Department of Elections
City and County of San Francisco
John Arntz, Director

SAN FRANCISCO, Wednesday, May 22, 2024— On Tuesday, June 4, the Department of Elections will conduct the canvass of ballots cast in the Health Service Board Election.

The processes associated with canvassing the ballots are open to public observation in-person at City Hall, Room 59, and via livestream at <https://www.sf.gov/2024-health-service-board-election>.

As ballots are returned, staff members scan the envelopes to record receipt of each ballot. Staff will open the envelopes of the accepted ballots using a high-speed opener and then remove the ballots from the envelopes starting Wednesday, May 29 to Monday, June 3. Throughout this process, the side of the envelope with the voter's identifying information is kept face down, to maintain confidentiality. Department personnel then prepare the extracted ballots for counting on Tuesday, June 4. Finally, each ballot is scanned into the tabulation system.

On June 4, after processing all ballots, the Department of Elections will post the results of the Health Service Board Election at <https://www.sf.gov/results>.
