G. Procedure for Commission Hearings

Maximum time will be three (3) minutes. A subsequent comment after the three (3) minute period is limited to one (1) minute. The timer shall be in operation during public comment. Upon any specific request by a Commissioner, time may be extended.

J. Public Comment and Due Process

During general public comment, members of the public sometimes wish to address the Civil Service Commission regarding matters that may come before the Commission in its capacity as an adjudicative body. The Commission does not restrict this use of general public comment. If members of the public have information that they believe to be relevant to a matter that will come before the Commission in its adjudicative capacity, they may wish to address the Commission during the public comment portion of that adjudicative proceeding. The Commission will not consider public comment in connection with an adjudicative proceeding without providing the parties an opportunity to respond.

Rule 109
Position Classification and Related Rules
Article IV:
Status

Applicability: The provisions of Rule 109 apply to employees in all classes; except the Uniformed Ranks of the Police and Fire Departments and MTA Service-Critical Classes.

Sec. 109.9 **General Principles**

Status in the City and County service is the right of an employee to perform certain duties in a specific class. This right stems from the examination in which the employee qualified and/or the appointment received, and the duties performed as indicated on official records. The class specification or duties statement in existence at the time for the examination and/or appointment is a basic reference document in determining status in a class. An employee has status in a class, but not to a particular position within such class. The appointing officer has very broad discretion in reassigning an employee from one position to another position in the same class.

In cases where status is involved, the Human Resources Director shall be responsible for the determination of “status” of an employee and/or an eligible, subject to appeal to the Civil Service Commission.

Sec. 109.10 **Effects of Classification Changes on the Status of Incumbents**

109.10.1 **Class Consolidation**

When the duties of two or more classes are combined into one new, existing or amended class, and if any of the classes involved are abolished, an employee who has permanent civil service status within the abolished class is granted status to the new, existing or amended class, subject to the limitations of this Rule.

109.10.2 **Division of One Class into Two or More Classes**

When a class is divided into two or more classes, an employee who has permanent civil service status within the class which is divided is granted status to the new class or classes which reflect(s) the primary responsibility of the employee. The determination of which class or classes reflect(s) an employee’s primary responsibilities is made by the Human Resources Director.

Sec. 109.10 Effects of Classification Changes on the Status of Incumbents (cont.)**109.10.3 Upward Reclassification**

When a position occupied by an employee with permanent civil service status is upwardly reclassified, the employee is given status in the new, existing, or amended class subject to the limitations provided in this Rule.

109.10.4 Lateral Reclassification

When a position occupied by an employee with permanent civil service status is laterally reclassified, the employee is given status in the new, existing, or amended class.

109.10.5 Downward Reclassification

1) Subject to the limitations under Sec. 109.11 of this Rule, when a position occupied by an employee with permanent civil service status is downwardly reclassified, the employee may:

- a) accept the downward reclassification; or
- b) reassign to a vacancy within the same class and department; or
- c) request transfer to a vacant position to a class in another department;
or
- d) reinstate to a vacant position previously held by the employee as provided under the Reinstatement Rule; or
- e) accept the downwardly reclassified position with reinstatement rights to the next available citywide vacancy in the class held by the employee at the time of the downward reclassification; or
- f) exercise civil service layoff rights.

2) If under a downward reclassification of a position, the employee elects to accept the downward reclassification with reinstatement rights, the employee must accept the first available position. If no position becomes available within one (1) year from the effective date of the action, all status to the previous classification is forfeited, unless an extension is granted by the Human Resources Director.

Sec. 109.10 Effects of Classification Changes on the Status of Incumbents (cont.)**109.10.6 Renumbered or Retitled Classes**

When classes are renumbered or retitled, or when the class description has been changed to more accurately describe the duties being performed, all employees with permanent status in the former class shall have continued permanent status in the renumbered or retitled class. Eligibles on a list in the former class shall continue as eligibles on the renumbered or retitled class.

109.10.7 Implementation of Status

- 1) All permanent employees in positions in the former class who have been reallocated to a new class are granted status in positions in the new class as of the effective date as determined by the Human Resources Director.
- 2) The remaining employees in the same former class and in the same department are granted rights to assignment to positions in the new classes as vacancies occur according to seniority standing in the department.
- 3) Permanent employees occupying positions in the same former class in other departments are granted the right to transfer to positions in the new class or classes as vacancies occur. Such requests for transfer shall be governed by the provisions of the Rules governing appointment by transfer.
- 4) When status has been granted, all permanent employees in positions in the former class that have been reclassified to another class, are granted status in positions.
- 5) An employee who is granted status must exercise those rights to the second class as soon as a position becomes available, within one (1) year from the effective date of the amendment to the Annual Salary Ordinance unless an extension is granted by the Human Resources Director. If status is not exercised within the time limit or if the employee refuses an offer of a status appointment, then, status is forfeited.
- 6) An employee who does not exercise status as provided above may continue in the original position until such time as the reclassified position is filled and the original incumbent is replaced by another employee who has status in the class or by an eligible from a civil service list.

Sec. 109.10 **Effects of Classification Changes on the Status of Incumbents (cont.)****109.10.7 (cont.)**

7) When all permanent incumbents in the class and department have exercised or forfeited status, eligibles on lists for the original class as well as employees in the same original class in another department may be offered status appointments in the second class either by certification from the eligible list or under transfer provisions of the Transfer Rule.

Sec. 109.11 **Limitations Under this Rule**

109.11.1 The allocation or reallocation of a position shall not adversely affect the civil service rights of an occupant legally holding such a position under permanent appointment. If there is an adverse effect on the civil service rights of an occupant legally holding such a position under permanent appointment, such allocation or reallocation shall be affected when the position becomes vacant by reassignment or for other reason(s), except when earlier implementation is approved by mutual agreement with the appropriate recognized employee organization. Pending such reallocation, the incumbent shall continue in the position.

109.11.2 In administering this Rule, if the difference between the salary ranges of the former class and the new class is more than seven and one half (7½) percent, a significant difference in the scope of responsibility shall be deemed to exist, and status shall not be granted unless approved by the Civil Service Commission.

109.11.3 An employee must meet the minimum qualifications for the position to be eligible for status.

114.17.3 Types of Limited-Term Transfers

Sec. 114.17 Limited-Term Transfer (cont.)

2) Mandatory: A permanent or probationary employee may be transferred by the employee's appointing officer for a specified period up to a maximum of six (6) months in any calendar year to a position in the same class under another appointing officer. The employee shall receive at least five (5) working days written notice in advance of the effective date of the transfer and shall be given an opportunity, if requested, to meet and confer with the appointing officer/designee and the designated union representative. No permanent employee shall be placed on mandatory limited-term transfer if there are temporary or provisional employees in the same class in the department from which the transfer originates.

114.17.4 Expiration and Extension

- 1) Limited-term transfers will remain in force for the period specified unless abridgment is approved by both appointing officers.
- 2) Voluntary limited-term transfers may be extended for additional periods of time with the approval of the employee, the appointing officer and the Human Resources Director.
- 3) Upon expiration of the period of the transfer, the transferee shall be automatically reinstated to a permanent position in the class and department from which transferred.

114.17.5 Probationary Period

- 1) A limited-term transferee shall not serve a new probationary period; however, notwithstanding any other provision of these Rules, with the approval of the appointing officer in the department to which transferred, the time served during a limited-term transfer, or a portion thereof, may be counted toward the completion of the probationary period if the transferee requests and is granted a permanent transfer and commences a probationary period in the new department.
- 2) An appointee who is transferred under the provisions of this Rule while serving a probationary period in the department from which transferred shall complete the probationary period upon reinstatement to the original department; however, an appointing officer may, notwithstanding any other provision of these Rules, credit the time served during a limited-term transfer or a portion thereof toward the completion of the probationary period in the original department.

A limited-term transferee is an appointee in the department to which transferred during the period of the transfer for the purpose of disciplinary action.

Appointees so transferred retain all the rights and benefits of permanent appointees.

114.17.8 Seniority

Appointees returning to their original departments following a limited-term transfer are reinstated with full seniority. No deduction from seniority in the original department shall be made for any period of limited-term transfer.

114.17.9 Layoff

An appointee who is laid off while on a limited-term transfer shall be automatically reinstated to a permanent position in the class in the department from which transferred.

Sec. 114.25 Exclusions from Civil Service Appointment

All permanent employees of the City and County shall be appointed through the civil service process by competitive examination unless exempted from the civil service examination and selection process in accordance with Charter provisions. Appointments excluded by Charter from the competitive civil service examination and selection process shall be known as exempt appointments. Any person occupying a position under exempt appointment shall not be subject to civil service selection, appointment, and removal procedures and shall serve at the pleasure of the appointing officer.

Sec. 114.26 Charter Limit on Certain Categories of Exempt Appointments

114.26.1 The proportion of full-time employees in the exempt categories included under Charter Sections 10.104-1 through 10.104-12 to the total number of civil service employees of the City and County shall not be greater than the proportion existing on July 1, 1994, except as authorized in this Article. As certified by the Civil Service Commission at its meeting of November 18, 1996, the ratio on July 1, 1994 of full-time exempt employees to the total full-time City and County work force was two percent (2%).

114.26.2 In accordance with Charter Section 10.104, the Civil Service Commission may, by express approval, authorize that full-time positions conforming to the criteria established in this Section in the categories defined in Charter Sections 10.104-1 through 10.104-12 more than the Charter limitation be excluded from civil service selection and removal procedures and be filled through exempt appointment.

Sec. 114.26 Charter Limit on Certain Categories of Exempt Appointments (cont.)

114.26.3 Requests for exemption under this section must conform to the following:

- 1) The position to be exempted must be in one of the categories defined in Charter Sections 10.104-1 through 10.104-12.
- 2) The action of exempting a particular position shall not directly affect the civil service rights of an incumbent regularly occupying such position on a permanent civil service basis.
- 3) The Human Resources Director recommends the exemption and certifies that the exemption action shall not directly affect an incumbent civil service appointee to the position.
- 4) The request for exemption is made and approved by an appointing officer or an elected official; a request from a department under the City Administrator must be approved by the City Administrator.
- 5) The official making the request provides written justification as to the reasons the position should be exempted.

114.26.4 An appointing officer or an elected official may submit a request to exempt a position under this section to the Civil Service Commission through the Human Resources Director. If the Director recommends approval, the request shall be transmitted to the Civil Service Commission for review and action; if the Director denies a request, the appointing officer shall be notified in writing of the denial and the reasons for such action.

114.26.5 The decision of the Human Resources Director is appealable to the Civil Service Commission within thirty (30) calendar days of the date of the notice of denial. The Commission decision on the appeal shall be final.

114.26.6 This section, as adopted by the Civil Service Commission at its meeting of November 18, 1996, was approved by the Board of Supervisors on January 3, 1997 (Resolution Number 222-96-4).

- 3) Special Project Exemption under Charter Section 10.104-18
 - a. An appointment authorized for exemption under Charter Section 10.104-18 must be to a position created for or dedicated to a special project, or for professional services, not to exceed three years by Charter requirement.
 - b. Funding for appointments to perform professional services as authorized under Charter Section 10.104-18 shall be for a limited term (e.g., a grant or a “one-time only” appropriation for a specific or special purpose). Rule 114

Appointments

Article VII: Director of Elections

Applicability: Article IX, Rule 114, shall apply to the Director of Elections as provided for in Charter Section 13.104.

Sec. 114.27 **Purpose**

The purpose of Article IX, Rule 114, shall be to reflect the authority of the Civil Service Commission and the Elections Commission as well as the employment rights of the Director of Elections as set forth in Section 13.104 and Article X of the Charter of the City and County of San Francisco. A Rule on the position of Director of Elections is in order because of the unique nature of the position under the Charter.

Sec. 114.28 **Requirement for a Personnel Requisition and Job Announcement**

114.28.1 Whenever the position of Director of Elections is to be filled, the Elections Commission shall issue a personnel requisition in the prescribed format noting that appointment to the position shall be in accordance with Charter Section 13.104 and Civil Service Commission Rule 114, Article IX.

114.28.2 The Department of Human Resources shall issue a job announcement which shall be posted for a minimum of ten (10) days and shall include a position description, qualifications, dates applications will be accepted, relevant provisions in Charter Section 13.104 and other relevant job-related information.

Sec. 114.29 **List of Qualified Applicants**

114.29.1 The names of the candidates who meet the requirements of the job announcement shall be placed on the list of qualified applicants in the order of their scores. There must be a minimum of three (3) qualified applicants available for selection. Approval of the Civil Service Commission shall be required to proceed should there be fewer than three (3) qualified applicants.

114.29.2 Should the Director of Elections position become vacant within twenty-four (24) months of appointment, the Elections Commission may elect to appoint a successor from the current list of qualified applicants provided a minimum of three (3) persons remain available on the list, except that approval to appoint from this list may be obtained from the Civil Service Commission should there be fewer than three (3) persons available.

Sec. 114.30 Selection of the Director of Elections

- 114.30.1** In accordance with Charter Section 13.104, no less than thirty (30) days before the expiration of the Director's term, the Elections Commission shall select a Director for the next term. The appointment shall be effective in accordance with Rule 114.51- Appointment Date.
- 114.30.2** Selection of the Director of Elections from the list of qualified applicants shall be based on merit and fitness without regard to relationship, race, religion, sex, national origin, ethnicity, age, disability, gender identity, political affiliation, sexual orientation, ancestry, marital status, color, medical condition or other non-merit factors or otherwise prohibited nepotism or favoritism.
- 114.30.3** The Elections Commission shall establish a non-discriminatory selection process which may include scheduling each interested person from the list of qualified applicants for interview, conducting interviews by a diverse panel, asking job-related questions, and maintaining documentation of selection criteria.
- 114.30.4** The Elections Commission shall utilize appropriate job-related, non-discriminatory screening devices which may include but not be limited to resumes, updated applications, skills checklists, writing exercises, work samples, and performance reviews.
- 114.30.5** The Elections Commission shall notify the people on the list of qualified applicants of the available position and selection process. The Notice shall include a minimum response period of five (5) business days and ten (10) business days in the event supplemental information is required.

Sec. 114.31 Appointment of the Director of Elections

- 114.31.1** Appointment to the position of Director of Elections shall be made pursuant exclusively to the provisions of Charter Section 13.104 and Civil Service Commission Rule 114, Article IX. Civil Service Commission Rules covering a civil service employee in another position in the same or different class, including but not limited to those Rules on Status and Layoff, shall not apply to appointment to the position of Director of Elections. Thus, by way of example but not limitation, a permanent civil service employee with greater seniority shall not have the right or preference for appointment to a vacant Director of Elections position nor the right to displace the incumbent Director of Elections with less seniority.

Sec. 114.31 **Appointment of the Director of Elections (cont.)**

- 114.31.2** The Director of Elections shall be appointed permanent civil service by the Elections Commission from a list of qualified applicants for a term of five (5) years. The term shall commence upon the appointment date of the person selected.
- 114.31.3** The record of appointment shall be on the prescribed form noting that the appointment has been made in accordance with Charter Section 13.104 and Civil Service Commission Rule 114, Article IX.
- 114.31.4** Pending the appointment of the Director of Elections, the Elections Commission may make a temporary out-of-class assignment or a provisional appointment. Temporary out-of-class assignment or provisional appointment shall not be made to bypass the established selection procedures provided in this Rule. Temporary out-of-class assignment or provisional appointment may be approved while an appointment through the regularly established procedures is pending and shall be limited to ninety (90) days. Any extension beyond the ninety (90) days must be approved by the Civil Service Commission in increments of no more than sixty (60) days apiece. The selection procedures provided in this Rule shall be effectuated expeditiously.

Sec. 114.32 **Appointment Date**

- 114.32.1** In accordance with Charter Section 13.104, no less than thirty (30) days before the expiration of the Director of Election's five (5)-year term, the Elections Commission shall appoint a Director of Elections for the next term. In this circumstance, the appointment date shall be the date on which the person starts work in a permanent civil service capacity as Director of Elections, which date may be no sooner than the first day following the last day of the term that is coming to an end.
- 114.32.2** Except as stated in Rule 114.51.4, if an appointment of the Director of Elections is made in some circumstance other than the impending completion of a Director of Election's five (5)-year term, the appointment date shall be the date on which the person starts work in a permanent civil service capacity as Director of Elections.
- 114.32.3** The Elections Commission and the Department of Human Resources shall expedite the appointment processing necessary to effectuate the appointment of the Director of Elections.
- 114.32.4** For the Director of Elections who is in office as of November 3, 2003, the appointment date shall be the date on which the Elections Commission.

Sec. 114.32 **Appointment Date (cont.)****114.32.4** **(cont.)**

acted to select the person to be Director of Elections in a permanent civil service capacity.

Sec. 114.33 **Probationary Period**

114.33.1 The final phase of the selection process shall include a probationary period that conforms to the requirements of Rule 117 – Probationary Period, except that Rules on the Voluntary Resumption of the Probationary Period (Rule 117.8) shall not apply. The Elections Commission may release the Director of Elections at any time during the probationary period. The decision of the Elections Commission to release the Director of Elections during the probationary period shall be final.

114.33.2 In accordance with Rule 114.53.4, appointment of the incumbent to a new term shall not require a new probationary period.

Sec. 114.34 **Renewal of Term**

114.34.1 In accordance with Charter Section 13.104, no less than thirty (30) days before the expiration of the Director’s term, the Elections Commission shall select a Director for the next term. The Elections Commission may appoint the incumbent Director of Elections for an additional five (5)-year term.

114.34.2 The Elections Commission may in its discretion renew the incumbent’s term, without engaging in the competitive selection process specified in this Rule.

114.34.3 In the alternative, the Elections Commission may in its discretion again engage in the competitive selection process specified in this Rule and renew the incumbent’s term in the event the incumbent successfully competes in the process.

114.34.4 In accordance with Rule 114.52.2, renewal of the incumbent’s term shall not require a new probationary period.

Sec. 114.35 **Employment Rights**

114.35.1 Notwithstanding the designation of the Director of Elections as a permanent civil service appointment, and notwithstanding the rights that normally accompany such a designation, upon the end of the Director's term as defined in Rule 114.58.1, there shall be no accrued right to return.

Sec. 114.35 **Employment Rights (cont.)****114.35.1** **(cont.)**

to the position or receive special consideration for or claim to the position. Thus, a former Director has no special claim to return to the position or right to receive special consideration for the position. This provision shall not preclude a former Director from applying for the position or preclude consideration of experience as Director in evaluating candidates for the position.

114.35.2 Except as stated herein, this Rule 114, Article IX is not intended to interfere with the ongoing relationship between the Elections Commission and the Director of Elections or undermine the independence of the Elections Commission as established by the City Charter. Except as stated herein, if the application of a Civil Service Commission Rule to the Director would seriously undermine the authority of the Elections Commission over the Director, that Rule shall not apply. By way of example but not limitation, notwithstanding the designation of the Director of Elections as a permanent civil service appointment, for purposes of Rule 120 (Leaves of Absence), the Director shall have only those leave rights customarily afforded department heads.

114.35.3 The Director of Elections is both an officer and employee and shall be subject to those provisions in Rule 118 (Conflict of Interest) governing officers or employees. Further, the Director shall be subject to the provisions of Rule 118.2 governing part-time employment. However, in the case of the Director, the powers vested in the Human Resources Director under Rule 118.2 shall be vested exclusively in the Elections Commission, with no power of appeal to the Human Resources Director or the Civil Service Commission.

114.35.4 This Rule 114, Article IX shall not abrogate those employment rights customarily afforded by federal, state, and local law to department heads.

Sec. 114.36 **Release from Term Appointment**

Should the Elections Commission decide not to renew the incumbent's term, the Director of Elections shall be released. The decision of the Elections Commission to renew or not renew the term appointment shall be final.

Sec. 114.37 Removal for Cause

114.37.1 In accordance with Charter Section 13.104, following the successful completion of the probationary period and during the term appointment, the Elections Commission may remove the Director of Elections for cause upon written charges and following a hearing. The Elections Commission shall present the written charges to the Director of Elections no less than thirty (30) days before the scheduled hearing. The hearing shall be held not less than thirty (30) days after notice of charges, unless the Director of Elections requests an earlier hearing date and the Elections Commission agrees to the request.

114.37.2 The hearing shall be held no later than forty-five (45) days after notice of charges unless the Director of Elections and the Elections Commission agree to an extension, or in the absence of mutual agreement, either party seeks and obtains the approval of the Civil Service Commission for an extension. The Elections Commission shall render its decision no later than ten (10) days following the conclusion of the hearing.

114.37.3 Pending a hearing and decision of the Elections Commission to remove the Director of Elections for conduct involving misappropriation of public funds or property, misuse or destruction of public property, drug addiction or habitual intemperance, mistreatment of persons, immorality, acts which would constitute a felony or misdemeanor involving moral turpitude, or acts which present an immediate danger to the public health and safety, the Elections Commission may place the Director of Elections on unpaid administrative leave. Pending the hearing and decision of the Elections Commission on the removal of the Director of Elections, the Elections Commission may make a temporary out-of-class assignment or provisional appointment.

114.37.4 For removal on charges other than those listed in Section 114.56.3, the incumbent shall continue to occupy the position of Director of Elections until the completion of the hearing and decision by the Elections Commission.

Sec. 114.38 Appeal to the Civil Service Commission following Removal for Cause

114.38.1 In the event of removal for cause as set forth in this Rule and Charter Section 13.104, the Director of Elections shall have the right of appeal to the Civil Service Commission.

114.38.2 A notice of termination from the Elections Commission to the Director of Elections detailing the specific reason(s) for the termination, shall serve as official notice of such termination.

Sec. 114.38 Appeal to the Civil Service Commission following Removal for Cause (cont.)

- 114.38.3** The notice of termination must include the following information:
- 1) The Director of Elections has the right to a hearing before the Civil Service Commission provided that a request for hearing is made in writing and is received by the Executive Officer within twenty (20) calendar days from the date of removal from the term appointment or from the date of mailing of the Notice of Termination whichever is later. If the 20th day falls on a non-business day, the deadline shall be extended to the close of business on the first (1st) business day following the 20th day.
 - 2) The stated reason(s) for the termination must be enumerated. Records of warnings, reprimands, and previous suspensions, if applicable, must be attached.
 - 3) Recommendation by the Elections Commission on future employment restrictions.
- 114.38.4** Upon receipt of an appeal in the Civil Service Commission office, the Executive Officer shall place the matter on the next Regular or Special meeting agenda consistent with applicable public meeting laws to determine time frames for hearing the appeal.
- 114.38.5** The hearing of the appeal must be scheduled no later than sixty (60) days from the date of receipt of the appeal. Extension beyond sixty (60) days shall be at the discretion of the Civil Service Commission, based on such factors as whether the appellant and the Elections Commission have agreed to the extension; whether an extension is consistent with the purposes underlying Charter Section 13.104 and related Charter provisions; and whether an extension would serve the interests of justice.
- 114.38.6** Unless the appeal clearly and expressly states otherwise, it shall be treated by the Civil Service Commission as an appeal of both the decision of the Elections Commission to remove the Director of Elections and the recommendation of the Elections Commission on future employment restrictions.

If the appeal is clearly and expressly limited to only the recommendation of the Elections Commission as to future employment restrictions, the Civil Service Commission shall take one or more of the following actions:

- 1) Cancel any current examination and eligibility status;

Sec. 114.39 **Appeal to the Civil Service Commission following Removal for Cause (cont.)**

114.38.6 (cont.)

- 2) Restrict future employment as it deems appropriate;
- 3) Return the person to the permanent civil service classification immediately held prior to acceptance of the position of Director of Elections. If necessary, layoff in the affected classes shall follow.

114.38.7 In accordance with Charter Section 13.104, on appeal of the decision of the Elections Commission to remove the Director of Elections, the Civil Service Commission shall be limited to consideration of the record before the Elections Commission; however, the Civil Service Commission may independently evaluate and weigh evidence and may in its discretion consider evidence proffered to the Elections Commission that the Elections Commission excluded and may in its discretion exclude evidence that the Elections Commission considered. In its discretion, and depending on the facts of a particular case, the Civil Service Commission may consider the presence or absence of contemporaneous documentation by the Elections Commission of facts supporting the removal for cause, and/or the presence or absence of documentation of such facts in a regular performance appraisal of the Director, as probative of the validity of the removal for cause.

114.38.8 With respect to the decision of the Elections Commission to remove the Director of Elections, the Civil Service Commission shall either:

- 1) Grant the appeal, vacate the decision of the Elections Commission, and order immediate reinstatement of the person to the position of Director of Elections. In reinstating the person, the Civil Service Commission may order payment of salary to the person for the period of the removal; or.
- 2) Deny the appeal, uphold the decision of the Elections Commission, and declare the person dismissed from the position of Director of Elections. In denying the appeal, the Civil Service Commission may return the person to the permanent civil service classification immediately held prior to acceptance of the position of Director of Elections. If necessary, layoff in the affected classes shall follow.
 - a) If the Civil Service Commission upholds the decision of the Elections Commission to remove the Director of Elections, the appellant may elect to withdraw the appeal on future employment restrictions.

Sec. 114.38 **Appeal to the Civil Service Commission following Removal for Cause (cont.)**

114.38.8 (cont.)

b) Should the appellant not withdraw the appeal on future employment restrictions the Civil Service Commission may adopt the recommendations of the Elections Commission on future employment restrictions, cancel any current examination and eligibility status, or restrict future employment as it deems appropriate.

114.38.9 The decision of the Civil Service Commission on the appeal shall be final

Sec. 114.39 **End of Term**

114.39.1 The term of the Director of Elections shall end upon release during the probationary period, removal for cause, death, appointment to another position in the City service, including a position in the classified service at the San Francisco Community College District or the San Francisco Unified School District, resignation, or completion of the five (5)-year term without renewal of the appointment for another term. In the case of removal for cause, the term shall end:

1) If no appeal on the decision of the Elections Commission to remove the Director of Elections is filed, upon completion of the period for filing an appeal with the Civil Service Commission as specified in this Rule; or,

2) If an appeal on the decision of the Elections Commission to remove the Director of Elections is filed within the period for filing an appeal, upon the hearing and decision of the appeal by the Civil Service Commission, if the Civil Service Commission upholds the removal for cause.

114.39.2 In the interim, between removal for cause by the Elections Commission and the conclusion of the appeal process on the decision to remove the Director of Elections, the Elections Commission may make a temporary out-of-class assignment or provisional appointment while the appeal process is underway.

Sec. 120.30 Unpaid Administrative Leave or Furlough

120.30.1 General Provisions

- 1) Notwithstanding the layoff and involuntary leave provisions or any other provisions of these Rules, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.
- 2) The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.
- 3) This Rule shall apply to all employees of the City and County.
- 4) The Superintendent of the San Francisco Unified School District and the Chancellor of the San Francisco Community College District shall also be authorized to furlough any employee in the classified service upon their individual determinations that, based upon a review of projected revenues and expenditures, the budget will be insufficient to support the District's level of spending through the end of the fiscal year.
- 5) No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

Sec. 120.30 Unpaid Administrative Leave or Furlough (cont.)**120.30.2 Voluntary Unpaid Time Off**

- 1) Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.
- 2) The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off more than ten (10) working days are denied. In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.
- 3) An employee shall be entitled to take up to ten (10) unpaid days per fiscal year at the rate of no more than five (5) days in a three (3) month period, at the employee's discretion, upon at least fifteen (15) calendar days prior written notice to the employee's appointing officer. 120.30.3 Furloughs

- 1) Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees, or stagger work hours within an operational unit on a reduced hours basis. The decision of the appointing officer to impose furloughs under this subsection, and the appointing officer's determination of what constitutes an operational unit, shall be final.
- 2) Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.
- 3) To the extent practicable, furlough shall be equitably distributed among all of the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and all of the employees in the affected class(es).

Voluntary time off not to exceed a total of five (5) days per quarter or ten (10) days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this Rule.

6) Employees placed on furlough pursuant to this section shall be notified in writing at least fifteen (15) calendar days in advance of the effective date for the furlough.

7) The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five (5) working days within any six (6) month period, may file an appeal. Such appeals must be in writing and filed within three (3) calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the appointing officer. Within three (3) calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than twenty-four (24) hours public notice. Article IV: Status

Applicability: Rule 209 shall apply to all classes of the Uniformed Ranks of the San Francisco Police Department.

Sec. 209.9 General Principles

Status in the City and County service is the granting of permanent civil service standing within a specific class to an employee. This right stems from the examination in which the employee qualified and/or the appointment received, and the duties performed as indicated on official records. The class specification or duties statement in existence at the time for the examination and/or appointment is a basic reference document in determining status in a class. An employee has status in a class, but not to a particular position within such class. The appointing officer has very broad discretion in reassigning an employee from one position to another position in the same class.

In cases where status is involved, the Human Resources Director shall be responsible for the determination of "status" of an employee and/or an eligible, subject to appeal to the Civil Service Commission.

Sec. 209.10 Effects of Classification Changes on the Status of Incumbents

209.10.1 Class Consolidation

When the duties of two or more classes are combined into one new, existing or amended class, and any of the classes involved are abolished, an employee who has permanent civil service status within the abolished class is granted status to the new, existing or amended class, subject to the limitations of this Rule.

209.10.2 Division of One Class into Two or More Classes

When a class is divided into two or more classes, an employee who has permanent civil service status within the class which is divided is granted status to the new class or classes which reflect(s) the primary responsibility of the employee. The determination of which class or classes reflect(s) an employee's primary responsibilities is made by the Human Resources Director.

209.10.3 Upward Reclassification

When a position occupied by an employee with permanent civil service status is upwardly reclassified, the employee is given status in the new, existing or amended class subject to the limitations provided in this Rule.

209.10.4 Lateral Reclassification

When a position occupied by an employee with permanent civil service status is laterally reclassified, the employee is given status in the new, existing, or amended class.

209.10.5 Downward Reclassification

1) Subject to the limitations under Sec. 209.11 of this Rule, when a position occupied by an employee with permanent civil service status is downwardly reclassified, the employee may:

- a) accept the downward reclassification; or
- b) reassign to a vacancy within the same class and department; or
- c) request transfer to a vacant position to a class in another department; or
- d) reinstate to a vacant position previously held by the employee as provided under the Reinstatement Rule; or
- e) accept the downwardly reclassified position with reinstatement rights to the next available citywide vacancy in the class held by the employee at the time of the downward reclassification; or
- f) exercise civil service layoff rights.

2) If under a downward reclassification of a position, the employee elects to accept the downward reclassification with reinstatement rights, the employee must accept the first available position. If no position becomes available within one (1) year from the effective date of the action, all status to the previous classification is forfeited, unless an extension is granted by the Human Resources Director.

209.10.6 Renumbered or Retitled Classes

When classes are renumbered or retitled, or when the class description has been changed to more accurately describe the duties being performed, all employees with permanent

status in the former class shall have continued permanent status in the renumbered or retitled class. Eligibles on a list in the former class shall continue as eligibles on the renumbered or retitled class.

209.10.7 Implementation of Status

1) All permanent employees in positions in the former class who have been reallocated to a new class are granted status in positions in the new class as of the effective date as determined by the Human Resources Director.

2) The remaining employees in the same former class and in the same department are granted rights to assignment to positions in the new classes as vacancies occur according to seniority standing in the department.

3) Permanent employees occupying positions in the same former class in other departments are granted the right to transfer to positions in the new class or classes as vacancies occur. Such requests for transfer shall be governed by the provisions of the Rules governing appointment by transfer.

4) When status has been granted, all permanent employees in positions in the former class which has been reclassified to another class, are granted status in positions.

5) An employee who is granted status must exercise those rights to the second class as soon as a position becomes available, within one (1) year from the effective date of the amendment to the Annual Salary Ordinance unless an extension is granted by the Human Resources Director. If status is not exercised within the time limit or if the employee refuses an offer of a status appointment, then, status is forfeited.

6) An employee who does not exercise status as provided above may continue in the original position until such time as the reclassified position is filled and the original incumbent is replaced by another employee who has status in the class or by an eligible from a civil service list.

7) When all permanent incumbents in the class and department have exercised or forfeited status, eligibles on lists for the original class as well as employees in the same original class in another department may be offered status appointments in the second class either by certification from the eligible list or under transfer provisions of the Transfer Rule.

Sec. 209.11 Limitations Under this Rule

209.11.1 The allocation or reallocation of a position shall not adversely affect the civil service rights of an occupant legally holding such a position under permanent appointment. If there is an adverse effect on the civil service rights of an occupant legally holding such a position under permanent appointment, such allocation or reallocation shall be affected when the position becomes vacant by reassignment or for other reason(s), except when earlier implementation is approved by mutual agreement with the appropriate recognized employee organization. Pending such reallocation, the incumbent shall continue in the position.

209.11.2 In administering this Rule, if the difference between the salary ranges of the former class and the new class is more than seven and one half (7½) percent, a significant difference in scope of responsibility shall be deemed to exist, and status shall not be granted unless approved by the Civil Service Commission.

209.11.3 An employee must meet the minimum qualifications for the position in order to be eligible for status.

209.11.4 The Human Resources Director has the authority to assess the employee's ability to perform the level of duties and the essential functions of the class.

Sec. 209.12 Situations Not Specifically Addressed

Situations not specifically addressed in this Article will be resolved by the Human Resources Director subject to the prior approval of the Civil Service Commission.

Sec. 209.13 Probationary Period

209.13.1 Employees who are appointed by status in the same department shall not be required to complete a new probationary period.

209.13.2 Employees who exercise status to transfer to a new department shall be required to complete a probationary period.

209.13.3 Employees who have not yet completed the probationary period in the class subject to reclassification shall be required to complete the remainder of the probationary period in the new class.

Sec. 209.14 Release from a Probationary Period

Employees required to serve a probationary period as a result of being granted status under this Rule are subject to the Civil Service Commission Rules on release from the probationary period.

Sec. 209.15 Civil Service Seniority

Civil service seniority for employees granted status under Civil Service Commission Rule 209 shall be carried forward and is calculated from the date of citywide seniority as defined in these Rules ~~certification~~ in the former class prior to reclassification.

214.22.2 Purpose

The purpose of a limited-term transfer is to more efficiently utilize and exchange human resources among the departments of the City and County; to allow employees exposure and training in other departments; and to provide a mechanism for reducing staffing levels during slow periods or periods of fiscal emergency and to temporarily increase staffing during peak work periods.

214.22.3 Types of Limited-Term Transfers

1. **Voluntary:** A limited-term transfer may be initiated upon the written request of an employee on the form prescribed by the Human Resources Director. Upon receipt of a written request from an employee and no less than fifteen (15) working days prior to implementation, the designated union of the employee shall be provided written notice. The union shall have five (5) working days from the date of the notice to request a meeting with the appointing officer/designee. to meet, the unavailability of the union shall constitute a waiver of the right to meet. Unavailability of the appointing officer/designee shall constitute an extension of the timelines. The timelines may also be extended through mutual written agreement.

2) **Mandatory:** A permanent or probationary employee may be transferred by the employee’s appointing officer for a specified period up to a maximum of six (6) months in any calendar year to a position in the same class under another appointing officer. Such transfers shall be made by class in reverse order of seniority in the class in the department after all permanent and probationary employees in the class have been canvassed and all more senior employees have been notified and have waived the right to request a voluntary limited-term transfer. The employee shall receive at least five (5) working days written notice in advance of the effective date of the transfer and shall be given an opportunity, if requested, to meet and confer with the appointing officer/ designee and the designated union representative. No permanent employee shall be placed on mandatory limited-term transfer if there are temporary or provisional employees in the same class in the department from which the transfer originates.

214.22.4 Expiration and Extension

- d) Limited-term transfers will remain in force for the period specified unless abridgment is approved by both appointing officers.

2) Voluntary limited-term transfers may be extended for additional periods of time with the approval of the employee, the appointing officer, and the Human Resources Director.

3) Upon expiration of the period of the transfer, the transferee shall be automatically reinstated to a permanent position in the class and department from which transferred.

214.22.5 Probationary Period

d) A limited-term transferee shall not serve a new probationary period; however, notwithstanding any other provision of these Rules, with the approval of the appointing officer in the department to which transferred, the time served during a limited-term transfer, or a portion thereof, may be counted toward the completion of the probationary period if the transferee requests and is granted a permanent transfer and commences a probationary period in the new department.

Sec. 214.22 Limited-Term Transfer (cont.)

214.22.5 Probationary Period (cont.)

2) An appointee who is transferred under the provisions of this Rule while serving a probationary period in the department from which transferred shall complete the probationary period upon reinstatement to the original department; however, an appointing officer may, notwithstanding any other provision of these Rules, credit the time served during a limited-term transfer or a portion thereof toward the completion of the probationary period in the original department.

214.22.6 Disciplinary Action

A limited-term transferee is an appointee in the department to which transferred during the period of the transfer for the purpose of disciplinary action.

214.22.7 Temporary Positions

Limited-term transfers which are not made to permanent positions may be made to positions which are funded on a temporary basis with the certification of the Controller that funds for the payment of mandatory fringe benefits are available in the department to which transferred. Appointees so transferred retain all the rights and benefits of permanent appointees.

214.22.8 Seniority

Appointees returning to their original departments following a limited-term transfer are reinstated with full seniority. No deduction from seniority in the original department shall be made for any period of limited-term transfer.

214.22.9 Layoff

An appointee who is laid off while on a limited-term transfer shall be automatically reinstated to a permanent position in the class in the department from which transferred.

5) The official making the request provides written justification as to the reasons the position should be exempted.

If the Director recommends approval, the request shall be transmitted to the Civil Service Commission for review and action; if the Director denies a request, the appointing officer shall be notified in writing of the denial and the reasons for such action.

214.24.5 The decision of the Human Resources Director is appealable to the Civil Service Commission within thirty (30) calendar days of the date of the notice of denial. The Commission decision on the appeal shall be final.

214.24.6 This section as adopted by the Civil Service Commission at its meeting of November 18, 1996 was approved by the Board of Supervisors on January 3, 1997 (Resolution Number 222-96-4).

The equivalent number of hours shall be based on the employee's authorized normal daily work schedule in effect on the effective date of this amended Rule, except if the Human Resources Director determines that such conversion is inequitable and allows another formula to be used.

Sec. 220.16 **Employees Injured by Battery**

220.16.1 An employee absent because of bodily injury or illness received in the course of employment and caused by an act of criminal violence shall be entitled to sick leave with pay under the provisions of the Administrative Code.

220.18.2 (cont.)

5) No reimbursement shall be made for unused sick leave with pay credits earned on or after December 6, 1978.

Sec. 220.30 Unpaid Administrative Leave or Furlough

220.30.1 General Provisions

1) Notwithstanding the layoff and involuntary leave provisions or any other provisions of these Rules, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.

2) The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.

3) This Rule shall apply to all employees of the City and County.

4) The Superintendent of the San Francisco Unified School District and the Chancellor of the San Francisco Community College District shall also be authorized to furlough any employee in the classified service upon their individual determinations that, based upon a review of projected revenues and expenditures, the budget will be insufficient to support the District's level of spending through the end of the fiscal year.

5) No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

Sec. 220.30 Unpaid Administrative Leave or Furlough (cont.)**220.30.2 Voluntary Unpaid Time Off**

1) Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.

2) The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off more than ten (10) working days are denied. In such cases, an employee may appeal the imposition of a furlough in accordance with the procedures provided below.

3) An employee shall be entitled to take up to ten (10) unpaid days per fiscal year at the rate of no more than five days in a three-month period, at the

employee's discretion, upon at least fifteen (15) calendar days prior written notice to the employee's appointing officer. 1) Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees, or stagger work hours within an operational unit on a reduced hours basis. The decision of the appointing officer to impose furloughs under this subsection, and the appointing officer's determination of what constitutes an operational unit, shall be final.

2) Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.

3) To the extent practicable, furlough shall be equitably distributed among all the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and all of the employees in the affected class(es).

Voluntary time off not to exceed a total of five (5) days per quarter or ten (10) days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this Rule.

6) Employees placed on furlough pursuant to this section shall be notified in writing at least fifteen (15) calendar days in advance of the effective date for the furlough.

7) The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five (5) working days within any six (6) month period, may file an appeal. Such appeals must be in writing and filed within three (3) calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the

appointing officer. Within three (3) calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than 24 hours public notice. Rule 309 Position Classification and Related Rules

Article IV: Status

Applicability: Rule 309 shall apply to all classes of the Uniformed Ranks of the San Francisco Fire Department.

Sec. 309.9 General Principles

Status in the City and County service is the granting of permanent civil service standing within a specific class to an employee. This right stems from the examination in which the employee qualified and/or the appointment received, and the duties performed as indicated on official records. The class specification or duties statement in existence at the time for the examination and/or appointment is a basic reference document in determining status in a class. An employee has status in a class, but not to a particular position within such class. The appointing officer has very broad discretion in reassigning an employee from one position to another position in the same class.

In cases where status is involved, the Human Resources Director shall be responsible for the determination of "status" of an employee and/or an eligible, subject to appeal to the Civil Service Commission.

Sec. 309.10 Effects of Classification Changes on the Status of Incumbents

309.10.1 Class Consolidation

When the duties of two or more classes are combined into one new, existing or amended class, and if any of the classes involved are abolished; an employee who has permanent civil service status within the abolished class is granted status to the new, existing or amended class, subject to the limitations of this Rule.

309.10.2 Division of One Class into Two or More Classes

When a class is divided into two or more classes, an employee who has permanent civil service status within the class which is divided is granted status to the new class which

reflects the primary responsibility of the employee. The determination of which class reflects an employee's primary responsibilities is made by the Human Resources Director.

Sec. 309.10 Effects of Classification Changes on the Status of Incumbents (cont.)

309.10.3 Upward Reclassification

When a position occupied by an employee with permanent civil service status is upwardly reclassified, the employee is given status in the new, existing or amended class subject to the limitations provided in this Rule.

309.10.4 Lateral Reclassification

When a position occupied by an employee with permanent civil service status is laterally reclassified, the employee is given status in the new, existing or amended class.

1) Subject to the limitations under Sec. 309.11 of this Rule, when a position occupied by an employee with permanent civil service status is downwardly reclassified, the employee may:

- a) accept the downward reclassification; or
- b) reassign to a vacancy within the same class and department; or
- c) request transfer to a vacant position to a class in another department; or
- d) reinstate to a vacant position previously held by the employee as provided under the Reinstatement Rule; or
- e) accept the downwardly reclassified position with reinstatement rights to the next available citywide vacancy in the class held by the employee at the time of the downward reclassification; or
- f) exercise civil service layoff rights.

2) If under a downward reclassification of a position, the employee elects to accept the downward reclassification with reinstatement rights, the employee must accept the first available position. If no position becomes available within one (1) year from the effective date of the action, all status to the previous classification is forfeited, unless an extension is granted by the Human Resources Director.

309.10.6 Renumbered or Retitled Classes

When classes are renumbered or retitled, or when the class description has been changed to more accurately describe the duties being performed, all employees with permanent status in the former class shall have continued permanent status in the renumbered or retitled class. Eligibles on a list in the former class shall continue as eligibles on the renumbered or retitled class.

309.10.7 Implementation of Status

- 1) All permanent employees in positions in the former class who have been reallocated to a new class are granted status in positions in the new class as of the effective date as determined by the Human Resources Director.
- 2) The remaining employees in the same former class and in the same department are granted rights to assignment to positions in the new classes as vacancies occur according to seniority standing in the department.
- 3) Permanent employees occupying positions in the same former class in other departments are granted the right to transfer to positions in the new class or classes as vacancies occur. Such requests for transfer shall be governed by the provisions of the Rules governing appointment by transfer.
- 4) When status has been granted, all permanent employees in positions in the former class which has been reclassified to another class, are granted status in positions.
- 5) An employee who is granted status must exercise those rights to the second class as soon as a position becomes available, within one (1) year from the effective date of the amendment to the Annual Salary Ordinance unless an extension is granted by the Human Resources Director. If status is not exercised within the time limit or if the employee refuses an offer of a status appointment, then, status is forfeited.
- 6) An employee who does not exercise status as provided above may continue in the original position until such time as the reclassified position is filled and the original incumbent is replaced by another employee who has status in the class or by an eligible from a civil service list.

309.10.7 Implementation of Status (cont.)

- 7) When all permanent incumbents in the class and department have exercised or forfeited status, eligibles on lists for the original class as well as employees in the same original class in another department may be offered status appointments in the second class either by certification from the eligible list or under transfer provisions of the Transfer Rule.

Sec. 309.11 Limitations Under this Rule

309.11.1

The allocation or reallocation of a position shall not adversely affect the civil service rights of an occupant legally holding such a position under permanent appointment. The transfer of a permanent appointee to a vacant position in the same class under another appointing officer for a specified duration of time may be approved by the appointing officers of both departments and the Human Resources Director and shall be known as a "limited-term transfer."

314.35.2 Purpose

The purpose of a limited-term transfer is to more efficiently utilize and exchange human resources among the departments of the City and County; to allow employees exposure and training in other departments; and to provide a mechanism for reducing staffing levels during slow periods or periods of fiscal emergency and to temporarily increase staffing during peak work periods.

Sec. 314.35 Limited-Term Transfer (cont.)

314.35.3 Types of Limited-Term Transfers

1) Voluntary: A limited-term transfer may be initiated on the written request of an employee on the form prescribed by the Human Resources Director. Upon receipt of a written request from an employee and no less than fifteen (15) working days prior to implementation, the designated union of the employee shall be provided written notice. The union shall have five (5) working days from the date of the notice to request a meeting with the appointing officer/designee. Within five (5) working days from the date of the union request, a meeting shall be held. If the union is unavailable to meet within the five (5) working days following the request to meet, the unavailability of the union shall constitute a waiver of the right to meet. Unavailability of the appointing officer/designee

shall constitute an extension of the timelines. The timelines may also be extended through mutual written agreement.

2) Mandatory: A permanent or probationary employee may be transferred by the employee's appointing officer for a specified period up to a maximum of six months in any calendar year to a position in the same class under another appointing officer. Such transfers shall be made by class in reverse order of seniority in the class in the department after all permanent and probationary employees in the class have been canvassed and all more senior employees have been notified and have waived the right to request a voluntary limited-term transfer. The employee shall receive at least five working days written notice in advance of the effective date of the transfer and shall be given an opportunity, if requested, to meet and confer with the appointing officer/designee and the designated union representative. No permanent employee shall be placed on mandatory limited-term transfer if there are temporary or provisional employees in the same class in the department from which the transfer originates.

314.35.4 Expiration and Extension

1) Limited-term transfers will remain in force for the period specified unless abridgment is approved by both appointing officers.

2) Voluntary limited-term transfers may be extended for additional periods of time with the approval of the employee, the appointing officer and the Human Resources Director.

Sec. 314.35 Limited-Term Transfer (cont.)

314.35.4 Expiration and Extension (cont.)

3) Upon expiration of the period of the transfer, the transferee shall be automatically reinstated to a permanent position in the class and department from which transferred.

314.35.5 Probationary Period

1) A limited-term transferee shall not serve a new probationary period; however, notwithstanding any other provision of these Rules, with the approval of the appointing officer in the department to which transferred, the time served during a limited-term transfer, or a portion thereof, may be counted toward the completion of the probationary period if the transferee requests and is granted a permanent transfer and commences a probationary period in the new department.

2) An appointee who is transferred under the provisions of this Rule while serving a probationary period in the department from which transferred shall complete the probationary period upon reinstatement to the original department; however, an appointing officer may, notwithstanding any other provision of these Rules, credit the time served

during a limited-term transfer or a portion thereof toward the completion of the probationary period in the original department.

314.35.6 Disciplinary Action

A limited-term transferee is an appointee in the department to which transferred during the period of the transfer for the purpose of disciplinary action.

314.35.7 Temporary Positions

Limited-term transfers which are not made to permanent positions may be made to positions which are funded on a temporary basis with the certification of the Controller that funds for the payment of mandatory fringe benefits are available in the department to which transferred. Appointees so transferred retain all the rights and benefits of permanent appointees.

Sec. 314.35 Limited-Term Transfer (cont.)

314.35.8 Seniority

Appointees returning to their original departments following a limited-term transfer are reinstated with full seniority. No deduction from seniority in the original department shall be made for any period of limited-term transfer.

314.35.9 Layoff

An appointee who is laid off while on a limited-term transfer shall be automatically reinstated to a permanent position in the class in the department from which transferred.

314.37.3

Requests for exemption under this section must conform to the following:

1) The position to be exempted must be in one of the categories defined in Charter Sections 10.104-1 through 10.104-12.

3) The Human Resources Director recommends the exemption and certifies that the exemption action shall not directly affect an incumbent civil service appointee to the position.

4) The request for exemption is made and approved by an appointing officer or an elected official; a request from a department under the City Administrator must be approved by the City Administrator.

5) The official making the request provides written justification as to the reasons the position should be exempted.

314.37.4

An appointing officer or an elected official may submit a request to exempt a position under this section to the Civil Service Commission through the Human Resources Director. If the Director recommends approval, the request shall be transmitted to the Civil Service Commission for review and action; if the Director denies a request, the appointing officer shall be notified in writing of the denial and the reasons for such action.

314.37.5

The decision of the Human Resources Director is appealable to the Civil Service Commission within thirty (30) calendar days of the date of the notice of denial. The Commission decision on the appeal shall be final.

320.23.2

An employee who is absent because of disability leave and who is receiving disability indemnity payments may request, by submitting a signed option statement to the employee's department no later than ninety (90) days following the employee's release from disability leave, that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's supplemental disability credits so as to equal the full salary the employee would have earned for the regular work schedule. The regular work schedule shall be that schedule in effect at the commencement of the disability leave.

Supplemental disability credits shall be an account separate from, but equivalent to, the employee's accumulated unused sick leave with pay credit balance except that the supplemental disability credit account shall be adjusted as provided below.

320.23.4

The employee's department shall submit separate time rolls to reflect this action only after the Retirement System certifies the amount of disability indemnity payment, if any, for the period.

320.23.9

An employee who uses supplemental disability credits to supplement disability indemnity payments shall, while on disability leave, earn supplemental disability credits at the same rate as sick leave with pay credits.

320.23.10

Upon return to duty, an employee who has used supplemental disability credits shall earn sick leave with pay credits at the normal rate and shall earn supplemental disability credits at twice the rate that sick leave with pay credits are earned until such time as the total hours of supplemental disability credits used are regained.

320.23.11

320.29.1 General Provisions

- 1) Notwithstanding the layoff and involuntary leave provisions or any other provisions of these Rules, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.
- 2) The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.

In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.
