Housing Successor – MOHCD

On June 28, 2011, Assembly Bill 26 (AB 26) was enacted. This legislation is referred to as the Redevelopment Dissolution Law. On December 29, 2011, the California Supreme Court upheld the constitutionality of AB 26 and all redevelopment agencies in California were dissolved by operation of law effective February 1, 2012. The City's Board of Supervisors elected, under Resolution 11-12 (January 26, 2012), to retain the housing assets and functions, rights, powers, duties and obligations previously performed by the former San Francisco Redevelopment Agency (Agency). In June of 2012, the State passed additional legislation through Assembly Bill 1484 (AB 1484). AB 1484 clarified that successor agencies to former redevelopment agencies are separate public entities and must retain affordable housing obligations to qualify for funding from property tax revenues (former tax increment) to fulfill those obligations. Subsequently, the City implemented AB 1484 by Ordinance No. 215-12 (October 4, 2012) and acknowledged that the Successor Agency retained enforceable obligations for the development of affordable housing required to fulfill the Major Approved Development Projects and the Replacement Housing Obligation.

The Mayor's Office of Housing and Community Development (MOHCD) now manages the affordable housing assets transferred from the former Redevelopment Agency, as well as affordable housing assets transferred to MOHCD by the Successor Agency after their enforceable obligation is satisfied. The housing assets are placed in a Special Revenue Fund, the Low and Moderate Income Housing Asset Fund, pursuant to AB 26 and AB 1484.

MOHCD coordinates the efforts of the City to maximize housing opportunities for low income households and individuals. MOHCD administers a variety of programs for housing finance funded by federal, state, and local sources. MOHCD is audited annually as part of the Annual Comprehensive Financial Report of the City and County of San Francisco. The City and County's audit report for the year ending June 30, 2023 was issued on December 29, 2023.

However, \$29M was transferred from MOHCD to the Successor Agency - Office of Community Investment and Infrastructure (OCII) in the fiscal year ending June 30, 2013.

Required Information

California Health and Safety Code Section 34176.1(f) requires that the following information be included in the report. Italicized portions below are not found in Section 34176.1(f), but are included for clarity and may be drawn from other portions of the Health and Safety Code or other external explanations.

1. **Amount Deposited into LMIHAF.** The amount deposited to the Low and Moderate Income Housing Asset Fund, distinguishing any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) from other amounts deposited.

The amount deposited to the Low and Moderate Income Housing Asset Fund, distinguishing between amounts deposited pursuant to subparagraphs (B) and (C) of paragraph (3) of subdivision (b) of Section 34191.4.

Please see Income Statement Financial Section.

We note that during the year ended June 30, 2010, the former Agency borrowed \$16.5 million from the Low and Moderate Income Housing Fund (LMIHF) to make payment of \$28.7 million to the Supplemental Education Revenue Augmentation Funds (SERAF) to meet the State's Proposition 98 obligations to schools. Upon dissolution of the former Agency, the City elected to become the Housing Successor Agency and retained the former Agency's housing assets and functions, rights, powers, duties, and obligations. For the year ended June 30, 2023, the Successor Agency made principal payments in the amount of \$1.1 million to the City. The outstanding payable principal balance was fully extinguished at June 30, 2023.

Intergovernmental Revenue – Other is related to the SERAF loan principal payment.

Other Revenues are Principal Repayments to the Low Mod Income Housing Asset Fund.

2. **Ending Balance of LMIHAF.** A statement of the balance in the fund as of the close of the fiscal year, distinguishing any amounts held for items listed on the Recognized Obligation Payment Schedule from other amounts.

Please see Balance Sheet Financial Section. We note that the Advance to Component unit (SERAF Loan) is included in the ROPS. Please see discussion in item # 1 for more information on the SERAF loan.

3. **Description of Expenditures from LMIHAF.** A description of expenditures from the fund by category, including, but not limited to, expenditures

- A. For monitoring and preserving the long-term affordability of units subject to affordability restrictions or covenants entered into by the redevelopment agency or the housing successor and administering the activities described in paragraphs (2) and (3) of subdivision (a), *The amount that can be spent on monitoring and administration is capped at 5% of the value of the assets in the Fund or \$200,000, whichever is greater.*

As of July 1, 2020 the value of assets (land held for lease) in the Fund totaled \$112M. In February 2021 588 Mission Bay Boulevard North was transferred by OCII to MOHCD. MOHCD also received transferred loans from the Office of Community Investment and Infrastructure (SFRA Successor), however the loan allowance for the transferred loans approaches 100% and as such, the value of the loans is not included in the calculation of the value of assets in the Low and Moderate Income Housing Asset Fund.

As of June 30, 2023 with assets totaling \$118M, MOHCD was allowed to spend around \$5.9M on monitoring and administration, of which MOHCD spent less than \$1.2M (less than 5% of value of assets in fund). Please see income statement section.

Note 1: MOHCD used value of assets in the Fund at the end of the fiscal year. There were no significant events during the fiscal year that would lead MOHCD to believe that value of assets in Fund had decreased in value.

Note 2: MOHCD reported assets in Housing Asset Fund in City and County's FY 23 ACFR.

- B. For homeless prevention and rapid rehousing services for the development of housing described in paragraph (2) of subdivision (a). *This amount is limited to \$250,000 annually.*

N/A - MOHCD did not have expenditures on homeless prevention and rapid rehousing services.

C. For the development of housing pursuant to paragraph (3) of subdivision (a). *The required income targeting expenditures are that, over a five year period, the funds remaining after expenditures for monitoring and administration and rapid rehousing services, if any, must be expended for the development of housing affordable to and occupied by households earning 80% or less of the Area Median Income (AMI), with at least 30% of the funds expended on the development of housing affordable to and occupied by households earning 30% or less of the AMI and not more than 20% of the funds expended on the development of housing affordable to and occupied by households earning between 60% and 80% of the AMI. If the housing successor fails to meet the extremely low income requirement in any five-year period, at least 50 percent of the funds in each fiscal year must be spent for extremely low income households until the extremely low income target is met. Similarly, if the housing successor exceeds the expenditure limit for households earning between 60 to 80 percent of median income, the housing successor is prohibited from spending funds on housing in that income range until the limit is met.*

MOHCD spent \$10.3M on housing development in FY 23. Please see item # 9 for documentation related to AMI of the units.

4. **Value of Assets Owned by Housing Successor in LMIHAF.** As described in paragraph (1) of subdivision (a), the statutory value of real property owned by the housing successor, the value of loans and grants receivable, and the sum of these two amounts. *"Statutory value of real property" means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer form approved by the Department of Finance and the purchase price of properties purchased by the housing successor.*

	In Millions
Land Held for Lease	\$118
Grants/ Loans Receivable	\$569
Grants/ Loans Receivable (Allowance)	(\$569)
	\$118

5. **Description of Transfers.** A description of any transfers made pursuant to paragraph (2) of subdivision (c) in the previous fiscal year and, if still unencumbered, in earlier fiscal years and a description of and status update on any project for which transferred funds have been or will be expended if that project has not yet been placed in service. *A description of any inter-jurisdictional transfers of monies from the Fund in the previous fiscal year as well as any transfer from prior fiscal years if the funds are still unencumbered and a description of and status update on any project for which transferred funds have been or will be expended if that project has not yet been placed in service.*

N/A – There were no inter-jurisdictional transfers from the fund to date.

6. **Project Descriptions.** A description of any project for which the housing successor receives or holds property tax revenue pursuant to the Recognized Obligation Payment Schedule and the status of that project.

N/A – MOHCD does not receive/ hold property tax revenue pursuant to ROPS.

7. **Status of Compliance with Code Section 33334.16.** For interests in real property acquired by the former redevelopment agency prior to February 1, 2012, a status update on compliance with Section 33334.16. For interests in real property acquired on or after February 1, 2012, a status update on the project. *For interests in real property acquired by the former redevelopment agency prior to February 1, 2012, a status update on compliance with the development of the property within five (5) years after the DOF approved the property as a housing asset, which would typically be the date of approval of the housing asset transfer list. For interests in real property acquired on or after February 1, 2012, a status update on the project*

N/A - Office of Community Infrastructure and Investment retained contractual production obligations for Mission Bay, Transbay, Hunters Point Shipyard, and Bayview Hunters Point.

8. **Status of Compliance with Code Section 33413.** A description of any outstanding obligations pursuant to Section 33413 that remained to transfer to the housing successor on February 1, 2012, of the housing successor's progress in meeting those obligations, and of the housing successor's plans to meet unmet obligations. In addition, the housing successor shall include in the report posted on its Internet Web site the implementation plans of the former redevelopment agency.

N/A - Replacement housing obligations were not transferred to MOHCD. Office of Community Infrastructure and Investment retained contractual production obligations for Mission Bay, Transbay, Hunters Point Shipyard, and Bayview Hunters Point.

9. **Extremely Low-Income Test.** The information required by subparagraph (B) of paragraph (3) of subdivision (a). *Reporting on income targeting requirements does not need to be included until December 31, 2019 for the period from January 1, 2014 through the end of the fiscal year covered by the report (June 30, 2019 for most housing successors), and every five years thereafter. However, it may be useful for housing successors to track this information on an annual basis to ensure the requirement is met every five years. The required income targeting expenditures are that, over a five year period, the funds remaining after expenditures for monitoring and administration and rapid rehousing services, if any, must be expended for the development of housing affordable to and occupied by households earning 80% or less of the AMI, with at least 30% of the funds expended on the development of housing affordable to and occupied by households earning 30% or less of the AMI and not more than 20% of the funds expended on the development of housing affordable to and occupied by households earning between 60% and 80% of the AMI.*

Over 70% of units developed were for households with 30% or less of the AMI and less than 5% were for households between 60% and 80% of the AMI.

**We note that for Sunnydale and Potrero Public Housing Projects infrastructure investment which supports affordable housing units is considered when reporting the AMI/unit count. In both public housing projects new infrastructure (water, sewer, etc.) is required in order to develop the sites.

10. **Senior Housing Test.** The percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period. *If the percentage of assisted senior rental housing is more than 50 percent of the total of all assisted rental housing, no additional senior rental housing can be assisted until the percentage falls to 50 percent or less.*

Approximately 17% of deed restricted rental housing assisted within the previous 10 years are restricted to seniors.

	Projects	Affordable Units	Beds
Aggregate Deed Restricted Units 07/01/13 - 06/30/23	245	21,242	37
Deed Restricted for Seniors 07/01/13 - 06/30/23	42	3,572	0
Percentage restricted for seniors	17.1%	16.8%	0.0%

11. **Excess Surplus Test.** The amount of any excess surplus, the amount of time that the successor agency has had excess surplus, and the housing successor's plan for eliminating the excess surplus. *The definition of excess surplus has been modified so that an "excess surplus" exists to the extent a housing successor holds unencumbered funds in its Fund in an amount that exceeds the greater of \$1,000,000 or the total amount of deposits into the Fund for the preceding four fiscal years. The housing successor is required to spend the excess surplus amount or transfer that amount to another jurisdiction as provided in Health and Safety Code Section 34176.1(c)(2) within three fiscal years. If not, the excess surplus amount must be transferred to HCD to use pursuant to the Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program.*

The table below provides the Excess Surplus test information for the current reporting year and the preceding four fiscal years. The current calculated balance of \$44,005,113 in the LMIHAF does not exceed the sum of the annual deposits made in the preceding four fiscal years and, as a result, the LMIHAF does not have an excess surplus.
