	<p>As just one example, the Police Commission has been very effective, achieving national best-practice policies through collaboration with SFPD. If approved by the voters, Proposition D would hollow the Police Commission's oversight of SFPD and eliminate the long-standing power of the Police Commission to fire the Police Chief. If Proposition D passes, it gives the Chief sole authority to set rules for police officers, thwarting collaborative reform, accountability, transparency, racial justice, and could threaten public safety.</p>

	<b>VOTE NO ON THIS POWER GRAB.</b>	6
	This proposed charter amendment pretends to be a way of reducing bureaucracy, but it is, in fact, a significant increase in the power of the Mayor at the expense of the Supervisors, the elected officials closest to the voters.	11 14 12 2
	Every school civics and U.S. history class emphasizes the significant checks and balances in government at all levels, federal, state, and local. One of those checks and balances is the role of the legislative branch in appointments—major appointments require confirmation by the elected representatives of the people.	10 12 14 8 4
	This proposed amendment, in the Section 3.100, paragraph 18, eliminates that important check and balance by giving the Mayor <b>sole authority</b> over appointments and deleting the requirement for approval by the Board of Supervisors.	10 12 11 1
