← Keep Text Within the Vertical Lines. Word count starts here: →

Over the past two years as your Assemblymember, I've led the fight to confront San Francisco's most pressing challenges.

Leadership:

- Serve as Majority Whip of the CA State Assembly.
- Chair of the Select Committee on Downtown Recovery, championing legislation to convert vacant office space into housing to bring back San Francisco's downtown economy.
- Chair of the Select Committee on Fentanyl, Opioid Addiction, and Overdose Prevention, finding effective public safety and public health solutions to get fentanyl off our streets and expand treatment.
- Co-founder and Chair of the first-ever California Legislative Renters' Caucus to advocate for pro-renter policies.

Some recent legislative accomplishments:

- Championed bills to confront the fentanyl crisis, like mandating overdose reversal drugs in first aid kits, expanding mobile pharmacies, and access to lifesaving addiction treatments.
- Prioritized public safety by banning guns for offenders with severe mental illness, implementing preventive measures for individuals leaving state hospitals to deter violent re-offenses, and authoring laws to confront retail theft.
- Cut through red tape to expedite housing construction.
- Capped security deposits at one month's rent and lowered HOA fees to make housing more affordable.

I'm dedicated to improving public safety, decreasing homelessness, ensuring proper funding for our schools and transit systems, and tackling climate change. I'm proud to have a 100% score from both Equality California and Planned Parenthood for consistently supporting impactful LGBTQ+ initiatives and pro-choice policies, and I received an 'A' rating from California Environmental Voters.
