

Original: A "YES" Vote Means: If you vote "yes," you want to amend the Charter to define full-duty sworn officer; require the Police Chief to make a report and recommendation on staffing of full-duty sworn officers to the Police Commission on a three-year instead of a two-year basis; require the Commission to report annually to the Board of Supervisors on Department staffing; and create a program for an initial five years, with possible renewals, allowing for police officers to agree to continue working for the Police Department after retiring, with deferred retirement payments for the period they continue working.

Recommendation: A "YES" Vote Means: If you vote "yes," you want to amend the Charter to create a program for an initial five years, with possible renewals, allowing for police officers to agree to continue working for the Police Department beyond their intended retirement date ~~after retiring, receiving both their current salary and benefits and~~ with deferred pension ~~retirement payments for the period they continue working.~~; define full-duty sworn officer; require the Police Chief to make a report and recommendation on staffing of full-duty sworn officers to the Police Commission on a three-year instead of a two-year basis; and require the Commission to report annually to the Board of Supervisors on Department staffing; ~~and create a program for an initial five years, with possible renewals, allowing for police officers to agree to continue working for the Police Department after retiring, with deferred retirement payments for the period they continue working.~~
