I'm running for Congress to improve the economic conditions of every American, stop climate change and reduce wars, we need Medicare for All, secure retirement, subsidized childcare, end to debt slavery and make joining unions easy.

Medicare for All may raise taxes some, but no one will have premiums or copays. If you need medical care, you get it free. Overall costs will go down because we eliminate insurance middlemen. No one will be denied services or left with massive medical debt.

A secure retirement means expanding Social Security to give everyone a livable payment. Social Security will not run out of money if we scrap the cap so rich people pay their fair share.

Subsidized childcare helps parents work & insures have enough to eat as their brains body grows.

End of debt slavery means forgiving student debts because we want young people to have a good start in life. Forgiving medical debt will help many to save the homes they have.

Making it easy to join unions means less exploitation of workers, better benefits and livable wages.
