NOTICE IS HEREBY GIVEN, that pursuant to San Francisco Charter § A8.409-4(c) Impasse Resolution Procedures, the three-member Arbitration Board will convene a meeting to conduct an impasse resolution proceeding between the City and County of San Francisco (“City”) and the Operating Engineers Local Union NO. 3 of The International Union of Operating Engineers, AFL-CIO Supervising Probation Officers (“Union”) on a successor Memorandum of Understanding (“MOU”). The MOU is an agreement between the City and the Union that sets the wages, hours, benefits and other terms and conditions of employment for City employees represented by the Union, for the term of the MOU. The successor MOU will replace the existing MOU between the City and Union, which expires on June 30, 2024. As provided in Charter section A8.409-4(b), the Arbitration Board is comprised of a designated City representative, a designated Union representative, and a neutral arbitrator who serves as Chairperson of the Arbitration Board.

The Arbitration Board will hold a single meeting over two days specified above, with a recess at the conclusion of each meeting day, and the meeting to resume at the start of each succeeding day, unless adjourned at an earlier time. The Arbitration Board will take public comment on the single item for this meeting at the conclusion of the meeting on Friday, April 26, 2024, before recess.

AGENDA

Call to Order

1. Arbitration/Mediation Proceeding (Discussion and possible action)
 - a. Conduct of the Proceeding and Possible Action to Adopt Procedures (Discussion and possible action)

The Chair has discretion as to the conduct of the proceeding. In addition, under Charter Section A8.409-4(c), the Arbitration Board may also adopt procedures that are designed to encourage an agreement between the parties, expedite the arbitration hearing process, or reduce the costs of the arbitration process.

The Chair shall call for public comment on item 1(a) before the Board votes to adopt any procedures.

b. *Proceeding. In the arbitration portion of the proceeding, the Arbitration Board will receive evidence from the City and the Union related to the parties' proposals on wages, hours, benefits, and other terms and conditions of employment for Union members that are within the scope of representation and remain unresolved after good faith negotiations between the City and Union. The evidence may include but not be limited to the following topics: changes in the average consumer price index for goods and services; the wages, hours, benefits and terms and conditions of employment of employees performing similar services; the wages, hours, benefits and terms and conditions of other City employees; the formulas provided for in the Charter for the establishment and maintenance of wages, hours, benefits, and terms and conditions of employment; the financial condition of the City and its ability to meet the costs of the decision of the Arbitration Board; and other factors traditionally taken into consideration in determining the wages, hours, benefits and terms and conditions of public and private employment.*

As part of the proceeding, the Arbitration Board may conduct mediation with one or both parties, singly or jointly. Any mediation conducted by the Arbitration Board will be closed to the public under California Evidence Code section 1115 et seq. The Arbitration Board may alternate between arbitration and mediation during the course of the proceeding, including within a single day or over the two days of the meeting. Mediation will be conducted in closed session, which will constitute a single closed session discussion, which may be recessed periodically and interspersed with the arbitration.

At the conclusion of the impasse resolution proceeding, the parties will submit last, best, final offers ("LBFOs") on each of the remaining issues in dispute.

c. *Public Comment (at the conclusion of the meeting on Friday, April 26, 2024, before recess)*

The public is welcome to address the Arbitration Board on any matters related to this item, including but not limited to discussion on the parties' proposals; the evidence presented or anticipated to be presented; the arguments of the parties; the wages, hours, benefits, and other terms and conditions of employment for employees represented by the Union; the factors the Arbitration Board should consider in deciding LBFOs, the terms of the successor MOU; and topics that Board has not yet covered in the arbitration proceeding but which the Board may address later in the meeting, including the Board's decision on LBFOs. Speakers shall address their remarks to the Board as a whole and not to individual Board Members, City personnel or Union representatives. Public comment is limited to three minutes per person unless the Board Chair sets a shorter per-person time.
