

FLOOD

1. If instructed by local authorities to evacuate because of flood dangers, the Emergency Charge shall give instructions to classrooms and then set evacuation procedure in motion.
2. Parents should be called to pick children up immediately, if there is time.
3. Turn off electricity.
4. Evacuate to nearest high ground.

Our evacuation location is: _____
(Fill in your designated area.)

FLOOD EMERGENCY CHARGE RESPONSIBILITY

1. Important points to impart to all:
 - a. Stay out of contaminated water.
 - b. Drinking water supply will be contaminated. Don't drink tap water, not even if purified. You may use unopened bottled water.
2. If no help or instructions arrive, try to get everyone to the highest ground available - safely. (Be careful of too much weight on the roof!).
