's process improvement programs to help plan and develop work processes.

806. If SFGH creates additional process improvement or other planning committees to help plan and develop work process in the new hospital, the Union will be allowed to designate one (1) attendee from the Union.

V.I. TELECOMMUTING

807. An employee who meets the Telecommuting Program eligibility criteria and program guidelines may apply to participate in the Telecommuting Program. As described more fully in the Telecommuting Program materials, telecommuting is a cooperative arrangement subject to the telecommuting appeal process. Telecommuting agreements will be offered within a department, program, or clinic based on operational need and in an equitable manner.
808. In addition to the above, the Department will approve telecommuting agreements for nurses regularly scheduled for administrative time to the extent possible. Any telecommute agreement is subject to staffing needs and not guaranteed. Any employee on an approved telecommute agreement must be able to report to work within two (2) hours in case of safety, staffing, and other onsite service needs.
809. Either a telecommuting employee or the City may end a telecommuting arrangement at any time, however, telecommuting arrangements will not be denied or ended for an arbitrary or capricious reason. In the event a represented employee has a good faith belief that a telecommuting request is denied for an arbitrary or capricious reason, or that an existing telecommuting agreement was terminated for an arbitrary or capricious reason, the member may appeal the decision to the City's Human Resources Director, whose decision shall be final and binding. Neither the Telecommuting Program nor this section are subject to the grievance and arbitration procedure of this Agreement.

APPENDIX C: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.
3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section

II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.
 - 1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide

materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.

2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. 3. If the employee resigns or retires during any six-month period, an adjustment shall be made in the final pay check for any portion of the six and one-half (6-1/2) days off with pay received but to which the employee lost entitlement by reason of their resignation.
4. This program will terminate when the employee listed above separates from City employment.
5. The program described in this Side Letter is subject to the grievance provisions in Article I.L. Grievance Procedure of the Collective Bargaining Agreement between SEIU Local 1021 Staff and Per Diem Nurses and the City and County of San Francisco.

Side Letter of Agreement: SFGH Just Culture Process Pilot Program (Pilot Program)

Therefore, effective February 1, 2017, the parties agree to establish a one-year pilot program at San Francisco General Hospital utilizing the Just Culture Process in investigating deviations from standard clinical practices and determining appropriate corrective measures. The Just Culture Process will not be used for investigating potential employee misconduct, including allegations of substance abuse, patient abuse, diversion or excessive tardiness or absences.

The Just Culture Process is intended to provide support, coaching and training for identified employees who need to improve clinical practice.

The Union will provide a shop steward and/or business representative trained in the Just Culture Process to attend meetings involving the Just Culture Process. Management will also provide a similarly trained nurse manager or human resources representative to be present at such meetings.

CITY AND COUNTY OF SAN FRANCISCO
AND SEIU, LOCAL 1021, STAFF AND PER DIEM NURSES**

Re: Side Letter - Creation of an Evening Shift Parking Program

The City and the Union agree to maintain parking program for benefited Permanent Civil Service (PCS) RNs on the evening shift (3pm-11pm) at ZSFG.

The Department will create thirty (30) monthly parking passes for the MTA-managed garage located at ZSFG. The Department will make those passes available to up to thirty (30) RNs who are regularly assigned to an evening shift. The Department will select RNs for the program based on PCS Citywide seniority, allowing five (5) working days for a qualifying RN to accept or decline participation in the ~~pilot~~ program.

If a participating RN's shift changes or the RN otherwise no longer meets to the requirements to participate in the program, the RN shall return the parking pass to payroll. The Department will reissue passes returned to the next eligible RN.

Each participating RN will be required to create and maintain an account with the garage vendor in order to obtain a monthly parking pass. Each participating RN will be billed through the RN's required vendor account. The Department will calculate the price for the parking each month using the midpoint between the 24/7 and night monthly rates in effect at the time of the calculation. In the event of a rate change, participating RNs will be notified via email from the vendor, and their accounts shall be billed the new rate thereafter.

For the duration of the program, the following rules apply:

1. Evening shift card access to the parking garage is from 2:30 p.m. until 7:30 a.m.
2. No entry with card before 2:30 p.m. is authorized. If a participating RN enters before 2:30 p.m., the RN is required to pull a ticket and pay transient rates for the day.
3. Parking access cards are not transferrable and may not be shared with other persons. Any RN who allows someone else to use the pass shall be disqualified from further participation.
4. A participant who loses a pass is responsible for the replacement cost.
5. This program is not subject to the grievance procedure.
6. Pending extension or adoption of the program, a participating RN may remain on the existing ZSFG vendor parking lot waiting lists. If the parties extend or adopt the evening shift parking program, each participating RN who chooses to continue to participate in that program shall be removed from other vendor ZSFG parking lot waiting lists.

Side Letter Agreement – DHR Hiring Proposals

The parties are entering into this side letter to identify and set in motion, to the extent permissible under the San Francisco City Charter and Civil Service Rules, expedited selection processes to address the City's current vacancies in permanent civil service positions and reliance on P103s and other categories of temporary exempt employees. Given the significant number of vacancies, expected retirements, and reliance on overtime and temporary employees, the parties recognize the urgency to make changes to the City's hiring processes in order to best deliver critical nursing services to the public.

First, the Department of Human Resources is committed to using existing tools and resources to streamline City hiring processes, including:

- eliminating unnecessary administrative approvals for a position request to fill (RTF);
- expanding the use of online on-demand exams and continuous class-based testing;
- modifying or adopting new screening and assessment tools to evaluate applicants for entry-level and promotional exams; and
- streamlining hiring selection and approval processes to deliver qualified candidates to departments more quickly.

Second, the parties recognize the Civil Service Commission has the legal authority to establish examination and appointment rules, and many of those rules must either be amended, updated or rescinded to provide a merit-based system that better serves applicants, City employees and departments.

To that end, the DHR Director may seek appropriate Civil Service Rule amendments, to the extent, necessary to allow the City to fill vacant permanent positions more rapidly, including amendments that will make it easier for external P103s and other temporary employees to seek Permanent Civil Service (PCS) appointments, which may include expedited and/or priority consideration.

The City and the Union agree to meet within thirty (30) days of ratification of this Agreement to discuss making joint proposals to the Civil Service Commission requesting the Civil Service Rule changes described above.

Nothing in this side letter shall prevent either party from proposing rule changes, making recommendations, or taking other actions at the Civil Service Commission outside of the process set forth in this side letter to streamline City hiring processes

STATEMENT RE: Handling of HIV+ CLAIMS

The City Attorney and General Manager of the Retirement System state categorically that in all workers compensation cases, confidentiality will be assured as required by law.

To assure confidentiality with respect to HIV+ claims, we will employ the "Jane Doe" procedure in any "Jane Doe" case arising within the next 12 months.

Thereafter, should the "Jane Doe" procedure be unworkable, alternative procedures would be discussed in advance with affected parties.

The union understands that in stating the above, the City Attorney has the sole responsibility under the Charter for handling all administrative and court proceedings. Similarly, the General Manager of the Retirement System and City Attorney have exclusive authority over workers' compensation claims handling procedures. None of the above shall be deemed to affect any authority conferred by the Charter, nor be subject to arbitration.

OFFICE OF CITY ATTORNEY

Louise H. Renne,
City Attorney

Paul Varacalli

San Francisco, CA 94102

Dear Paul:

You have asked about the meaning of the term "unworkable" in paragraph (3) of my statement regarding the handling of HIV+ claim (Statement). As we have discussed, the "Jane Doe" procedure is now untried. Therefore, many issues may arise, some of which cannot be anticipated, which would make aspects of the procedure unworkable as presently written. Potential issues could include: an unexpected number of claims affecting the City's ability to process claims appropriately, or, from the standpoint of the claimants, delays and confidentiality concerns arising from discovery procedures. The term "unworkable" does not extend to mere administrative convenience.

We have every desire to make this procedure work. As you know, our concern in making our Statement has been to make clear that the matters discussed in the Statement are not subject to meet and confer, or to arbitration. However, the confidentiality concern we address here is of such great concern to nurses--who play a critical role in the fight against AIDS--that we felt it necessary to outline our procedures for handling HIV+ claims to alleviate any concern.

Very truly yours,

LOUISE H. RENNE
City Attorney

Sec. 120.29 Unpaid Administrative Leave or Furlough

120.29.1 General Provisions

- 1) Notwithstanding the layoff and involuntary leave provisions or any other provisions of these Rules, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.
- 2) The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.
- 3) This Rule shall apply to all employees of the City and County.
- 4) The Superintendent of the San Francisco Unified School District and the Chancellor of the San Francisco Community College District shall also be authorized to furlough any employee in the classified service upon their individual determinations that, based upon a review of projected revenues and expenditures, the budget will be insufficient to support the District's level of spending through the end of the fiscal year.
- 5) No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

Sec. 120.29 Unpaid Administrative Leave or Furlough (cont.)**120.29.2 Voluntary Unpaid Time Off**

- 1) Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.
- 2) The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off in excess of ten (10) working days are denied. In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.
- 3) An employee shall be entitled to take up to ten (10) unpaid days per fiscal year at the rate of no more than five (5) days in a three (3) month period, at the employee's discretion, upon at least fifteen (15) calendar days prior written notice to the employee's appointing officer. Such request shall not be denied except for the reason of a requirement that such position be filled on an overtime or premium pay basis, for essential operational needs or the requirements of a court decree or order.

120.29.3 Furloughs

- 1) Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees; or stagger work hours within an operational unit on a reduced hours basis. The decision of the appointing officer to impose furloughs under this subsection, and the appointing officer's determination of what constitutes an operational unit, shall be final.
- 2) Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.
- 3) To the extent practicable, furlough shall be equitably distributed among all of the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and, all of the employees in the affected class(es).

Sec. 120.29 Unpaid Administrative Leave or Furlough (cont.)**120.29.3 Furloughs (cont.)**

4) In determining which employees to furlough, an appointing officer shall consider citywide seniority within a class as well as considering the operational needs of the department.

5) In no event shall furlough be imposed upon an employee for more than four (4) days in any three (3) month period or ten (10) days in any fiscal year. Voluntary time off not to exceed a total of five (5) days per quarter or ten (10) days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this Rule.

6) Employees placed on furlough pursuant to this section shall be notified in writing at least fifteen (15) calendar days in advance of the effective date for the furlough.

7) The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five (5) working days within any six (6) month period, may file an appeal. Such appeals must be in writing and filed within three (3) calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the appointing officer. Within three (3) calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than twenty four (24) hours public notice. The determination regarding the appeal shall be rendered within seven (7) calendar days of the date of the appeal. This decision is final and shall not be reconsidered by the Commission. The Human Resources Director shall notify the employee and the appointing officer of the decision prior to the effective date of the furlough.

120.29.4 Restrictions on Use of Paid Time Off While on Voluntary Unpaid Time Off or Furlough

1) All voluntary unpaid time off or furlough imposed or granted pursuant to this section shall be without pay.

2) Employees granted voluntary unpaid time off or placed on furlough are precluded from using sick leave with pay credits, vacation credits, compensatory time off credits, floating holidays, training days or any other form of pay for the time period involved.

Sec. 120.29 Unpaid Administrative Leave or Furlough (cont.)**120.29.5 Imposition of Furlough - Fair Labor Standards Act (FLSA) Restrictions**

Subject to passage of necessary ordinances by the Board of Supervisors, vacation and sick leave with pay accruals shall continue during a maximum of ten (10) days of furlough in any fiscal year, or a maximum of twenty (20) days for approved voluntary unpaid time off taken pursuant to this Section in any fiscal year.

120.29.7 Duration and Revocation of Voluntary Unpaid Time Off or Furlough

Furlough imposed upon an employee shall remain in force for the period specified in the written notice unless sooner revoked by written notice from the appointing officer. Approved voluntary unpaid time off taken pursuant to this section may not be changed by the appointing officer without the employee's consent.

120.29.8 Resolution of Disputes

Except as provided elsewhere in this section, the Human Resources Director shall act on all disputes arising out of the application or implementation of the provisions of this section. The decision of the Human Resources Director shall be final and shall not be reconsidered by the Commission.
