

2024 FIRE LIEUTENANT (H020) PREP GUIDE QUESTIONS

1. Will you be posting the answers to the sample scenarios given in the Candidate Test Prep Guide, and if so, will they be posted before the exam?

Yes, we will be sending this in a separate email.

2. Will Ergo Metrics be administering the Assessment Center portion of the exam as well?

Ergometrics will be on site to assist with the administration of the Assessment Center, but SFDHR will be leading the administration.

3. If we are working that day will we be detailed down to take the test?

Yes, candidates will be detailed if they are working on the day of the SJT written exam.

4. Do you know when they will confirm the date of the SJT?

We will send out an exam invitation with your reporting date and time at least 10 days before the examination date.
