Re: **2023 Small Business Enterprise (SBE) Report**
TI Lot 8 LLC, C2.2, (“Hawkins”)

In accordance with the Small Business Enterprise Procedures, Hawkins is providing our annual “SBE Report” documenting the progress toward meeting the SBE Goals for the calendar year 2023 and cumulatively to-date through December 31, 2023.

Summary and Highlights for this Year Include:

- Design Documents for Hawkins was completed in 2022,
- The Site Permit was approved in July 2022 and construction commenced in September 2022. Hawkins is scheduled to be completed in late-2024.
- The lead architect is Mark Cavagnero & Associates.
- The contractor is James E. Roberts – Obayashi Corporation. Approximately 97% of the contract had been awarded.
- Hawkins is being developed into a 178-apartment home community with a large courtyard, rooftop open space with views of San Francisco Bay and the East Bay, and other amenities, including a gym, co-working, and lounge.

A. Professional Services Contracts

Achieved SBE Measurement / SBE Progress on SBE Goals

The summary totals for cumulative to-date and 2023 calendar year’s overall contract values, amount awarded to SBEs, and amount awarded to San Francisco SBEs, along with the percentage against total covered contract values are listed in the table below.

	CY 2023	Cumulative
Total Covered Contracts Value	\$1,651,174	\$8,026,447
Amount Awarded to SF SBEs	\$51,254	\$980,872
Amount Awarded to all SBEs	\$51,254	\$1,593,105
Achieved SBE Percentage	3%	20%

B. Construction Contracts

Achieved SBE Measurement / SBE Progress on SBE Goals

The summary totals for cumulative to-date and 2023 calendar year's overall contract values, amount awarded to SBEs, and amount awarded to San Francisco SBEs, along with the percentage against total covered contract values are listed in the table below.

	CY 2023	Cumulative
Total Covered Contracts Value	\$31,743,539	\$105,617,182

SBE participation is below the goal, we do not expect the percentage to increase in 2024 as the remaining work available for bid and buyout is minimal.

C. Summary of 2023 Good Faith Efforts and Outreach Activities

As part of the outreach efforts related to the solicitation process, the RFPs were advertised via the following mechanisms:

- TIDA Website
- All Bay Area Builder Exchanges
- Encouraged Small and Local Suppliers
- Pre-Construction Meetings with City Build
- Working with San Francisco City Build on recruiting job seekers who are interested in being sponsored as an apprentice, or have prior construction experience for, for construction employment opportunities.
- Pre-bid meetings have been held with subcontractors. The pre-bid meetings included a discussion of the SBE Policies for the project and contractors were encouraged to take steps to meet or exceed the project goals.

D. PROJECTED 2024 ACTIVITIES

Professional Services: The majority of the professional services at Hawkins has been contracted. However, any additional professional service could achieve the same percentage of SBE as outlined above.

Construction Work: 2024 will include the final construction change orders and contract to be valued at approximately \$30M. We do not anticipate an increase of SBEs to be picked up in the final \$30M.
