ARTICLE I - REPRESENTATION

AGREEMENT

1. This Agreement is entered into by the City and County of San Francisco hereinafter "City" and the Municipal Executives Association (hereinafter "Association"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Association, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. Recognition

2. The City acknowledges that the Association has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the City's Employee Relations Ordinance for bargaining unit 32 and designated as groups M, EM and M-SA, M-DA as listed in Appendix A.
3. Recognition shall only be extended to individual classes accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Association the City will meet and confer concerning proposed changes to bargaining units.
4. Successor job codes resulting from the consolidations or divisions of classes currently represented by MEA shall continue to be subject to this MOU.
5. The City agrees to recognize the Association as the collective bargaining representative of any job code which constitutes a successor job code to a job code which the Association currently represents. Where there is question as to whether or not a new job code is a successor class, the Department of Human Resources shall make the final determination, which shall be appealable pursuant to the Employee Relations Ordinance.
6. Issues related to job code descriptions shall be subject to meet and confer process with final review and approval by the Civil Service Commission, not subject to grievance or arbitration.

I.B. Intent

7. It is the intent of the parties that the provisions of this Agreement shall become binding upon adoption or acceptance by the City and ratification by the general membership of the Association, or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.409.
8. Pursuant to the provisions of the Meyers-Milias-Brown Act, as amended, the City agrees to meet and confer with the Association in advance of any proposed changes in working conditions within the scope of representation except as provided elsewhere in this Agreement.

ARTICLE I - REPRESENTATION

I.C. No Strike Provision

9. During the term of this Agreement the City will not lock out the employees who are covered by this Agreement. This Association and the employees shall not strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike during the term of this Agreement.

I.D. Meet and Confer Responsibility During the Term of The Agreement

10. Except in cases of emergency involving an imminent or substantial threat to the public health or safety or as otherwise provided in this Agreement, the City shall give reasonable written notice to the Association of proposed changes directly relating to matters within the scope of representation as specified in Government Code Section 3504.5. The Association shall be provided with the opportunity to meet and confer with regard to any such proposed change should it desire to do so.
11. In cases of emergency when the City determines that a proposed change as described herein must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such change.
12. If the Association does not respond within ten (10) working days from the date of mailing of written notification of a proposed change as described in Paragraphs 10 and 11 hereof, the Association shall be deemed to have waived its opportunity to meet and confer on the proposed change.
13. If the Association timely requests the opportunity to meet and confer as provided herein, the City agrees to meet and confer with the Association over such proposed change or changes within ten (10) days of receipt of such timely request, unless a longer period of time is mutually agreed upon, in order freely to exchange information, opinions and proposals and to endeavor to reach agreement on the proposed change or changes.

I.E. Management Rights

14. Except as otherwise provided herein, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
15. Except as otherwise provided herein, the City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted.

ARTICLE I - REPRESENTATION

16. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment whenever memoranda of understanding providing a grievance procedure are in full force and effect.

I.F. Official Representatives

17. The Association shall furnish to the Department of Human Resources Employee Relations Division a written list of Union Representatives with their assigned roles. The Union shall amend the list as needed to ensure that the list is accurate and up to date.
18. The Association may select as many as five (5) members of the Association to attend during regular duty or work hours without loss of compensation, meetings scheduled with the Civil Service Commission, the Department of Human Resources, the Director of Employee Relations, or designee, when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings.
19. Release time shall be provided for MEA representatives to participate in disciplinary meetings, grievance meetings, meet and confer sessions and other labor relations matters with the City. Release time shall not be withheld unreasonably.
20. In scheduling meetings, reasonable consideration shall be given to the operating needs and work schedules of the particular employee's and representatives' department(s).
21. No representative may leave the duty or work station without specific approval of his supervisor.
22. Representatives shall be responsible for the performance of their work load consistent with release time approved pursuant to rules established herein.
23. The Association shall advise the City of any changes with its staffing as it relates to representation.

I.G. Association Access

24. The City shall provide Association reasonable access to all work locations, including employee break areas, to verify compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below, as well any rules and regulations agreed to by the City agency or department and the Association.
25. Association agrees that its access to work locations will not disrupt or interfere with a City agency or department's mission and services or the work of employees, or involve any political activities.

ARTICLE I - REPRESENTATION

26. Association representatives must identify themselves upon arrival at a City agency or department. Association representatives may use City meeting space with a reasonable amount of advance notice and approval from the City agency or department, subject to availability.
27. The City may require an agency or department representative to escort Union representatives when the Union representative seeks access to a work area where confidential or secure work is taking place, when the department would require an escort for other non-employees.
28. Nothing in this Section is intended to disturb existing City agency or departmental Union access policies. Further, City agencies or departments may implement additional rules and regulations after meeting and conferring with the Union.

I.H. Labor/Management Committee

29. The parties shall establish a Labor/Management Committee with two (2) members from the Union and two (2) members from the City. Additional members may be invited to a meeting on a case-by-case basis subject to mutual agreement of the parties.
30. Upon request by the Union, the Labor/Management Committee shall meet quarterly. By agreement of the parties, the Committee may meet as needed on matters of concern to either party arising during the term of this Agreement, including, but not limited to, grievances and arbitrations, investigations, severances, reassignments, workplace bullying, supervisory differential adjustments, acting assignments, and the City's use of personal service contracts.
31. The Department and the Union will attempt to agree on dates and agendas in advance so that a reasonable number of topic-appropriate Union and Department representatives may attend. Ten (10) days' notice shall be given by the moving party along with a written proposed agenda. The agenda for each LMC meeting will be determined by management and the Union and will be circulated to LMC members prior to each scheduled meeting. If neither party submits agenda items 10 days before the LMC meeting, the meeting will be canceled.
32. By mutual agreement, the Labor/Management Committee may establish sub-committees as needed to consider and recommend solutions to workplace issues and concerns.
33. The parties acknowledge that unless mutually agreed, this Committee, or any established sub-committee, shall not bargain over changes in wages, hours, and working conditions of MEA represented employees.

I.I. Grievance Procedures

34. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

ARTICLE I - REPRESENTATION

1. Definition

35. A grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement. Grievances may be filed only by the Association. The Association may only grieve discipline for permanent civil service employees who have passed probation.

36. The Association and the City agree that grievances must include the following:

- a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employee or employees;
- b. The section(s) of the contract which the Association believes has been violated; and
- c. The remedy or solution being sought by the Grievant.

37. The City will return any grievance that does not include the information specified above. The Association may resubmit a new grievance with the missing information, with all dates and other provisions triggered off the new submission date.

38. Written reprimands are not subject to the grievance procedure; provided however, that employees shall be entitled to submit a written rebuttal to any written reprimand within thirty (30) days from the date of the reprimand. The City will attach a timely rebuttal to the reprimand and place it in the employee's official personnel file with the reprimand.

39. In the event that an individual or a group of individuals elect(s) to file a complaint with any governmental agency or court alleging a factual basis which is also the basis of a grievance, the Association agrees that any grievance filed on behalf of the individual(s) will be held in abeyance pending the individual's election of remedies. If an individual or group of individuals elect(s) another remedy the grievance shall be deemed withdrawn.

2. Time Limits

40. The time limits set forth herein may be extended or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day," including weekends and holidays.

41. Any deadline date under this procedure that falls on a Saturday, Sunday or holiday shall be continued to the next business day.

3. Steps of the Procedure

42. Except as otherwise specifically provided, all grievances must be initiated at Step 1 of the grievance procedure. In the event the City disagrees with the level at which the grievance is filed the City may submit the matter to the Step it believes is appropriate for

ARTICLE I - REPRESENTATION

consideration of the dispute. The step procedures set forth herein may be modified or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing.

NON-EXECUTIVE MANAGEMENT EMPLOYEES

43. Except as otherwise specifically provided in subsection 10, a grievance affecting more than one employee shall be filed at Step 2 with the appointing officer. In such event, the Association must provide a list of all employees, their classifications, department and the nature of the grievance, including the specified injuries.
44. Grievances affecting more than one department shall be filed at Step 3 with the Employee Relations Division and include the same information as in the preceding paragraph.
45. **Grievances related to discipline of an employee must be submitted initially at step 3 of this procedure within fifteen (15) calendar days of the final notice of discipline.**
46. An employee shall first attempt to resolve the alleged violation informally with the employee's immediate supervisor.
47. Step 1: If the alleged violation is not resolved informally with the immediate supervisor, the Association will submit the grievance on behalf of the represented employee in writing to the immediate supervisor within thirty (30) calendar days of the date of the occurrence of the act or the date the represented employee might reasonably have been expected to have learned of the alleged violation.
48. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.
49. Step 2: If dissatisfied with the supervisor's response at Step 1, the Association, on behalf of the individual grievant, may appeal to the Appointing Officer, in writing, within fifteen (15) calendar days of receipt of the Step 1 response. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason(s) for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer may convene a meeting within fifteen (15) days with the grievant and the grievant's Association representative. The Appointing Officer shall respond in writing within twenty (20) days of the meeting or receipt of the appeal, whichever is later.
50. Step 3: If dissatisfied with the Appointing Officer's response at Step 2, the Association, on behalf of the individual grievant, may appeal to the Director, Employee Relations, in writing, within fifteen (15) days of receipt of the Step 2 response. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason(s) for

ARTICLE I - REPRESENTATION

rejecting the lower step response and advancing the grievance to the next step. The Director may convene a grievance meeting within fifteen (15) days with the Association and the represented employee. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.

51. Step 4: If the Association is dissatisfied with the Step 3 response it may appeal by notifying the Director, Employee Relations, in writing, within twenty (20) days of the Step 3 decision that arbitration is being invoked. The ERD Director shall issue a letter referring the Association to the City Attorney’s Office. The Association shall contact the City Attorney’s Office by letter, copied to the Employee Relations Director, via US mail, within thirty (30) days of the date of the ERD Director’s letter referring the Association to the City Attorney’s Office. If the Association fails to contact the City Attorney’s Office within thirty (30) days of that letter, the grievance is deemed withdrawn.

EXECUTIVE MANAGEMENT EMPLOYEES

52. Step 1: If the alleged violation is not resolved informally with the immediate supervisor, the Association will submit the grievance on behalf of the represented employee in writing within thirty (30) calendar days of the date of the occurrence of the act or the date the represented employee might reasonably have been expected to have learned of the alleged violation. The Step 1 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason(s) for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer may convene a meeting within fifteen (15) days with the grievant and the grievant's Association representative. The Appointing Officer shall respond in writing within twenty (20) days of the meeting or receipt of the appeal, whichever is later.

53. Step 2: If the Association is dissatisfied with the Step 1 response it may appeal by notifying the Director, Employee Relations, in writing, within twenty (20) days of the Step 1 decision that arbitration is being invoked. The ERD Director shall issue a letter referring the Association to the City Attorney’s Office. The Association shall contact the City Attorney’s Office by letter, copied to the Employee Relations Director, via US mail, within thirty (30) days of the date of the ERD Director’s letter referring the Association to the City Attorney’s Office. If the Association fails to contact the City Attorney’s Office within thirty (30) days of that letter, the grievance is deemed withdrawn.

Notwithstanding the Association’s appeal to arbitration, the Director may, within 15 days of the appeal, schedule a settlement meeting with the Association.

FOR ALL ARBITRATIONS

ARTICLE I - REPRESENTATION

4. Selection of the Arbitrator

54. The parties shall select an arbitrator from the list of panelists attached hereto as Appendix B. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) days the arbitrator shall be selected from the permanent panel by utilizing a strike-off procedure.

5. Authority of the Arbitrator

55. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

6. Fees and Expenses of Arbitrator

56. a. Arbitrator Fees

The fees and expenses of the Arbitrator and court reporter shall be shared equally by the Association and the City. Mutual agreement is required for payment of fees when either party is requesting a Court Reporter. Transcripts shall not be required. If a party requests a transcript, that party shall be solely responsible for the cost.

50. b. Attorney's Fees and Costs

The parties shall bear their own legal expenses and costs for grievances. Each party expressly waives any right to an award of attorney's fees or costs in any grievance proceeding.

7. Hearing Dates and Date of Award

58. Hearings shall be scheduled within forty-five (45) days of selection of an arbitrator. Awards shall be due within forty-five (45) days following the receipt of closing arguments.

8. Monetary Relief

59. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

9. Failure to Respond

60. Except as otherwise provided herein, a grievance shall be void in the event a grievance is not initiated or appealed through the steps in accordance with the time periods set forth above. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

10. Immediate Dispute Resolution

ARTICLE I - REPRESENTATION

61. In the event there is a dispute regarding the interpretation or application of this Agreement that imminently affects the Association or a substantial number of members represented by the Association, and that will result in harm for which monetary relief would be an insufficient remedy, either the City or the Association may request suspension of the grievance process as described in section 3 of this Section and proceed to immediate dispute resolution discussions with the Director of Employee Relations. The Director shall schedule and conclude discussions within twenty (20) days of receipt of a written request by either party and the action triggering the request for immediate dispute resolution may be stayed upon mutual agreement.
62. Should the dispute still not be resolved it may be submitted directly to an arbitrator selected in accordance with the procedure detailed below.
63. If the parties cannot otherwise agree, an arbitrator shall be selected by the parties from an arbitrator provided in Appendix B. The first arbitrator, selected at random by the parties, available within a two week period shall be selected.
64. There will be no post-hearing briefs in an immediate arbitration unless such briefs are requested by the arbitrator.
65. This section may not be invoked for disciplinary grievances.
11. Petitions to Compel Arbitration
66. The prevailing party in any petition to compel arbitration shall be awarded reasonable attorneys' fees and costs.
12. Expedited Arbitration
67. Grievances for disciplinary suspensions of ten (10) days or less shall be resolved through an expedited arbitration process. By mutual written agreement the parties may submit other grievances to this expedited arbitration process. In order to provide for prompt hearings under this process, the parties agree to strike from the arbitrators listed in Attachment B, except that when an expedited arbitration case arises, the parties shall first limit the list to those arbitrators who have identified availability within six (6) months of the parties' inquiry. Whether the Association or City deletes the first name in the alternating process shall be determined by lot.
68. Each expedited arbitration hearing for five days suspension or less will last a maximum of two hours. Each expedited arbitration hearing for six through ten days suspension will last a maximum of four hours. The parties agree not to utilize court reporters or electronic transcriptions, nor to permit post-hearing briefs. These decisions will be final and binding, and shall not be used in any other cases except those of the grievant involved, unless otherwise agreed.

ARTICLE I - REPRESENTATION

69. Each party shall bear its own expenses in connection with the expedited arbitration. All fees and expenses of the arbitrator shall be shared equally by the parties.
70. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

ARTICLE I - REPRESENTATION

I.J. Union Security

1. Authorization for Payroll Deductions

71. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. "Contributions" as used in this Section I.I. means Union membership dues, initiation fees, premiums for Union-sponsored insurance programs, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.
72. b. The City shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
73. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for City contributions.
74. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
75. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.
76. f. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work,

ARTICLE I - REPRESENTATION

home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contribution amount deducted.

77. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedures, or it receives an order from a court administrative body directing the City to change or cancel the deductions for one or more employees.
78. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

79. Except where prohibited by state or federal law, the Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the City's compliance with this Section I.I. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union, (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions relating to compliance with this Section I.I. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contribution deduction, as provided in subsection 1.

After the discipline decision, the City shall also provide the Association with the Skelly Officer’s report. The Association will also receive any written recommendation from the Skelly to the appointing officer. As to such disciplinary action, an employee may respond in writing, and such response will be maintained in the employee’s personnel file, if the Appointing Officer imposes suspension or termination.

The City shall track all appointments into ranges A, B, and C in Fiscal Year 2024-2025 and shall provide quarterly updates to MEA of the amount of the adjustment and the recipient.

An employee transferred from one department to another, but in the same job code, shall transfer at the employee’s current salary, and if the employee is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former department.

b. Reemployment in Same Job Code Following Layoff

210. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid the salary step attained prior to layoff.

D. MCCP

The provisions of this Section III.G.2. for Appointments, Step Increases, and Compensation Upon Transfer or Reemployment do not apply to employees allocated to the Management Classification/Compensation Plan (MCCP), or to employees whose designated pay plan is based on the pay plan of an MCCP-allocated position, except that Section III.G.2.A.a.1. shall apply to employees who are promoted into an MCCP class. Initial allocation to an MCCP class is not a promotion for purposes of this paragraph.

III.I. Methods of Calculation

212. Monthly. An employee whose compensation is fixed on a monthly basis shall be paid monthly or bi-weekly in accordance with State Law or other applicable provision. There shall be no compensation for time not worked unless such time off is authorized time off with pay.
213. Bi-Weekly. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for the employee’s position for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

ARTICLE III – PAY, HOURS AND BENEFITS

214. Per Diem or Hourly. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.
215. Weekly. An employee whose compensation is fixed on a weekly basis shall be paid bi-weekly for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.
216. Conversion of Annual or Monthly Rates to Bi-Weekly Rates. 217. a. A fraction of less than one-half (1/2) shall be dropped and the amount reduced to the next full cent.
218. b. A fraction of one-half (1/2) or more shall be increased to the next full cent.
219. Daily Rates for Monthly and Bi-Weekly Employees. A day's pay shall be determined by dividing the number of work days in a normal work schedule in a monthly payroll period (including specified holidays) into the monthly salary established for the position, or the amount of a day's pay shall be 1/10th of the compensation of a normal work schedule in a bi-weekly period (including specified holidays).
220. Conversion to Bi-Weekly Rates. Rates of compensation established on other than bi-weekly basis may be converted to bi-weekly rates by the Controller for payroll purposes.

III.J. Work Schedules

1. Regular Work Schedules

221. Regular Work Day. Unless otherwise provided in this Agreement, a regular workday is a tour of duty of eight (8) hours of work completed within not more than twenty-four (24) hours.
222. Regular Work Week. The Appointing Officer shall determine the work schedule for employees in the Appointing Officer's department. A regular work week is a tour of duty of five (5) worked days within a seven day period. However, employees who are moving from one shift or one work schedule to another may be required to work in excess of five working days in conjunction with changes in their work shifts or schedules.

2. Night Duty

ARTICLE III – PAY, HOURS AND BENEFITS

223. Employees who, as part of their regularly scheduled work shift, are required to work any hours between (five) 5:00 p.m. and (seven) 7:00 a.m. shall receive a night duty premium. Employees shall be paid eight-and-one-half percent (8.5%) more than the base rate for each hour regularly assigned between 5:00 p.m. and midnight (12:00 a.m.) provided that the employee's regular shift includes at least one (1) hour of the employee's shift between 5:00 p.m. and midnight (12:00 a.m.). Employees shall be paid ten percent (10%) more than the base rate for each hour regularly assigned between the hours of midnight (12:00 a.m.) and 7:00 a.m. if the employee works at least one (1) hour of their shift between midnight (12:00 a.m.) and 7:00 a.m. Excluded from this provision are those employees who participate in an authorized flex-time program where the work shift includes hours to be worked between the hours of (five) 5:00 p.m. and (seven) 7:00 a.m. Day shift employees assigned to work during the night duty premium hours are not eligible for night duty premium. Payment of this premium shall be made for actual hours worked.

3. Alternate Work Schedule

224. By mutual agreement the City and the Association may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include, but are not limited to, core hours flex-time; full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on five (5) day, forty (40) hour a week schedules.

4. Voluntary Reduced Work Week

225. Employees subject to the approval by the Appointing Officer may voluntarily elect to work a reduced work week for a specified period of time. Such reduced work week shall not be less than twenty (20) hours per week. Pay, vacation, holidays and sick pay shall be reduced in accordance with such reduced work week.

III.K. Management Leave

1. Compensatory Time-Off (CTO)

226. Employees who promote from a job code that is not covered by this Agreement into a job code that is covered by this Agreement and who have unused compensatory time off balances in the prior class shall be permitted to carry forward into the new class earned but unused compensatory time off balances up to a maximum of 100 hours. MEA covered employees shall have no right to accrue new CTO in the future. The parties intend that employees with CTO balances in excess of 100 hours shall not be unreasonably denied the ability to use CTO hours.

2. Management Leave

ARTICLE III – PAY, HOURS AND BENEFITS

227. Employees are required to work the days and hours necessary to perform the job duties of their positions and shall schedule their time accordingly. Employees shall receive five (5) days of paid management leave per year. Up to five (5) days of unused management leave shall be carried over into subsequent years. Management leave may only be taken in paid time off and cannot be "cashed out." Use of management leave must be approved in advance as required by department policy.

3. Administrative Leave

228. Employees who have unused accrued Administrative Leave earned under provisions of the 2014 – 2019 MOU as of June 30, 2019, may use such balances until June 30, 2025.

III.L. Exceptions to Normal Work Schedules for Which No Extra Compensation Is Authorized

229. Employees are not permitted to earn overtime pay. Pursuant to the Annual Salary Ordinance, employees may receive overtime, subject to the availability of funds, pursuant to approval of the Director of Human Resources. Overtime payments shall be limited to extraordinary circumstances which cannot be anticipated or addressed through normal scheduling and assignment of available personnel.

III.M. Pyramiding of Premiums

230. Each premium shall be separately calculated against an employee's base rate of pay. Premiums shall not be pyramided.

III.N. Notice or Pay in Lieu Thereof

231. The City agrees that when involuntarily removing or releasing from employment a represented employee, the appointing officer will endeavor to inform the employee in writing at least thirty (30) calendar days before the employee's final day of work. Where the appointing officer fails or declines to inform the employee a full thirty (30) days in advance, the employee shall receive pay in lieu of the number of days less than thirty (30) upon which the employee was informed. The City agrees that pay in lieu of notice will be paid, with vacation leave accrual balances, within two payroll periods from the date of the involuntary removal or release.

1. Layoff of Non-Exempt Employees

232. In lieu of the above, when a represented employee in a permanent civil service position is laid off due to lack of work or lack of funds, the appointing officer will endeavor to inform the employee in writing at least sixty (60) calendar days before the employee's final day of work. Where the appointing officer fails or declines to inform the employee a full sixty (60) days in advance, the employee shall receive pay in lieu of notice for the number of days less than sixty (60) upon which the employee was informed. The City

ARTICLE III – PAY, HOURS AND BENEFITS

agrees that pay in lieu of notice will be paid, with vacation leave accrual balances, within two payroll periods from the date of layoff. The Association or the employee may request a *Levine* hearing within ten (10) days of receiving the sixty (60) day-notice of layoff. In such event, the City will schedule the hearing before the expiration of the notice period.

2. Return to an Underlying Position

233. Notwithstanding the preceding paragraphs, an employee who has permanent civil service status in a position and who returns to that position according to the Civil Service Rules upon involuntary separation from the employee’s MEA position will be entitled to receive as pay in lieu of notice, for the time prescribed above, the difference between the pay of the employee’s former MEA position and the employee’s pay in the underlying permanent civil service position.

III.O. Severance Pay

1. Employees Without Permanent Civil Service Status

234. Except as otherwise provided in this Section III.O., the City agrees that when involuntarily removing or releasing from employment a represented exempt employee, the employee shall also receive one week’s severance pay for each full year of continuous City service, up to a maximum of 26 weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee’s employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the City including any officer or employee thereof.

235. This release shall be in a form acceptable to the City and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of notice or severance pay due under Section III.N. or this Section III.O. Failure by the City to provide a general release within thirty (30) days of an involuntary removal or release will result in an automatic extension of the paid notice period until the release has been provided. The City will obtain signatures from its representatives on the severance agreement within a reasonable period after receipt by the City of the severance agreement signed by the employee and MEA.

2. Employees With Permanent Civil Service Status

236. Except as provided otherwise in this Section III.O., in the event the City involuntarily separates or returns an employee to an underlying permanent job code, that employee may elect to separate from City Service and shall receive one week’s severance pay for each full year of continuous City service, up to a maximum of 26 weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee’s employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the City including any officer

ARTICLE III – PAY, HOURS AND BENEFITS

or employee thereof. If the employee declines to elect severance within ten (10) working days of receiving an offer of severance, then the City will afford the employee all due process and appeal rights available under this Agreement, and no severance pay will be available to the employee.

237. This release shall be in a form acceptable to the City and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster) a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of notice or severance pay due under Section III.R. or this Section III.O. Failure by the City to provide a general release, if the employee elects to fully separate from City service, within thirty (30) days of notice from the employee or MEA of the employee's election, will result in an automatic extension of the paid notice period until the release has been provided. The City will obtain the required signatures on the severance agreement within a reasonable period after receipt by the City of the severance agreement signed by the employee and MEA.
238. The City agrees to provide MEA with a current template for the release applicable to standard severance cases. This template may be updated as determined by the City. When such changes occur, the City will promptly provide an updated release template to MEA.
239. In order to receive severance pay, an eligible employee or MEA must notify the Appointing Officer or designee that the employee elects to receive severance pay within thirty (30) days of notification of involuntary release or removal from employment.
240. Payment of severance is dependent upon approval by the Appointing Officer, Controller and the Human Resources Director. Approval will be based on a good faith consideration of whether the employee's removal or release was involuntary, was initiated by the Appointing Authority, and was in the best interests of the City; and whether the termination of employment was based on conduct involving misappropriation of public funds or property, misuse or destruction of public property, mistreatment of persons, or acts which would constitute a felony or misdemeanor. Additionally, an employee eligible for severance pursuant to Sections III.O.1. and III.O.2. above may receive severance pursuant to either, but not both.
241. Any employee accepting severance pay is ineligible to be appointed to City service under Charter Section A8.511 (a Proposition F appointment) in the department from which the employee was released for two years from the date of release.

No compensation of any kind shall be earned or granted for floating holiday hours not taken.
246. Employees who have established initial eligibility for floating days off and subsequently separate from City employment, may at the sole discretion of the appointing authority, be granted those floating day(s) off for which the separating employee was eligible and had not yet taken off.
247. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States shall be a holiday.
248. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under the department head's jurisdiction on such preceding Friday so that

The City shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.

2. In-Lieu Holidays

249. An employee required by the employee's Appointing Officer to work on any of the above specified holidays is entitled to an in-lieu holiday to compensate for the holiday worked, to be scheduled as described below.
250. Requests for in-lieu holidays shall be made to the appropriate management representative within thirty (30) days after the holiday is earned and must be taken within the current or next fiscal year.
251. In-lieu days will be assigned by the appointing officer or designee if not scheduled in accordance with the procedures described herein.

3. Holidays for Employees on Work Schedules Other Than Monday Through Friday

252. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off.
253. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.
254. The provisions of this section shall apply to part-time employees on a pro-rata basis.
255. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, the employee shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

4. Holiday Pay for Employees Laid Off

256. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.

ARTICLE III – PAY, HOURS AND BENEFITS

5. Employees Not Eligible for Holiday Compensation

257. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status immediately preceding or immediately following the legal holiday shall not receive holiday pay.

6. Part-time Employees Eligible for Holidays

258. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.

259. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total number of hours the employee is regularly scheduled to work in a bi-weekly pay period. The computation of holiday time off shall be rounded to the nearest hour.

2. Sick Leave with Pay Limitation

265. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the net amount the employee would have earned for a regular work schedule minus premium pay adjustments. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.
266. San Francisco Administrative Code, Chapter 12W, Paid Sick Leave Ordinance is expressly waived in its entirety with respect to employees covered by this Agreement.

278. Effective January 1, 2015, for employees with at least six (6) months' continuous service who are enrolled in the Health Service System, the City shall provide, at its own cost, a Long-Term Disability (LTD) plan for represented members enrolled in Employee Plus Two or More. That plan will include, among other provisions, a ninety (90) day elimination period.
279. Effective January 1, 2023, for all employees with at least six (6) months' continuous service who are enrolled in the Health Service System, the City shall provide, at its own cost, a Long-Term Disability (LTD) benefit that provides sixty-six and two thirds percent salary (66 2/3%) (subject

to integration) up to age sixty-five (65). That plan will include, among other provisions, a ninety (90) day elimination period.

280. The parties acknowledge that the City’s ordinances – which establish and administer the City’s Catastrophic Illness Program (“CIP”) – specify and control the criteria under which persons can participate in the CIP.
281. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.
282. The City acknowledges its obligation to provide the cafeteria plan and its benefits. If the City is responsible for a violation of this Section (III.U), the City acknowledges that it is responsible to make the affected member whole, which may include providing the covered benefits described in the plan at issue or reimbursing the member for the cost of providing those benefits, as appropriate. The City agrees to make best efforts to expedite resolution of problems and disputes arising under this section.

III.V. Provisional, Temporary and Temporary Exempt Eligibility for Health Service System

283. Provisional, temporary and temporary exempt employees who have served more than 1,040 hours of continuous service, whose regular work week at the time of inclusion in the system is not less than twenty (20) hours, shall be eligible for membership in the Health Service System (health plan coverage).

III.W. Retirement

284. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that an MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
285. Represented employees who are members of SFERS agree to pay their own retirement contribution to SFERS. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up one-half percent (0.5%) of the employee retirement contribution to SFERS.
286. The following is provided for informational purposes only. The Charter currently mandates a 7.5% contribution for miscellaneous employees who became members of SFERS on or after November 2, 1976, and 8.0% for miscellaneous employees who became members of SFERS prior to November 2, 1976. In addition, it provides for an increase or decrease to those contributions based upon the City’s contribution to SFERS:

287. Employee payment of employee contribution to CalPERS

Represented employees in CalPERS shall pay the employee share of mandatory retirement contributions, effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be considered as part of the bargaining unit member’s compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay,

ARTICLE III – PAY, HOURS AND BENEFITS

and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or percentage of, salary; and

(iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

288. Any City pickup of an employee’s mandatory contributions shall not be considered as a part of an employee's compensation for the purpose of computing straight time earnings or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of, or percentage of salary.

289. The retirement benefits for class 8315 Assistant Sheriff and class 8348 Undersheriff are established by Charter Section A8.506, which authorizes the Board of Supervisors to enter into a contract with the Public Employees Retirement System (PERS) for that purpose. In connection with any recommendation by the City that the contract with PERS be amended, the Association agrees, on behalf of these employees, to enter into a cost sharing agreement, set forth in a side letter, which shall be filed with the Ordinance approving the contract amendment.

290. CALPERS Prop. C Employee Cost-Sharing:

A. The parties recognize the requirement under Charter Sections A8.409-9 and A8.590-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9 and A8.590-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.

B. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, CalPERS bargaining unit members shall make the mandatory statutory employee contribution described in Section III.Z. (Paragraph 282) plus an additional mandatory contribution to effectuate San Francisco Charter Sections A8.409-9 and A8.590-9 (the “Prop. C contribution”). The Prop. C contribution is determined as set forth in the chart below based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the additional payment to CalPERS (the "Prop. C. Contribution") will be 3% of covered compensation for bargaining unit members, except for members in safety classifications 8315 and 8348. For members in safety classifications 8315 and 8348, the Prop C Contribution will be 3.5% of covered compensation for FY2012-2013.

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);

- (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
- (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid by the City to CalPERS; and
- (vi) will be considered as part of the bargaining unit member's compensation for the purpose

of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of salary.

D. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under Section III.Z. (Paragraph 282) to the extent of the Prop. C Contribution.

Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CALPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4 or A8.590-5, as applicable.

IV.A. Management Training Funds

306. The City shall make available and DHR shall budget \$300,000 each year for the purpose of management training of MEA-represented employees of which up to \$150,000 may be used for the purchase of the equipment described in the following paragraph, to the extent that these items are used in the performance of City duties. Unused funds will not be carried over from year to year, with the exception of \$106,580 which was available from prior year rollovers as of June 30, 2019.
307. Any employee who regularly works at least twenty (20) hours per week with a minimum of one (1) year continuous service in any classification represented by MEA at the time of application is eligible for Management Training Fund reimbursement.
308. Professional development opportunities are intended to allow employees to improve job performance. Until such funds are exhausted, an employee may utilize up to a maximum of \$2,000 per fiscal year for tuition, internal or external training programs, professional conferences, executive coaching, and professional licenses, certificates, and association memberships, professional software, and books and subscriptions. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training, subject to the restrictions of applicable law. No reimbursement shall be made for expenses that are eligible for reimbursement under a Federal or State Veterans benefit program or from other public funds.
309. Employees may also use up to \$1,000 of the maximum funds available to them for the purchase of personal electronic equipment, to the extent that these items would be used in the performance of their City duties. Reimbursement is limited to no more than one device per employee per fiscal year. It is the employee's responsibility to comply with all privacy and security requirements, in accordance with state and federal law, and City and department policies.
310. In addition, subject to approval by the Department of Human Resources and to the extent funds are available, and as permissible under applicable law employees may utilize up to \$1,000 of the funds available to them for that fiscal year under this section IV.A. to pay for the cost of reasonable and necessary travel and lodging outside of the nine Bay Area Counties for approved training. Management Training Funds may not be used for food. The City shall not utilize these funds to supplant existing budgeted training programs.

Only with MEA approval may an employee submit a request for an expense that occurred in a prior fiscal year (i.e., must have already received MEA pre-approval). An employee cannot submit a request for an expense occurring in a future fiscal year. Reimbursements will not be paid until the

Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees without computer access or who otherwise wish to receive a paper statement shall receive assistance to print hard copies of their pay advices through their payroll offices upon request, on a one-time or ongoing basis.

320. In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee’s hours of compensatory time, overtime, and premiums earned during the relevant payroll period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
321. Under the policy, all employees will have two options for receiving pay: direct deposit or bank pay card. Employees not signing up for either option will be defaulted into bank pay cards.

323. The City assures that the pay card shall be FDIC insured. The City further assures that in the event of an alleged overpayment by the City to the employee, the City shall not unilaterally reverse a payment to the direct deposit account or pay card.
324. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.
325. The parties mutually agree that employees may print out pay advices during work hours.

326. The City acknowledges its responsibility to provide a safe and healthful work environment for City employees. The Association agrees that it shares the responsibility for these efforts, as do City employees.
327. When an employee, in good faith, believes that a hazardous or unsafe condition exists, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the Departmental Personnel Officer and/or Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure at Step 3 for final resolution. The employee's assignment shall be continued until the dispute is resolved. An employee who meets the eligibility criteria and program guidelines may apply to participate in the TPP for a maximum of two (2) days each week, coming to work in person three (3) days each week. Employees may telecommute more than two (2) days per week, subject to the approval of the Appointing Officer and the Human Resources Director.

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

APPENDIX F

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
 - E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
 - F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot

APPENDIX F

for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
 2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
 3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.
- G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

- H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

APPENDIX F

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

MEMORANDUM

DHR No. 01-2015

DATE: January 20, 2015
TO: Appointing Officers
 Departmental Personnel Officers
FROM: Micki Callahan, Human Resources Director *Micki Callahan*
SUBJECT: Encouraging Wellness Activities

The City and County of San Francisco launched its Wellness Plan for City employees in the fall of 2014. Wellness is the state of being in good physical and mental health, and the Wellness Plan was sponsored by the Mayor’s Office, the Controller’s Office, the Department of Human Resources (DHR), and the [Health Service System](#).

We chose a workplace wellness program because work time, lunch time, and commute time constitute over 50 percent of an employee’s waking hours on any given workday. Work environments, work culture, and coworkers can influence choices made during the workday, such as what to eat for lunch and what to do on a break. These decisions can have a significant impact on the health of each individual. Developing a culture of wellness will inspire and support healthy choices about exercise, nutrition, preventive care, stress management, and emotional well-being.

To this end, departments are encouraged to allow flexible work schedules where operationally feasible to facilitate the ability of employees to participate in wellness programs in conjunction with the workday. These flexible arrangements could include allowing later or earlier start and end times or longer lunches, with adjustments to start or end times to make up time (with supervisor approval). Floating holidays, vacation, and compensatory time off (CTO) are also available for these purposes.

The appropriate uses of sick leave are detailed in the Civil Service Commission Rules and the City’s [Employee Handbook](#). Sick leave is not generally available for wellness activities unless the activity is delivered or led by a licensed medical professional. Use of sick leave is appropriate when an employee is consulting with a licensed medical provider for such purposes as biometric screenings, flu shots, classes led by nurses or physical therapists, and other preventive care provided by a licensed medical professional.

The following chart provides guidance and examples of when paid leave or flex time may be appropriate:

Activity	Approximate Length of Time	Type of Time
Biometric Screening	30 minutes (15 minute appointments)	Lunch time, flexible scheduling, sick leave, vacation, floating holiday, CTO
Flu Shots	20 minutes (10 minute appointments)	Lunch time, flexible scheduling, sick leave, vacation, floating holiday, CTO
Wellness Coaching	30 minutes (20 minute appointments)	Lunch time, flexible scheduling, vacation, floating holiday, CTO

APPENDIX G

Tobacco Cessation Classes / Weight Management Classes	2-3 hours – 7-10 days	Flexible scheduling, vacation, floating holiday, CTO
Classes Offered by Medical Provider or Health Plan	2 hours	Sick leave, vacation, floating holiday, CTO

AND THE MUNICIPAL EXECUTIVES' ASSOCIATION

Section III.AA. Retirement of the Agreement between the City and the Association provides that in addition to paying any required employee retirement contribution, represented employees in CalPERS shall make a mandatory contribution to effectuate San Francisco Charter Section A8.590-9 (the "Prop. The City has calculated that employees represented by the Association owe a total of Thirty-One Thousand, Four Hundred and Twenty-Nine Dollars, and Fifty-Seven Cents (\$31,429.57) (the "Unpaid Prop. C Contributions"). As part of the economic terms reached by the parties in negotiating the successor Agreement to be effective July 1, 2019, the City has agreed to waive collection of the Unpaid Prop. C Contributions. This Unpaid Prop. C Contribution is recognized as a cost to the City in the successor Agreement.

RE: **CCSF-MEA Negotiations: City's Position Regarding MEA Proposal 1 – Eliminate Bargaining Waiver**

Dear Mr. Adam,

The City and SFMTA agreed to strike the language that was in previous MEA/City/MTA MOUs that states,

During the term of an MOU, disputes regarding changes in wages, hours, benefits and other terms and conditions of employment shall not be subject to the impasse procedures provided in Charter section A8.409 et seq., but may be subject to grievance arbitration.

MEA/City MOU, 2022-24 FYs (¶ 14) and MEA/SFMTA MOU, 2022-24 FYs (¶ 14)

By agreeing to do so, the City does not concede that during the term of the MOU that any disputes regarding changes to the wages, hours, benefits or other terms and conditions of employment are subject to the impasse procedures of Charter section A8.409, et al. In fact, the Charter expressly prohibits such impasse procedures during the term of the MOU. Specifically, the Charter provided,

During the term of an MOU, disputes regarding changes in wages, hours, benefits and other terms and conditions of employment shall not be subject to impasse procedures provided in this part, but may be subject to grievance arbitration.

San Francisco Charter Section 409-3.

The City and SFMTA maintain that notwithstanding the striking of this language from the MOU, the Charter's prohibition on the use of section A8.409's impasse resolution procedures during the term of an MOU govern any such disputes.

The City and SFMTA reserve all rights to enforce the Charter language.
