SUBJECT: Report of Exempt Appointments and Position Requests under Charter Sections 10.104-16 through 10.104-18 for the period of January 1, 2023 to June 30, 2023

Executive Summary

This is a semiannual report requested by the Civil Service Commission. The report provides an update on appointments and position requests exempt from Civil Service Rules under Charter sections 10.104-16 through 10.104-18 for the period of January 1, 2023 to June 30, 2023. This report highlights the process that the Department of Human Resources (DHR) and City departments use to effectively manage the duration of these appointments.

Background

Subject to approval of the Civil Service Commission (Commission) under Charter sections 10.104-16 through 10.104-18, certain part-time, seasonal, temporary, substitute and project positions may be exempt from civil service selection, appointment, and removal procedures. On March 8, 2018, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semiannual report regarding these transactions. This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

The Mayor's Proclamation of Covid-19 Local Emergency Supplemental Declarations #3 and #16 gave the HR Director authority to waive Charter limits on Charter sections 10.104-16 – 10.104-18 appointments (Attachment A & B). As such, reporting was paused during the emergency declaration because there were temporarily no limits on Charter sections 10.104-16 – 10.104-18 appointments and this report was last delivered at the March 2, 2020 Civil Service Commission meeting. With the November 15, 2021 termination of the Mayoral Emergency Supplemental Declaration #3 and the March 1, 2023 termination of the Mayoral Emergency Supplemental Declaration #16, the Charter limits are back in place and DHR is resuming this report (Attachment C & D).

Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter section 10.104-16 states that appointees cannot work more than the equivalent of half-time time (1,040 hours) during any fiscal year. Any appointments exceeding the 1,040-hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter section 10.104-16 position requests, departments must justify the exempt nature of the position under one of the following categories:

1. Seasonal Work
2. Peak Workloads
3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence
5. Disasters /Emergencies
6. Anticipation of a Permanent Civil Service (PCS) Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments must also include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

In November 2014, DHR developed and provided training on the use of Charter section 10.104-16 appointments. The training includes an explanation of the Charter exemption and category justifications, policies on the maximum head count for each position a department may request and guidance on the different ways a department can manage Charter section 10.104-16 appointments. This training is continuously available on the DHR HR eLibrary.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter section 10.104-17 position requests, departments must indicate the name of the PCS employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter section 10.104-17 appointment.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-17.

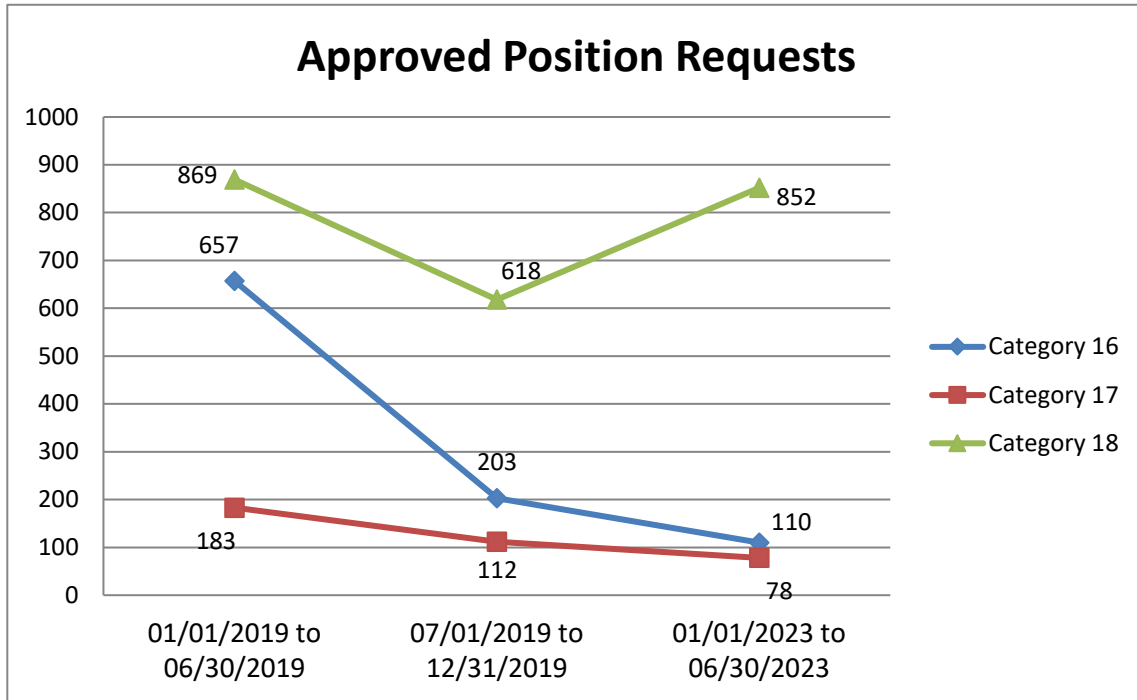

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-18.

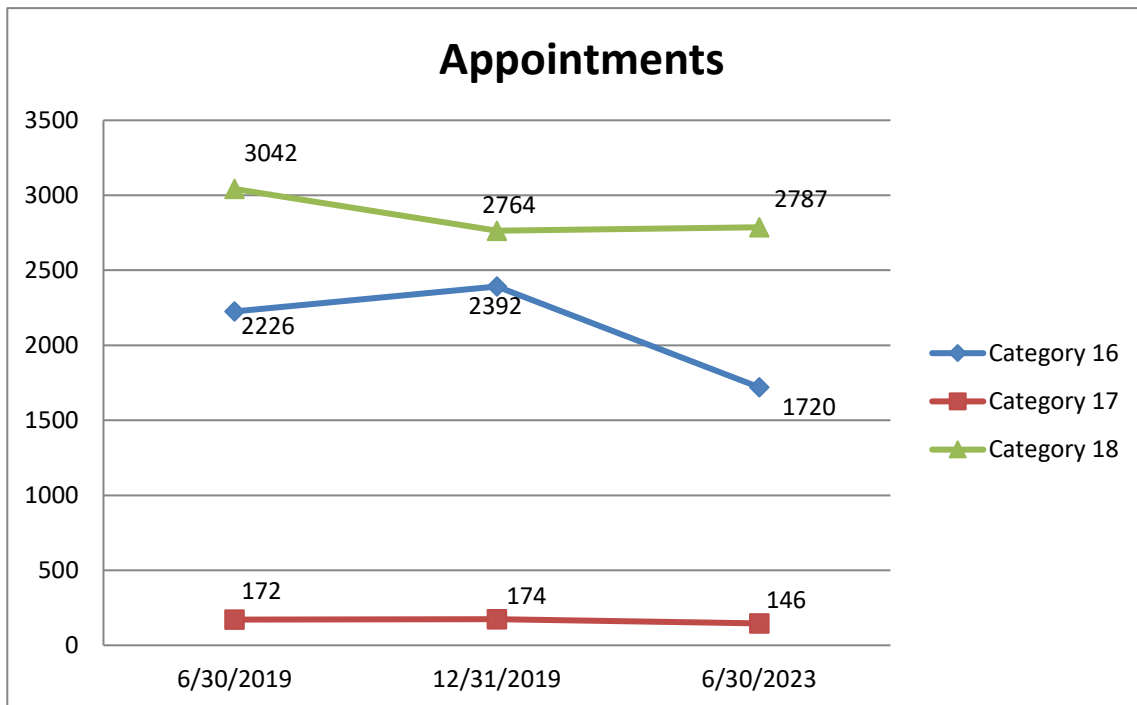

Trend Reports

The following chart shows trends on approved position requests:

Compared to March 2020 report, departments increased the number of position requests in Charter section 10.104-18 and decreased the number of position requests in Charter sections 10.104-16 and 10.104-17.

The following chart shows trends on exempt appointments:

Compared to March 2020 report, departments decreased the number of appointments in Charter sections 10.104-16 and 10.104-17, and increased the number of appointments in Charter section 10.104-18.

As of June 30, 2023, the total number of Charter section 10.104-16 appointments was 1,720. During the reporting period, the following departments had the most Charter section 10.104-16 appointments:

- Recreation and Parks Department had 962 appointments, including 886 to “Seasonal Work” positions. Most of these appointments were in 3279 Recreation Leader, 3264 Camp Assistant and 3208 Pool Lifeguard job classes.
- The Department of Public Health had 194 appointments, including 157 to “Filling In: Leave of Absence” positions. Most of these appointments were in 2328 Nurse Practitioner, 2903 Hospital Eligibility Worker, 2604 Food Service Worker, 2920 Medical Social Worker and 2312 Licensed Vocational Nurse job classes.
- The Office of the City Administrator had 79 appointments, including 41 to “Seasonal Work” positions. Most of these appointments were in the 2708 Custodian job class.

The below table provides the number of Charter section 10.104-16 appointments by category:

Charter Section 10.104-16 Category	Number of Appointments as of June 30, 2023
Seasonal Work	1067
Peak Workload	46
Sporadic Work	352
Backfill for an employee on leave	223
Disasters/Emergencies	13
Anticipation of a PCS Appointment	19

As of June 30, 2023, the total number of Charter section 10.104-17 appointments was 146, which is consistent with the trend from prior reporting periods. Appointments under this Charter section are directly linked to the backfill of PCS employees on leave.

As of June 30, 2023, the total number of Charter section 10.104-18 appointments was 2,787. Out of these appointments, 1,037 were made to various training programs in 20 departments, which provide job-related work experience in designated target classifications. Examples of common Charter section 10.104-18 training program appointments include the JobsNow Program, Workforce Development Training Program, Workreation Program, and Gardener Apprenticeship Program.

DHR has undertaken a number of initiatives to improve City hiring processes, some of which will also help departments manage and reduce their exempt appointments in Charter sections 10.104-16 through 10.104-18.

- The City is moving towards on-line, on-demand continuous testing for classes with high vacancy and turnover rates so that departments will have eligible lists more readily available to hire PCS rather than exempt when a vacancy comes up.
- Departments now have the option to conduct temporary provisional (TPV) recruitments for most classifications including those designated as pre-approved Position Based Testing (PBT) classes. TPV was previously unavailable for PBT classifications, so if no eligible list was available departments would hire ‘Category 16 exempt – pending PCS appointment’ while they conducted the exam. They can now hire conduct a TPV hiring process to fill these positions provisionally rather than exempt.
- Pursuant to the Forty-Eighth Supplement to the Mayoral Emergency Declaration, the Human Resources Director is authorized to establish programs giving exempt employees the opportunity to transition to permanent status. As a result, DHR developed the Exempt-to-Permanent program (E2P), which allowed

City Employees who have served in Charter sections 10.104-18 appointments for at least 12 months in the classification to participate in an expedited exam process. Departments benefit from using these lists to more easily fill PCS positions and give Charter sections 10.104-18 employees the opportunity to become permanent.

For additional detail, this report includes summary data on appointments and approved position requests (Attachment E), a listing of approved position requests reported by department, classification and exempt category (Attachment F), and a listing of all Charter section 10.104-16 appointments by department (Attachment G).

Conclusion

The combined efforts of DHR and departments continue to ensure appropriate use of exempt position requests and appointments in Charter sections 10.104-16 through 18.

Recommendation

Adopt the report.

EXISTENCE OF A LOCAL EMERGENCY DATED FEBRUARY 25, 2020**

WHEREAS, California Government Code Sections 8550 et seq., San Francisco Charter Section 3.100(14) and Chapter 7 of the San Francisco Administrative Code empower the Mayor to proclaim the existence of a local emergency, subject to concurrence by the Board of Supervisors as provided in the Charter, in the case of an emergency threatening the lives, property or welfare of the City and County or its citizens; and

WHEREAS, On February 25, 2020, the Mayor issued a Proclamation (the "Proclamation") declaring a local emergency to exist in connection with the imminent spread within the City of a novel (new) coronavirus ("COVID-19"); and

WHEREAS, On March 3, 2020, the Board of Supervisors concurred in the Proclamation and in the actions taken by the Mayor to meet the emergency; and

WHEREAS, On March 4, 2020, Governor Gavin Newsom proclaimed a state of emergency to exist within the State due to the threat posed by COVID-19; and

WHEREAS, On March 6, 2020, the Local Health Officer declared a local health emergency under Section 101080 of the California Health and Safety Code, and the Board of Supervisors concurred in that declaration on March 10, 2020; and

WHEREAS, On March 6, 2020, the City issued public health guidance to encourage social distancing to disrupt the spread of COVID-19 and protect community health; and

WHEREAS, On March 7, 2020, the Local Health Officer ordered certain City facilities not to hold non-essential group events of more than 50 people for the two weeks from the date of the order and prohibited visitors from Laguna Honda Hospital; and

WHEREAS, On March 7, 2020, the Department of Human Resources issued guidance to minimize COVID-19 exposure risk for City employees who provide essential services to the local community, in particular during the current local emergency; and

WHEREAS, On March 11, 2020 and on March 13, 2020, the Mayor issued supplements to the Proclamation, ordering additional measures to respond to the emergency; and

WHEREAS, On March 16, 2020, the Local Health Officer issued an order requiring most people to remain at home subject to certain exceptions including obtaining essential goods such as food and necessary supplies, and requiring the closure of non-essential businesses, through April 7, 2020; and

WHEREAS, There are currently 43 confirmed cases of COVID-19 within the City, more than 600 confirmed cases in California, and there have been 11 COVID-19-related deaths in California; and

WHEREAS, It is in the public interest that the City take steps to encourage employees in the City to stay home when they are sick or caring for a sick family member, and providing financial assistance to City employers who are willing to increase paid sick leave benefits and pass the City's contribution on to employees will reduce the financial and health impacts associated with the COVID-19 pandemic; and

WHEREAS, Many City employees have been reassigned from their normal duties or deployed as Disaster Service Workers to assist in the emergency response effort; other City employees must prioritize and for many employees devote all their work time to the emergency response; City departments have been directed to support telecommuting to the extent possible; the City must hire workers, such as nurses, to perform critical duties necessary to respond to the pandemic; in light of the need for quick action to deploy the City workforce effectively in these emergent circumstances and to protect the City workforce from health impacts caused by COVID-19, it is in the public interest to temporarily waive certain provisions of the City's civil service rules and rules regarding hiring to the extent such modifications are necessary to respond to the emergency; and

WHEREAS, Many City workers affected by the shelter in place order cannot perform their duties remotely and must stay home, and it is in the public interest to support such employees through the duration of the order with paid leave; and

WHEREAS, The March 16, 2020 order of the Local Health Officer prohibited restaurants from operating in-person dining but allowed restaurants to continue operating delivery and takeout; removing barriers in local law that would otherwise prohibit a restaurant from operating a delivery or take-out only business is necessary to support these restaurants and to conform with the intent of the Local Health Officer's order; and

WHEREAS, Given the March 16, 2020 shelter in place order of the Local Health Officer restricting movement within the City, the ongoing threat of community spread of COVID-19, and the need to reduce social interaction to control that spread, only essential meetings of the City's boards and commissions should be held during the Local Health Officer's shelter in place order; and

WHEREAS, The Mayor does hereby proclaim that the conditions of extreme peril exist and continue to warrant and necessitate the existence of a local emergency,

NOW, THEREFORE,

I, London N. Breed, Mayor of the City and County of San Francisco, proclaim that there continues to exist an emergency within the City and County threatening the lives, property or welfare of the City and County and its citizens;

In addition to the measures outlined in the Proclamation, in the March 11, 2020 Supplement to the Proclamation, and in the March 13, 2020 Second Supplement to the Proclamation, it is further ordered that:

(1) The Director of the Office of Economic and Workforce Development is authorized to implement a program under which the City will provide financial assistance to employers that agree to supplement their existing paid sick leave policies by providing additional paid sick leave to employees who work in the City or on City-owned property. Funds the City provides employers under this program shall be designated to fund additional paid sick leave the employer provides. The Director is delegated authority to develop and promulgate criteria for employer and employee eligibility and other rules related to the program, including but not limited to the amount the City will fund per eligible employee. The program shall last for an initial period of 90 days, for sick leave taken on or after March 16, 2020. The Mayor may extend the program if conditions warrant. The Mayor shall provide notice of the extension through an Executive Order posted on the Mayor's website and delivered to the Clerk of the Board of Supervisors; and

(2) The Human Resources Director or designee, and the Director of Transportation or designee for San Francisco Municipal Transportation Agency service critical employees, is delegated authority during the local emergency to temporarily waive provisions of Civil Service Commission Rules and provisions of the Charter regarding hiring, if the Human Resources Director or Director of Transportation deems such waiver necessary to

comply with public health orders issued by local, state, or federal health officials or to ensure continuity of City operations in response to the emergency. In addition, the Human Resources Director or designee is delegated authority during the local emergency to temporarily waive the limitation on the hours worked for employees appointed under Charter section 10.104(16). This Order ratifies any prior such waivers; and

(3) The Director of Transportation for San Francisco Municipal Transportation Agency service critical employees is authorized, with concurrence of the Controller, to create a paid leave program for those employees who are not working, including working from home, through April 17, 2020 to mitigate the financial impacts of the emergency, and for all other City employees the Human Resources Director is authorized, with concurrence of the Controller, to create a paid leave program for employees who are not working, including working from home, through April 17, 2020, to mitigate the financial impacts of the emergency; and

(4) Any local law requiring a restaurant use to have dine-in operations is suspended. Consistent with the shelter in place order of the Local Health Officer, restaurants may prepare and provide ready-to-eat cooked foods to customers for take-out or delivery purposes without providing an option for consumption on the premises, for the duration of that order as it may be modified or extended; and

(5) From March 18, 2020 through April 7, 2020, City policy and advisory bodies shall not hold public meetings, unless the Board of Supervisors, acting by written motion, or the Mayor or the Mayor's designee directs otherwise, based on a determination that a policy body has an urgent need to take action to ensure public health, safety, or essential government operations. This order applies to all City commissions, boards, and advisory bodies other than the Board of Supervisors and its committees.

**SIXTEENTH SUPPLEMENT TO MAYORAL PROCLAMATION DECLARING
THE EXISTENCE OF A LOCAL EMERGENCY DATED FEBRUARY 25, 2020**

WHEREAS, California Government Code Sections 8550 et seq., San Francisco Charter Section 3.100(14) and Chapter 7 of the San Francisco Administrative Code empower the Mayor to proclaim the existence of a local emergency, subject to concurrence by the Board of Supervisors as provided in the Charter, in the case of an emergency threatening the lives, property or welfare of the City and County or its citizens; and

WHEREAS, On February 25, 2020, the Mayor issued a Proclamation (the “Proclamation”) declaring a local emergency to exist in connection with the imminent spread within the City of a novel (new) coronavirus (“COVID-19”); and

WHEREAS, On March 3, 2020, the Board of Supervisors concurred in the Proclamation and in the actions taken by the Mayor to meet the emergency; and

WHEREAS, On March 4, 2020, Governor Gavin Newsom proclaimed a state of emergency to exist within the State due to the threat posed by COVID-19; and

WHEREAS, On March 6, 2020, the Local Health Officer declared a local health emergency under Section 101080 of the California Health and Safety Code, and the Board of Supervisors concurred in that declaration on March 10, 2020; and

WHEREAS, On March 16, 2020, the City’s Health Officer issued a stay safe at home order, Health Officer Order No. C19-07 (the “Stay Safe At Home Order”), requiring most people to remain in their homes subject to certain exceptions including obtaining essential goods such as food and necessary supplies, and requiring the closure of non-essential businesses; the Health Officer has amended the Stay Safe At Home Order to modify the ongoing restrictions; and

WHEREAS, There have been 2,473 confirmed cases of COVID-19 within the City and 41 COVID-19-related deaths in the City; there have been more than 100,000 confirmed cases in California and more than 3,900 COVID-19-related deaths in California; and

WHEREAS, This order and the previous orders issued during this emergency have all been issued because of the propensity of the virus to spread person to person and also

because the virus physically is causing property loss or damage due to its proclivity to attach to surfaces for prolonged periods of time; and

WHEREAS, The Stay Safe At Home Order provides that individuals experiencing homelessness should, to the maximum extent feasible, abide by 12 foot by 12 foot distancing for the placement of tents, and that government agencies should provide restroom and hand washing facilities for individuals in encampments as set forth in Centers for Disease Control and Prevention Interim Guidance Responding to Coronavirus 2019 (COVID-19) Among People Experiencing Unsheltered Homelessness. Implementation of these measures will reduce the risk of outbreaks and spread of the virus in this extremely vulnerable population and among all City residents. To comply with this guidance and to provide a safe and sanitary location for individuals experiencing homelessness to get through the emergency, the City must open additional space to allow individuals to set up tents and for the City to provide proper facilities and other services. It is in the public interest to suspend provisions of City law that would inhibit the use of City property that is appropriate to accomplish this goal; and

WHEREAS, In the Third Supplement to the Emergency Proclamation dated March 17, 2020, the Mayor prohibited meetings of City boards, commissions, and advisory bodies, other than the Board of Supervisors, through April 7, 2020, unless authorized by the Mayor or the Board of Supervisors; the Mayor extended this order through May 31, 2020. Given the ongoing public health concern, closure of City buildings, and restrictions and recommendations in the Stay Safe At Home Order it is necessary to continue some limitations on meetings of these bodies to protect public health. The Governor and the Mayor have issued emergency orders allowing public meetings to occur remotely, provided the public can observe and participate; and

WHEREAS, The disruption to City operations caused by the pandemic, including closure of City offices, deployment of City employees as disaster service workers, and City employees working remotely, and the physical distancing measures required by the Stay Safe at Home Order, have prevented the City from conducting civil service examinations to establish eligible lists to make permanent civil service appointments. To ensure continuity of City services and avoid unduly separating employees from employment, the City needs flexibility to allow employees in appointments with time limitations to continue working beyond the time limit applicable to the appointment. It is in the public interest to authorize the temporary waiver of the Charter provisions setting time restriction for such appointments; and

WHEREAS, In the Third Supplement to the Emergency Proclamation dated March 17, 2020, recognizing that many City employees affected by the Stay Safe At Home Order cannot perform their duties remotely and must stay home and that it is in the public interest to support such employees with paid leave, the Mayor authorized a paid leave program through April 17, 2020, to mitigate financial impacts of the emergency on City employees; the Mayor extended the program to May 31, 2020 through a further orders in the Seventh and Twelfth Supplements to the Emergency Proclamation; due to the ongoing restrictions of the Stay Safe At Home Order, it is in the public interest to further extend this paid leave program; and

NOW, THEREFORE,

I, London N. Breed, Mayor of the City and County of San Francisco, proclaim that there continues to exist an emergency within the City and County threatening the lives, property or welfare of the City and County and its citizens;

In addition to the measures outlined in the Proclamation and in the Supplements to the Proclamation dated March 11, March 13, March 17, March 18, March 23, March 27, March 31, April 1, April 10, April 14, April 23, April 30, May 11, May 13, and May 18, 2020, it is further ordered that:

(1) The Department of Emergency Management and the Mayor’s Office of Housing and Community Development (“MOHCD”) may authorize the use of any property under the jurisdiction of MOHCD to (a) erect, provide, or accommodate temporary shelter, including shelter in tents or similar structures, for people experiencing homelessness, and (b) provide attendant services for people experiencing homelessness and erect temporary structures for that purpose. The Director of Emergency Management in consultation with the Director of the MOHCD is authorized to select property for this purpose. Any provision of local law that would prohibit the use of property for this purpose, including any provision of the Planning Code, is suspended and any local permitting requirement is waived. This Order shall remain in effect during the local emergency unless terminated earlier by the Mayor.

(2) Public meetings of City commissions, boards, and advisory bodies other than the Board of Supervisors and its committees must comply with the following conditions for all public meetings:

- a. The meetings must occur by teleconference or other electronic means without providing a physical meeting place, and the commission, board, or advisory body must comply with all applicable law governing public meetings during the emergency, including allowing public observation and participation;
- b. The commission, board, or advisory body must prioritize any urgent action items necessary for public health, safety, and essential government function; and
- c. Before scheduling a meeting, a policy body that is not established in the Charter must confer with the department that provides administrative and clerical support to the body, to ensure that the meeting will not unreasonably require the time of staff who are otherwise deployed or participating in the City's response to the COVID-19 pandemic.

This Order shall take effect on June 1, 2020 and shall remain in place for 60 days unless terminated earlier by the Mayor or unless the Governor rescinds his executive order authorizing public meetings to occur by electronic means without providing a physical meeting place under state law.

(3) The Human Resources Director or designee is delegated authority during the emergency, as determined appropriate in the exercise of their discretion, to temporarily waive the maximum number of years employees may work in appointments under Charter Sections 10.104(17) and (18). The Director of Transportation or designee is delegated authority during the emergency, as determined appropriate in the exercise of their discretion, to temporarily waive the maximum number of years employees may work in "service critical" appointments under Charter Sections 10.104(17) and (18). Employees have no right to a waiver of these Charter time limitations. This Order shall remain in effect during the local emergency unless terminated earlier by the Mayor.

(4) The Human Resources Director is authorized, with the concurrence of the Controller, to extend the existing paid leave program for City employees, first authorized on March 17, 2020 in the Third Supplement to the Emergency Proclamation, through June 30, 2020, to mitigate the financial impacts of the emergency on these City employees. The Director of Transportation is authorized, with the concurrence of the Controller, to extend the existing paid leave program for service critical employees of the San Francisco Municipal Transportation Agency first authorized on March 17, 2020 by the Third Supplement to the Emergency Proclamation, through June 30, 2020. This paid leave

program is for employees who are available to work, but not working, including working from home, due to the Stay Safe At Home Order.

TERMINATION OF ORDERS ISSUED UNDER PROCLAMATION OF LOCAL EMERGENCY

WHEREAS, On February 25, 2020, the Mayor issued a Proclamation of Local Emergency (“Proclamation”) under California Government Code Sections 8550 et seq., San Francisco Charter Section 3.100(14), and Chapter 7 of the San Francisco Administrative Code, in connection with the imminent spread within the City of a novel (new) coronavirus (“COVID-19”); and

WHEREAS, The Mayor subsequently updated the Proclamation through the issuance of 48 Supplements to the Proclamation, including over 100 individual orders, many of which have been amended and in some cases terminated based on the status of the ongoing emergency and the public health response; and

WHEREAS, On October 17, 2022, the Governor of the State of California announced that the statewide Declaration of Emergency (“Declaration”) due to COVID-19, which originally issued on March 4, 2020, will terminate effective February 28, 2023; and

WHEREAS, While certain of the Mayor’s supplemental orders are still pending and remain necessary at this time, as summarized below, it is also appropriate to prepare for the orderly termination of these remaining orders given the scheduled termination of the Governor’s Declaration, the current state of the pandemic, the status of the City’s pandemic response, the City’s policies regarding vaccination of City employees and employee return-to-work, the vaccination rates in San Francisco, and the current public health indicators; and

WHEREAS, With respect to public meetings, Section 3 of the First Supplement suspended the requirement in the Charter that commissions, boards, and other City policy bodies meet in-person; Sections 6 and 8 of the 5th Supplement suspended various provisions of the Sunshine Ordinance for public meetings during the emergency; and Section 1 of the 45th Supplement allowed for the continuation of remote meetings under certain conditions; and

WHEREAS, With respect to City employment and human resource practices, Section 3 of the 16th Supplement authorized the City to waive the time restrictions that limit how long employees appointed under certain Charter provisions can remain employed by the City; and Section 1 of the 37th Supplement temporarily waived provisions of City law

to expedite the process of filling positions left vacant due to vaccination policy-related suspensions or terminations; and

WHEREAS, With respect to vaccination requirements, Section 1 of the 38th Supplement imposed vaccination requirements on employees of City contractors who work in close proximity with City employees; and Section 2 of the 38th Supplement, as updated by Section 2 of the 41st Supplement, required members of City policy bodies to be fully vaccinated; and

WHEREAS, With respect to facilitating the City's public health response, Section 3 of the 5th Supplement suspended provisions of the Planning Code and other local laws to enable temporary medical and public health facilities on City streets; Section 1 of the 21st Supplement waived provisions of the Planning Code to allow schools to temporarily expand their premises to accommodate physical distancing requirements or increases in enrollment; and Section 1 of the 43rd Supplement authorized the City Administrator to issue fines for violations of the Health Officer's order requiring certain healthcare facilities to offer testing to patients within designated timeframes and to provide reports to the Department of Public Health; and

WHEREAS, With respect to housing, Section 4 of the 5th Supplement suspended provisions of local law to facilitate the use of private hotel rooms for the COVID-19 response effort; Section 1 of the 6th Supplement waived the City's hotel tax on such hotel rooms; Section 1 of the 15th Supplement authorized real property belonging to the Mayor's Office of Housing and Community Development to be used for temporary emergency housing for homeless, including tent encampments; and Section 2 of the 28th Supplement waived provisions of local law to allow student housing to be used for temporary residential use by non-students; and

WHEREAS, Section 3 of the 2nd Supplement suspended lien proceedings for delinquent water and sewer bills; and

WHEREAS, Section 1 of the 44th Supplement authorized the City to continue funding for nonprofit contractors and grantees that were not performing services due to the emergency; and

WHEREAS, Following the termination of the supplemental orders identified above, the Mayor wishes to delay termination of the Proclamation for a reasonable time, for the limited purposes of enabling the City to seek full reimbursement for eligible costs incurred in the emergency response from federal and state authorities as authorized by

law, and to facilitate an orderly transition with respect to the City's Shared Spaces Program; and

WHEREAS, The remaining orders with respect to "Shared Spaces" programs consist of Section 1 of the 18th Supplement, which authorized the Department of Public Works to implement a program to allow restaurants and retail establishments to temporarily use privately owned open space in front of their premises; Section 3 of the 18th Supplement, as updated by Section 1 of the 23rd Supplement, which authorized the Planning Department to implement such a program; Section 1 of the 26th Supplement, which authorized the Director of Transportation to issue permits to close streets for outdoor dining, retail, and services; and Section 1 of the 27th Supplement, which authorized the Entertainment Commission to permit outdoor entertainment and outdoor amplified sound in connection with certain types of permitted events;

NOW, THEREFORE

I, London N. Breed, Mayor of the City and County of San Francisco, order that all supplemental orders identified herein, with the exception of the Shared Spaces orders, shall terminate effective 11:59 p.m. on February 28, 2023.
