	<p><b>VOTE YES ON PROP F FOR TREATMENT + ACCOUNTABILITY</b></p> <p>Prop F, the Treatment + Accountability Measure, adds another tool to San Francisco's efforts to address the deadly drug use that is creating serious public safety hazards and fueling an overdose crisis on our streets.</p> <p>Two people a day are dying of overdoses from Fentanyl and other deadly drugs in San Francisco. These are sons and daughters, mothers and fathers, brothers and sisters. Offers of treatment without accountability are not enough. <b>We must do more to get people into treatment and save lives.</b></p> <p>But under current state law, San Francisco lacks tools to compel people into treatment. The City deploys street teams to offer voluntary services and connections to treatment. While some people do accept help, many do not, being unwilling or unable to do so.</p> <p><b>Prop F would allow the City to require single adults with substance abuse to participate in treatment in order to continue receiving cash assistance from the City and County of San Francisco.</b></p> <p>Applicants will be offered substance use treatment if they are deemed to have a substance abuse condition. These treatment programs include a range of interventions, such as: residential treatment, medical detox, medically assisted treatment, outpatient options, and abstinence-based treatment, depending on the needs of the client.</p> <p>Right now, San Francisco serves over 4,000 people with medication assisted treatment through medications like buprenorphine and methadone. Today, San Francisco can sign people up the same day they apply to one of these programs.</p> <p>Prop F strikes the right balance between compassion and accountability, to ensure that substance abuse treatment is accepted more often than it is declined.</p> <p><b>Vote YES on Prop F for compassion and accountability.</b></p> <p>Mayor London Breed</p>
