### NEW TO CITY BUSINESS?

Completion and submission of the vendor requirements outlined in Attachment III as soon as possible and in advance of your Response to the Contact listed below is recommended but not required to prevent delays to the overall program timeline. The City cannot do business with any vendor that fails to meet all requirements by the time the contract is awarded. Even if your organization is selected for contract negotiations and completes the scope of work portion of negotiations, the City cannot execute a contract and begin work if there are outstanding compliance requirements such as the City's Equal Benefits ordinance, the City's business tax requirements, or the City's insurance requirements. We attempt to prevent those types of delays by providing as much advance notice of vendor requirements as possible.
