What does the Office of Contract Administration purchase for the City and County of San Francisco?

\$343,000,000+

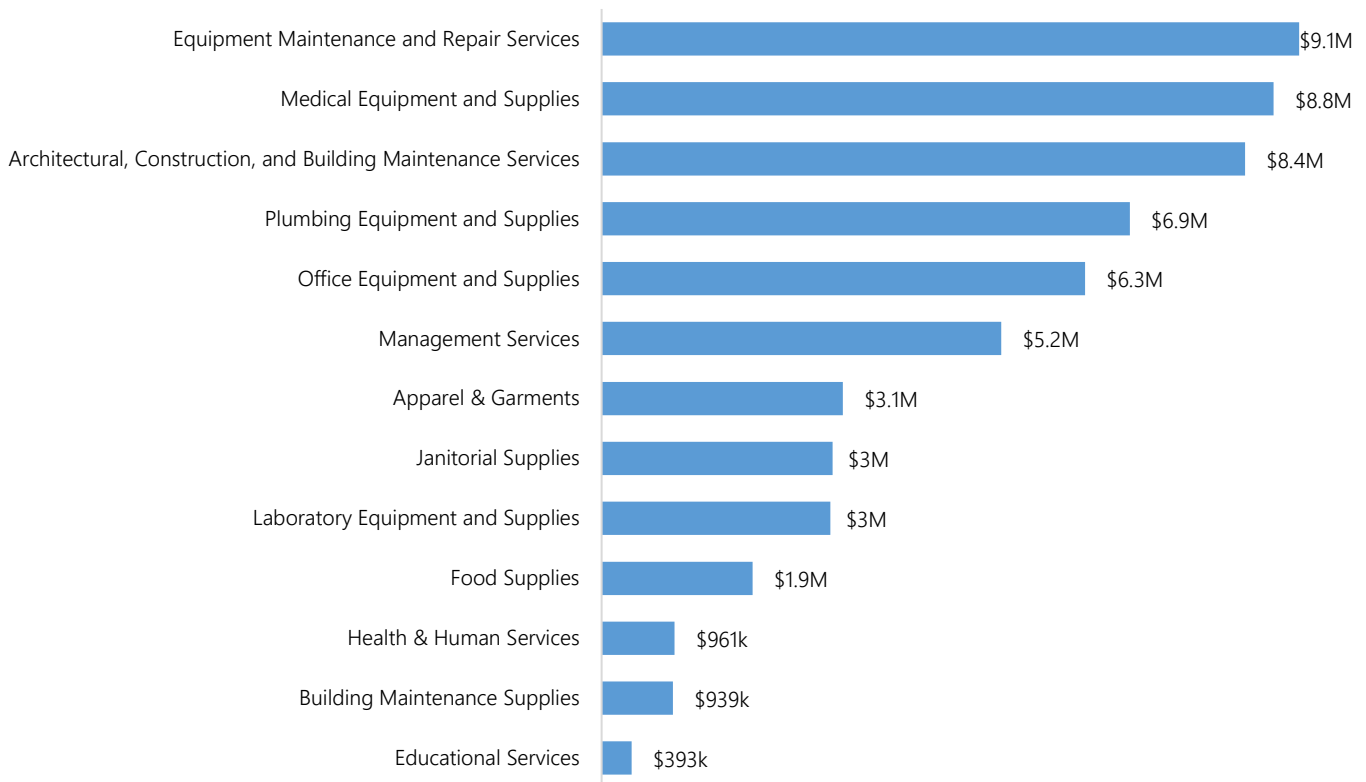

The total amount we purchased in goods & services on behalf of the City in the last fiscal year.

About 50% of our spending goes to 5 categories of goods and services.

Even if you don't do business in one of our top spending categories, **we have opportunities for many types of businesses.**

Here's a snapshot at what else we purchased in the last fiscal year:

The City's Office of Contract Administration (OCA) is responsible for procuring the goods and services that our City departments need for their day-to-day operations. To fulfill this role, OCA procures long-term contracts for a wide variety of commonly-needed goods and services, as well as conducts procurements for one-time purchases. Currently, OCA holds 583 Term Contracts with a cumulative value of \$2.23B. In the past Fiscal Year, OCA issued 2,240 POs for one-time purchases.

Upcoming Opportunities with the Office of Contract Administration

Disclaimer: The Office of Contract Administration (OCA) is distributing the following information about upcoming contracting opportunities for general services and commodities to help small, local businesses be aware of these opportunities. The information provided herein is subject to change without notice. Being listed here is not a guarantee that the contract will be advertised for or awarded by OCA. The advertisement dates, contract descriptions, and contract values of the opportunities are only projections, are not guaranteed, and are subject to change without notice. In addition, OCA may not advertise these contracting opportunities during the timeframes specified, or in the order listed, if at all. Moreover, this is not a complete list of contracting opportunities with OCA or the City. Please refer to bid advertisements and contract documents for the final details.

The Anticipated Total Contract Value is the estimated total value of all contracts City expects to award for the applicable solicitation. Where more than one contract may be awarded, the estimated total number of contracts are provided below this value.
