I. Introduction

This candidate guide has been prepared by the San Francisco Department of Elections (the Department) to provide candidates for Superior Court Judge with information about nomination-related processes. The information within this guide is not all-encompassing. In the event there is a conflict between this guide and the law, regulation, or rule, the statutory requirements shall apply. As such, candidates, committees, and campaign staff should also examine the applicable laws and regulations. Candidates who do not meet every filing requirement within the nomination filing process will not be eligible to appear on the ballot, as there are no extensions or provisions for missed or late filings.

The Department recommends that anyone filing for candidacy:

- **Begin the process as early as possible.** This will ensure that you do not miss important deadlines or neglect to submit paperwork that may be important to your candidacy. The Department recommends allotting at least 30 minutes for a nomination filing. Department personnel will provide you with the necessary forms and documents, conduct intake of all documents and fees, and assist you with questions related to the nomination process.
- **Schedule an appointment with Department personnel**, using our online appointment form: sfelections.org/tools/csappt or contact us by phone. The Department will prepare documents ahead of time, answer any questions you may have, and expedite your visit.

II. Candidate Resources

In addition to this guide, the Department encourages candidates and campaigns to familiarize themselves with other important resources:

- A. The Department hosts Candidate Workshops on such topics as signatures-in-lieu-of-filing fees, nomination procedures, and voter registration drives.
- B. The Department’s website, sfelections.sfgov.org contains information for candidates and voters, including registration and voting calendars, opportunities to observe elections processes, and up-to-date results reports from Election Night through certification of the results.
- C. Candidates may apply to purchase voter registration information for election purposes.
- D. The San Francisco Ethics Commission publishes a general candidate guide that explains state and local requirements concerning campaign finance and campaign disclosure; the Ethics Commission and the Fair Political Practices Commission (FPPC) also provide information regarding laws that govern political literature and advertising.
- E. The California Secretary of State (SOS) and FPPC are also involved in the administration and enforcement of laws regulating candidates and elections. The FPPC has created “Campaign Disclosure Manual 2”, available online at fppc.ca.gov which details filing and disclosure requirements for local candidates.

This guide will reference the various state and local laws that regulate nomination processes. The table below lists the citations to these laws and regulations referenced in this guide.

IV. Candidate Eligibility and Initial Steps

CA Const. Art. 6, §15; CAEC §§13.5(a), 13.5(b)(5)

A. Essential Requirements

In addition to the responsibilities associated with filing documents with the Department, candidates must also meet the following requirements:

1. Must be a registered California voter.
2. Must practice law in California as a member of the State Bar, or served as a judge of the court in California for at least 10 years immediately preceding an election.

B. Authorization for Candidate Representatives

Candidates may provide written notification to the Department that will allow an individual to represent them and pick up filing forms, file petitions, and obtain Voter Registration Information on behalf of the candidate. The Department provides a form to assist with this assignment, however another form of written notification, including email, is also acceptable. Candidates are responsible for any errors or omissions made by the agent acting on behalf of the candidate.

C. Permission to Post Information to the Internet and the Code of Fair Campaign Practices

CA Gov. Code §6254.21

The Department maintains a website in which potential and qualified candidates for all local offices are listed. The office sought, filing date and name of candidate are all listed; however, candidates have the option to provide additional contact information to the Department to post on our candidate list. Candidates may amend the information posted through any written notification (letter or email).

D. Seats Subject to This Election

CAEC §8200

The Department will assign seat numbers to candidates for judicial office according to the order by which candidates file their Declarations of Intention to become a candidate. After election and the issuance of the certificates of election, the designating number shall have no further significance.

E. Length of Term

CA Const., Article VI, §16

Terms of judges of superior courts are six years beginning the Monday after January 1 following their election. A vacancy shall be filled by election to a full term at the next general election after the second January 1 following the vacancy, but the Governor shall appoint a person to fill the vacancy temporarily until the elected judge's term begins.

V. Signatures-in-Lieu-of-Filing Fee and Filing Fee

CAEC §§8061, 8084, 8106(b); SFMEC §§230, 840

A. Signatures-in-Lieu-of-Filing Fee

The first statutory period within the nomination process is the Signatures-in-Lieu-of-Filing Fee. Participation in this process is optional for candidates. During this period, candidates are able to obtain Signatures-in-Lieu forms from the Department to circulate to offset the required filing fee. Each valid signer reduces the filing fee by \$0.50. In-Lieu Forms may be submitted to cover a portion of or the entire fee. The signers on In-Lieu Forms may also be used towards nomination requirements if the In-Lieu Forms are accompanied by a written request at the time of filing the In-Lieu Form.

The Department is responsible for verifying signers. If a candidate submits between 101 and 2,000 signers, the Department will utilize a random sampling method to identify which signers to review. The sampling shall include 5% of signers if more than 2,000 are submitted. The percentage of valid signers contained within the sample will be applied and projected to the total amount submitted.

Judicial Candidate Filing Fee and Signature Equivalent			
Salary	Filing Fee (1% of salary)	In-Lieu Signers	Value of Each Signer
\$229,100 (effective July 1, 2022)	\$2,291	4,582	\$0.50

Filing fee based on salary for 2022-2023 fiscal year

B. Petition Circulator Information

CAEC §§ 104, 106, 2138, 2158

Candidates may circulate and sign their own in-lieu petitions.

The petition contains an Affidavit of Circulator. The circulator must complete each affidavit by hand, sign the affidavit, and return the petition to the candidate or to a person authorized by the candidate. The circulator may not complete a section of the affidavit and then duplicate the petition. When making a copy of a petition form, the candidate or circulator must ensure that no fields have been pre-filled.

For a voter's signature to be valid, the voter must indicate a residential address on the petition that matches the address in his or her registration record. As voters may not update their residential addresses that have changed, a candidate or circulator may obtain voter registration cards from the Department for signers to complete. Registration cards must be returned to the Department within three days of receipt from a voter.

Circulating a petition knowing it contains false, forged, or fictitious names is a misdemeanor.

C. Invalid Petition Signers

CAEC §§100, 100.5, 102, 105

The California Elections Code imposes strict rules governing the verification of petition signers. For example, a petition signer is invalid and cannot be counted if:

1. The signer does not provide a San Francisco residential address
2. The signer provides a different residential address from the address listed in their voter registration record
3. The signer provides a post office box, mail drop, or business address, rather than a residential address
4. The signer's address is pre-printed
5. The signer uses ditto marks for an address
6. The signature does not match the signature in the voter's registration record
7. The signature appears as a voter's mark but is not witnessed
8. The petition circulator fails to complete or sign the affidavit portion of the petition
9. The circulator is not 18 years of age or older

Each signer must personally place their own information on the petition and sign the form, unless unable to do so. If a signer is unable to personally affix on a petition his or her own information, the signer may request another person to print the signer's name and place of residence on the appropriate spaces of the petition, but the signer shall personally affix his or her mark or signature on the appropriate space of the petition. The mark or signature must be witnessed by another person. The witness must also sign the petition to indicate that the witness in fact witnessed the mark or signature.

D. Declaration of Intention to Become a Candidate

CAEC §8023

All judicial office candidates are required by law to file a Declaration of Intention to Become a Candidate. Candidates must provide their residential address to the Department at this time (this information is redacted from copies placed in the candidates' public files). The Department will assign a Superior Court seat number at this time, based on the order that candidates file.

Candidates must pay the filing fee in full at the time they file their Declaration of Intention to Become a Candidate. If an incumbent for an open judicial seat does not file a Declaration of Intention, the filing period for that specific seat shall be extended five days.

E. Filing Fee

CAEC §§8104(b), 8105(b)

The non-refundable filing fee must be paid in full upon the filing of a Declaration of Intention, via cashier's check, money order, cash, credit card, certified or campaign check. Please make checks payable to: San Francisco Department of Elections. The filing fee represents 1% of the salary associated with the office, which will be set after the start of the new fiscal year on July 1, 2023.

VI. Nomination Period and Documents

The Department provides all official nomination forms from its office; candidates may use only the forms that the Department issues. Candidates or their authorized representatives may obtain their nomination documents during the nomination period. The Department strongly encourages candidates to schedule an appointment with the Department and to allow at least 30 minutes for the nomination documents to be issued. You may use an online tool to schedule an appointment: sfelections.org/csappt/ or call **(415) 554-4375**

All nomination documents must be completed and submitted together to the Department prior to the close of the nomination period.

A. Nomination Paper

CAEC §§ 8041, 8061, 8062(a)(3)

All candidates must complete and submit nomination papers. Nomination papers are separate from Signatures-in-Lieu-of-Filing Petitions. All candidates for Superior Court must obtain at least 20 signatures of valid voters, and not more than 40, to qualify their nomination. The requirements for circulating a nomination paper are the same as those requirements for Signatures-in-Lieu of Filing Fee Petitions.

1. Use of Signatures-In-Lieu Petition Signatures as Nomination Signatures, Affidavit of Acceptance

At the time of filing, each candidate who submits an Signatures-in-Lieu Petition may request, in writing, that the Department apply the in-lieu signatures toward the number of signatures required for nomination. If the in-lieu petition contains at least 20 valid signatures, the candidate is not required to file a separate nomination paper. If the in-lieu petition contains fewer than 20 valid signatures, the candidate must circulate and file a nomination paper during the nomination period to obtain the necessary number of valid signatures. Candidates may use in-lieu petition forms for nomination purposes only as described here.

A candidate seeking to use in-lieu signatures towards their nomination requirements must submit a request to do so in writing during the signature in-lieu-of filing fee period.

B. Declaration of Candidacy

Each candidate must file a Declaration of Candidacy stating that the candidate meets the legal qualifications for the office sought. The Declaration of Candidacy form consists of several sections:

1. Legal Name, Name as It Should Appear on the Ballot
2. Name in Chinese Characters / Transliteration
3. Declaration of Qualification
4. Ballot Designation (optional)
5. Qualifications
6. Oath of Office

If a candidate personally obtains and files the nomination documents, the Declaration of Candidacy must be executed in the presence of Department personnel. If a candidate authorizes another person to obtain and file the nomination documents, the candidate must execute the declaration, including the oath of office, in the presence of a notary public.

1. Legal Name, Name as It Should Appear on the Ballot

CAEC §§13104, 13106; SFMEC §210

Candidates must use their legal names on the Declaration of Candidacy. The Declaration of Candidacy includes a space to indicate how the candidate's name should be printed on the ballot. Legal names are those given at birth or established by marriage, general usage, or habit, or by decree of any court of competent jurisdiction.

The legal name or name to appear on the ballot may include a nickname, or combination of initials, full names, or individual letters or numerals.

No title or degree may appear on the same line as a candidate's name on a ballot.

With regard to how a candidate's name should appear on the ballot, if there is a discrepancy between the Affidavit of Registration of the Nominee and the Declaration of Candidacy, the Department may request the Candidate to provide additional information.

a. Name in Chinese Characters / Transliteration

SFMEC §401

For bilingual English / Chinese ballots, each candidate's name will appear on the ballot in Chinese characters, as well as in English. Candidates may, but are not required to, submit a proposed translated or transliterated Chinese name via

Please note that the Department uses traditional Chinese characters, rather than simplified. If a candidate does not submit a proposed Chinese name, the Department's translator will prepare a transliteration of the candidate's name. The Director of Elections determines whether to accept a candidate's proposed Chinese name based on the following:

- i. Information submitted by the candidate regarding established use of the proposed name;
- ii. Information regarding how the Chinese community refers to the candidate at community meetings or in the media
- iii. Whether or not a proposed translation or transliteration has another meaning in the Chinese language
- iv. Any other information the Director deems relevant in order to prevent voter confusion.

The Director of Elections' determination whether to accept a candidate's proposed Chinese name shall be final. The submitted or transliterated Chinese names of all candidates for local office are available for public review and possible legal challenge for ten calendar days.

2. Declaration of Qualification

California Const., Art. 6, §15

This required document is a sworn statement that must be completed by all candidates that affirms they meet the requirement of being a member of the State Bar or have served as a judge of a court of record in California for 10 years immediately preceding their appointment or election.

3. Ballot Designation / Ballot Designation Worksheet

CAEC §§13107-13107.5

A candidate may request that their occupation appear below their name on the ballot; statement of occupation is considered as the candidate's "ballot designation". The nomination packet provided to all candidates includes a copy of the most recent ballot designation regulations issued by the Secretary of State which may also be found on the [Secretary of State's website \(sos.ca.gov\)](https://sos.ca.gov). The Ballot Designation Worksheet is a required document, designed to guide a candidate's proposed ballot designation or an alternate, that shall be filed with the Department at the same time that the candidate files their Declaration of Candidacy. Candidates should attach copies of any supporting documentation. The Ballot Designation Worksheet is available at the Department as well as the Secretary of State's website: sos.ca.gov/elections/upcoming-elections

If a candidate does not want a designation to appear on the ballot under their name, the candidate must write the word "none" on the ballot designation section of the Declaration of Candidacy and sign the form. The word "none" will not appear on the ballot. Instead, this space will remain blank.

No candidate may change their designation after the deadline for filing nomination documents except as "specifically requested by the Department under CAEC§13107(g) or by a writ issued by San Francisco Superior Court.

The FPPC provides a series of forms that campaigns and or candidates must complete and file with The San Francisco Department of Elections and or the FPPC as a part of the nomination process. These forms are available for download from the FPPC website: fppc.ca.gov

Candidates must pay the fee for publishing a candidate statement of qualification when filing their nomination documents.

The Department strongly encourages candidates to type this statement to avoid misinterpretation of illegible handwriting or format. This statement may be withdrawn by the candidate up to 87 days prior to the election. The statement may not be viewed by the public until the close of the nomination filing deadline.

The Department requests that statements be submitted electronically for type-setting purposes to publications@sfgov.org. If there is any discrepancy between the electronic submission and the submitted hard copy, the Department will rely on the physical submission.

A. Nominators and Letters of Endorsement for Inclusion in Statement

VIII. Public Examination and Challenges

CAEC §§8203, 8600-8604, 13313, 13314; SFMEC §590(a)

All nomination documents are available for public review during the 10-calendar-day period starting at noon the day after the nomination period ends. During this period, any voter of the jurisdiction in which the election is being held, or the Department, may challenge a candidate's legal name, ballot designation, or a translated or transliterated Chinese name requested by a candidate. Chinese transliterations of candidates' names that are provided by the Department's translator are also available for a 10-day examination period, which starts at noon on the 87th day before the election.

Any challenges must be submitted to the Department in writing during the 10-day public examination period. The challenge must demonstrate that the material is inconsistent with election law requirements and that action by the court to correct or remove the material will not substantially interfere with the conduct of the election. Following the close of the public examination period for each category of material, the Department may proceed with publication of that material.

Write-in candidates may file a petition provided by the Department indicating their write-in campaign. The number of signatures needed to qualify as a write-in candidate represents 0.1% of the total number of registered voters eligible to vote on the contest, as indicated on the Department's most recent report on registration submitted to the Secretary of State, but not to exceed 600 signatures.

Approximately 11 days prior to every election, the Department creates a qualified write-in candidates list that is available on our website, at our office, and at each polling place in the City.

IX. Election Day through Certification of Results

A. Election Day

CAEC §§319.5, 18370

The polls open at 7 a.m. and close at 8 p.m.

Electioneering, which is any visible or audible activity that advocates for or against any candidate or measure on the ballot, is prohibited within 100 feet of the entrance of a building that contains a Polling Place or Voting Center or within 100 feet of Ballot Drop-off Boxes. Examples of prohibited materials and activities include displaying a candidate’s name, likeness, or logo; buttons, hats, pencils, pens, shirts, signs, or stickers with information about candidates or issues on the ballot; or any audible broadcasting of information about candidates or measures on the ballot. Electioneering also includes soliciting petition signatures within 100 feet of a polling place. Violations can be charged as misdemeanors.

B. Election Results

CAEC §§8141, 15372(a)

On Election Night, the Department will release the first preliminary summary report of election results at approximately 8:45 p.m. This report will provide the results from the vote-by-mail ballots processed before Election Day.

Approximately hourly after that, the Department will release additional summary results reports that include votes cast at the polling places.

After all polling places have reported, the Department will release a final summary report.

The Department will release updated results reports at approximately 4 p.m. on every day on which it counts ballots. On any days during which no ballots are counted, the Department will post a notice on sfelections.org stating that no update will be issued.

The Department will release final election results at the end of the official canvass period, no later than 30 days after the election.

If no candidate receives a majority of votes for a nonpartisan office, the candidates with the two highest vote totals will appear on the ballot for the general election.
