	<p>VOTE YES ON E TO MAKE SAN FRANCISCO SAFER</p> <p>Proposition E: Safer San Francisco puts our police officers in the best position to serve our communities by giving them the tools and rules they need to enforce laws, while preventing the Police Commission from interfering in community safety efforts.</p> <p>Prop E gives officers 21st-century technology tools. Prop E changes city policies to allow police officers to use publicly-owned cameras and public safety drones to prevent, investigate, and solve crimes. Right now, SFPD officers are prevented from using these tools in real-time to help prevent and solve crimes like retail theft, auto theft, and car break-ins.</p> <p>Prop E gets more officers out on the street. Prop E eliminates duplicative reporting requirements, reducing the amount of time officers are behind a desk and getting them back on the street. In most cases, the officers can use technology like body-worn cameras to record incident information, instead of filling out excessive paperwork, which keeps officers from patrolling our streets.</p> <p>Prop E changes rules to get more officers pursuing criminals. Prop E changes the rules to allow officers to actively pursue suspects of felonies and violent misdemeanors, including retail theft, vehicle theft, and auto burglaries, so long as the pursuit can be done safely. Right now, our officers are restricted in the actions they can take.</p> <p>Prop E prevents the Police Commission from putting ideology before community safety. Prop E prevents the Police Commission from micromanaging the Chief of Police and ensures that any new policies put in place do not require more than 20% of an officer's total on-duty time spent on administrative duties.</p> <p>Give our police officers the TOOLS to do their jobs with 21st-century technology, and change the RULES to get more officers out on the street deterring crime and pursuing criminals.</p> <p>Vote YES on Prop E.</p> <p>Mayor London Breed</p>	290
