## Embarcadero Community Advisory Committee

The Embarcadero Community Advisory Committee meets quarterly to address concerns related to the Embarcadero SAFE Navigation Center at Beale Street. The purpose of the group is to maintain transparency with community stakeholders and promote a safe Embarcadero. The committee is dedicated to maintaining communication through delivering information and data, and collaborating with the community.

The current committee is the new iteration of the Embarcadero SAFE Navigation Center Advisory Group (ESNCAG) as The Department of Homelessness & Supportive takes the lead on the advisory group. Information for meetings prior to this transition can be found [here](#).
