<sup>a</sup> The change in funding for DPH from FY 22-23 to FY23-24 does not necessarily reflect an increase in funding, but rather a change in the departments that reported funding. Women, Infants, and Children (WIC) did not provide data in FY22-23 but did in FY23-24, whereas Food Pharmacies funded by DPH DKI reported funding in FY22-23 but not FY23-24 or FY24-25.
