No homicides for the week; there are a total of 24 homicides YTD with 18 resulting from a firearm; 88% overall clearance.

Significant Incident: Acknowledged the October 7th, one year anniversary of the Hamas attacks. SFPD release a statement. Significant demonstration over the weekend on Sunday, peaceful for the most part, there were reports of vandalism, including graffiti on a building in the Mission District, investigating that case, have good evidence to follow up on. There were a rash of vandalism to Waymo vehicles, on October 5th four subjects dressed in dark clothing began vandalizing Waymo

vehicles or a Waymo vehicle, which was occupied by passengers, damage included slashed tires, broken windows and spray paint to the body of the car, one passenger sustained minor injuries from the glass shattering, appears that this was a targeted attack, on October 4th, a Waymo employee reported six low speed hit and run crashes that damaged Waymo vehicles involving the same suspect, passengers in the vehicles in some incidents, it's unclear how many passengers at this time., no injuries were reported, incidents occurred- four in the Bayview, one in the Mission and one in the Central district, an employee from Zoox also reported that a person described as that same suspect has struck one of their vehicles as well, Officers responded to the scene, no arrest has been made at that time, investigations are ongoing. Traffic collisions- There was a fatal on October 6th on Treasure Island, the vehicle went over the hillside and became submerged in the water, passenger was able to escape and was transported and reported in stable condition, the driver had to be extracted and unfortunately did not survive this incident, investigation is ongoing as to the cause. Sunday night about 70 plus motorcycles and ten vehicles congregated at the Chevron gas station 6th and Harrison, officers from Southern station began patrolling the area to deter any attempt to set up a sideshow/ stunt driving activity, within 20 minutes, they had dispersed in all directions, no sideshow took place.

Significant arrest: Significant retail theft grant department has been working from, and that's really helped put some strategies in place, including blitz operations, a series of blitz operations this past week that resulted in 17 arrests of retail theft suspects, some organized, this was conducted by Ingleside Officers on Mission Street, a lot of stolen property was recovered and returned to those particular retail stores, this strategy will continue, the grant was \$15.3 million and it's really made a big difference to combat this issue. Traffic- On October 6th, a victim was struck by a vehicle while crossing the street against a red light, officers located the vehicle and the suspected driver, and they were taken into custody, that victim was transported in critical condition and remains hospitalized.

Strategies: SFPD will be on alert for any potential threats of suspicious behavior and Officers will be making passing calls at places of worship and that passing call strategy will continue through this week and until further notice as tensions are very high due to what's going on in the middle east. Hardly Strictly Bluegrass festival was over the weekend, one arrest, aggravated assault with an object, narcotics recovered and officers did a really good job on that particular arrest, no other major issues reported. Fleet Week begins this week, a lot of festivities, ships, members of the armed forces. Thanked all the members of the department and all the departments that have been working together to get things turned around in terms of a clean city and a safe city. Plan to be fully deployed this weekend for fleet week.

PUBLIC COMMENT:

Paulette Brown: Addressed crimes still occurring in the city. Believes that solving cold/unsolved cases may help reduce crime. Continued to discuss families that are advocating for their own cases.
