Appealing the ISSUANCE on June 16, 2023, to Saint Francis Square Cooperative, of a Public Works Order (APPROVAL to remove ten Significant Trees on private property with replacement of four and APPROVAL to remove one street tree with replacement). ACTION: Upon motion by President Swig, the Board voted 5-0 to continue this Item to September 27, 2023 so that: (1) All parties can submit a brief, and (2) the Board office can send new notice of the hearing with the correct addresses for the subject property (Public Works had incorrect addresses on its order). This motion was made for the following reasons specified by Commissioner Lemberg: The initial notice provided by Public Works for the underlying hearing was incorrect, the notice of the hearing sent out by the Board Office was flawed since it relied on the incorrect address in the Public Works order, and the permit holder submitted a brief at the hearing and the appellant did not have an opportunity to review it. The Board further requested that the appellant, determination holder and BUF meet and attempt to collaborate on a resolution.

SPEAKERS: Deetje Boler, appellant; Conny Ford, agent for determination holder; Linda Walsh, agent for determination holder; Lorraine Luna, agent for determination holder; Chris Buck, BUF.
