7. Eat SF/Vouchers for Veggies, Priti Rane, Director of Nutrition Services, DPH and Cissie Bonini, UCSF, SDDT Healthy Food Purchasing Supplement Grantee [Discussion and Possible Action] – 20 minutes

Cissie Bonini, Executive Director of Eat SF/Vouchers for Veggies, Priti Rane, Director of Nutrition Services at DPH, and Asha Chirackal, Program Coordinator for EAT SF present their SDDT funded work on partnership between Vouchers for Veggies/EAT SF and SF WIC. The program purpose is to increase nutrition for pregnant, low-income pregnant people.

The SF Women Infant and Children (WIC) program provides resources to purchase healthy foods at grocery stores and farmers markets, provides nutrition education, breastfeeding/chest feeding support, immunization screening, healthcare referrals to pregnant people, postpartum people, infants and children until the age of 5 years old. The reach is wide and has reached almost 13,500 – 14,000 SF residents.

Vouchers for Veggies is a produce prescription type program for a produce supplement program. EAT SF is a grocery program, which is separate from the prescription program. Food insecurity and pregnancy is multi-generational. The program focuses on Latinx/African-American/Pacific Islander pregnant people to address health disparities. Program is implemented at all WIC sites across SF. Participants receive \$40/month in fruits and vegetable vouchers for 9 months and have served over 1,500+ pregnant people each year.

Demographics Served in FY 23-24

- 2,458 pregnant WIC participants served in FY 23-24

Notes

PUBLIC COMMENT

General Public Comment: At this time, members of the public may address the SDDTAC Advisory Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda.

With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting. Each member of the public may address the Committee for up to three minutes.

The Brown Act forbids a Committee from taking action or discussing any item not appearing on the posted agenda, including those items raised at Public Comment. In response to public comment on an item that is not on the agenda, the Committee is limited to:

- Briefly responding to statements made or questions posed by members of the public, or
- Requesting staff to report back on a matter at a subsequent meeting, or
- Directing staff to place the item on a future agenda. (Government Code Section 54954.2(a).) 10.

Each action item will hold public comment before a vote is made.

Explanatory documents are available at the 25 Van Ness Ave, Suite 500 during regular business hours. If any materials related to an item on this agenda have been distributed to the SDDTAC after distribution of the agenda packet, those materials are available for public inspection at the address above during normal business hours.

RINGING AND THE USE OF CELLPHONES

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.

	Budget Descriptions
COMMUNITY-BASED GRANTS	City Departments should contract directly with CBOs through an RFP process managed through the Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies:
Health education, food security, physical activity	<ol style="list-style-type: none"> Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health Physical Activity opportunities, including: a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Changes to the built environment (ie sidewalks, streets, parks, buildings, etc) or safety of the built environment that facilitates increased physical activity and active transportation); and Food Security, including: a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; and d) Pursuit of institutional or local policies that facilitate food security; and e) Food Access, including community-based food systems, approaches, community-based pantries, community based hot meals, community kitchens and community home delivery services, etc. Water Promotion, such as support for Spa Water Supplies, station maintenance/beautification, refillable water bottles to distribute to communities, water testing Community Based Participatory Research
CBOs working with SFUSD	Recommend 3% of all CBO funding should go towards CBOs implementing programs/initiatives that take place in school settings. Funding to issue grants to CBOs should follow the above guidelines.
SFUSD	
School Food, Nutrition Ed	To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.
Student Led Action	Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action. Funding to also support adequate staffing for implementation.
FOOD ACCESS	
Healthy Food Purchasing Supplement	Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. These funds should be RFPed out to CBOs and FBOs. Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability to food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no-

*The Board of Supervisors made a series of addbacks in the FY 17-18 budget. When the Board of Supervisors makes changes to the Mayor's budget, some of these changes are "addbacks" denoting the Board's decision to add funds back for a particular service. Addbacks become part of an agency's baseline budget.
