Community Listening Session

Monarch and Adante Shelters

Wednesday, November 20, 2024

5pm

The Department of Homelessness and Supportive Housing (HSH) is seeking to extend the leases of the Adante Shelter (610 Geary Street) and the Monarch Shelter (1015 Geary Street). The properties serve as shelters for San Francisco's most vulnerable populations. The lease extensions are for 5 years with the option to extend for another 5. We'd like to convene a community conversation around the sites and how they're contributing to the neighborhood.
