Speakers: Luz Morganti, Civil Service Commission

Action: Accepted the report. (Vote of 5 to 0)

Public Comment: Brenda Barros, SEIU 1021

0051-24-1 Civil Service Commission Mid-Year Report for Fiscal Year 2023-2024. (Item No. 7)

Speakers: Sandra Eng, Civil Service Commission

Action: Accepted the report. (Vote of 5 to 0)

0047-24-8 Review of Request for Approval of Proposed Personal Services Contracts. (Item No. 8)

PSC	Department	Amount	Type of Service	Type of Approval	Duration
45745-23/24	City Administrator	\$1,750,000	Servicing a wide array of City vehicles and equipment, such as ride-on mowers, trailers, etc., for tire services including replacing, repairing, mounting and dismounting, balancing, rotating, aligning, and disposing of wheels and tires. Services may take place where equipment or vehicles are in the field, at the vendor’s premises, or at a City yard location.	Regular	03/31/2029
44180-23/24	Controller	\$500,000	Provide arbitrage rebate and compliance services necessary to comply with federal tax law and Internal Revenue Service (IRS) regulations and to calculate and report the rebate liability with respect to the City’s tax exempt fixed and variable rate debt obligations.	Regular	03/1/2029
45913-23/24	Department of Emergency Management	\$6,000,000	Contractor will provide software, maintenance, support, and services to the eight urban areas collectively known as 'California Urban Area Subscribers' under a statewide risk management program. The program leverages local and regional risk management, critical infrastructure assessments, and cybersecurity services to create a common threat awareness picture for the State of California. Contractor will provide a variety of services to support this effort, including: Maintenance of a cloud-based Protected Critical Infrastructure Information (PCII) configured critical infrastructure database; vulnerability assessment and real-time incident management tools; provision of training to support platforms; consultant services for annual threat and hazard analysis and capability assessments; and cybersecurity services to increase cyber readiness within the region.	Regular	02/28/2028
47741-23/24	Department of Emergency Management	\$500,000	The Bay Area Urban Areas Security Initiative (UASI) is a regional grant program that encompasses 12 Bay Area counties and the core cities of San Francisco, Oakland and San Jose. This program is overseen by a regional policy making body called the Bay Area UASI Approval Authority. On occasion, the Approval Authority may need to seek legal advice as a regional body. The contractor will provide the Bay Area UASI Approval Authority with legal counsel and advise the body on various matters pertaining to open meetings, parliamentary procedures, grants administration, and other issues relating to the regional grant that may arise.	Regular	02/29/2028

PSC	Department	Amount	Type of Service	Type of Approval	Duration
44045-23/24	Municipal Transportation Agency	\$200,000	Consultant services are needed here to support the SFMTA in its understanding the parking and loading impacts and associated stakeholder outreach and engagement needs along Valencia should the agency pursue a long-term project concept along the corridor. Consultant assistance is needed to identify relevant stakeholders and schedule and facilitate focus groups with identified stakeholders particularly focusing on the delivery logistics and loading needs along commercial corridors in San Francisco; to collect parking and loading data and to analyze and predict impacts from altering the roadway configuration of or roadway access along Valencia Street; to investigate curbside policies, legislation, and programs necessary for successful operations of a newly configured roadway or how to properly enforce roadway closure and provide delivery and freight access to businesses; draft a report that synthesizes all of the information gathering and analysis and provides recommendations based on long-term project concept(s) along Valencia Street.	Regular	12/31/2024
45811-23/24	Municipal Transportation Agency	\$12,000,000	The San Francisco Municipal Transportation Agency (SFMTA) requires streets teams to provide outreach, information, and customer education and information services, and serve as the SFMTA's "Ambassadors" to the general public during service impacts such as sports events, street fairs, parades, and other public events. The teams would also provide services during crises such as transit agency shutdowns, direct the SFMTA's customers to current or re-routed transit connections, and provide other transit information, as needed, in multiple languages.	Regular	09/14/2027
49916-23/24	Municipal Transportation Agency	\$199,000	On as needed basis, vendors to furnish and install network infrastructure at San Francisco Municipal Transportation Agency (SFMTA) facilities. Walks through for the designated assignments and provide timeline of assignment completions. Provides materials such as cables, wires, etc. for the assignment. Provides labor to handle the tasks of assignment. Works with SFMTA networking team supervision during assignment, maintaining a safe and management space at site and maintains communication with SFMTA networking team throughout the assignment.	Regular	01/30/2026
45109-23/24 <i>Postpone to the meeting of June 17, 2024</i>	Public Health	\$900,000	The selected contractor shall pick up resident's personal laundry to wash, dry, fold, seal, and return all clothing and items of Laguna Honda Hospital residents. The contractor shall do so daily while maintaining a 24-to-48-hour turn-around time. The work must adhere to Title 22 requirements as outlined in the contract.	Regular	06/30/2026
47896-23/24	Public Health	\$24,000,000	The selected contractors will provide behavioral health services and early intervention programs to all populations and ethnicities in San Francisco, with focused expertise to support the unique cultural needs of individuals in 1. Latino/a/e/X and Mayan Communities, 2. Native American Communities, and 3. Socially Isolated Older Adult Communities. Contractors will provide Outreach and Engagement, Screening and Assessment, Wellness Promotion, Individual/Group Therapeutic Services, and Service Linkage.	Regular	12/31/2030 <i>Any approval will be conditioned on a status report to the Commission in year 4 of the PSC.</i>
36499-23/24	Public Utilities Commission	\$150,000	System Operations Support provides technical support and assistance to operate and maintain the Living Machine System to ensure the Living Machine system meets performance. Vegetation Management provides continuing maintenance and management of the highly specialized vegetation in the planted wetland Cells of the Living Machine System and other areas and ensure that the maintenance meets the requirements of the system.	Regular	03/31/2027

PSC	Department	Amount	Type of Service	Type of Approval	Duration
41532-23/24	Public Utilities Commission	\$1,938,680	Cooperative water resources program between the San Francisco Public Utilities Commission (SFPUC) and the United States Geological Survey (USGS), to maintain hydrologic records, monitor, maintain, and measure stream and reservoir storage gauges. Under the 1913 Raker Act (federal law), the SFPUC is obligated to monitor the natural flow in the Tuolumne River at or above La Grange Dam. The USGS maintains stream and reservoir storage gauges across the United States for the purpose of measuring stream flow and characterizing hydrology and is recognized for its neutral third-party independence and scientific expertise in hydrologic monitoring. The SFPUC relies on the independence and expertise of the USGS to maintain hydrologic records on the Tuolumne River and its tributaries to meet its obligations under the Raker Act.	Regular	10/1/2029
41699-23/24	Public Utilities Commission	\$2,400,000	SFPUC will seek to retain the services of a qualified contractor on an as-needed basis to survey existing water meter locations, install on existing meters the temporary leased external equipment (supplied & maintained by contractor), and diagnose maintenance and/or repair requirements. The leased equipment will diagnose if water meter is performing within manufacturer accuracy & functionality specifications & provide maintenance recommendations for under-performing meters so that maintenance activities can be implemented efficiently with one site visit (or one truck-roll). SFPUC seeks this service for up to 1,200 large meters with the initial surveying making up approximately 10% of the total anticipated cost, equipment installation and leasing approximately 80%, and diagnostics approximately 10%.	Regular	07/02/2029
44552-23/24	Public Works	\$4,000,000	The Consultants will provide expert elevator design consultation services to ensure that our projects achieve the highest quality in elevator design. Elevator Consultants are highly specialized consultants who are experts in the area of vertical transportation. A professional elevator consultant will provide analysis of the building population, traffic, use and travel times required for elevators. They will also provide specifications and coordination with the Architects and Engineers to ensure the number and type of proper elevators are specified and employed for the project. In summary, the Elevator consultant will provide an analysis and specification in order to create the most efficient transportation solution for a specific building.	Regular	07/31/2031 <i>Any approval will be conditioned on a status report to the Commission in year 4 of the PSC.</i>
45988-23/24	Public Works	\$45,000,000	Consultants will perform specialized, critical, and urgent project control and construction management services that include project management, construction management, constructability review, cost estimating, scheduling, claim analysis, partnering, and other related services for various projects managed by Public Works on an as-needed basis.	Regular	06/30/2031 <i>Any approval will be conditioned on a status report to the Commission in year 4 of the PSC.</i>
46897-21/22	Department of Homelessness and Supportive Housing	Current Approved Amount \$450,000 Increase Amount Requested \$1,065,216 New Total Amount Requested \$1,515,216	The purpose of the contract is to provide inspection services related to federal subsidized housing required by the U.S Department of Housing and Urban Development (HUD). Scope Change: The change in scope from the original approved PSC is inspection services will be expanded to include locally subsidized housing units in addition to federally subsidized housing units in PSH sites.	Modification	06/30/2025

PSC	Department	Amount	Type of Service	Type of Approval	Duration
48509-20/21	Public Health	Current Approved Amount \$8,000,000 Increase Amount Requested \$8,200,000 New Total Amount Requested \$16,200,000	This PSC is for a system to monitor and track the temperature of equipment, including scientific, diagnostic, kitchen, medical and other equipment. In addition, contractors may support building thermostat, environmental climate, or other temperature monitoring, control, and related systems. System(s) may also include hosted or on-premises IT solutions specific to temperature and climate control systems. The proposed services are above and beyond routine maintenance and repairs performed by City workers.	Modification	12/31/2031 <i>Any approval will be conditioned on a status report to the Commission in year 4 of the PSC.</i>
39401-20/21	Treasurer/Tax Collector	Current Approved Amount \$100,000 Increase Amount Requested \$100,000 New Total Amount Requested \$200,000	Long-term Drupal support for the Treasurer and Tax Collector (TTX), the Office of Financial Empowerment (OFE) and the Financial Justice Project (FJP) websites to provide: • Drupal updates and module upgrades • Design and development support and modifications • Monthly meetings to review status and support needs for website • Maintain automated deployment preview environments • Deliver City and County of San Francisco (CCSF) base theme module packages to each site’s code base • Bug fixes and security patches • Updating content types/views • Third-party integrations and commerce updates • CSS/HTML changes • Performance enhancements and use experience strategy • Google Analytics, Technical SEO and user research • Content Entry, Consulting and Training	Modification	06/30/2027

0039-24-8 Review of Request for Approval of Proposed Personal Services Contract Number 49137-14/15 from the Department of Public Health. (Item No. 14)

PSC	Department	Amount	Type of Service	Type of Approval	Duration
49137-14/15	Public Health	Current Approved Amount \$169,748,074 Increase Amount Requested \$100,000,000 New Total Amount Requested \$269,748,074	Contractors will provide San Francisco General Hospital (SFGH) and Laguna Honda Hospital (LHH) a continuous, reliable source of intermittent, supplemental, and travel nursing personnel during high patient census, high acuity, unexpected staff illnesses and/or vacations, and to meet State nurse-to-patient staffing ratio requirements. In addition, SFGH is scheduled to transition to a new acute care facility in December of 2015. In order for that transition to be successful, the current staff will require training on the new equipment, technology, patient flow and workflow processes. Supplemental contract nurses and ancillary personnel will be necessary to provide surge capacity in order to back-fill SFGH staff while they attend training sessions and scheduled "day-in-the-life" training simulations.	Modification	10/31/2027

January 30, 2024: Continued PSC #49137-14/15 from the Department of Public Health to the meeting of March 4, 2024.
