

Good afternoon,

I've read over the report, I noticed that 9139 Transit Supervisor instructor Bernard Henderson's statement was not included in the report. In order for me to receive a fair hearing all parties interviewed should have been included in this report.

I cannot emphasize the importance of Bernard Henderson's testimony who is a witness to this case. Bernard Henderson will be able to explain the inaccuracies of Manager Randell Buck's report.

I provided Toni Battle and Cueva Alegria with the information about Mr. Henderson during my interview, and they subsequently reached out to Mr. Henderson to obtain his statement. I respectfully request that his statement and testimony be added to the report.

Thank you,

Shanita Anderson
