For your reference, the relevant provisions of Elections Code section 13107 are reproduced below:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected by vote of the people.

(2) The word "incumbent" if the candidate is a candidate for the same office which the candidate holds at the time of filing the nomination papers, and was elected to that office by a vote of the people. A candidate shall not use the word "incumbent" if the candidate was elected to their office in an at-large election and is a candidate in a district-based election.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(4) The phrase "appointed incumbent" if the candidate holds an office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which the candidate holds and to which the candidate was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) (1) Except as specified in paragraph (2), for candidates for judicial office, immediately under the name of each candidate, and not separated from the name by any line, only one of the following designations may appear at the option of the candidate:

(A) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.

(B) The word "incumbent" if the candidate is a candidate for the same office that the candidate holds at the time of filing the nomination papers.

(C) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(2) For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:

(A) Words designating the actual job title, as defined by statute, charter, or other governing instrument.

(B) One of the following ballot designations: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(A) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words "City of."

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words "County of."

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words "City and County."

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of the candidate's principal professions shall use one of the following ballot designations as the candidate's ballot designation: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, including a generally available standard reference dictionary published online, shall be considered as one word. Name in Chinese Characters

2 The names of candidates appear on the official ballot in traditional Chinese characters as well as in English. The Department of Elections can provide this transliteration or translation for candidates for local office, or the candidate may provide documentation of established use of a name in Chinese.

If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate that they have been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

Check one option (provide supporting documentation):

- I request that the Department of Elections, working with a qualified Chinese-language translator, provide a Chinese transliteration or translation of my name for all materials where it is legally required.
- I am providing documentation of established use of a particular Chinese transliteration or translation of my name for the Department to review. I understand that the Department's decision whether to accept a proposed transliteration or translation is final.
- I have a character-based name by birth and am providing supporting documentation of this name.

Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
 - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2023 annual statement, **do not** change the pre-printed dates to reflect 2024. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2024, through December 31, 2024, will be disclosed on your statement filed in 2025. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original "wet" signature unless filed with a secure electronic signature. (See page 3 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements.

When you sign your statement, you are stating, under penalty of perjury, that it is true and correct. Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

I'm a career prosecutor who will focus on results, not rhetoric. We will vigorously prosecute serious and violent crimes, protect victims and implement evidence-based programs to reduce crime and save lives — striking the right balance between accountability and rehabilitation.

At a young age, I lost my uncle to an armed robbery-turned-homicide, sparking my lifelong devotion to public safety. As a prosecutor, I have:

- Prosecuted violent crimes and major drug-dealing.
- Secured restitution for thousands of victims.
- Helped hundreds of kids get back on track in our juvenile justice system.
- Worked extensively in our treatment courts.
- Led the fight against hate-crimes as a San Francisco Immigrant Rights Commissioner.

Politicians have made our safety a battleground for political gain — and we are paying the price.

Successful crime-reduction programs have been eliminated. Treatment courts are underutilized. Mismanagement of the criminal justice system has led to thousands of cases dismissed, making us less safe.

I have experience in multiple District Attorney's Offices to know what works and what doesn't. I will not play politics with our public safety. This is life and death.

Please join law enforcement officials, District Attorneys nationwide, judges, teachers (United Educators of San Francisco; American Federation of Teachers Local 2121), National Union of Healthcare Workers and thousands of neighbors for a better way on safety.
