

(11) Review of Request for Approval of Proposed Personal Services Contract Number 49137-23/24 from the Department of Public Health. (File No. 0039-24-8) – Action Item

| PSC | Department | Amount | Type of Service | Type of Approval | Duration |
|-------------|---------------|---|--|------------------|------------|
| 49137-14/15 | Public Health | Current Approved Amount \$169,748,074 Increase Amount Requested \$100,000,000 New Total Amount Requested \$269,748,074 | Contractors will provide San Francisco General Hospital (SFGH) and Laguna Honda Hospital (LHH) a continuous, reliable source of intermittent, supplemental, and travel nursing personnel during high patient census, high acuity, unexpected staff illnesses and/or vacations, and to meet State nurse-to-patient staffing ratio requirements. In addition, SFGH is scheduled to transition to a new acute care facility in December of 2015. In order for that transition to be successful, the current staff will require training on the new equipment, technology, patient flow and workflow processes. Supplemental contract nurses and ancillary personnel will be necessary to provide surge capacity in order to backfill SFGH staff while they attend training sessions and scheduled “day-in-the-life” training simulations. | Modification | 10/31/2027 |

January 30, 2024: Continued PSC #49137-14/15 from the Department of Public Health to the meeting of March 4, 2024.

Recommendation: Continued PSC #49137-14/15 from the Department of Public Health to the meeting of March 18, 2024 at the request of the department.
