## LEGACY BUSINESS REGISTRY

The purpose of the Legacy Business Registry is to recognize and preserve longstanding, community-serving businesses that are valuable cultural assets to the city. The Registry is a tool for providing educational and promotional assistance to Legacy Businesses to encourage their continued viability and success. For more information about the Legacy Business Program, visit [www.sf.gov/legacybusiness](http://www.sf.gov/legacybusiness).

## APPLYING FOR THE LEGACY BUSINESS REGISTRY

Businesses that wish to be included on the Legacy Business Registry must be nominated by the mayor or a member of the Board of Supervisors and complete an application, including an application form and written historical narrative. Nominations for the Registry are made on an ongoing basis and are limited to a total of 300 businesses per fiscal year (July 1 through June 30). Completed applications are reviewed by the Historic Preservation Commission, which makes a recommendation, followed by the Small Business Commission, which makes the final determination. For more information on how to apply for the Legacy Business Registry, visit [www.sf.gov/legacybusiness](http://www.sf.gov/legacybusiness) and click the link “[Apply to join the Legacy Business Registry](#).”

## HISTORIC PRESERVATION FUND IN THE ADMINISTRATIVE CODE

The Legacy Business Historic Preservation Fund was added to the Administrative Code ([Section 2A.243](#)) by San Francisco voters through Proposition J in November 2015. It included the Rent Stabilization Grant for landlords of Legacy Businesses.

The Administrative Code requires that the Office of Small Business report annually to the Board of Supervisors regarding the Legacy Business Historic Preservation Fund:

“By the first business day of June of each year commencing with June 2017, the Executive Director of the Office of Small Business shall file a written report with the Board of Supervisors on the implementation of this Section 2A.243. The report shall include a list of: (A) each Qualified Legacy Business and the amount of the grant paid to each Qualified Legacy Business for the prior fiscal year; and (B) each Qualified Landlord, the Legacy Business to which the Qualified Landlord leased the real property, and the amount of the grant paid to each Qualified Landlord for the prior fiscal year. The report may include other information relevant to implementation of this Section 2A.243, at the discretion of the Executive Director of the Office of Small Business.”

The Office of Small Business is pleased to present this annual report to the Board of Supervisors to satisfy the Administrative Code requirement.

## RENT STABILIZATION GRANT

The purpose of the Rent Stabilization Grant ([sf.gov/information/rent-stabilization-grant](http://sf.gov/information/rent-stabilization-grant)) is to provide an incentive for landlords to enter into long-term leases with Legacy Businesses. The grant helps maintain San Francisco's cultural identity and fosters civic engagement and pride by assisting Legacy Businesses to remain in the city.

In San Francisco's current economic climate, many otherwise successful, long-operating businesses are at risk of displacement despite continued value to the community and a record of success. In recent years, San Francisco has witnessed the loss of many long-operating businesses because of increased rents or lease terminations. This problem has been exacerbated by the COVID-19 pandemic that began affecting San Francisco businesses in February 2020.

To the extent that property owners have little incentive to retain longstanding tenants, a long-operating business that does not own its commercial space or have a long-term lease is particularly vulnerable to displacement. A viable strategy for securing the future stability of San Francisco's long-operating businesses is to provide incentives for landlords to enter into long-term leases with such businesses.

Through the Rent Stabilization Grant, landlords who provide new leases of at least 10 years to Legacy Businesses, or extend existing leases with Legacy Businesses to at least 10 years, may receive grants of up to \$4.50 per square foot of space leased per year. Rent Stabilization Grants are

capped at 5,000 square feet (\$22,500 annually). A biennial Consumer Price Index (CPI) adjustment has been added to the grants starting in fiscal year 2017-18.

The grant was initially issued in February 2017 and has been an effective strategy in stabilizing longstanding businesses of all sizes in San Francisco. Since fiscal year 2016-17, the annual budget allocation for the Legacy Business Historic Preservation Fund has been \$1 million in the City’s budget, which includes both the Rent Stabilization Grant and the former Business Assistance Grant. The Business Assistance Grant was active for four fiscal years, from 2016-17 through 2019-20.

## RENT STABILIZATION GRANTS, PREVIOUS FISCAL YEARS

All Rent Stabilization Grant consist of multiple annual grant payments, usually for 10 or more years. In fiscal years 2016-17 through 2021-22, there were 178 Rent Stabilization Grants paid totaling over \$2.7 million, with the average grant being \$15,390.

For the first three fiscal years, the Office of Small Business received an average of one new Rent Stabilization Grant application per month, but OSB received fewer applications during the years of the COVID-19 pandemic (2020-2023). Unspent grant funds in the Legacy Business Historic Preservation Fund carry forward to future fiscal years, which will prolong the number of years the Rent Stabilization Grant will be fully funded, thus providing greater stability for San Francisco’s Legacy Businesses.
