	<p><b>MALE ELECTED LEADERS OF SAN FRANCISCO SUPPORT YES ON O</b></p> <p>As male elected leaders of San Francisco, we stand united in strong support of Prop O – the San Francisco Reproductive Freedom Act. Reproductive health is not just a women’s issue – it is a matter of fundamental human rights that impacts the wellbeing of our entire community. Men have a critical role to play in championing these rights, as they affect our partners, families, and broader society.</p> <p>Reproductive freedom supports the health, autonomy, and economic security of everyone. Families are healthier and more stable when individuals have access to comprehensive reproductive healthcare, including contraception, abortion, and prenatal services. This initiative ensures that all San Franciscans, regardless of gender, can access the healthcare they need without fear of discrimination or political interference.</p> <p>Criminalizing abortion and restricting access to reproductive healthcare leads to dangerous and unjust outcomes, disproportionately harming marginalized communities, including LGBTQ individuals. By supporting this initiative, we can protect the health and rights of all San Franciscans and affirm our city’s commitment to justice and equity.</p> <p>We urge you to vote YES on Prop O, the San Francisco Reproductive Freedom Act. Together, we can create a brighter, more equitable future for all.</p> <p>Senator Scott Wiener Assessor Joaquín Torres Supervisor Matt Dorsey Supervisor Joel Engardio Supervisor Rafael Mandelman Supervisor Aaron Peskin Supervisor Dean Preston Supervisor Ahsha Safaí Supervisor Shamann Walton</p>

Essential Access Health advances quality sexual and reproductive health care for all through funding, advocacy, research, training for providers and healthcare professionals, and youth empowerment.</p> <p>As states across the country continue to enact callous and cruel abortion bans and restrictions, California and San Francisco have an opportunity and responsibility to use every tool possible to protect and expand access to essential health services. The Reproductive Freedom Act builds on San Francisco's long history of taking bold action in support of equity and justice, and provides a model for other cities to adopt and adapt.</p> <p>This measure ensures that anyone seeking reproductive health care in San Francisco has accurate information about where they can receive comprehensive, medically accurate and unbiased care. It reinforces state protections to ensure that no one is criminalized for accessing reproductive health care, seeks to guarantee that reproductive services are affordable and accessible to all, counters manipulative tactics that delay access to time-sensitive care, and makes it easier for reproductive health centers to open in San Francisco.</p> <p>Everyone, everywhere should be able to get the essential abortion care they want and need, where and how they need it, with dignity and respect.
