WHAT IS THE DIFFERENCE BETWEEN PREMIUM AND PREMIUM PLUS?

The San Francisco Law Library has developed two levels of membership to serve the complex needs of the legal community:

PREMIUM SERVICES LEVEL:

Membership fee for any firm or business with a San Francisco office, making use of the benefits of membership to serve the legal information needs of the San Francisco practice. Annual fee is based on the number of attorneys in the San Francisco office. All services apply.

PREMIUM PLUS LEVEL:

Membership fee for any firm or business in or outside of San Francisco, using the benefits of membership to serve the legal information needs of the firm or business at large. Annual fee is computed in two ways:

- Firms or businesses with a San Francisco office use the base rate for Premium Services, based on the number of attorneys in San Francisco, with an added Plus fee.
- Firms or businesses with no San Francisco office use total number of attorneys in the firm as the measure for the Plus Services membership fee. Circulation privileges are available only to San Francisco offices.
