I am respectfully submitting this memorandum to request \$10,000 for community engagement events for the Tenderloin District for the months of October, November and December. I would like to host or co-host a Halloween event with Tenderloin District CPAB members and was requested to provide pumpkins, pumpkin carving supplies, and trick or treat goodies for an October Halloween Tenderloin Station/CPAB Event for the community, while also providing a safe designated area where children could trick or treat and possibly have a haunted house.

I would also like to host a Tenderloin Station Holiday Toy Giveaway event in December. I initially requested these funds in the SF Police Community Foundation Grant for this event. If there are sufficient funds, I would also like to coordinate a Turkey giveaway for the Tenderloin District.

I am requesting funds for these events so that I may participate with the Tenderloin Station CPAB members and plan events for the children in the Tenderloin District community. Receiving funding for these events would greatly improve the relationship between the community and Tenderloin Station.

Thank you for taking the time to consider my request for funding for community events in the Tenderloin District.
