Backwards thinking politicians believe that giving more never-ending second chances and more of our tax dollars to the homeless, to drug users, and to criminals, will reduce crime. This backwards thinking insanity is the reason why vagrants are allowed to defecate everywhere on the streets, why people are allowed to use drugs in public spaces, and why criminals are given never-ending second chances. Let's stop protecting criminals and let's start protecting our families. As the former President of Local 250A, I was able to open the books and expose theft and corruption in the organization. This allowed me to grow our bank account from negative \$80,000 to positive \$600,000 within just three years. In this same manner, we need to open the books in City Hall and expose where the money is going, so that we can start fixing this broken system. Let's cut the red tape, the bickering, and the BS inside City Hall which hinders us from being able to implement the necessary safety programs that are needed in order to protect our families. It's time to clean the streets, fix the potholes, sanitize the buses, put students in school, workers to work, and criminals in jail.

The names of candidates appear on the official ballot in traditional Chinese characters as well as in English. The Department of Elections can provide this transliteration or translation for candidates for local office, or the candidate may provide documentation of established use of a name in Chinese.

If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate that they have been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

**Check one option (provide supporting documentation):**

- I request that the Department of Elections, working with a qualified Chinese-language translator, provide a Chinese transliteration or translation of my name for all materials where it is legally required.
- I am providing documentation of established use of a particular Chinese transliteration or translation of my name for the Department to review. I understand that the Department's decision whether to accept a proposed transliteration or translation is final.
- I have a character-based name by birth and am providing supporting documentation of this name.

# Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

## Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
  - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

### Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

## Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

### Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

## Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2023 annual statement, **do not** change the pre-printed dates to reflect 2024. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2024, through December 31, 2024, will be disclosed on your statement filed in 2025. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

## Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please **do not** attach any blank schedules.

## Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original "wet" signature unless filed with a secure electronic signature. (See page 3 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements.

**When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.
