Re: \$5.4 million Shortfall Payment

Leslie Milloy, Chief of Staff, Office of the Chancellor

I am pleased to let you know that DCYF released a one-time payment of \$5.4 million on October 31, 2019 to offset the costs incurred by the City College of San Francisco as a result of enrollment exceeding the original Free City College projection for Year 1 (starting in fall 2017) and Year 2 (starting in fall 2018). This one-time payment will be held by City College and used consistently with the Memorandum of Understanding signed on September 17, 2019.

I look forward to our continued collaboration and please do not hesitate to reach out if you have any questions.

Sincerely,
