

**SF311 Online Database of Boards and Commissions Appointments
Fourth Quarter of Fiscal Year 2024**

The Ordinance related to the Centralized and Publically Accessible Online Database of Appointments to Advisory Bodies requires quarterly and annual reports verifying the accuracy or information in the database and documentation of changes made to that body throughout the fiscal year. Below are the advisory bodies that listed changes for the 4th Quarter of FY24, if applicable, and certified that the information was accurate in 311's database.
