MEMORANDUM

DATE: March 7, 2024
TO: Honorable Civil Service Commission
THROUGH: Carol Isen
Human Resources Director
FROM: Shawn Sherburne, Assistant Director of Employment Services
Lisa Pigula, Client Services Consulting Manager
SUBJECT: Report of Exempt Appointments and Position Requests under Charter Sections 10.104-16 through 10.104-18 for the period of July 1, 2023 to December 31, 2023

Executive Summary

This is a semiannual report requested by the Civil Service Commission. The report provides an update on appointments and position requests exempt from Civil Service Rules under Charter sections 10.104-16 through 10.104-18 for the period of July 1, 2023 to December 31, 2023. This report highlights the process that the Department of Human Resources (DHR) and City departments use to effectively manage the duration of these appointments.

Background

Subject to approval of the Civil Service Commission (Commission) under Charter sections 10.104-16 through 10.104-18, certain part-time, seasonal, temporary, substitute and project positions may be exempt from civil service selection, appointment, and removal procedures. On March 8, 2018, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semiannual report regarding these transactions. This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter section 10.104-16 states that appointees cannot work more than the equivalent of half-time time (1,040 hours) during any fiscal year. Any appointments exceeding the 1,040-hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter section 10.104-16 position requests, departments must justify the exempt nature of the position under one of the following categories:

1. Seasonal Work
2. Peak Workloads

3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence
5. Disasters /Emergencies
6. Anticipation of a Permanent Civil Service (PCS) Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments must also include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

In November 2014, DHR developed and provided training on the use of Charter section 10.104-16 appointments. The training includes an explanation of the Charter exemption and category justifications, policies on the maximum head count for each position a department may request and guidance on the different ways a department can manage Charter section 10.104-16 appointments. This training is continuously available on the DHR HR eLibrary.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter section 10.104-17 position requests, departments must indicate the name of the PCS employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter section 10.104-17 appointment.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-17.

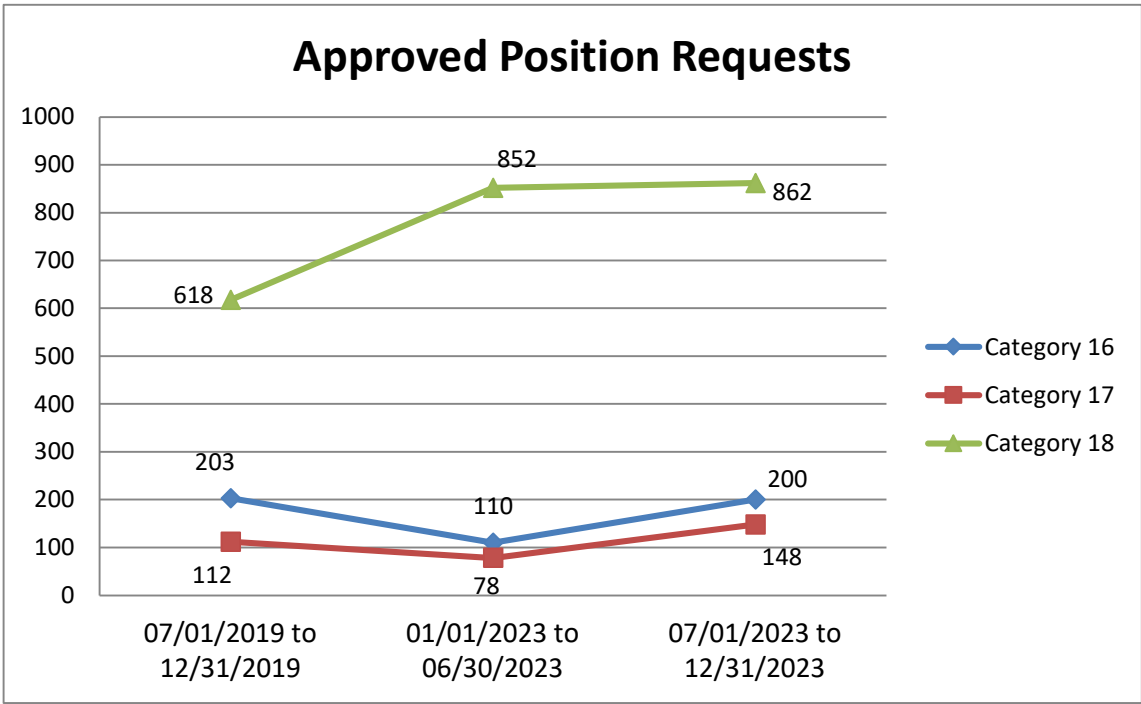

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-18.

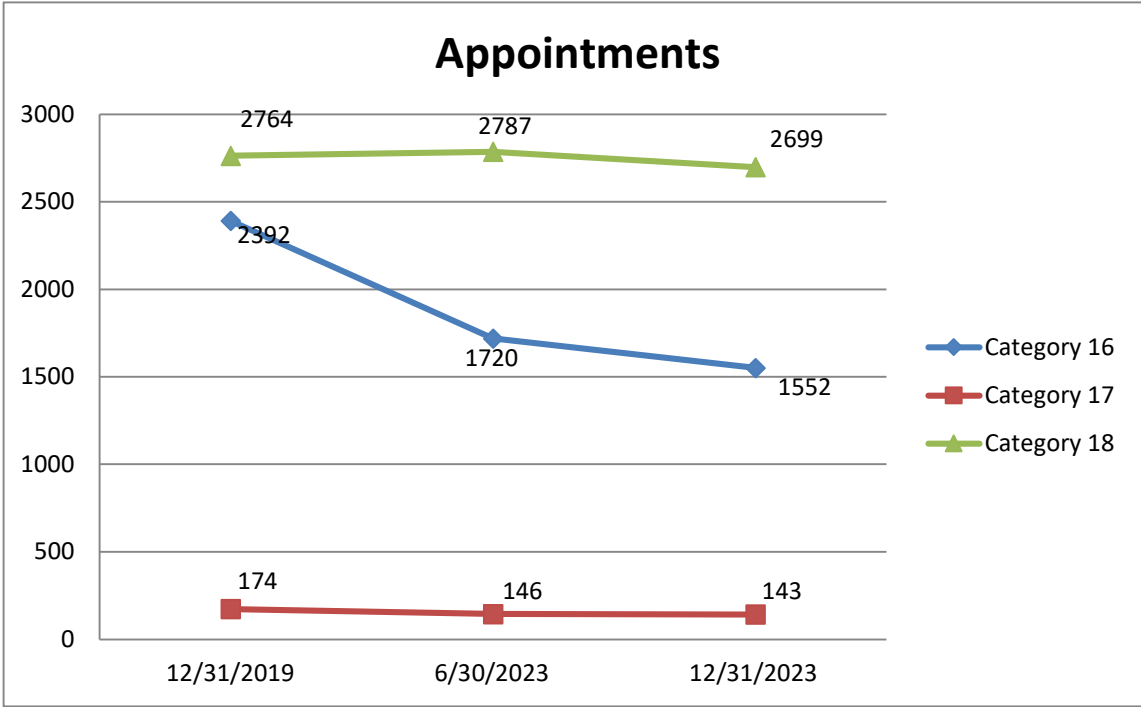

Trend Reports

The following chart shows trends on approved position requests:

Over the last six months, departments increased the number of position requests in Charter sections 10.104-16, 10.104-17 and 10.104-18.

The following chart shows trends on exempt appointments:

Over the last six months, departments decreased the number of appointments in Charter sections 10.104-16, 10.104-17 and 10.104-18.

As of December 31, 2023, the total number of Charter section 10.104-16 appointments was 1,552. During the reporting period, the following departments had the most Charter section 10.104-16 appointments:

- Recreation and Parks Department had 775 appointments, including 680 to “Seasonal Work” positions. Most of these appointments were in 3279 Recreation Leader, 3208 Pool Lifeguard and 3278 Recreation Facility Assistant job classes.
- The Department of Public Health had 203 appointments, including 162 to “Filling In: Leave of Absence” positions. Most of these appointments were in 2328 Nurse Practitioner, 2903 Hospital Eligibility Worker and 2312 Licensed Vocational Nurse job classes.
- The Office of the City Administrator had 85 appointments, including 36 to “Seasonal Work” positions. Most of these appointments were in the 2708 Custodian job class.

The below table provides the number of Charter section 10.104-16 appointments by category:

Charter Section 10.104-16 Category	Number of Appointments as of December 31, 2023
Seasonal Work	846
Peak Workload	59
Sporadic Work	383
Backfill for an employee on leave	233
Disasters/Emergencies	13
Anticipation of a PCS Appointment	18

As of December 31, 2023, the total number of Charter section 10.104-17 appointments was 143, which is consistent with the trend from prior reporting periods. Appointments under this Charter section are directly linked to the backfill of PCS employees on leave.

As of December 31, 2023, the total number of Charter section 10.104-18 appointments was 2,699. Out of these appointments, 1,177 were for various training programs in 20 departments, which provide job-related work experience in designated target classifications. Examples of common Charter section 10.104-18 training program appointments include the JobsNow Program, Workforce Development Training Program, Workcreation Program, and Gardener Apprenticeship Program.

DHR has undertaken a number of initiatives to improve City hiring processes, some of which will also help departments manage and reduce their exempt appointments in Charter sections 10.104-16 through 10.104-18.

- The City is moving towards on-line, on-demand continuous testing for classes with high vacancy and turnover rates so that departments will have eligible lists more readily available to hire PCS rather than exempt when a vacancy comes up.
- Departments now have the option to conduct temporary provisional (TPV) recruitments for most classifications including those designated as pre-approved Position Based Testing (PBT) classes. TPV was previously unavailable for PBT classifications, so if no eligible list was available departments would hire ‘Category 16 exempt – pending PCS appointment’ while they conducted the exam. They can now hire conduct a TPV hiring process to fill these positions provisionally rather than exempt.
- Pursuant to the Forty-Eighth Supplement to the Mayoral Emergency Declaration, the Human Resources Director was authorized to establish programs giving exempt employees the opportunity to transition to permanent status. As a result, DHR developed the Exempt-to-Permanent program (E2P), which allowed City Employees who have served in Charter sections 10.104-18 appointments for at least 12 months in the classification to participate in an expedited exam process. Departments benefited from using these lists to more easily fill PCS positions and give Charter sections 10.104-18 employees the opportunity to become permanent.

For additional detail, this report includes summary data on appointments and approved position requests (Attachment A), a listing of approved position requests reported by department, classification and exempt category (Attachment B), and a listing of all Charter section 10.104-16 appointments by department (Attachment C).

Conclusion

The combined efforts of DHR and departments continue to ensure appropriate use of exempt position requests and appointments in Charter sections 10.104-16 through 18.

Recommendation

Adopt the report.
