Any protests related to the outcome of this process and the establishment of this list must be received by the Risk Management Division no later than **5:00 PM (PST) June 7, 2024** and must include a written statement specifying in detail each and every ground asserted for the protest. The protest must be signed by an individual authorized to represent the respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

Any questions related to the outcome of this RFQ may be addressed to:

Kelly Hernandez  
Deputy Director  
Risk Management Division  
Office of the City Administrator
