3. The terms and conditions of this Agreement shall also be automatically applicable to any classification that is accreted to the units covered by this Agreement during its term. This Agreement shall not automatically extend to bargaining units for which the Unions have established a representative status through affiliations or service agreements. Upon request of a Union, the City will meet and confer concerning proposed changes to bargaining units.

I.B. INTENT

4. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action.
5. 1. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor’s jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this Agreement over which the Mayor has no jurisdiction.
6. It is the intent of the parties that the provisions of the main body of this Agreement apply generally to all classifications of employees covered by this Agreement, except as otherwise limited herein to specific classifications or unions. The Appendices attached apply to employees represented by specific unions, as detailed in each appendix.

I.C. OBJECTIVE OF THE CITY

7. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
8. The Unions recognize the City's right to establish and/or revise performance levels, Standards or norms notwithstanding the existence of prior performance levels, norms or

ARTICLE I – REPRESENTATION

standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The City shall meet and confer prior to the implementation of any production quotas.

9. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission.

I.D. MANAGEMENT RIGHTS

10. The Unions agree that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this Agreement is in the province of the City.

I.E. NO WORK STOPPAGES

11. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown, or work stoppage. Represented employees are also bound by the above. The City agrees not to conduct a lockout against any of the employees covered by this agreement during the term of this Agreement.

I.F. JOINT ADVISORY COMMITTEE

12. Signatory Unions to the Consolidated Crafts Agreement and the U.A. Local 38 Agreement (collectively "the Unions") may, at their option, cause the establishment of a Joint Advisory Committee (Joint Committee) consisting of one member appointed by U.A. Local 38, one member appointed by the signatories to the Consolidated Crafts Agreement, and two members appointed by the City's Employee Relations Director, which shall review and attempt to resolve grievances and other matters of concern including, but not limited to, the uniformity of interpretation of this Agreement. The Joint Committee may issue unanimous advisory non-binding opinions; however, nothing in this section shall authorize the Joint Committee to take any action that would bind either the Unions or the City. Any unanimous advisory non-binding opinion issued by the Joint Committee shall not be used by either party in any arbitration proceeding conducted under this Agreement or in any other adversary proceeding. No written opinions may be issued by the Joint Committee without the unanimous support of all four members. The Joint Committee shall calendar no less than four meetings per year on a quarterly basis.

I.G. UNION ACCESS

13. The Business Representatives of the Union shall have reasonable access to the job site during working hours for the purpose of conferring with members of the Union regarding

ARTICLE I – REPRESENTATION

the manner in which compliance with the terms of the Agreement are being met. The Union agrees that such contact will in no way interfere with the work of the Department.

I.H. GRIEVANCE PROCEDURE

14. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

1. Definition

15. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement or an appeal from a suspension or disciplinary discharge or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in this Agreement pursuant to Charter Section A8.409 et seq.

16. A grievance does not include the following:

- 17. a. All civil service rules excluded pursuant to Charter Section A8.409-3.
- 18. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.
- 19. c. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.
- 20. d. Written reprimands or oral reprimands which are reduced to writing and placed in the employee's personnel file, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand, unless extended by mutual agreement.

2. Time Limits

21. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing.

ARTICLE I – REPRESENTATION

22. If the Union fails to file a written grievance appeal within the specified timelines at any step of the appropriate grievance procedure, the grievance shall be considered withdrawn.

23. If the City fails to respond to a grievance within the specified timelines at any step of the appropriate grievance procedure, the Union may move the grievance to the next step.

3. Grievance Description

24. The Union and City agree that all grievances shall include the following:

25. a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employees;

26. b. The section(s) of the contract which the Union believes has been violated; and

27. c. The remedy or solution being sought by the Grievant and/or Union.

4. Steps of the Procedure

28. A grievance regarding a dispute over contract interpretation shall be filed at the lowest step in the grievance procedure in which the City’s representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 2, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City’s representative with whom the grievance was filed shall remand the grievance to the appropriate Step.

29. A grievance, regardless of the step at which initiated, shall be initiated as soon as possible but in no case later than thirty (30) calendar days from the date of the occurrence of the act or the date the grievant or Union might reasonably have been expected to have learned of the alleged violation being grieved.

30. Step 1: An employee shall discuss the grievance informally with the employee’s immediate supervisor. The grievant may have a Union representative present.

31. If the grievance is not resolved within five (5) calendar days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor.

32. The immediate supervisor shall respond in writing within ten (10) calendar days following receipt of the written grievance specifying the reason or reasons for concurring with or denying the grievance.

33. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1

ARTICLE I – REPRESENTATION

may appeal to the Appointing Officer, in writing, within ten (10) calendar days of receipt of the Step 1 answer. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer may convene a meeting within fourteen (14) calendar days of the appeal with the grievant and/or the grievant's Union representative. The Appointing Officer shall respond in writing within twenty-one (21) calendar days of the hearing or receipt of the grievance, whichever is later. The response shall specify the reason or reasons for concurring with or denying the grievance.

34. Step 3: For contract interpretation disputes, if the Union is dissatisfied with the Appointing Officer's response at Step 2, the Union may appeal to the Director, Employee Relations, in writing, within twenty-one (21) calendar days of receipt of the Step 2 answer. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The grievance should also contain copies of all earlier correspondence (i.e. earlier grievance submissions and responses), materials, and evidence submitted at the earlier steps of the Grievance Procedure. The Director may convene a grievance meeting within fifteen (15) calendar days of the appeal with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within fifteen (15) calendar days of the meeting or, if none is held, within fifteen (15) calendar days of receipt of the appeal. The response shall specify the reason or reasons for concurring with or denying the grievance.
35. A grievance arising from a final disciplinary decision shall be initiated at Step 3 of this grievance procedure. Such grievance may only be filed by the Union. The Director, ERD, shall review the appeal and respond no later than twenty-one (21) calendar day following receipt of the appeal. If the response of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later twenty-one (21) calendar days following issuance of ERD's response.
36. Step 4: Arbitration: If the Union is dissatisfied with the Step 3 answer it may appeal by notifying the Director, Employee Relations, in writing, within thirty (30) calendar days of the 3rd Step decision that arbitration is being invoked.
37. If the Union advances a grievance to arbitration and seeks to raise facts or issues at arbitration that were not identified in a previous step of the grievance procedure, or add new grievants, the City retains the right to object to the arbitrator considering those new facts, issues or grievants. If the City objects, the arbitrator must determine whether to allow the union to pursue those new facts or issue, or add any new grievants, at the arbitration.

ARTICLE I – REPRESENTATION

5. Expedited Arbitration

38. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.
39. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove the arbitrator or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
40. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
41. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

6. Non-Expedited Arbitration

42. The parties share a desire to create an appeals process that offers timely resolution of appeals of suspensions of more than 15 days and terminations. The parties agree to use their best efforts to arbitrate grievances appealing terminations and suspensions of greater than fifteen (15) days within ninety (90) calendar days of the Union’s written request to arbitrate.
43. Except for the expedited procedure described above, hearings shall be scheduled within thirty (30) calendar days of selection of an arbitrator.

Selection of the Arbitrator

44. a. When a matter is appealed to arbitration the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within five (5) working days, or any extension of time mutually agreed upon, the parties shall request that the State Mediation and Conciliation Service (“SMCS”) provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.

The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Such days off must be taken within current or next the fiscal year. In no event shall the provisions of this Section result in such employee receiving more or less holiday entitlement than an employee on a Monday through Friday work schedule.

The number of floating holidays carried forward to a succeeding fiscal year shall not exceed the total number of floating holidays received in the previous fiscal year. Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. No compensation of any kind shall be earned or granted for floating holidays not taken.

293. b. If the employee is receiving a salary in the employee’s present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined by the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.

295. d. If the appointment is to a craft apprentice class, the employee shall be placed at the salary step in the apprentice class pursuant to this section. 3. EXEMPT APPOINTIVE POSITION

296. An employee who holds an exempt appointive position whose services are terminated, through lack of funds or reduction in force, and is thereupon appointed to another exempt appointive position with the same or lesser salary grade, shall receive a salary in the second position based upon the relationship of the duties and responsibilities and length of prior continuous service as determined by the Department of Human Resources.

4. REAPPOINTMENT WITHIN SIX MONTHS

5. COMPENSATION UPON TRANSFER OR RE-EMPLOYMENT

298. a. **Transfer**
An employee transferred in accordance with Civil Service Commission rules from one Department to another, but in the same classification, shall transfer at the employee’s current salary, and if the employee is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.
- b. **Re-employment in Same Class Following Layoff**

An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.
301. d. **Re-employment in a Formerly Held Class**
An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary in accordance with this Agreement.

- 309. d. The maximum number of vacation hours an employee may accrue consists of two hundred and forty (240) hours carried forward from prior years plus the employee's maximum vacation entitlement which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<u>Years of Continuous Service</u>	<u>Maximum Accrual</u>
1 through 5 years	320 hours
more than 5 through 15 years	360 hours
more than 15 years	400 hours

- 310. - 311. Full-time employees entering at the first step shall advance to the second step upon completion of six months service and to each successive step upon completion of the one year required service.

2. ENTRY AT OTHER THAN THE FIRST STEP

- 312. a. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required service. Further increments shall accrue following completion of the required service at this step and at each successive step.
- 313. b. Apprenticeable Classes as defined in Article I.K. and related supervisory classes shall continue to be appointed at step 5.

3. DATE INCREMENT DUE

314. Increments may accrue and become due and payable on the next day following completion of required service as a full-time employee in the class, unless otherwise provided herein.

4. EXCEPTIONS:

315. a. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee may receive a salary increment when the aggregate time worked since the employee's previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee's new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

316. b. When records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:

317. (1) An employee shall be compensated at the beginning step of the compensation schedule plan, unless otherwise specifically provided for in this Agreement. Employees may receive salary adjustments through the steps of the compensation schedule plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

318. (2) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

319. (3) Advancement through the increment steps of the compensation schedules may accrue and become due and payable on the next day following completion of required service in the class; provided that the above procedure for advancement to the compensation schedule increment steps is modified as follows:

320. a) An employee who during that portion of the employee's anniversary year is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due.

III.O. SICK LEAVE WITH PAY LIMITATION

329. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.

III.P. WORKERS COMPENSATION

330. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. Use of compensatory time requires the employee's appointing officer's approval.
331. Pursuant to Civil Service Rule 120.24, an employee returning from disability leave as defined by Civil Service Rule 120.24 will accrue sick leave and/or supplemental disability credits at an accelerated rate.

The City shall provide to employees with six months continuous service a Long Term Disability (LTD) plan that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who receive payments under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.S. HEALTH BENEFIT CONTRIBUTIONS

1. EMPLOYEE HEALTH CARE

334. The City shall maintain the level of health insurance and dental benefits as determined by the Health Service System Board and shall contribute the applicable amount per month for employee coverage.

ARTICLE III – PAY, HOURS, AND BENEFITS

2. DENTAL COVERAGE

335. Each employee covered by this Agreement shall be eligible to participate in the City's dental program.
336. The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.
337. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

3. CONTRIBUTIONS WHILE ON UNPAID LEAVE

338. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions, or on a layoff holdover list where the employee verifies they have no alternative coverage.

4. HEALTH COVERAGE

a. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) MEDICALLY SINGLE EMPLOYEES

339. Effective January 1, 2014 through December 31, 2014, for "medically single employees" (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the "medically single employee" (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City's premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.
340. For the period January 1, 2014 through December 31, 2014 only, for "medically single employees" (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the second highest cost plan; and (b) one hundred percent (100%) of the premium for the highest cost plan. Thereafter, for bargaining units 5, 10, and 41 only, the City shall contribute 90% of the premium for the second highest cost plan for such employees.

2) DEPENDENT HEALTH CARE PICK-UP

341. Effective January 1, 2014, through December 31, 2014, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute the greater amount of up to \$225 per month or 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two level, except as provided below.

b. Health Coverage Effective January 1, 2015

342. Effective January 1, 2015, for all bargaining units, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

343. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

344. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

345. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

346. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

ARTICLE III – PAY, HOURS, AND BENEFITS

347. For purposes of this agreement, and any resulting agreements under paragraph 326 to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

c. Medically Single Employees Outside of Health Coverage Areas

348. The provisions in paragraphs 316, 317, and 320 above shall not apply to “medically single employees” (Employee Only) who are permanently assigned by the City to work in areas outside the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such “medically single employees” (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees’ own health care benefit coverage.

d. Agreement Not to Renegotiate Contributions in 2014

349. The terms described in paragraphs 319 through 324 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

e. Other Terms Negotiable

350. While the parties have agreed in paragraph 326 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

f. Other Agreements

351. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

5. HETCH HETCHY AND CAMP MATHER HEALTH STIPEND

352. The City will continue to pay a stipend to eligible employees pursuant to the Annual Salary Ordinance Section 2.1.

ARTICLE III – PAY, HOURS, AND BENEFITS

353. The aforesaid payments shall not be considered as part of an employee’s salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.

III.T. PRE-TAX CAFETERIA 125 PLANS

354. The City agrees to maintain the provisions and coverages of the Pre-Tax Cafeteria Plan.

356. Any City pick-up of an employee’s contributions shall not be considered as part of an employee’s compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

357. Rule changes by the City’s Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. Any such rule change, however, shall not be subject to the grievance and arbitration provisions of this Agreement or the impasse procedures of Charter Section A8.409.

358. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.

PRE-RETIREMENT SEMINAR

359. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

360. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

361. All such seminars must be located within the Bay Area.

No deduction shall be made which is prohibited by applicable law. The Union may be charged reasonable administrative costs.

2. SENIORITY

Seniority shall be defined as length of continuous service as a permanent employee within a department. In case of a tie in seniority, highest rank on the list shall prevail.

Except in emergencies, in filling of job vacancies within a departmental operating unit where there is a change in the rate of pay (within the shift - as determined by starting times), qualifications will be the prime factor considered. If, however, employees are approximately equal, as determined by management, the most senior person will be assigned to the job where practical.

All Departments which used the bid process in Fiscal Year 1997-98 shall bid in the first work week in December of each year, to be implemented on the first work day of the first full pay period in January each year. It is understood that there is no vested right to any particular assignment and management may change assignments for safety and other legitimate operational needs. The evaluation of qualifications, ability and operational practicality shall be a management determination, provided, however, that such determination shall not be arrived at on an arbitrary, capricious or discriminatory basis. Minimum qualifications published by the Department of Human Resources for examination purposes shall not be construed to be final in determining eligibility. Management shall be under no obligation to provide training for the purpose of meeting qualifications for the employee's benefit.

Implementation of this provision is subject to appropriate procedures being established between the Union and departments and election to assignments will not result in increased cost to the City.

3. SHIFT BIDDING

Shift bidding, for bureaus and divisions of the Public Utilities Commission, shall commence the first (1st) week of December each year and it shall be implemented on the week commencing the first full pay period of January of each year. - c. - d. Not normally operated by other Civil Service classifications.

Nothing herein shall conflict with Charter provisions or Civil Service Commission rules.

5. DEPARTMENT OF PUBLIC WORKS TRUCK DRIVER PILOT PROGRAM

In the Department of Public Works, for the term of this Agreement, 7355 Truck Drivers will not be required to be assigned to the following:

Notwithstanding the foregoing sentence, in light of the fact that the next 7355 Truck Driver bid at DPW is in December 2014, the 7355 Truck Drivers who are assigned to trucks towing chippers in the Bureau of Urban Forestry for 2014 will continue to be assigned to that work until the implementation of the December 2014 bid.

- c) Any other trucks and uses mutually agreed by the parties.

7. FEES FOR ADDITIONAL LICENSE AND/OR ENDORSEMENTS TO A COMMERCIAL DRIVERS LICENSE

8. BUREAU OF ENVIRONMENTAL SERVICES WORK WEEK

The Union and the City recognize the need for a work week other than Monday through Friday in the Bureau of Environmental Services, and upon execution of this MOU, the Bureau of Environmental Services may establish work weeks and schedules other than Monday through Friday. The number of positions which may be established with a non-Monday through Friday work week shall be limited to the number of employees in the Bureau of Environmental Services who became permanent employees after January 1, 1990, until that number reaches 45% of the total number of budgeted Classification 7355 Truck Driver positions in the Bureau.

9. BEST EFFORTS RE SAT/SUN SHIFTS (PILOT PROGRAM)

Effective the 2004 bidding cycle, the Bureau of Street Environmental Services (BSES) will not increase the number of shifts on which covered employees do not have a Saturday of a Sunday off beyond the following:

Shift 123 (nights);
Shift 124 (nights);
Shift 125 (nights); and
Shift 127 (nights).

Implementation of this provision is subject to procedures contained in Section (b) below:

- a. Upon the request of the City, the Union agrees to meet and confer regarding the establishment of work weeks and schedules of other than Monday through Friday in departmental operating units in addition to the Bureau of Environmental Services.

Such discussion shall not extend beyond thirty (30) calendar days, except by mutual agreement of the parties. The parties are not required to exhaust any applicable impasse procedures and specifically shall not have access to any fact-finding procedures. However, the parties may mutually agree to mediation.

The number of positions changed to a non-Monday through Friday work week in a departmental operating unit other than the Bureau of Environmental Services shall not exceed 45% of all budgeted 7355 Truck Driver positions within a departmental operating unit.

- b. Shifts of other than Monday through Friday shall be offered to employees through a seniority selection procedure, which shall be implemented by starting at the top of the seniority roster and working down on a voluntary basis, and if the shifts are not filled through a voluntary basis, then they are to be assigned by applying inverse seniority. However, no classification 7355 Truck Drivers who were permanent employees as of January 1, 1990 can be compelled to accept a non-Monday through Friday work week. All classification 7355 Truck Drivers who were permanent employees as of January 1, 1990 may waive their Monday through Friday work week and accept assignment to a different work schedule. Such waiver may be rescinded, but may only be rescinded at the time of any annual job bidding subsequent to their waiver.
- c. In the event that the total number of positions available to the City for a non-Monday through Friday work week in a departmental operating unit reaches 45% of the total number of budgeted 7355 Truck Driver positions in that departmental operating unit, the parties agree to meet and discuss alternatives to the procedures

set forth in this Article. However, any meetings held pursuant to this paragraph shall be subject to the limitations contained in Section 8.a. above.

- d. If an employee's work schedule is changed, that employee shall be entitled to a minimum of fourteen calendar days notice, when practicable. Such change will take place following completion of the employee's normal work schedule.
- e. The normal work day shall be a tour of duty of eight (8) hours completed within not more than nine (9) hours.
- f. The work week may be altered in emergency situations.

10. OVERTIME WHEEL

Scheduled overtime shall be distributed to all qualified 7355 truck drivers who wish to participate on an overtime wheel. If a driver refuses the driver's turn on the wheel, they will be charged as if they had worked and will go to the bottom of the list.

The evaluation of qualifications and ability shall be a management determination, provided, however, that such determination shall not be arrived at on an arbitrary, capricious or discriminatory basis.

Scheduled overtime shall be distributed to all qualified permanent and provisional 7355 Truck Drivers and 7251 Track Maintenance Supervisors who wish to participate on an overtime wheel. If an employee in classifications 7355 Truck Driver or 7251 Track maintenance Supervisor refuses the employee's turn on the wheel, the employee will be charged as if the employee had worked and will go to the bottom of the list.

When a person accumulates four (4) or more scheduled or unscheduled overtime hours prior to their designated turn on the overtime wheel, they shall automatically forfeit their turn when they become eligible for their designated turn. Further, if a 7355 Truck Driver or 7251 Track Maintenance Supervisor incurs or accumulates four (4) hours of scheduled or non-scheduled overtime while at number one (1) on the list, the wheel turns or advances to the next person on the overtime wheel.

Each department shall post the overtime wheel at all times in a place reasonably viewable and accessible to unit members. The overtime wheel shall be updated on a weekly basis or as needed.

In the event that no permanent or provisional employee accepts an offer to work overtime, such work may be offered to temporary exempt employees (if any) before the department resorts to assigning such overtime on the basis of inverse seniority.

This provision shall not apply in cases of emergency. This provision shall not supersede DOT guidelines. This provision shall not apply to the Recreation and Park Department.

11. CALL BACK

Employees represented by the Union called back after the completion of a regular shift or work week shall receive overtime, if otherwise applicable, and a night duty premium of 10% more than the base rate for hours worked in a shift between 5:00 p.m. and 7:00 a.m.

Night duty premium will be given for the entire shift after five (5) or more hours provided at least five (5) hours of the employee's shift falls between 5 pm and 7 am.

Employees whose regular shift is night duty shall receive their night duty premium on all paid hours. This is limited to night duty premium only, and not any other premium.

13. DISPATCHER I, DISPATCHER II, AND MAP MAKER PREMIUM

Employees performing in the role of a Dispatcher I, Dispatcher II, and Map Maker position at DPW shall receive a premium of 7.5%.

14. HARDING PARK PREMIUM

The night duty premium for these drivers will be paid according to the conditions set forth in Section 11 of Appendix K, except that employees will receive the night duty premium for the entire shift after four (4) or more hours provided at least four (4) hours of the employee's shift falls between 5 pm and 7 am.

15. PAY FOR CLASS 7355 TRUCK DRIVER WHEN ASSIGNED TO DIFFERENT EQUIPMENT

If a 7355 Truck Driver is assigned to work in a different and higher paying equipment classification during any work day or tour of duty for any period of time less than four (4) hours, the 7355 Truck Driver shall be paid at the higher rate for a period of four (4) hours. If the 7355 Truck Driver works in a different and higher paying equipment classification for a period of time in excess of four (4) hours during any work day or tour of duty, the 7355 Truck Driver shall be paid the higher rate of compensation for the entire work day or tour of duty.

The safety officer shall promptly investigate the complaint. While the employee is awaiting the arrival of the safety officer, and until the officer has made the determination, the employee shall not be required to perform the disputed assignment, and shall be assigned other work.

The expert will use every effort to issue a bench recommendation followed by a written recommendation. Transcription by a certified court reporter shall be taken, but shall be transcribed only at the direction of the health and safety expert.

Each party shall bear its own expenses in connection with the Health and Safety expert hearing process. All fees and expenses of the expert and the court reporter and transcript, if any, shall be shared equally by the parties.

A Covered Employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as

APPENDIX H

determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.

- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee appearing at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained

APPENDIX H

breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.

- (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer's recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the

APPENDIX H

Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or the employee's treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).

APPENDIX H

- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee’s drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	50 ng/ml	5 ng/ml
Barbiturates	20 ng/ml	20 ng/ml
Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml
Opiates	10 ng/ml	10 ng/ml
PCP (Phencyclidine)	1 ng/ml	5 ng/ml
THC (Cannabis)	1 ng/ml	2 ng/ml
* All controlled substances including their metabolite components.		

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing the employee's job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

APPENDIX H

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

APPENDIX I: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. **Notice of Enrollment:** Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs:** New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
 - E. Access and Presentation:** At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
 - F. Alternate Procedures:** In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact

APPENDIX I

the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
 2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
 3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.
- G.** Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

- H.** Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected

APPENDIX I

office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

GLOSSARY- CIVIL SERVICE COMMISSION JURISDICTION

The following provisions are for informational purposes only. They shall be interpreted, applied and administered by the Civil Service Commission, and shall not be subject to the grievance and arbitration procedure set forth in this Memorandum of Understanding.

LEAVES OF ABSENCE

Employees who are absent from their duties because of illness or disability are eligible for sick leave. In addition to normal use sick leave, employees shall be entitled to the following:

- A. Sick Leave – Bereavement
 - 1. Absence because of the death of the employee's spouse or domestic partner, parents, step parents, grandparents, parents-in-law or parents of a domestic partner, sibling, child, step child, adopted child, a child for whom the employee has parenting responsibilities, aunt or uncle, legal guardian or any person who is permanently residing in the household of the employee. Such leave shall not exceed three (3) working days and shall be taken within thirty (30) calendar days after the date of death; however, two (2) additional working days shall be granted in conjunction with the bereavement leave if travel outside the State of California is required as a result of the death.
 - 2. Absence because of the death of any other person to whom the employee may be reasonably deemed to owe respect. Leave shall be for not more than one (1) working day; however, two (2) additional working days shall be granted if travel outside the State of California is required as a result of the person's death.

SIDE LETTER AGREEMENT

RE: SUPERVISOR II POSITIONS

The parties are entering into this side letter to identify and set in motion, to the extent permissible under the San Francisco City Charter and Civil Service Rules, a process to collaborate on identifying staffing and resource gaps in the Supervisory II classifications as represented by member affiliates of the Crafts Coalition.

The Department of Human Resources is committing to creating a Joint Labor Management Committee, over the course of two years from July 1, 2022 – June 30, 2024, to examine the current status of Supervisor II classifications, assess the operational and staffing needs to sufficiently manage City construction crews, and to help identify a direct path to promotive opportunities for our City's trades workers. The City recognizes the current and historical role of the Supervisors IIs as key management staff overseeing crafts and trades shops across departments. Some of the options for this path include:

- Identifying existing positions where Supervisor I positions can be upgraded to Supervisor II positions;
- Identifying vacant positions where Supervisor I and II positions previously existing can be restored.

The City and the Union agree to meet as soon as practicable to further outline the composition of the Committee, identify key City departments as Committee partners, and move forward in mutually-agreed upon ways to address the Supervisor II classification and related issues. The Committee shall meet no less frequently than quarterly over the course of the two years, and the first meeting shall be no later than Labor Day 2022. The Committee shall include a representative from Plumbers Local 38, and Sheet Metal Local 104.

SIDE LETTER ON HIRING HALL

The parties are mutually interested in exploring the opportunity to use Union hiring halls to provide temporary workers to the City. The parties also recognize that there are many complexities involved in using hiring hall employees in the City, including working within civil service rules and the Charter.

At the Union's request, the parties will convene a working group with the goal of providing a joint recommendation to the City no later than October 31, 2025, regarding the use of temporary employees from hiring halls. A final report shall be provided to the Human Resources Director.

The working group shall be comprised of at least three (3) appointees from the Building Trades Council and at least 3 appointees from the City. The Build Trades Council and the City shall each appoint a co-chair, who shall be responsible for facilitating and planning meetings. If by June 30, 2025, the working group has not reached a unanimous recommendation, it shall be empowered to engage the California State Mediation and Conciliation Service. After conclusion of mediation, should the group still be unable to reach a unanimous recommendation, the group's report shall reflect the views of all parties. It is understood that the recommendations of this committee shall be subject to approval processes by the City and affected Unions.

The City's decision to accept or reject the recommendations of the working group are not subject to the grievance provisions of this Agreement.

SIDE LETTER 7361 PLASTERER
