

Muni Funding Working Group October 17 Meeting Public Comment

Disclaimer: The following are summaries only of public comments provided at the Muni Funding Working Group meeting. They are not intended to reflect the full content of the comments made at the meeting.

1. Dylan Fabris from SF Transit Riders expressed concerns about equity when it comes to automated enforcement.
2. Howard Wong from the MTC Policy Advisory Council shared that voters may be less inclined to vote for tax measures at this time.
3. Robert Feinbaum, President of SaveMUNI, expressed concerns about cutting Muni service and shared that the SFMTA could work with federal and state partners to allow shifting of capital funds for operations.
4. Joshua expressed that improving Muni ridership also saves lives and cautioned against spreading misinformation.
