IMPORTANT NOTE: A ballot designation is optional. If one is requested, a completed **BALLOT DESIGNATION WORKSHEET** must be submitted. If no ballot designation is requested, write "NONE" and initial in the box. (Elections Code §§ 13107, 13107.3)

Ballot Information Name and ballot designation to appear on the ballot

1

I request my name and ballot designation to appear on the ballot as follows:

Connie Chan

Print Your Name for Use on the Ballot

District 1 Supervisor

Print Ballot Designation Requested

Candidate initials box if NO ballot designation is preferred.

Name in Chinese Characters

2

The names of candidates appear on the official ballot in traditional Chinese characters as well as in English. The Department of Elections can provide this transliteration or translation for candidates for local office, or the candidate may provide documentation of established use of a name in Chinese.

If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate that they have been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

Check one option (provide supporting documentation):

- I request that the Department of Elections, working with a qualified Chinese-language translator, provide a Chinese transliteration or translation of my name for all materials where it is legally required.
- I am providing documentation of established use of a particular Chinese transliteration or translation of my name for the Department to review. I understand that the Department's decision whether to accept a proposed transliteration or translation is final.
- I have a character-based name by birth and am providing supporting documentation of this name.
