MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") and the International Federation of Professional and Technical Engineers, Local 21, AFL-CIO-CLC (hereinafter "Union"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Union, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City recognizes the Union as the exclusive bargaining representative for all employees of the City in those units listed in Appendix "A" of this Agreement. The terms and conditions of this Agreement shall also be automatically applicable to any classification for which the Union has become appropriately recognized during the term of this Agreement.
 1. Successor Representation
2. The City agrees to recognize the Union as the collective bargaining representative of any classification that constitutes a successor classification to a classification that the Union currently represents. Subject to applicable appellate review procedures, the Department of Human Resources shall make the final determination when there is a question as to whether or not a new classification is a successor class.
 2. Unit Assignment Resolution
3. For any classifications assigned to bargaining units represented by Local 21 as a result of the settlement of the unit assignment dispute between the City, Local 21 and MEA, the City agrees to meet and confer with Local 21 over subjects within the scope of bargaining and covered by Charter Section A8.409. Any issues that are not resolved through the meet and confer process shall be resolved through arbitration. Any economic benefits shall be implemented at the start of the succeeding fiscal year.
4. The City makes no commitment or promise of wage or benefit improvement with regard to such negotiations.

I.B. NO WORK STOPPAGES

5. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown or work stoppage. It shall not be a violation of this Agreement for an employee to honor a primary picket line sanctioned by the Central Labor Council or the Building and Construction Trades Council; provided however, that an employee shall first notify an appropriate supervisor of the employee's intended actions. Provided further that nothing in this Section shall limit the City's right to enforce the provisions of Section 8.346 of the Charter.

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may

ARTICLE I – REPRESENTATION

also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. UNION/CITY COMMITTEES

1. Union/City Relations Committee

8. The parties have established a Union/City Relations Committee with equal representation from both the City and the Union.
9. The Union/City Relations Committee shall meet at a minimum on a quarterly basis, and in addition, as needed to address matters the parties agree are of mutual concern which arise during the course of this Agreement, including, but not limited to, the City's use of Personal Service Contracts. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
10. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.
11. a. For the term of this Agreement, there shall be a sub-committee established to discuss the City's use of bargaining unit members who are exempt from Civil Service pursuant to Charter Sections 10.104-16, 10.104-17, and 10.104-18. The sub-committee will examine the use of such positions and the reasons for such use. The Union acknowledges that appointments are a Civil Service carve-out under Charter Section A8.409-3, and not subject to the grievance procedure.

2. City and Union Committee on Diversity, Equity, and Inclusion

12. The City and the Union are committed to ensuring a diverse, equitable, and inclusive City workforce. There shall be a Committee on Diversity, Equity, and Inclusion (DEI Committee) established to discuss issues in the workplace for City employees represented by the Union related to diversity and an equitable and inclusive City workplace. The City shall release up to a minimum of six (6) Union members to participate in the DEI Committee.
13. The Committee on Diversity, Equity, and Inclusion shall meet quarterly to discuss issues related to training needs, recruitment, retention, and promotional opportunities, such as potential barriers in employment for City employees represented by the Union. The Union shall develop an agenda, which shall be distributed to the City's DEI Committee members at least five (5) calendar days before each meeting. The DEI Committee shall meet on a quarterly basis during the term of this Agreement.
14. The DEI Committee may discuss issues of diversity, equity, and inclusion in City employment including, but not limited to, the recommendations in the June 2021 "Report

ARTICLE I – REPRESENTATION

of San Francisco Independent Reviewer for Mayor London Breed by Professor William B. Gould IV” (the Gould Report). DEI Committee agendas may include:

- a. The City’s efforts to advertise open bargaining unit positions widely to attract a diverse candidate pool, and constructive solutions and suggestions from the Union DEI members for improving these efforts. This will include efforts to recruit from historically black colleges and universities and career fairs focusing on historically marginalized groups, including people of color, first-generation college graduates, and people from lower-income socioeconomic backgrounds, taking into consideration any constraints under state and/or local law.
- b. Recommendations for whether and how to track the self-identification of race/ethnicity of applicants and hires based on EEOC guidelines, and what should be done with the data.
- c. Recommendations for whether and how to track corrective action undertaken by departments in response to a finding by the DHR Director sustaining an EEO complaint and/or grievance and how this data shall be used consistent with state and local law.
- d. Recommendations on equity in hiring (including hiring panels), onboarding, staff development, and career advancement processes and practices.

15. The City shall make available on its website annual reports on discipline, probationary releases, and Performance Improvement Plans prepared pursuant to the Mayor’s Executive Directive 18-02 Ensuring a Diverse, Fair, and Inclusive City Workforce. Upon request of the Union and mutual agreement of the parties, the City shall provide additional reports on workforce demographics for employees represented by the Union.

16. Additionally, the Union and the City agree, for the term of this Agreement, to continue offering the City’s Government Alliance on Race and Equity (GARE) program.

3. Internal Placement Committee

17. A joint DHR/Local 21 committee created in 2003-04 shall continue for the duration of this Agreement and shall meet at the request of the Union no more than monthly to review scheduled and anticipated displacements and to review reappointment and alternative internal placement plans and options.

I.E. GRIEVANCE PROCEDURES

18. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

ARTICLE I – REPRESENTATION

1. Definition

19. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement or an appeal from a suspension or disciplinary discharge, or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in Section VI.A. of this Agreement.
20. A grievance does not include the following:
21. a. All civil service rules excluded pursuant to Section VI.A.
22. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.
23. c. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.
24. d. Written reprimands or oral reprimands which are reduced to writing and placed in the employee's personnel file, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand, unless extended by mutual agreement.

2. Time Limits

25. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing.
26. If the Union fails to file a written grievance appeal within the specified timelines at any step of the appropriate grievance procedure, the grievance shall be considered withdrawn.
27. If the City fails to respond to a grievance within the specified timelines at any step of the appropriate grievance procedure, the Union may move the grievance to the next step. Should the Union fail to advance the grievance to the next step within sixty (60) calendar days of the City's failure to respond within the specified applicable timeline, the grievance shall be considered withdrawn.

ARTICLE I – REPRESENTATION

3. Grievance Description

28. The Union and City agree that all grievances shall include the following:
29. a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employees;
30. b. The section(s) of the contract which the Union believes has been violated; and
31. c. The remedy or solution being sought by the Grievant and/or Union.

4. Steps of the Procedure

32. A grievance regarding a dispute over contract interpretation shall be filed at the lowest step in the grievance procedure in which the City’s representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 2, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City’s representative with whom the grievance was filed shall remand the grievance to the appropriate Step.
33. A grievance, regardless of the step at which initiated, shall be initiated as soon as possible but in no case later than thirty (30) calendar days from the date of the occurrence of the act or the date the grievant or Union might reasonably have been expected to have learned of the alleged violation being grieved.
34. Step 1: An employee shall discuss the grievance informally with the employee’s immediate supervisor. The grievant may have a Union representative present.
35. If the grievance is not resolved within five (5) calendar days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor.
36. The immediate supervisor shall respond in writing within ten (10) calendar days following receipt of the written grievance specifying the reason or reasons for concurring with or denying the grievance.
37. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the Appointing Officer, in writing, within ten (10) calendar days of receipt of the Step 1 answer. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer may convene a meeting within fourteen (14) calendar days of the appeal with the grievant and/or the grievant's Union representative. The Appointing Officer shall respond in writing within twenty-

ARTICLE I – REPRESENTATION

one (21) calendar days of the hearing or receipt of the grievance, whichever is later. The response shall specify the reason or reasons for concurring with or denying the grievance.

38. Step 3: For contract interpretation disputes, if the Union is dissatisfied with the Appointing Officer's response at Step 2, the Union may appeal to the Director, Employee Relations, in writing, within twenty-one (21) calendar days of receipt of the Step 2 answer. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Director may convene a grievance meeting within fourteen (14) calendar days of the appeal with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within fourteen (14) calendar days of the meeting or, if none is held, within fourteen (14) calendar days of receipt of the appeal. The response shall specify the reason or reasons for concurring with or denying the grievance.
39. A grievance arising from a final disciplinary decision, as defined in Section II.P shall be initiated at Step 3 of this grievance procedure. Such grievance may only be filed by the Union. The Director, ERD, shall review the appeal and respond no later than twenty-one (21) calendar days following receipt of the appeal. If the response of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later twenty-one (21) calendar days following issuance of ERD's response.
40. Step 4 Arbitration: If the Union is dissatisfied with the Step 3 answer it may appeal by notifying the Director, Employee Relations, in writing, within thirty (30) calendar days of the 3rd Step decision that arbitration is being invoked.
41. If the Union advances a grievance to arbitration and seeks to raise facts or issues at arbitration that were not identified in a previous step of the grievance procedure, or add new grievants, the City retains the right to object to the arbitrator considering those new facts, issues or grievants. If the City objects, the arbitrator must determine whether to allow the union to pursue those new facts or issue, or add any new grievants, at the arbitration.

5. Expedited Arbitration

42. Grievances of disciplinary suspensions of fifteen (15) days or less, grievances regarding Acting Assignment Pay pursuant to Sections III.B.2 and III.B.3, and grievances regarding denial of a step increase pursuant to Section III.F.4.b shall be resolved through an expedited arbitration process. Grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall also be resolved through an expedited arbitration process; however, either party may move such matters out of the expedited process to regular arbitration described in Section 6. below. By written mutual agreement, the parties may submit any other grievance to this expedited arbitration process.

ARTICLE I – REPRESENTATION

- 43. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove the arbitrator or for twelve (12) months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process.
- 44. The arbitrator shall hear three (3) grievances for each scheduled day of hearings. Each grievance will have a two (2) hour time limit. The arbitrator will make every effort to issue bench decisions. Written summary awards will follow up bench decisions. Decisions of an arbitrator in these proceedings shall be final and binding and shall not constitute precedent in any other cases.
- 45. The parties shall not be represented by counsel at these proceedings.
- 46. The parties will not utilize court reporters, electronic transcription, or post-hearing briefs.

6. Non-Expedited Arbitration

- 47. The parties share a desire to create an appeals process that offers timely resolution of appeals of suspensions of more than 15 days and terminations. The parties agree to use their best efforts to arbitrate grievances appealing terminations and suspensions of greater than fifteen (15) days within ninety (90) calendar days of the Union’s written request to arbitrate.
- 48. When a grievance is appealed to arbitration, within five (5) calendar days, the parties shall attempt to mutually agree on an arbitrator listed in section I.E.6.b of this Agreement. In the event no agreement is reached within five (5) calendar days the arbitrator shall be selected from the permanent panel in accordance with the following procedure:
- 49. a. For each arbitration case, the parties shall use the list of arbitrators set forth in section I.E.6.b. To select an arbitrator from the standing panel, the parties shall strike arbitrators alternately from the standing panel until one arbitrator remains. The party who strikes first will be determined by lot, coin flip or other comparable method, and subsequent strikes will alternate between the parties.
- 50. Except for the expedited procedure described above, hearings shall be scheduled within thirty (30) calendar days of selection of an arbitrator.

b. Selection of the Arbitrator

- 51. 1. The parties have established the following list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement:

Matt Goldberg

David Weinberg
Barry Winograd

52. This list of arbitrators shall be in effect until the expiration of this Agreement, unless extended by mutual agreement.

53. 2. In the event that the parties mutually agree to remove an arbitrator, or an arbitrator becomes unavailable to serve on the panel, the parties shall attempt to agree on a replacement arbitrator. If the parties cannot reach mutual agreement on a replacement arbitrator within fourteen (14) calendar days of their initial discussions, the parties shall jointly request a list of seven (7) arbitrators from the California State Mediation and Conciliation Service (“CSMCS”). Each party shall select four (4) arbitrators from that list; the one arbitrator in common shall serve as the replacement, unless the parties mutually agree otherwise. If there are two (2) or more arbitrators in common, then the parties shall toss a coin to determine the replacement arbitrator. If there are more than two (2) arbitrators in common, then the parties shall alternately strike names until one (1) arbitrator remains; the decision of which party will strike first shall be determined by a coin toss.

7. Authority of the Arbitrator

54. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

55. Any claim for monetary relief shall not extend more than thirty (30) calendar days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

8. Fees and Expenses of Arbitrator

56. Except as noted below, the fees and expenses of the Arbitrator shall be shared equally by the parties.

57. In the event that an arbitration hearing is cancelled, resulting in a cancellation fee, the party requesting or causing the cancellation shall bear the full cost of the fee imposed by the arbitrator, unless a mutually agreed upon alternative is established.

58. The parties shall use a court reporter for non-expedited arbitrations, unless they mutually agree otherwise. The parties shall share all fees and expenses for the court reporter’s services and transcripts. If a court reporter is utilized for the hearing, the parties can agree in advance to require that the reporter submit the hearing transcript to the parties and arbitrator within fourteen (14) calendar days of the close of the hearing.

ARTICLE I – REPRESENTATION

9. Hearing Dates and Date of Award

59. If either party fails to appear for a scheduled arbitration hearing that has not been cancelled, the other party will present their case and the arbitrator will issue a decision based on the information presented at the hearing.
60. Closing briefs will be due to the arbitrator within thirty (30) calendar days of the close of the hearing or receipt of transcript, whichever is later. Either party may choose to make a closing oral argument in lieu of a written brief.
61. Any written decision from the arbitrator will be due within forty-five (45) calendar days of receipt of the parties' briefs or the close of oral argument, whichever is later. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall confirm their willingness to abide by these time limits.
62. By the parties' mutual agreement, the arbitrator may issue a bench decision on the record stating the arbitrator's award and the reasons therefore.

I.F. OFFICIAL REPRESENTATIVES AND STEWARDS

1. Official Representatives

63. On July 1 of each year, the Union shall furnish to the Department of Human Resources Employee Relations Division a written list of Union Representatives with their assigned role. During the course of the year, the Union shall amend the list as needed to ensure that the list is accurate and up to date.
64. For purposes of negotiating a successor collective bargaining agreement, the Union may select up to thirty-two (32) members to serve during the employee's regular duty or work hours without loss of compensation. For purposes of meeting and conferring with the City, on matters within the scope of representation during the term of the agreement, the Union may select up to five (5) members to serve during the employee's regular duty or work hours without loss of compensation. If a situation should arise where the Union believes that more than five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
65. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
66. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of the appropriate Employer representative.

ARTICLE I – REPRESENTATION

67. c. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.
2. Stewards
68. On July 1 of each year, the Union shall furnish the Department of Human Resources Employee Relations Division with a written list of stewards and alternate stewards. During the course of the year, the Union shall amend the list as needed to ensure that the list is accurate and up to date. If a steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
69. The Union recognizes that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
70. Upon notification of an appropriate management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
71. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave the steward’s post or duty to assist in the grievance procedure.
72. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, to interview an employee during the employee's duty time.
73. Stewards shall orient new employees on matters concerning employee rights under the provisions of the Agreement.

I.G. UNION LEAVE

74. Pursuant to the guidelines of the Civil Service Commission, leave without pay for a reasonable term for up to a reasonable number of employees shall be granted upon ten (10) days advance written notice.

I.H. UNION SECURITY

1. Authorization for Deductions

75. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees’ pay according to the Controller’s “Union Deductions Procedure” (“Procedure”), which the Controller may amend from time to

ARTICLE I – REPRESENTATION

time with reasonable notice to the Union. “Contributions” as used in this Section I.H. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.

76. b. The City shall deduct Contributions from a represented employee’s pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
77. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.
78. d. Union rules provide that for employees whose membership card or other authorization form does not provide terms of revocation, the member may revoke by submitting a written revocation to the Union during the thirty (30) day period immediately before the anniversary date on which the employee signed the employee’s form. The parties agree that the City has no role, responsibility or decision making authority over the terms of Union membership, including revocation of such membership, or over revocation of an employee’s authorization for deductions of Contributions, except to cancel deductions upon notice from the Union as provided in this Section.
79. e. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller’s Office receives the request after that time, the City will implement the changes in two following pay periods.
80. f. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller’s Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.
81. g. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work,

ARTICLE I – REPRESENTATION

home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.

82. h. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
83. i. With the exception of subsection (f) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee’s revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

84. The Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and expense and liability of any kind, including but not limited to reasonable attorney’s fees, legal costs, settlements, or judgments, arising from or related to the City’s compliance with this section. The Union shall be responsible for the defense of any claim within this provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union, (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this section brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

ARTICLE I – REPRESENTATION

I.I. UNION ACCESS

85. Reasonable space may be allowed on bulletin boards for use by the Union to communicate with employees.
86. The Union shall have reasonable access to all work locations to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees, provided that access shall be subject to such rules and regulations immediately below, as well as to such rules and regulations as may be agreed to by a department and the Union. Union access to work locations will not disrupt or interfere with a department’s mission and services or involve any political activities.
87. Union representatives shall also have reasonable access to non-work areas (bulletin boards, employee lounges and break rooms) and to hallways, in order to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees.
88. Union representatives must identify themselves upon arrival at a City department. Union representatives may use department meeting space with a reasonable amount of notice, subject to availability.
89. In work units where the work is of a confidential nature and in which the department requires it of other non-employees, a department may require that Union representatives be escorted by a department representative when in areas where said confidential work is taking place.
90. Nothing herein is intended to disturb existing written departmental union access policies. Further, departments may implement additional rules and regulations after meeting and conferring with the Union.

I.J. NEW HIRES

91. The City agrees to provide the Union with the names and classifications of newly hired employees. During the initial processing, the City will provide new employees in those units listed in Appendix A with a Union-provided packet of information regarding the Union and fees and dues arrangement. The Union will provide this information in sealed envelopes, one of which will be distributed to each new employee. The City may advise new employees that the packet is being provided as part of an agreement with the Union, and that the City is neither aware of nor endorses the content of the packet.

I.K. ADDITIONAL DATA

92. The City will provide such necessary documents for representation and bargaining purposes that could otherwise be obtained via the California Public Records Act.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

93. The City and the Union agree that discriminating against or harassing employees, applicants, or persons providing services to the City by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. The City shall expedite the handling of complaints of sexual harassment.
94. Discrimination and sexual harassment as used herein shall mean discrimination and sexual harassment as defined by Title VII of the 1964 Civil Rights Act, as amended, the Civil Rights Act of 1991, the California Fair Employment and Housing Act, the Americans with Disabilities Act, the California and United States Constitutions, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, and the Civil Rights Act of 1866.
95. Claims of discrimination shall be reviewed and determined in accordance with applicable City policies. Effective January 1, 2023, DHR EEO shall offer the complainant an intake interview within 30 days of DHR receiving a complaint within DHR EEO’s jurisdiction. This deadline does not apply to complaints filed before January 1, 2023.
96. An employee, group of employees, or Union may elect to process a complaint of discrimination or sexual harassment through the grievance and arbitration procedures of this Agreement, and/or through the applicable Civil Service Rules, and/or the City Administrative Code, and/or federal or state law.
97. Neither the City nor the Union shall interfere with, intimidate, restrain, or coerce or discriminate against any employee because of the exercise of rights granted pursuant to the Meyers-Milias-Brown-Act.
98. The City shall make reasonable efforts to ensure all employees represented by the Union complete an Implicit Bias training before June 30, 2027.
- a. Instructor Led Interactive Implicit Bias Training
99. The City shall make reasonable efforts to reserve at least two hundred (200) spots for each fiscal year covered by this Agreement for employees represented by the Union to take the instructor led interactive implicit bias training offered by the Department of Human Resources. Instructor led interactive implicit bias training may be in-person or virtual. Supervisory employees and hiring managers will have priority. Within thirty (30) calendar days of the effective date of this Agreement, the Union and the City shall meet and work cooperatively to develop a schedule of training sessions to be offered for the term of this Agreement, and to determine how and when represented employees must

ARTICLE II – EMPLOYMENT CONDITIONS

register for training sessions. In the event a represented employee must cancel his/her/their participation in a training for which they have previously registered, such employee shall notify the City no less than 14 calendar days before the training session so that another represented employee may fill the vacancy created by the cancellation. The City will provide the training at no cost to the employee and employees shall receive adequate paid-time to complete the course.

II.B. PROBATIONARY PERIOD

100. As defined and administered by the Civil Service Commission, the initial probationary period for new employees shall be twelve (12) months of service equivalent to 2,080 regularly scheduled hours worked, including legal holiday pay (LHP). The probationary period for an employee appointed to a promotive position, including employees who promoted from other bargaining units, (i.e., a position in any class the salary grade for which is higher than the salary grade of the employee's permanent class) shall be six (6) months of service equivalent to 1,040 regularly scheduled hours worked, including LHP.
101. The probationary period for all other appointments, as defined and administered by the Civil Service Commission, shall be three (3) months of service equivalent to 520 regularly scheduled hours worked, including LHP. If the employee is being returned to duty in the same department from which the employee was laid off, the employee shall serve the remainder of any probationary period as set forth in Civil Service Rule 112.30.3.
102. A probationary period may be extended for up to one (1) year equivalent to 2080 regularly scheduled hours worked, including LHP, by mutual agreement, in writing, between the employee and the Appointing Officer. The City shall give notice to the Union at the time that it seeks to extend an employee's probationary period.

II.C. PROFESSIONAL STANDARDS

103. An employee who believes that the employee will suffer adverse action for refusing to perform duties or being required to perform duties in a manner inconsistent with professional ethics may request a meeting with the Appointing Officer (or designee) to address such concerns. "Professional Ethics" as used in this provision refers to a standard of professional ethics published by a professional association or recognized as a standard in the field or industry in which the employee works or codified in State Law.

II.D. REASONABLE ACCOMMODATIONS

104. The parties agree that they are required to provide reasonable accommodations for persons with disabilities in order to comply with the provisions of the Americans with Disabilities Act, the Fair Employment and Housing Act, and all other applicable federal, state and local disability anti-discrimination statutes. The parties further agree that this Agreement shall be interpreted, administered and applied so as to respect the legal rights of the parties covered by these Acts. The City reserves the right to take any action necessary to comply therewith. A reasonable accommodation decision is appealable to

ARTICLE II – EMPLOYMENT CONDITIONS

the Human Resources Director, and/or through the grievance and arbitration procedures of this Agreement and/or through the applicable Civil Service Rules, and/or the City Administrative Code, and/or federal or state law.

II.E. SUBCONTRACTING OF WORK

1. "Prop J." Contracts

105. The City agrees to notify the Union no later than the date a department files “Prop J” legislation with the Clerk of the Board.
106. Upon request by the Union, the City shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out. Prior to any final action being taken by the City to accomplish the contracting out, the City agrees to hold informational meetings with the Union to discuss and attempt to resolve issues relating to such matters including, but not limited to,
- a. possible alternatives to contracting or subcontracting;
 - b. questions regarding current and intended levels of service;
 - c. questions regarding the Controller's certification pursuant to Charter Sections 8.300-1 — 10.104.15;
 - d. questions relating to possible excessive overhead in the City's administrative-supervisory/worker ratio; and
 - e. questions relating to the effect on individual worker productivity by providing labor saving devices.
107. The City agrees that it will take all appropriate steps to insure the presence at said meetings of those officers and employees (excluding the Board of Supervisors) of the City who are responsible in some manner for the decision to contract so that the particular issues may be fully explored by the Union and the City.

2. Personal Services Contracts

108. The City shall not initiate or approve contracting out any routine work currently performed by existing employees represented by the Union.
109. The City shall not lay off current bargaining unit members or eliminate existing bargaining unit positions as a result of contracting out.
110. The parties recognize that the use of contracting out for personal services should be used for limited reasons. “Prop J” contracts are covered by the “Prop J” paragraphs of the MOU and not the following paragraphs.
111. Contracting for work customarily performed by bargaining unit employees is permissible under limited circumstances described in the Civil Service Commission’s December 19, 2023 Policy on Personal Service Contracts, as may be amended¹, or when otherwise required by federal, state, or local law or requirements of court decisions or orders.

¹ Neither party is waiving any arguments as to whether revisions to the policy are subject to the meet and confer process.

ARTICLE II – EMPLOYMENT CONDITIONS

112. For purposes of this article, work customarily performed by bargaining unit employees is work performed by classifications within the unit. The City agrees that only City employees are authorized to hire, fire, execute performance evaluations, and discipline IFPTE, Local 21-represented employees.
113. The City shall not displace current bargaining unit members as a result of contracting out. The term “displace” includes laying off, demoting, involuntarily transferring to a new class or location, reducing the hours for current bargaining unit members. Displacement does not include changes in shifts or days off, nor does it include reassignment to other positions within the same class and general location.
114. Section III.A of the Civil Service Commission’s December 19, 2023 Policy on Personal Service Contracts, as may be amended², sets forth the circumstances in which services customarily performed by bargaining unit employees may be contracted out. Contracting out should be used sparingly and treated as an option of last resort, not as a means to replace employees with contractors. Factors that may be considered appropriate for contracting out include but are not limited to the following:
- a. Immediately needed services to address unanticipated or transitional situations, or services needed to address urgent situations that do not rise to the level of an “emergency”;
 - b. Short-term or capital projects requiring diverse skills, expertise, and/or knowledge;
 - c. Services required on an as-needed, intermittent, or periodic basis (e.g., peaks in workload); or
 - d. Circumstances where there is a demonstrable potential conflict of interest (e.g., independent appraisals, audits, inspections, third party reviews and evaluations).

PILOT PERSONAL SERVICES CONTRACT REVIEW PROCESS

115. The Union and City agree to a pilot PSC notification and review program as described in this paragraph 115 beginning no sooner than January 1, 2025 but no later than July 1, 2025. This pilot program shall expire on June 30, 2027, unless the Parties mutually agree to extend it. Prior to implementation of this new process, the process for review of personal services contracts shall continue as set forth in the July 1, 2022 - June 30, 2024 MOUs between the City and IFPTE, Local 21 (paragraphs 107-113).
- a. Prior to submission of a personal service contract request to the Department of Human Resources and/or Civil Service Commission or at the time the City issues a solicitation for work customarily performed by bargaining unit employees, whichever occurs first, the City shall provide notice to the Union with the following information:
 - i. The anticipated duration of the contract;

² Neither party is waiving any arguments as to whether revisions to the policy are subject to the meet and confer process.

ARTICLE II – EMPLOYMENT CONDITIONS

- ii. The scope of work under the contract;
 - iii. The final solicitation, if published or if no solicitation exists or will be used, any other information that would normally be included in a solicitation; and
 - iv. The reason, as set forth in the Civil Service Commission’s Policy on Personal Service Contracts as amended from time to time or others, that the City is relying on as justification for its contracting decision.
- b. The Union shall have ten (10) calendar days to request to meet with the City over the proposed contract after receiving the notice required by paragraph 115.a. Discussions shall include, but not be limited to, possible alternatives to contracting or subcontracting, whether the department staff has the expertise and/or facilities to perform the work, and steps the City has taken to address job vacancies. Upon request by the Union, the City shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out. The Union and City shall conduct such meeting no later than ten (10) calendar days from the date the Union requested to meet. If the City is unable to meet within ten (10) calendar days, the timeline for the Union to commence the Fact-Finding Review set forth in paragraph 115.c.ii will be tolled by another ten (10) calendar days.
- c. Fact-Finder Review: For disputes that cannot be resolved through the meeting contemplated in paragraph 115.b, the Union may utilize the Fact-Finder Review outlined in this paragraph 115.c five (5) times per year. The number of times the Union may utilize the Fact Finder Review may be increased by mutual agreement of the parties.
- i. If, following the meeting contemplated in paragraph 115.b, a dispute exists between the Parties about whether the City may contract out work customarily performed by bargaining unit employees, the Union may submit the matter to Fact-Finding Review.
 - ii. To commence the Fact-Finding Review, within five (5) calendar days following the meeting contemplated in paragraph 115.b, the Union must make a written objection to the Human Resources Director, containing specific and detailed factual information to support its opposition to the proposed personal service contract, and documentary evidence or declarations in support of the Union’s position.
 - iii. A standing factfinder or factfinder(s) will be appointed to address disputes submitted under this Paragraph 115.c, and the Parties will preschedule at least two (2) days per month for such hearings. The Parties will mutually agree on a list of factfinder(s) prior to the commencement of the Fact-Finding Review process. The Parties agree to split the factfinders’ fees.

ARTICLE II – EMPLOYMENT CONDITIONS

- iv. Within five (5) calendar days of the Union’s request for a Fact-Finding Review, the factfinder shall review the evidence submitted by the Union under subparagraph (c.ii) and determine whether sufficient evidence exists to warrant a hearing on the dispute. The factfinder shall make a determination based on the evidence provided by the parties. If the factfinder determines that the Union has not submitted sufficient evidence, the factfinder shall dismiss the Union’s request for a hearing.
- v. If the factfinder determines that the Union has submitted sufficient evidence to warrant a hearing, the factfinding hearing will occur on the next prescheduled hearing date. This hearing shall follow the generally accepted rules and structure of expedited hearings, however, the parties agree that either party may be represented by legal counsel.
- vi. The factfinder(s) will address whether the circumstances described by the City as the basis for contracting out exist. The factfinder(s) shall recommend whether the contracting out proposal shall be approved, denied or modified. The factfinder may also recommend the adoption of any proposals the union presents as an alternative to contracting out. The factfinder’s recommendation may also outline timelines and intermediate steps for remedying the disputed matter.
- vii. The factfinder must provide any recommendations to the Parties within five (5) calendar days of hearing the dispute; however, the factfinder may extend the time for providing recommendations up to fourteen (14) calendar days. The Parties will make the factfinder’s recommendation a part of the record before the Civil Service Commission prior to the Commission’s hearing on the disputed personal service contract or to the Human Resources Director in accordance with Civil Service Commission’s December 19, 2023 Policy on Personal Service Contracts, as may be amended³.
- viii. Best efforts shall be made to complete the Fact-Finding Review within sixty (60) calendar days after the Union makes its written objection under subparagraph 115.c.
- ix. The City shall not be required to engage in the Fact-Finding Review outlined in Paragraph 115.c should the Union fail to comply with the deadlines outlined in Paragraphs 115.b and 115.c.
- x. Submission of a dispute to a factfinder under this pilot program does not alter the Civil Service Commission’s authority to consider and decide whether to approve personal service contracts or to amend its Policy on Personal Services Contracts.

³ Neither party is waiving any arguments as to whether revisions to the policy are subject to the meet and confer process.

ARTICLE II – EMPLOYMENT CONDITIONS

- d. The process and timeline identified in paragraphs 115.a, 115.b, and 115.c are further outlined as follows:

Step	Summary	Timeline

- e. The Controller shall advise on any process safeguards or other requirements necessary to ensure public integrity in contracting decisions.

116. Should the Pilot Personal Services Contract Review Process not be renewed pursuant to paragraph 115, or be cancelled upon mutual agreement of both parties prior to the Pilot end date identified in paragraph 115, the Union PSC notification and review process reverts to the process for review of personal services contracts as set forth in the July 1, 2022 - June 30, 2024 MOUs between the City and IFPTE, Local 21 (paragraphs 107-113).

117. By January 1, 2025, DHR shall maintain an online vacancy dashboard that is updated

monthly. The dashboard will list all budgeted and filled positions by classification and department.

118. Joint Labor Management Committee on Personal Service Contracts. The City and the Union shall form a JLMC on City Contracting. The JLMC shall establish procedures to implement the Pilot Personal Services Contract Review Process. The JLMC shall also review and make recommendations regarding the process of engaging Labor prior to entering into a City contract. On an on-going basis, the JLMC will review data on Personal Service Contract approvals, City contract spending, benchmarking best practices, and the effectiveness of the Pilot PSC Review Program described in Paragraph 115. Based on the information provided, the JLMC will make recommendations to improve the process, reporting requirements, and policies governing the way that the City initiates the PSC process. Any disputes regarding violations of the PSC process shall be resolved by the JLMC and not by the grievance provision of this Agreement. The committee will include no more than 8 members, 4 from the City and 4 from the Union, and will meet every other month for 1 year, to make recommendations, and annually thereafter for the term of this contract.
119. This article shall be interpreted consistent with and shall not conflict with the Charter.

II.F. EMPLOYEE REASSIGNMENTS

120. Except in cases of urgent need, each City department shall post or provide electronically notices of vacancies. If posted, the vacancy notice shall be in a prominent location in the department, and/or at each separate work location of the department, for a period of not less than five (5) working days in order to afford employees interested in reassignment an opportunity to apply for a vacant position. If provided electronically, the vacancy notice shall be provided to all employees and employees shall have not less than five (5) working days to respond. Each such notice shall describe the classification of the position to be filled, the physical location of the position, its starting and quitting time, and a general description of the work to be performed.

II.G. WORKFORCE REDUCTION

1. Obligation to Meet & Confer on Employee Workloads

121. The City and Union acknowledge that there has been and may continue to be a reduction in the City workforce primarily as a result of reduced revenue and inflation.
122. The City recognizes its legal obligation to meet and confer in good faith and endeavor to reach agreement on employee workloads.
123. The City shall provide any written information relating to staffing levels and workloads in a given department upon written request to the Employee Relations Division, with any reproduction costs above single copies to be paid by the Union.

ARTICLE II – EMPLOYMENT CONDITIONS

2. Advance Notice of Pending Layoffs

124. Any employee who is to be laid off due to the lack of work or funds shall be notified, in writing, with as much advance notice as possible but not less than sixty (60) calendar days prior to the effective date of the layoff. Such sixty (60) calendar day minimum advance notice of layoff shall not apply should layoff in a shorter period be beyond the control of the City. The Union shall receive copies of any layoff notice. The provisions of this Section shall not apply to "as needed", or intermittent employees or employees hired for a specific period of time or for the duration of a specific project or employees who are bumped from their position.
125. The City will provide ten (10) business days' notice to employees who are subject to displacement due to layoff. To the extent this notice period extends beyond the date the displacing employee is to start in the position, the employee who is to be displaced will be placed in a temporary exempt position in the employee's classification and department for the remainder of the notice period.

3. Layoff Procedures

126. Layoffs shall be administered pursuant as follows: An employee with permanent seniority in class shall have the right to displace an employee with less permanent seniority in the same class in any department. All bumping and displacement shall first occur within the department that affected the layoff in question prior to City-wide bumping.
127. After bumping and displacement occurs, an employee who is laid off shall receive one week's severance pay for each full year worked, up to a maximum of 12 weeks, in exchange for a release, in a form acceptable to the City, signed by the employee of any and all claims arising out of the employee's separation from employment by layoff (including claims arising under this Agreement) that the employee may have against the City including any officer or employee thereof. An employee who accepts severance pay shall forfeit all holdover rights. The Union agrees not to pursue any grievance arising out of the layoff for an employee who accepts severance under this section. If an employee accepts severance pay and retires within two (2) years of accepting the severance pay, they shall reimburse the City for the full amount of the severance pay.

II.H. UTILIZATION OF PROP F AND TEMPORARY EXEMPT EMPLOYEES

128. The Human Resources Director agrees to work with City departments to ensure proper utilization of Proposition F and temporary exempt ("as needed") employees when such positions would more appropriately or efficiently be filled by permanent employees. In addition, the City will notify holdovers in represented classifications of any recruitment for exempt positions in their classifications.
129. The Union and the City will meet to review and identify exempt appointments in Categories 17 and 18 that may be appropriate for conversion to permanent civil service. The parties agree to conclude this process not later than December 31,

An employee who during that portion of the employee’s anniversary year prior to January 1 of the current calendar year, is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the current calendar year.
335. 2.) An employee who during that portion of the employee’s anniversary year prior to January 1 of the current calendar year, is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service prior to January 1 of the current calendar year.

This provision shall not be grievable or arbitrable.

3. Alternate Work Schedule

344. By mutual agreement the City and the Union may enter into cost equivalent alternate work schedules for some or all represented employees. However, as authorized by and pursuant to the restrictions of the Annual Salary Ordinance, the “Z” symbol may be suspended to allow overtime payment, subject to the availability of funds, and pursuant to approval of the Director of Human Resources. - 361. e. Effective July 1, 2019, employees in Non-Z or L designated job classifications may not accumulate a balance of compensatory time in excess of one hundred twenty (120) hours. The department shall not unreasonably deny a CTO request pursuant to this paragraph. CTO will be taken in full workday blocks unless an alternative is mutually agreed upon. Scheduling shall be by mutual agreement.

3. Part-Time Employees

371. Part-time employees shall not be entitled to overtime compensation or time off for work performed in excess of their specified normal hours until they exceed eight (8) hours per day or forty (40) hours per week.

Floating Holidays received in one fiscal year but not used shall be carried forward to the next succeeding fiscal year. The maximum number of floating holidays carried forward to a succeeding fiscal year shall not exceed the total number of floating holidays received in the previous fiscal year, and at no time shall employees be able to accumulate more than 80 hours of floating holidays. No compensation of any kind shall be earned or granted for floating days off not taken.
378. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
379. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under the department head’s jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. 381. Executive, administrative and professional employees designated with the “Z” symbol and who the City believes are exempt under the provisions of the Fair Labor Standards Act shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one and one-half (1½) times for work on the holiday.

2. Holidays for Employees on Work Schedules Other Than Monday Through Friday

382. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

383. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the current or next fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

384. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year’s Day.

3. Holiday Pay for Employees Laid Off

5. Part-time Employees Eligible for Holidays

387. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.

388. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly scheduled to work in a bi-weekly pay period. The computation of holiday time off shall be rounded to the nearest hour.

389. The proportionate amount of holiday time off shall be taken in the current or next fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

397. Pursuant to San Francisco Charter Section A8.440 and San Francisco Administrative Code Section 16, the maximum number of vacation hours an employee may accrue consists of two hundred and forty (240) hours carried forward from prior years plus the employee’s maximum vacation entitlement which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<u>Years of Continuous Service</u>	<u>Maximum Accrual</u>

401. To receive leave with pay for jury duty, employees must (1) provide written proof of jury service from the court to verify actual appearance for each day of jury duty, and (2) decline any payment from the court for jury duty.

402. If an employee is required to call-in during the work day for possible midday jury duty, the employee shall coordinate in advance with the employee’s supervisor about whether and when to report to work.

III.N. PROVISIONAL EMPLOYEES

403. Non-permanent employees, defined as employees with no permanent classification or employees with a permanent classification serving in another classification, shall be entitled to the following:
404. 1. Non-permanent employees shall be treated as permanent employees with respect to health and welfare benefits, compensation and salary steps, seniority, retirement (upon completion of 1040 hours in any twelve month period), and leave benefits, including but not limited to sick leave, vacation and personal leave.
405. 2. Upon permanent appointment, time worked as a provisional appointment in the same classification under the same appointing authority shall be treated as time worked and credited to the employee’s probationary period as defined and administered by the Civil Service Commission. Provided however, upon permanent appointment, all employees must serve no less than a thirty-day probationary period as defined and administered by the Civil Service Commission regardless of time worked in the provisional appointment.

III.O. PER-DIEM REHABILITATION PROFESSIONALS

1. City Contribution

407. The City agrees to maintain health and dental benefits at present levels for the life of the Agreement.

4) Contribution Cap

412. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

413. For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

b. Medically Single Employees Outside of Health Coverage Areas

414. The provisions in section III.P.1.a.1. of this Agreement above shall not apply to “medically single employees” (Employee Only) who are permanently assigned by the

For such “medically single employees” (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees’ own health care benefit coverage.

c. Other Terms Negotiable

415. While the parties have agreed in this section not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

2. Dental Benefits

416. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers’ compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

4. Hetch Hetchy Stipend

418. As provided in the Annual Salary Ordinance, for employees assigned to Hetch Hetchy, the City will pay a stipend to employees residing in designated zip code areas enrolled in the Health Services System with employee plus two or more dependents where HMOs are not available and such employees are limited to enrollment in Plan 1.

2. Quarterly Report and Annual Meeting

422. The San Francisco Employees Retirement System shall provide upon request a quarterly report to the Union detailing its current holdings and its annual return on investments. The Retirement System shall also meet each Fall during the term of this Agreement after their annual audit to review their portfolio with the Union on request. The Union will attempt to provide specific questions and items of interest in advance to SFERS to assist in setting an appropriate agenda.

3. Release Time for Pre-Retirement Planning Seminars

423. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

424. Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

425. All such seminars must be located within the Bay Area.

426. This section shall not be subject to the grievance procedure.

At the employee’s option, accrued vacation, and compensatory time off (for non-Z employees only) can also be integrated with SDI payments in the same manner as sick leave.

428. Any over-payments of SDI coverage will be returned to the employee no later than the second pay period following departmental notification to the Controller’s Payroll & Personnel Division.
429. During the term of the Agreement, all classifications added to an existing bargaining unit that is covered by State Disability Insurance (“SDI”) shall automatically be enrolled in SDI. If a new bargaining unit is created or if the Union gains recognition for additional bargaining units, the Union shall certify in writing to the Employee Relations Director whether such units shall be enrolled in SDI.

432. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee’s paid leave credits including vacation, sick leave balance, or other paid leave as available.
433. Salary may be paid on regular time-rolls and charged against the employee’s sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.

Where appropriate temporary modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department, the employee may be temporarily assigned to work in another classification, on a different shift, and/or in another department, subject to the approval of the Appointing Officer or designee.
438. Neither the decision to provide or deny modified duty, nor the impact of such a decision shall be subject to grievance or arbitration.
439. It is also understood that modified duty assignments are temporary only; modified duty assignments for employees temporarily unable to perform regular job duties may not exceed three (3) months. An employee assigned to temporarily modified duty assignment shall receive the employee's regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and/or out of class assignment pay as may be provided under this Agreement.
440. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. ARTICLE V: WORKING CONDITIONS

V.A. HEALTH AND SAFETY

484. The City acknowledges its responsibility to provide safe, healthful work environments for City employees. The Union acknowledges its members play the critical role in maintaining workplace safety, and agree to follow health and safety guidance and procedures. Many City departments have Health and Safety (H&S) staff with unique skills, knowledge, and abilities regarding workplace safety.
485. When an employee, in good faith, believes that a condition exists which presents an imminent hazard to life or health, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the supervisor and explain why the employee believes a condition presents an imminent hazard.
486. If the Department and the employee, or the employee’s designated representative, do not concur, the potentially imminent hazard shall be evaluated by the departmental H&S staff, or a member of the City’s H&S Program staff, if the Department does not have professional H&S staff.
487. Such evaluations shall be initiated by appropriate H&S staff including but not limited to 6139 Senior Industrial Hygienist; 6138 Industrial Hygienist; 5177 Safety Officer; and/or 6130 Safety Analyst within five (5) business days.
488. While the employee is awaiting the completion of the evaluation, and until the H&S staff has made a determination regarding the presence of an imminent hazard, the employee shall not be required to perform the disputed assignment. The findings of the evaluation will be shared with the employee and the employee’s representative.
489. If the H&S staff determine that the complaint is valid, that determination shall override a departmental management determination, including abatement procedures or employee reassignments. If, after investigation, the H&S staff determines that the work assignment does not present an imminent hazard, the H&S staff shall notify the employee. The employee shall then have the following options:
1. continue to work in reliance on the determination
 2. request a re-assignment, which shall not be unreasonably denied; or
 3. continue to refuse the work assignment.
490. If the employee elects to continue to refuse the work assignment, the employee shall not be paid unless the employee executes a CCSF Payroll Request for Employee Offset Agreement. If it is finally determined that the complaint was not valid, the employee shall repay the City in the manner set forth in the Employee Offset Agreement. If it is finally

ARTICLE V – WORKING CONDITIONS

determined that the employee’s complaint was valid, and the employee has not elected to be paid, the employee shall be made whole for all lost wages and benefits.

491. Paragraphs 489 and 490 will sunset on July 1, 2027, absent mutual agreement.

492. Employees shall not be subject to discipline or retaliation for exercising in good faith any rights under this Section.

493. At its own expense, the Union may employ or assign its own safety consultant. The Union’s consultant shall have the minimum qualifications appropriate to evaluate whether the condition identified presents an imminent hazard to life or health. Where the Union employs such a consultant, the consultant shall investigate the imminent hazard in conjunction with the City’s H&S staff. If after consultation between the Union consultant and the City’s H&S staff, the dispute remains unresolved after 30 calendar days, the dispute shall bypass steps 1-3 of the grievance procedure and shall be submitted for final determination directly to a neutral arbitrator selected pursuant to the expedited arbitration provisions of this Agreement.

494. Upon request, the City shall provide the union departmental lists on a quarterly basis containing the vital information on all work-related injuries and illnesses. Prior to the acquisition of additional or replacement machines, the City agrees to meet and consult with the Union on the design of the machines, including such features as separate keyboards, tiltable screens, phosphor colors, brightness controls and any other features relating to operator health and well being. The City will give the Union as much advance notice as possible of such changes.

513. The City agrees to provide all required safety equipment (i.e., protective eyewear, protective footwear) in compliance with Cal-OSHA regulations. Individual requests for additional equipment may be forwarded to the UCRC for further attention. Employees may telecommute more than two (2) days per week, subject to the approval of the Appointing Officer and the Human Resources Director.

APPENDIX C: CIP ADDENDUM

**CAPITAL IMPROVEMENT PLAN PROJECTS MOU ADDENDUM
TO THE 2012-2014 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND
THE INTERNATIONAL FEDERATION OF PROFESSIONAL
AND TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

Introduction

San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply and avoid system outages which could be caused by natural disasters. The City faces similar challenges in maintaining, restoring, and improving other essential City infrastructure components.

The parties recognize that achievement of this goal requires an extraordinary level of labor-management cooperation, and that disagreements regarding contracting out, terms and conditions of employment, hiring and promotion methods, and other matters have the potential to interfere with implementation of the City's capital projects. The parties further recognize that the success of the City's capital projects will require new and innovative approaches in many employment-related areas including recruitment, hiring, promotion, training, work rules, compensation, evaluation, and management.

The purpose of this Agreement is to promote the efficiency of design, construction management and project management operations for the City's capital projects and provide for efficient resolution of labor disputes and grievances, thereby promoting the public interest in assuring the timely and economical completion of capital projects.

Findings

WHEREAS, the City is or will be engaged in a number of significant capital projects in the coming years which will require that work proceed in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the largest capital project the City faces is the modernization and repair of the Hetch Hetchy water supply system;

WHEREAS, the voters passed Propositions A and E, ensuring that funding is available to complete this ambitious program in a timely manner; and

WHEREAS, the voters have found that “the protection, maintenance and repair of the [Hetch Hetchy water supply] system are among their highest priorities”; and

APPENDIX C

WHEREAS, the PUC CIP consists of approximately 38 infrastructure improvement projects for regional water and approximately 39 infrastructure improvement projects for local water and may in the future also consist of a Clean Water Improvement Program and a Repair and Replacement Program; and

WHEREAS, successful completion of the PUC CIP is of the utmost importance to the general public in the San Francisco Bay Area and the state; and

WHEREAS, the Public Utilities Commission (PUC), the Department of Public Works (DPW) and the Department of Human Resources are strategic partners on the PUC CIP and have entered into MOUs memorializing their agreements to share responsibility for completion of the PUC CIP; and

WHEREAS, successful completion of City capital projects is of the utmost importance to the general public; and

WHEREAS, the interests of the general public, the City and County of San Francisco and IFPTE, Local 21 are best served if the work on all capital projects proceeds in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the City and the Union desire to establish specific and unique terms and conditions of employment to ensure the City's capital projects are completed with utmost quality, with in-house staff to the greatest extent practicable and on-time and on-budget; and

WHEREAS, through this Agreement, the City and the Union desire to encourage close cooperation which ensures that a satisfactory and harmonious relationship will exist among the parties; and

WHEREAS, the current collective bargaining agreement between Local 21 and the City shall be amended by the Board of Supervisors to incorporate this Agreement; and

WHEREAS, this Agreement shall not replace, interfere, abrogate, diminish or modify the terms and conditions of the parties' existing collective bargaining agreement except as specifically amended; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the City's capital projects.

- 2.4.3 This agreement shall not apply where acceptance of funding from a state or federal agency precludes its application.

ARTICLE III – STAFFING

3.1 Principles

- 3.1.1 The parties agree that in order to maximize City employment opportunities, it is necessary to hire and promote highly qualified employees quickly and efficiently. The parties acknowledge that many employees involved in capital projects possess state licenses in engineering, architecture and other specialties; such licenses often establish a candidate's minimum qualifications for employment; and, with respect to licensed professionals, employment and promotional decisions are best addressed at the departmental level.
- 3.1.2 The parties agree that the hiring methods employed on the CIP and other capital projects throughout the City should be fair, should honor the merit system, should command public confidence, and should be focused on creating a talented city workforce.
- 3.1.3 The parties agree that this Article covers matters within the jurisdiction of the Civil Service Commission and shall be administered subject to Civil Service Commission Rules and procedures.

3.2 Hiring

- 3.2.1 **Continuous Testing.** As permitted under Civil Service Rule III, the Union agrees to the use of continuous testing for all classes covered by this agreement.
- 3.2.2 **Certification Rules.** In accordance with Civil Service Rule 113, the parties agree to the following certification rules for covered classes:

APPENDIX C

- a. Rule of the List. Classes 5211 (Senior Engineer), 5212 (Principal Engineer), 5270 (Senior Architect), 5273 (Principal Architect) and 5275 (Senior Landscape Architect) shall utilize the Rule of the List.
- b. Rule of Seven scores. Classes 5174 (Administrative Engineer), 5241 (Engineer), 5268 (Architect) and 5274 (Landscape Architect) shall utilize a ranked list and the Rule of Seven scores.
- c. Rule of Five scores. Classes 5266 (Architectural Assistant II) and 5272 (Landscape Architect Associate II) shall utilize a ranked list and the same certification rule (Rule of Five scores) currently used by Class 5207 (Associate Engineer).
- d. Rule of Three scores. Classes 5260 (Architectural Assistant I), 5261 (Architectural Assistant II), 5262 (Landscape Architectural Associate I) and 5265 (Architectural Associate I) shall utilize a ranked list and the same certification rule (Rule of Three scores) currently used for Class 5201 (Junior Engineer) and Class 5203 (Assistant Engineer).
- e. Other Covered Classes. Consistent with Civil Service Rules, the basic certification will be Rule of Three scores unless the parties mutually agree to a broader certification rule. All other covered classes shall continue to utilize existing certification rules. All certification rules may be modified by mutual agreement.

3.2.3 Selection by Appointing Authority. In accordance with Civil Service Rule 113, the Departments shall apply merit-based criteria in considering all qualified candidates for a position including procedures similar to those utilized for provisional hiring. Such procedures shall be developed, promulgated and distributed by the Department of Human Resources.

3.2.4 MTA. In accordance with Charter Section 8A.104, MTA's human resources director assumes the powers and duties of the City's Director of Human Resources, including those related to testing, certification and selection, for service critical classes at MTA.

3.2.5 Appeals. Nothing herein shall waive an employee's right to pursue available remedies before the Civil Service Commission in accordance with Civil Service Commission Rules. The Union agrees not to appeal to the Civil Service Commission the utilization of continuous lists or the application of the certification rules set forth in this Agreement. Neither hiring decisions nor any other provision of this Section shall be grievable under either the provisions of this Agreement or the parties' MOU.

3.3 Technical Engineers

3.3.1 The parties agree that employees in technical engineering classifications are necessary and critical to the successful completion of the CIP. The City and the Union conducted a utilization study of the technical engineering classifications and have agreed to implement some of the recommendations.

ARTICLE IV – CONTRACTING

4.1 Principles

- 4.1.1 The parties commit to delivering the CIP and related projects with the highest quality and on-time and on-budget.
- 4.1.2 The parties commit to use in-house staff to perform engineering, planning, architectural, construction management, program management and project management work where feasible and practicable given the needs and schedule of the CIP and related projects.
- 4.1.3 The parties agree that contracting-out may be necessary in some circumstances and that disagreements over decisions to contract-out shall be fact-based and shall utilize the criteria set forth herein.
- 4.1.4 The parties acknowledge that the process set forth herein is intended as a pilot designed to improve communication and decision making with regard to contracting issues at PUC and DPW.
- 4.1.5 The parties acknowledge that this is a pilot process limited to contracting decisions at PUC and DPW, but mutually desire that successful outcomes will motivate other City departments to utilize this pilot process or related processes for contracting decisions.

4.2 Standards for Contracting-Out. The parties recognize that under Civil Service Commission guidelines contracting-out work may be necessary for the following reasons:

- 4.2.1 Specialized Expertise. The City may contract-out specialized services for which City staff do not possess the necessary specialized skills or experience.
- 4.2.2 Peak Workloads. The City may contract-out to address temporary peak workloads. Temporary peak workloads are situations where City staff are capable of providing needed services, but sufficient staff are not available to meet project deadlines and the work is not forecasted to be sufficient to sustain the hiring of additional, qualified permanent employees without risk of layoff or displacement.
- 4.2.3 Emergencies and/or Unanticipated Events or Delays. The City may contract-out work necessary to address emergencies, unanticipated events or delays.

4.3 Process for Contracting-Out. The City commits to engage in the following process with the Union before issuing an RFP/RFQ for outside engineering, planning, architectural, construction management, program management and project management or related services:

- 4.3.1 Specialized Expertise. Before determining the RFP/RFQ is necessary because the City lacks specialized expertise to handle specialized work or projects the PUC and DPW will:

- a. Poll other City departments to see if such specialized expertise exists;
- b. Engage in forecasting with other City departments to assess whether an in-house position with the specialized expertise can be supported;
- c. Post the need for specialized skills on email or other systems to enable in-house employees to apply for specialized positions;
- d. Determine the extent to which on-going training by City-staff and existing contractors to employees seeking new skills or job opportunities can mitigate the need to rely upon additional contractors for such specialized expertise;
- e. To the extent applicable, use information contained in the PUC-developed Skills Bank to determine staff availability and training needs.

4.3.2 Peak Workload. Before determining the RFP/RFQ is necessary to address a peak workload, the PUC and DPW will engage in forecasting with other City departments to determine whether the City can sustain the hiring of additional permanent employees without risk of layoff or displacement.

4.3.3 Emergencies, Unanticipated Events or Delays. Before determining the RFP/RFQ is necessary to address emergencies, unanticipated events or delays, the PUC and DPW will articulate to the union, in writing, the nature of the emergency or unanticipated delay and explain how the RFP/RFQ is designed to cure that emergency or unanticipated delay. For emergencies that imminently threaten health and safety, the procedures set forth in this Article shall be followed at the earliest practicable time after imminent health and safety concerns have been addressed.

4.3.4 The PUC and DPW will endeavor to regularly present its contracting needs to the JUCC Staffing and Contracting Subcommittee with as much advance notice as practicable. At a minimum, the PUC and DPW will notify the Subcommittee, by providing a draft RFP/RFQ, at least 11 working days prior to publicly advertising or requesting Civil Service Commission approval (whichever is earlier) for an RFP/RFQ for engineering, planning, architectural, project management, program management, construction management or related services, unless such minimum period is waived by Local 21. In the notice, the PUC and DPW will identify the need for such contracting consistent with the criteria in Sections 4.2 and 4.3. The Subcommittee will meet to discuss the rationale for contracting-out within five working days of notice being provided. The Subcommittee may recommend modifications or alternatives to such contracting, provided that such recommendations or alternatives be forwarded to the Assistant General Manager for Infrastructure at PUC or the Deputy Director of Engineering at DPW within 11 working days of notice, except by mutual agreement.

4.4 Prop. J Contracts. Nothing herein is intended to alter or diminish the City's rights or obligations with respect to contracting under Charter Section 10.104 (15).

APPENDIX C

- 4.5 Appeals. If the Union disagrees with the decision to contract out, it may pursue available remedies before the Civil Service Commission or the Board of Supervisors with respect to Prop J. contracts desired under Charter Section 10.104 (15). The decision to contract out shall not be grievable.

ARTICLE V – COMPENSATION

5.1 Principles

- 5.1.1 Recognizing the challenging goals of the CIP and other major capital projects, the parties agree that a flexible compensation structure is necessary. In particular, incentives may be appropriate to encourage and recognize employees who assume additional responsibilities, develop and utilize specialized skills through classroom and on-the-job training, and exhibit leadership, initiative and creativity in their field.
- 5.1.2 The parties further acknowledge that although basic compensation levels are established through their existing MOU, the needs and resources of the CIP and related major capital projects are unique.

5.2 Leadership Pay

5.2.1 Eligibility

- a. Subject to the conditions herein, employees directed to perform any of the assignments referenced and defined in sub-section 5.2.2 shall receive a premium equal to 5% of base salary for hours that such duties are actually performed. Such incentives are intended to recognize additional responsibilities and/or special skills on the CIP and other major capital projects. Leadership pay shall be considered as part of an employee's salary for the purpose of computing retirement benefits and retirement contributions.

- c. All assignments eligible for Leadership Pay must be made in writing and approved by the Appointing Officer or designee. Such assignments are at the sole discretion of the Appointing Officer or designee.

- d. It is understood that additional compensation is intended for the hours that such additional duties are performed. An employee who believes they qualify for such a premium, and the premium has not been paid, shall address the issue in accordance with Article III.B.3 (Acting Assignment Exceptions) of the parties' MOU.
- e. Employees shall have no expectation of continued payment once such additional responsibilities have been completed. The termination or removal of such responsibilities shall not be subject to the grievance procedure.
- f. Leadership pay shall be calculated on base pay.

5.2.2 Leadership Assignments

- a. Project Engineer/Architect/Landscape Architect. Employees assigned to function as the Project Engineer/Architect/Landscape Architect of a major capital project shall receive a premium equal to 5% of base salary while actually engaged in such assignments. The Project Engineer/Architect/Landscape Architect (PE) is supervised by the Functional Manager and reports to a Project Manager for project budget, and schedule issues. The PE is responsible for ensuring that Design Lead Engineers/Architects/Landscape Architects and other support groups, including consultants and other City engineering groups produce integrated work products that meet project goals. APPENDIX C

5.3 Special Skills Pay

5.3.1 Eligibility

- a. Employees directed to substantially perform any of the assignments referenced and defined in sub-section 5.3.2 shall receive a premium equal to 5% of base salary for the duration of the assignment. Such incentives are intended to recognize additional responsibilities and/or special skills on the CIP and other capital projects. Special skills pay shall be considered as part of an employee's salary for the purpose of computing retirement benefits and retirement contributions.
- b. An employee is not eligible to receive Special Skills Pay if:
 - i. The employee is receiving acting assignment pay pursuant to MOU section III.B.2 (Acting Assignment Pay) or a supervisory differential pursuant to MOU section III.B.4 (Supervisory Differential Adjustment).

NOW, THEREFORE, IT IS AGREED BETWEEN AND AMONG THE PARTIES HERETO, AS FOLLOWS:

1. In any budget proposal for FY 2009-2010, the Mayor will reflect a reduction of the aggregate dollar value of Professional and Specialized Services (including Personal Service Contracts (PSCs)) paid through the General Fund by not less than \$25 million and, if practicable, by as much as \$30 million relative to the value of such services in FY 2008-2009.

4. During FY 2009-2010, the City will subject departmental requests for requisition approval by general fund departments to increased scrutiny. The process, involving the Mayor's Office and the Department of Human Resources, requires submissions of organizational charts and additional justification to obtain approvals. Approvals will be based on criteria including: (i) whether the positions are revenue-generating; (ii) whether they are needed to meet safety-related, legal or contractual requirements; (iii) the extent to which the position affects a core City function; and (iv) the impact of filling the positions on the general fund.
5. The City will meet quarterly with the Union to provide information on its efforts pursuant to paragraph 3, and on all departmental requests and approvals under paragraph 4.
6. The Mayor's Chief of Staff will conduct a review by July 1, 2009 to determine whether the design and construction management work proposed by the Recreation and Park Department at Palega Playground should be performed by the Department of Public Works and to explore possible ways to resolve any future disputes involving the MOU between DPW and Rec and Park. As part of this review, the Chief of Staff shall chair a meeting of representatives of Local 21, DPW and Rec and Park. The Chief of Staff will prepare a document memorializing the determinations. Nothing in this paragraph shall prejudice the Union's right to pursue legal action against the Civil Service Commission with respect to its decision to permit a PSC contract covering the Palega Playground work.

Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.

APPENDIX E

- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if the employee fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose

telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee appearing at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.

APPENDIX E

- (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
 - e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

APPENDIX E

- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or the employee's treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or

APPENDIX E

organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels.

For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

CONTROLLED SUBSTANCE *	SCREENING LEVEL	CONFIRMATION LEVEL
Amphetamines	50 ng/ml	5 ng/ml
Barbiturates	20 ng/ml	20 ng/ml
Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml
Opiates	10 ng/ml	10 ng/ml
PCP (Phencyclidine)	1 ng/ml	5 ng/ml
THC (Cannabis)	1 ng/ml	2 ng/ml
* All controlled substances including their metabolite components.		

b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing the employee’s job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
2. Refuses to Submit to testing; or

APPENDIX E

3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
 - a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
 - c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

6. Upon the Union's request, the Union and the City will meet and discuss the use of the Category 12 Technology Expert I-9976 appointments by December 31, 2024.

APPENDIX G: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed, and any employee who has promoted or transferred into the bargaining unit.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in

APPENDIX G

3. employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.
 4. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded up to forty-five (45) minutes and not fewer than thirty (30) minutes to meet with represented new employees and any employee who has promoted or transferred into the bargaining unit who are present. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda, and shall have the option of placing the Union presentation as the final item on the agenda for the portion of NEO when all bargaining unit participants are still present. One (1) of the Union's representatives may be a Union member designated by the Union; if at least ten (10) or more represented new employees are present, the Union may bring up to two (2) Union members. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.

APPENDIX G

F. **Alternate Procedures:** In the event the Union identifies one or more new employees who did not attend the Union’s presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union’s representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee’s break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union’s request.
3. **Department of Elections:** Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. **Process for Periodic Union Orientations:** By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements:
Department of Emergency Management; Sheriff’s Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. **Union Orientation Presentations:** The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees

APPENDIX G

not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

APPENDIX H

APPENDIX H: TRANSITION OF CATEGORY 18 POSITIONS AND PROVISIONAL APPOINTMENTS TO PERMANENT CIVIL SERVICE APPOINTMENTS

1. Purpose

The parties agree to the following process to review and identify San Francisco Charter Section 10.104.18 (Category 18) positions in classifications represented by the Union that are appropriate for conversion to Permanent Civil Service (“PCS”) status.

2. Process

Step 1: Identify Positions for Possible Conversion

The City shall present positions grouped by Job Classification for conversion to PCS status by the target dates listed below. Should the Union disagree with a position not identified for conversion, the City and the Union will meet to discuss after the target date.

- 1) All Category 18 appointments in a classification where the number of appointments is greater or equal to 50 as of July 1, 2024. Target date: December 31, 2024.
- 2) All Category 18 appointments in a classification where the number of appointments are greater or equal to 20 as of July 1, 2024. Target date: June 30, 2025.
- 3) All remaining Category 18 appointments made prior to July 1, 2024. Target date: December 31, 2026.

Step 2: Testing Process for Positions Converted from Category 18 to Permanent Civil Service

The testing process shall be either:

Option A:

The DHR director will propose changes to the Civil Service Rules to allow the City to use alternative merit based selection procedures to address the positions identified for conversion to PCS, and to provide an expedited pathway for PCS appointments.

Option B:

Conduct the appropriate exam for each identified position in accordance with DHR procedures and the Civil Service Rules.

Under both Option A and B, the Union and the City agree to use “rule of the list” as the default certification rule for all eligible lists positions identified through this process.

Step 3: Duration of Probationary Period

If the successful candidate in the converted position has served in the hiring Department for at least

APPENDIX H

2080 hours in the same classification, then the employee's probationary period shall be 40 hours, excluding any time off for leave, vacation, other types of time off (not including legal holidays), or overtime.

This process will not supersede Article II.B. Probationary Period in the parties' MOU unless expressly agreed upon by the parties.

The parties agree to meet bimonthly for Fiscal Year 2024 - 2025 to address issues related to identification and conversion. Thereafter, the parties agree to meet quarterly.

PROVISIONALS

Prior to October 1, 2024, the City and the Union shall meet to review all provisional appointees hired prior to July 1, 2024 by classification represented by IFPTE, Local 21.

By December 31, 2024, the City shall present an anticipated civil service examination plan for all Job Classifications with provisional appointments hired prior to July 1, 2024.

The City and the Union shall meet and make joint proposals to the Civil Service Commission requesting Civil Service Rule changes to the hiring process to provide current provisional appointees an expedited opportunity to transition to permanent civil service.

The Union and the City agree to use "rule of the list" as the default certification rule for all eligible lists established through this process.

The parties agree to meet bimonthly for Fiscal Year 2024 – 2025 to address issues related to provisional appointments. Thereafter, the parties agree to meet quarterly to continue to review and transition provisional employees to Permanent Civil Service (PCS) status.

SIDELETTER

Health at Home Productivity

The National Association for Home Care and Hospice and the California Association for Health Services at Home provide best practices and guidelines for health at home programs and recommend basing patient visits per day on factors like geography and patient acuity. To better ensure the financial sustainability of the Health at Home program and to be consistent with best practices for providing high-quality care to patients, the Department of Public Health (DPH) and the Union are committed to moving towards such an acuity-based and geography-based model to determine patient visits per day for employees who work in the Health at Home program.

DPH will meet with affected staff to review alternate models and to solicit recommendations for implementation of a new model. Prior to implementation of the new model, DPH will provide notice to Local 21 regarding any changes in developing the model, negotiate over matters within the scope of bargaining, and meet and confer with the Union on any impacts of the change.

Until the new model is implemented, productivity standards shall be as described herein:

The Productivity Standard for Health at Home is the following (or its equivalent):

Four (4) case manager revisits per day, or
Five (5) non-case manager revisits per day (Carry-calls)

It is understood, reflecting the Oasis paperwork required on these visits that, in calculating the above standard:

1. A new referral or new admission is equal to two (2.0) revisits.
2. A re-certification visit is equal to 1.5 revisits.
3. A resumption of care visit is equal to 1.5 revisits.

These standards will expire and will no longer be applicable effective June 30, 2027 or as soon as practicable thereafter should more time be needed to implement the new model.

SIDE LETTER AGREEMENT

RE: DHR HIRING PROPOSALS

The parties are entering into this side letter to identify and set in motion, to the extent permissible under the San Francisco City Charter and Civil Service Rules, expedited selection processes to address the City's current vacancy rate in permanent civil service positions and reliance on project-based (Charter section 10.104.18) positions. Given the significant number of vacancies, expected retirements, and reliance on overtime and temporary employees, the parties recognize the urgency to make changes to the City's hiring processes in order to best deliver critical services to the public.

First, the Department of Human Resources is committed to using existing tools and resources to streamline City hiring processes, including:

- eliminating unnecessary administrative approvals for a position request to fill (RTF);
- expanding the use of online on-demand exams and continuous class-based testing;
- modifying or adopting new screening and assessment tools to evaluate applicants for entry-level and promotional exams; and
- streamlining hiring selection and approval processes to deliver qualified candidates to departments more quickly.

Second, the parties recognize that under the City Charter section 10.101, the Civil Service Commission has the legal authority to establish examination and appointment rules, and many of those rules must either be amended, updated or rescinded to provide a merit-based system that better serves applicants, City employees and departments.

To that end, the DHR Director will seek appropriate Civil Service Rule amendments to allow the City to fill vacant permanent positions more rapidly, including amendments that will make it easier for Charter Section 10.104.18 (Category 18) employees to seek Permanent Civil Service (PCS) appointments. These Civil Service Rule changes may include:

- using rule of the list as the default certification rule for certain examination types;
- developing alternative merit-based selection processes to allow Category 18 employees to apply for and be appointed to Permanent Civil Service (PCS) positions;
- changing the types of matters appealable to the Civil Service Commission;
- reducing the minimum posting periods for Civil Service examination announcements; and
- other changes to the Civil Service Rules to allow for expedited hiring.

The City and the Union agree to meet as soon as practicable to discuss making joint proposals to the Civil Service Commission requesting the Civil Service Rule changes described above.

SIDELETTER

Nothing in this side letter shall prevent either party from proposing rule changes, making recommendations, or taking other actions at the Civil Service Commission outside of the process set forth in this side letter to streamline City hiring processes.

SIDELETTER AGREEMENT
Standby Pay & Call Back

In the event of a system level emergency (excluding municipal fiber, radios and broadcasting):

1. Engineers assigned to Standby “shall respond immediately when paged or called.” (Local 21 MOU, Paragraph 271.)
2. Employees who are not on standby may also be called back to work in accordance with Paragraph 273 of the Local 21 MOU (“Call Back”). The call-back provision in the Agreement does not place a mandatory burden on employees to be available for after-hours work. Instead, it provides conditions in the event an employee is able and willing to respond to a call to return to work after the end of the workday.

This is a reminder that the Network Operations Center (NOC) contacts DT staff on their cell phone or with Everbridge to support the emergency response and should an employee be contacted, DT expects that the employee will respond if at all possible. All provisions relative to call back pay or compensatory time will apply. These provisions will also apply should the employee be able to resolve the problem remotely.

The City has entrusted DT with support for mission critical infrastructure, communications and business systems. DT senior staff provide 24-hour on-call support to ensure rapid recovery from software or hardware problems for mission-critical systems and networks. The Callback function further supports this mission. When an employee is called back under these conditions, the Department expects able and available employees to answer and respond to the call. If you are unable to respond, the NOC will note that and try to locate someone else with the needed skills.
