# DCYF's Land Acknowledgement Statement

The San Francisco Department of Children, Youth, and Their Families (DCYF) acknowledges that it carries out its work on the unceded ancestral homeland of the Ramaytush Ohlone, the original inhabitants and stewards of the San Francisco Peninsula. As the government agency that stewards the Children and Youth Fund, we accept the responsibility that comes with resources derived from property taxes upon unceded and colonized land. We recognize the history and legacy of the Ramaytush Ohlone as integral to how we strive to make San Francisco a great place for life to thrive and children to grow up.

# Student Success Fund

In November 2022, San Francisco voters passed Proposition G. This legislation amends the City Charter to provide additional set aside money for the School District from existing City funds, to be placed in a new Student Success Fund (Fund).

## **Presents schools and communities with a few opportunities:**

- An opportunity to receive long term funding for innovative and effective strategies necessary for all students to achieve academic success and social/emotional wellness at their school sites.
- A chance to accomplish their goals in deep collaboration with students, parents, educators, and staff of community-based organizations, ensuring that all stakeholders have regular input and that these experts are centered in decision making processes.
