Don't be misled by Republican opponents. Yes on E is the right reform for San Francisco!

Yes on E is clear, simple and effective:

- 1) Conduct an independent, cost-benefit analysis of every San Francisco commission
- 2) Hold public hearings and develop a plan to consolidate, eliminate and reorganize to make them more effective
- 3) Put the plan before voters in November of 2026 to let voters decide

This is the *right* way to reform city government.

The Republican-supported alternative, Prop D, takes a destructive approach. D completely eliminates the Arts, Library, Health, Youth, Small Business and Environment Commissions. D dismantles citizen oversight of police conduct policies. D gives future Mayors unchecked power. D takes power away from everyday San Franciscans. D puts government back behind closed doors, ripe for abuse and corruption.

We are neighborhood groups, environmentalists, union leaders, advocates for children and youth, educators, small business owners, affordable housing advocates, and city leaders who believe government is here to serve people, not special interests.

Please join us in voting **Yes on E and No on D.**
