2024-2029 Funding Cycle

May 1, 2024

DCYF's Land Acknowledgement Statement

The San Francisco Department of Children, Youth, and Their Families (DCYF) acknowledges that it carries out its work on the unceded ancestral homeland of the Ramaytush Ohlone, the original inhabitants and stewards of the San Francisco Peninsula. As the government agency that stewards the Children and Youth Fund, we accept the responsibility that comes with resources derived from property taxes upon unceded and colonized land. We recognize the history and legacy of the Ramaytush Ohlone as integral to how we strive to make San Francisco a great place for life to thrive and children to grow up.

Program Quality Assessment (PQA)

Youth Program Quality Intervention (YPQI)

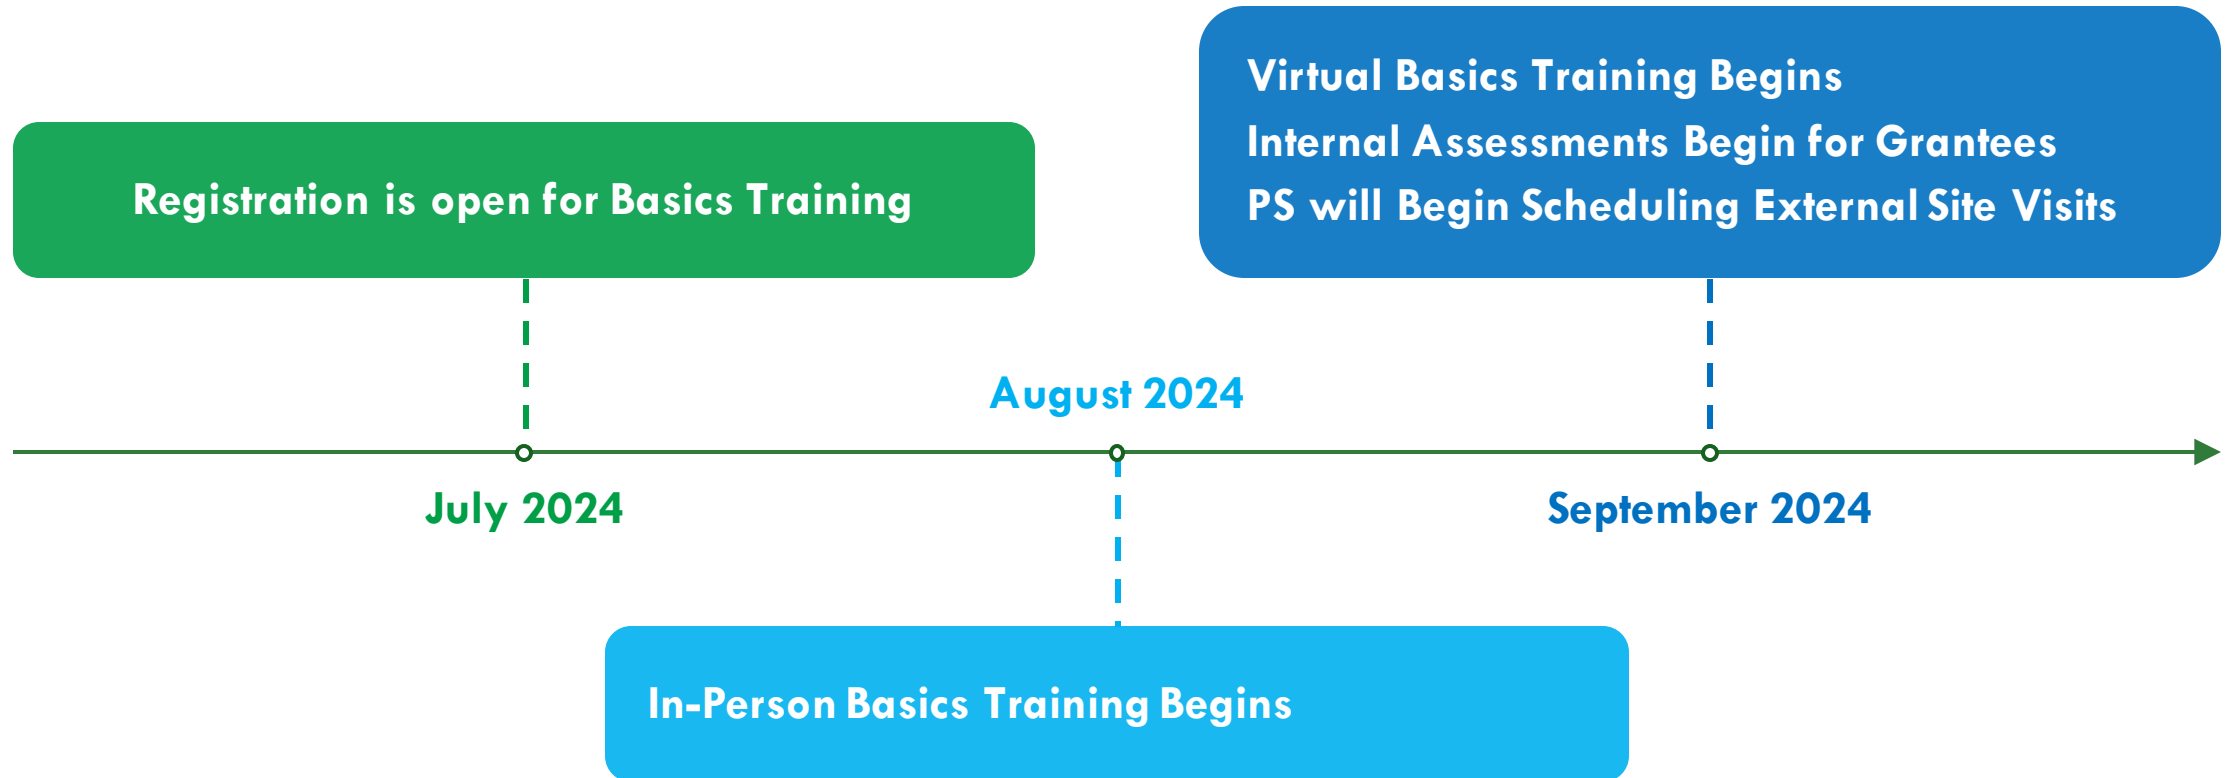

1. The Youth & School Aged Program Quality Assessment (PQA) Tool is a validated instrument designated to evaluate the **quality of youth programs** and **identify staff training needs**.
2. PQA has been used in community organizations, schools, camps, and other places where youth have fun, work and learn with adults.
3. Opportunity for **shared language** and a comprehensive look at program quality across DCYF's Funding Strategy.
4. **Participation** is part of the grant agreement. Grantees are required to engage in the YPQI process including participating in all mandatory trainings.

YPQI Process

1. Begins with assessment to build on youth workers' existing strengths and identify challenge areas.
2. These areas go into improvement plan as goals, with clear steps and benchmarks for success.
3. We follow up with powerful supports for youth leaders to manage improvement, and the high-quality Youth Work Methods series of workshops for staff.
4. The assess-plan-improve sequence establishes a supportive system for continuous improvement.

Fiscal Monitoring

Fiscal Monitoring:

Fiscal Compliance Monitoring Process

All DCYF grantees receive an **annual Fiscal and Compliance Monitoring Review**.

This fiscal review is not an audit: it is a way for DCYF and other departments to assess the fiscal health of funded agencies and improve quality and consistency of fiscal and other compliance procedures.

DCYF staff participates in all Fiscal and Compliance Reviews for grantees, including review of documents, and the determination of any findings that need to be remedied.

A formal letter detailing findings will be provided.

Fiscal Monitoring:

Fiscal Compliance Monitoring Process

Grantees receive Fiscal and Compliance Monitoring Review using either the Citywide Nonprofit Monitoring and Capacity Building Program or DCYF-Only Monitoring.

Citywide Nonprofit Monitoring and Capacity Building Program:

- Also known as Joint Monitoring, includes staff from 12 city departments that work together to conduct the review. Grantees in this process must receive funding from 2 or more city departments, or more than \$1 million dollars from one department.
- Each year staff from participating departments determine which grantees will receive Core Monitoring, Expanded Monitoring or be waived from monitoring. All monitoring reviews are conducted virtually with grantees required to submit all requested documents to the lead department.

DCYF-Only Monitoring: Grantees only funded by DCYF will receive a Fiscal and Compliance review, conducted by DCYF staff, using the Citywide Fiscal and Compliance Monitoring form and standards.

A group of people are gathered around a table in a workshop or classroom setting. In the foreground, a person is holding a piece of crumpled paper with handwritten text. The text on the paper reads "I will be successful" and "You are successful". The background shows other people looking at the paper or working on their own projects. The overall scene is dimly lit with a blue tint.
