FY 2002-2003 COMPENSATION MANUAL

IV. Tuition Reimbursement Forms/Employee Development Form

TUITION REIMBURSEMENT - ELIGIBILITY REQUIREMENTS AND INSTRUCTIONS

Eligibility for reimbursement is governed by the provisions of certain Memoranda of Understanding between the City and County of San Francisco and various employee organizations (some exceptions are noted below). It is reserved for employees in classifications assigned to bargaining units represented by recognized employee organizations. Employees must consult their Memorandum of Understanding for specific provisions regarding maximum reimbursement limits within any given fiscal year.

Instructions:

1. Complete the Personal Information and Educational Information sections of the form. Attach a copy of the course registration form and flyer which contains the following information: Title of Course/Workshop, dates of course, sponsor and workshop/course fees.
2. Sign and date the application and submit it to your supervisor or manager. We recommend you complete and sign this form 20 working days before the workshop or course start date. You may wish to keep a copy of the Tuition Reimbursement Request for your own records.
3. ****Your supervisor or manager will review and submit the request to your Departmental Personnel Officer or Appointing Officer (or designee).**

The Departmental Personnel Officer or Appointing Officer (or designee) must sign the request and submit it to the Employee Relations Division a minimum of 10 working days prior to the workshop or course start date.**

4. You will receive an approval letter from the Employee Relations Division, Department of Human Resources prior to the course start date. If a letter is not received prior to the course start date, please call 415-557-4990 (main phone number).
5. Upon completion of the course or workshop, attach proof that you have either satisfactorily passed the course or attended the workshop. This can be a certificate of completion, attendance, or other documentation provided by the educational institution that verifies completion of the workshop or course.
6. Attach evidence of payment of your tuition cost. Copies of a receipt from the educational institution, a cancelled check (front and back), a credit card statement, or similar documents are all acceptable.
7. Send the tuition reimbursement request and supporting documentation to:

CCSF Department of Human Resources
Employee Relations Division
44 Gough Street - 3rd Floor
San Francisco, CA 94103
ATTENTION: Tuition Reimbursement

DHR will process the request and authorize the Controller's Office to process the payment of your Tuition Reimbursement Request.

Please note:

- a. **Incomplete or inconsistent information on the Tuition Reimbursement Requests will be returned for correction or completion before processing.**
- b. **All requests for tuition reimbursement must be received by the Employee Relations Division 10 working days prior to the course or workshop start date.**
- c. **DHR will not process reimbursement requests received more than 3 months after the completion of the workshop, course, conference/seminar. However, due to fiscal year end constraints, completion documentation for courses ending in April, May or June must be submitted by the 10th working day of July in order to be paid. (Note: If a course/seminar/workshop/conference begins in one fiscal year and ends in the next, then the reimbursement would be paid from the next year's fund. The City & County of San Francisco's fiscal year starts on July 1st and ends on June 30th.)**
- d. **Tuition Reimbursement Requests from SEIU Local 790-Nurses will not be approved for any courses, seminars or conferences without the BRN or CME Provider's Number printed on the flier.**

THE EMPLOYEE DEVELOPMENT FUND PROCESS

Procedures to Obtain Reimbursement

1. Print out and complete a reimbursement form. They can be printed out from the City website (<http://www.sfgov.org/dhr/about/erd.htm>). Hard copies should also be available from your appointing officer or their designee. ***Although originally created in yellow, the forms no longer need to be on yellow paper.***
2. Fill out the form and return it to the person in your department who is processing the Employee Development Fund Reimbursement Requests. If you do not know who that is your Department Personnel Officer (DPO) should be able to guide you. Along with a copy of the registration form, you should also attach a description of the course, license, etc. Info from a flyer, website, course bulletin, etc. would work well. The Employee Development Fund covers **seminars, internal/external training, tuition, licenses, and memberships.** Required books and lab fees are normally reimbursable with tuition. Lab fees should be stated in a course bulletin or schedule; required textbooks should be indicated on a course syllabus. Transportation, lodging, parking, food, etc., is not reimbursable.
3. Submit your form along with the attachments to your departmental appointing officer or their designee. They will determine whether the expenses are appropriate and track how much you have spent since no Local 21 employee can exceed \$1,000 per fiscal year.
4. If approved, you should receive some sort of notification from your appointing officer or their designee. They will then keep the approved request form in a “pending” file until you finish the training (if it is a seminar, conference or course) so they can be sure you attended the training, and turn in the receipts. If the expense is for course tuition you will also need to submit proof of attendance (most likely a certificate or grade report). When you submit the receipts your appointing officer/designee will attach them to the already approved “pending” request and submit everything to DHR Accounting, Attn: Arlene Mesa, 44 Gough St., 2nd Floor (Dept. 33). You should keep copies of everything you submit. All approved forms and attachments must be sent to DHR Accounting by your Appointing Officer or their designee. No paperwork will be accepted from employees directly.
5. You should receive reimbursement approximately 2-3 weeks after your request is received by DHR Accounting. If you do not receive reimbursement after 3-4 weeks and want to check on the status please contact your designated departmental Employee Development Fund contact.

Local 21 Employee Development Fund Frequently Asked Questions (FAQs)

Q: What is the difference between the new Local 21 Employee Development Fund and the previous tuition reimbursement program?

A:

1. The new Local 21 Employee Development Fund increases the available total amount from \$50,000 to \$250,000 per fiscal year;
2. The individual employee limit has increased from \$500 to \$1,000 per fiscal year.
3. Reimbursable expenses now include tuition and required textbooks, internal/external training, professional conferences, professional association memberships, and licenses that are relevant to the employee's current classification.
4. Approval of the expense now rests with your departmental appointing officer or their designee, not DHR's Employee Relations Division (ERD).
5. There is no service requirement, i.e., you do not have to have a year of service before you can start utilizing the fund.
6. There is no requirement to pay the money back should you leave City employment.

Q. How do I obtain an Employee Development Fund Reimbursement Request Form?

A: You can print out a form from the website. The form can be found at:

<http://www.ci.sf.ca.us/dhr/relations.htm>

If you do not have access to the City website, you should also be able to obtain hard copies from your appointing officer/designee who is approving requests for your department.

Q: I have heard that I must use a yellow Employee Development Fund Reimbursement Request. Do I have to use a yellow form?

A: No, it is not necessary that the request form be yellow. You must now use the official form (The Employee Development Fund Reimbursement Request), but it does not have to be any certain color.

Q: I don't quite understand the process...do I need to get approval first before I spend the money or do I just fill out a form afterward and submit receipts?

A: You should fill out the Employee Development Fund Reimbursement Request form and submit it to your appointing officer or their designee before you incur the expense. Your department has the ability to reject your request if they believe that the expense is not appropriate. Once your request has been approved, and if you have not exceeded your \$1,000 individual limit for the fiscal year, you can take the course, pay for the membership, etc. Upon completion of a class (or upon receipt of evidence of payment in the case of licenses and memberships), submit the evidence of completion with receipts OR a copy of a cancelled check OR a credit card statement with account number blackened out to your appointing officer

or designee who will then attach it to your already approved request and forward it to DHR Accounting, 44 Gough St., 2nd Floor.

Q: I don't understand what documents have to be submitted as originals and which ones can be copies.

A: You must always submit the original Employee Development Fund Reimbursement Request form and receipts. However, if a check is the only receipt available, then copies of the front and back will be sufficient. If a credit card statement is the only receipt available, then submit it after you have covered or blackened out the account number (but not your name!). Be sure to keep the original check for your records. You may submit copies of grade reports and certificates as proof of completion.

Q: Can I include books and lab fees?

A: Books and lab fees are reimbursable if they are required for a course. You should include a copy of the course syllabus or bulletin showing the required lab fees and required textbooks with your reimbursement request.

Q: A group of Local 21 employees in my department want to have a group professional membership. Can we do this using the Employee Development Fund?

A: The Employee Development Fund process is an individual reimbursement process. As well, no checks can be written to outside vendors. However, if a group of employees is willing to coordinate the process, it may be possible for each employee in the group to write individual checks for their portion and then submit them together with the enrollment forms to the organization. The employees can then obtain reimbursement by submitting individual Employee Development Fund Reimbursement Requests along with a copy of the receipt(s).

Q: If an organization is willing to bill me for a seminar, training, etc., can DHR just go ahead and pay the organization (vendor) directly?

A: No, although the Employee Development Fund is different from the former tuition reimbursement program, it is still an employee reimbursement program. You cannot make contractual commitments for payment (such as invoices, purchase orders, contracts, etc.) on behalf of the City. So you must first pay for the expense and then be reimbursed through the process described herein.

Q: Okay, my reimbursement request has been signed off by my appointing officer or their designee. Now what shall I do with the approved form?

A: The appointing officer or their designee who approved your form should keep the original on file awaiting your receipts. Although each department's appointing officer/designee can create their own internal process, ERD recommends that they send you confirmation of approval or provide you with a copy of the approved form for your records. Only your department is authorized to send your completed reimbursement documents to DHR Accounting. Employees may not submit reimbursement requests directly to DHR.

Q: How do I know that there is any money left to reimburse me for approved expenses?

A: Reimbursements for licenses and memberships can be paid as soon as receipts are submitted. If you attend a seminar, conference, or class you cannot be reimbursed until you have completed the entire seminar, conference or class. ERD sends out quarterly reports to the departments to advise them of the remaining available balance. Given present usage of the Employee Development Fund, depletion of the \$250,000 prior to the end of the current fiscal year (FY2001/2002) appears very unlikely.

Q: I have heard I need to submit several copies of receipts, forms, etc. Is this necessary for reimbursement?

A: The Employee Development Fund process does not require multiple copies of forms, receipts or other documentation. An original signed Employee Development Fund Reimbursement Request form should be submitted along with original receipts. If original receipts are not available, a copy of a cancelled check (front & back) is acceptable, as is a letter or email confirming receipt of your money, or a copy of a credit card statement with the account number blackened out.

Q: If I take a class or course and I have a receipt why do you still require proof of completion?

A: Normally proof of successful completion is only required for courses for which you receive course credits and would normally receive a grade report (if you take a "Pass/Fail" course a "Pass" would be acceptable), or a certificate.

Q: How long will it take to get my reimbursement?

A: The reimbursement process normally takes 2-3 weeks from the time DHR Accounting receives the reimbursement request, assuming the form is complete and all the documentation is in order.

Q.: If I take a course now and it ends July 31st, does it come out of my \$1,000 for this fiscal year or my \$1,000 for the next fiscal year?

A: Courses are paid based on their completion date. A course which ends July 31st would be paid from your next fiscal year \$1,000 allocation (Remember: the fiscal year starts on July 1st and ends on June 30th).

Q: Can I carry over any leftover money from this fiscal year into next year?

A: No. There are no carryovers or rollovers of unused funds.
